## *COMMUNICATION WITH THE BOARD OF DIRECTORS*

Stockholders may communicate with any and all members of the Company's Board of Directors by transmitting correspondence by mail addressed to one or more Directors by name (or to the Chief Executive Officer for a communication addressed to the entire Board of Directors) at the following address and fax number: Name of the Director(s), c/o Corporate Secretary, LaBarge, Inc., 9900 Clayton Road, St. Louis, Missouri 63124, fax number: 314-812-9438. Communications from the Company's Stockholders to one or more Directors will be monitored by the Company's Corporate Secretary and the Chief Executive Officer, who will bring any significant issues to the attention of the appropriate Board members.

## *DIRECTOR NOMINATIONS*

Director candidates are nominated by the Nominating Committee. The Nominating Committee investigates and assesses the background and skills of potential candidates for Directors. The Committee seeks to create a Board that will bring a broad range of experience, knowledge and judgment to the Company. The Committee does not have specific minimum qualifications that must be met by a candidate for election to the Board of Directors in order to be considered for nomination by the Committee. When the Committee reviews a potential new candidate, the Committee looks specifically at the candidate's qualifications in light of the needs of the Board and the Company at that time given the current mix of Director attributes.

Upon identifying a candidate for serious consideration, one or more members of the Nominating Committee initially interview the candidate. If a candidate merits further consideration, all other Committee members (individually or as a group) interview the candidate and the candidate meets the Company's executive officers and ultimately meets many of the other Directors. The Nominating Committee elicits feedback from all persons who met the candidate and then determines whether or not to nominate the candidate. The process is the same whether the candidate is recommended by a Stockholder, another Director, management or otherwise. The Company does not pay a fee to any third party for the identification or evaluation of candidates.

Stockholders who wish to recommend Director candidates for the next Annual Meeting of Stockholders should notify the Nominating Committee no later than March 15<sup>th</sup> of each year. Submissions are to be addressed to the Nominating Committee, c/o Corporate Secretary, LaBarge, Inc., 9900 Clayton Road, St. Louis, Missouri 63124, which submissions will then be forwarded to the Committee. The Nominating Committee would then evaluate the possible nominee using the criteria established by it and would consider such person in comparison to all other candidates. The Nominating Committee is not obligated to nominate any such individual for election. No Stockholder nominations have been received by the Company for this year's Annual Meeting. Accordingly, no rejections or refusals of such candidates have been made by the Company.

**HUMAN RESOURCES COMMITTEE**  
**REPORT ON EXECUTIVE COMPENSATION**

LaBarge, Inc. has had an independent Human Resources Committee (the “Committee”) since 1981. The Committee is made up of independent Directors appointed annually by the Board of Directors (the “Board”). The principal responsibilities of the Committee include the following:

- Review and recommend to the Board the annual salary and incentive compensation, including performance awards under the 2004 Long Term Incentive Plan, and other benefits of the Chief Executive Officer and other members of executive management.

The Company’s compensation practices are designed to achieve certain fundamental objectives, including to:

- Attract and retain talented executives;
- Align executive compensation with the interests of the Stockholders;
- Foster and promote the short-term and long-term financial success of the Company;
- Materially increase Stockholder value by motivating performance through incentive compensation; and
- Encourage executive ownership in the Company.

To assist the Committee, the Company has, for more than 10 years, contracted with an independent compensation and benefits consulting firm. This firm periodically evaluates each of the key management positions within the Company. The evaluation is based upon such criteria as the size and scope of the job, specific technical and managerial skills required, and the impact of the specific job on Company results.

Using the evaluations of each job and data on the compensation practices of over 500 industrial companies in the United States, the consultants recommend ranges for base salary and both annual and long-term incentive opportunity. The range for base salary is wide (plus or minus 20% from a midpoint) to accommodate a variety of individual criteria, including competitive factors and specific job performance over time. The recommended range for bonus opportunity is also wide, plus or minus 50% from a midpoint. The Committee believes that executives should be paid a base salary that is within the recommended range. Actual incentive payments may range from zero to the recommended high point or greater, depending upon individual and Company performance.

