FOR IMMEDIATE RELEASE

LaBARGE, INC. ANNOUNCES PRELIMINARY FIRST-QUARTER RESULTS

Company Estimates First-Quarter Sales of \$39.6 million and Diluted EPS of \$0.12 to \$0.13

ST. LOUIS, October 18, 2005 LaBarge, Inc. (AMEX: LB) today announced preliminary financial results for the fiscal 2006 first quarter, ended October 2, 2005, indicating it expects earnings to be consistent with the Company's previously announced guidance for the quarter.

For the fiscal 2006 first quarter, the Company estimates net sales will be approximately \$39.6 million, compared with \$43.6 million in the fiscal 2005 first quarter. Net earnings are expected to be \$0.12 to \$0.13 per diluted share, compared with \$0.15 per diluted share in the comparable period a year ago. In its earlier guidance, the Company said it expected sales would be in the range of \$41 million to \$42 million, and diluted earnings per share would be \$0.12 to \$0.13 for the current year's first quarter. The Company noted that its profit margins improved during the first quarter, even though sales fell below its projections because of several customers rescheduling shipments originally planned for that time frame.

Financial Results and Conference Call Schedule

LaBarge indicated the timing of this preliminary announcement coincides with a presentation members of management will make to analysts and institutional investors today. The Company intends to provide further financial details about the first quarter, as well as update its guidance for the balance of the fiscal year, in its full earnings release, which it expects to issue before the market opens on November 3, 2005. The Company will host a conference call at 11:00 a.m. Eastern Time that day. The conference call will be webcast and interested parties may listen to a live audio broadcast and replay by accessing the Company's Web site at <http://www.labarge.com> and clicking on Investor Relations Calendar.