Each year, taking into account the evaluations of the consultants, the Chief Executive Officer makes recommendations to the Committee regarding proposed salary changes, annual incentive payments, and awards under the 2004 Long Term Incentive Plan, if any. The recommendations, and the Committee’s evaluation of them, are based upon a variety of criteria including profit performance to plan, cash flow, customer development, the accomplishment of specific important objectives and many subjective factors. All of these factors were considered in determining the 2005 salaries and bonuses for the executive officers, excluding the Chief Executive Officer.

In determining the Chief Executive Officer’s total compensation, the Committee considered Mr. LaBarge’s level of responsibility, leadership and overall contribution as Chief Executive Officer. In particular, the following were considered by the Committee for fiscal 2005: the significant growth in Company sales and earnings, the increase in backlog to record levels, and the positioning of the Company to continue above market growth when compared to its industry peers.

Section 162(m) of the Internal Revenue Code of 1986, as amended (“Section 162(m)”), limits the federal income tax deductibility of compensation paid to the executive officers named in the Summary Compensation Table. In fiscal year 2005, no such executive officer received compensation that triggered the applicability of Section 162(m).

Committee members: Jack E. Thomas, Jr., Chairman  
Robert G. Clark

## ***AGREEMENTS WITH EXECUTIVE OFFICERS***

In 2005, the Company entered into Executive Severance Agreements (“Agreement”) with Messrs. Craig E. LaBarge, Randy L. Buschling, Donald H. Nonnenkamp, John R. Parmley, Vernon R. Anderson, and Ms. Teresa K. Huber (collectively “the Executive Officers,” or individually “the Executive Officer”). Each Agreement provides that, following a Change of Control (as defined by the Agreement), the Company will continue to employ the Executive Officer for a period not less than one year at his or her place of employment immediately prior to the Change of Control or within 50 miles thereof. During that period, the Executive Officer would be entitled to a base salary in the amount not less than the annualized base salary paid or payable to him or her during the month immediately preceding the month in which the Change of Control occurs. He or she would also be entitled to an annual bonus equal to the same percentage of his or her base salary as the average bonuses paid to the Executive Officer in each of the five fiscal years most recently ended were to his or her base salary in those years, after disregarding the highest and lowest of such percentages. The Executive Officer would also be entitled, during such one-year period, to all pension, welfare and other employee benefits, fringe benefits and perquisites in amounts and on terms no less favorable than those to which he or she was entitled on the date of the Change of Control. The Agreement also provides that, in the event of termination of the Executive Officer’s employment during such one-year period for reasons other than death, disability, or Cause (as defined by the Agreement) or voluntarily by the Executive Officer without Good Reason (as defined by the Agreement), the Executive Officer would be entitled to a lump sum payment from the Company equal to the sum of: (i) his or her salary and other compensation not yet paid by the Company through the date of termination; (ii) a bonus prorated for the portion of the year through the date of termination; (iii) the product of three times the sum of (x) the Executive Officer’s salary plus (y) the bonus to which he or she would have been entitled for the full fiscal year; plus (iv) accrued vacation pay. The Company would also be required to provide to the Executive Officer for three years after termination all medical, hospitalization, disability and certain other benefits in amounts and on terms not less favorable than those to which he or she was entitled at the time of termination. If the foregoing amounts were not paid when due, they would bear interest at the rate of 15% per annum. The Agreement provides for appropriate adjustments of such payments if they would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended.

In 2005, the Company entered into a Competitive Practices Agreement with its Executive Officers. The Agreement restricts Executive Officers from engaging in competitive practices with the Company for a period of two years following termination of employment.

## ***COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION***

None of the Company’s executive officers serves as a Director or member of the Compensation Committee, or other Committee serving an equivalent function, of any other entity that has one or more of its executive officers serving as a member of the Company’s Board of Directors or the Human Resources Committee. None of the current members of the Human Resources Committee has ever been an officer or employee of the Company or any of its subsidiaries.

## ***PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM***

---

KPMG LLP (“KPMG”) has been appointed independent accountant for the Company for the fiscal year ending July 2, 2006 by the Audit Committee with the approval of the Board of Directors. KPMG has been the Company’s independent accountant since 1980. Although the appointment of independent accounting firm does not require the approval of Common Stockholders, the Board of Directors believes Common Stockholders should participate in the appointment through ratification. A representative of KPMG is expected to be present at the Annual Meeting of Stockholders with the opportunity to make a statement, if he so desires, and he is expected to be available to respond to appropriate questions raised orally at the meeting.

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock casting a vote at the Annual Meeting is necessary for the ratification of the selection of the independent accountant.

## **INDEPENDENT AUDITORS' FEES**

KPMG LLP served as the Company's independent public accountants for the fiscal year ending July 3, 2005.

Aggregate fees for professional services rendered for the Company by KPMG LLP for the fiscal years ended July 3, 2005 and June 27, 2004.

	<b>Fiscal Year Ended</b>	
	<b>July 3, 2005</b>	<b>June 27, 2004</b>
Audit fees	\$ 448,328	\$ 240,827
Audit-related fees	5,000	---
Tax fees	58,860	90,170
All other fees	---	---

Audit fees were for professional services rendered for the audits of the consolidated financial statements of the Company and its benefit plans and the review of documents filed by the Company with the SEC. These fees include audit of internal controls in compliance with Section 404 of the Sarbanes-Oxley Act of 2002.

Audit-related fees were primarily for review of supplemental SEC filings.

Tax fees were related to tax compliance, tax planning and tax advice related to a number of projects.

The Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by the Company's independent auditor. This policy generally provides that the Company will not engage the independent auditor to render audit or nonaudit services unless the service is specifically approved in advance by the Audit Committee. The Audit Committee has granted the Vice President and Chief Financial Officer the authority to engage KPMG LLP for audit-related and tax fees not exceeding \$25,000. Such engagements are then formally approved by the Audit Committee at its next meeting. 99% of audit-related fees and tax fees for 2005 were pre-approved by the Audit Committee. The remainder was approved by the Vice President and Chief Financial Officer pursuant to the de minimis exception discussed above.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE  
"FOR" RATIFICATION OF THE SELECTION OF KPMG LLP FOR FISCAL 2006.**

## **REPORT OF THE AUDIT COMMITTEE**

The primary role of the Audit Committee is oversight of the Company's financial reporting process, public financial reports, internal accounting and financial controls, and the independent audit of the annual consolidated statement. The Board, in its business judgment, has determined that the members of the Audit Committee are "independent" and "financially literate" as required by the American Stock Exchange. In addition, the Board has determined, in its business judgment, that both Lawrence J. LeGrand and Robert H. Chapman each qualify as "financial experts" as that term is defined by the Securities and Exchange Commission. The Committee acts under a charter. The Committee reviews the adequacy of the charter at least annually.

Committee members are not professionally engaged in the practice of accounting or auditing, and are not experts under the Securities Act of 1933 in either of those fields, or in auditor independence. In carrying out its responsibilities, the Committee looks to management and the independent auditors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The independent auditors are responsible for auditing the Company's consolidated financial statements and expressing an opinion as to their conformity to accounting principles generally accepted in the United States.

In the performance of its oversight function, the Audit Committee has reviewed and discussed with management and the independent auditors the Company's audited consolidated financial statements. Management and the independent auditors told the Audit Committee that the Company's financial statements were fairly stated in accordance with generally accepted accounting principles. The Audit Committee also has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 relating to communication with audit committees. In addition, the Audit Committee has received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1 relating to independence discussions with audit committees and has considered whether the independent auditor's provision of non-audit services to the Company is compatible with maintaining the auditor's independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

The Audit Committee has reviewed and discussed with management its assessment and report on the effectiveness of the Company's internal control over financial reporting as of July 3, 2005, which it made using the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission in Internal Control - Integrated Framework. The Audit Committee has also reviewed and discussed with the independent auditors its attestation report on control over financial reporting. The Company published these reports in its Annual Report on Form 10-K for the year ended July 3, 2005.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended July 3, 2005 for filing with the Securities and Exchange Commission.

The Audit Committee has retained KPMG LLP to audit the Company's financial statements for fiscal 2006.
