[Little Squaw Gold Mining Company Letterhead]

April 14, 2008

Dear Shareholder:

I am inviting you to the Annual Meeting of shareholders of Little Squaw Gold Mining Company to be held May 5, 2008 at the Courtyard by Marriott, 401 N. Riverpoint Blvd, in Spokane, Washington at 10:00 a.m. PDT. You are being asked to approve several proposals including a change of name for Little Squaw and the 2008 Equity Incentive Plan.

At this Annual Meeting we will consider the items of business listed in the attached formal Notice of Meeting and the enclosed Proxy Statement. A form of Proxy also is attached. The Annual Report on Form 10-KSB (without exhibits) for the fiscal year ended December 31, 2007 is part of the Annual Report to Shareholders that is included with this letter.

As described in the Proxy Statement, we are asking the shareholders at the Annual Meeting to elect eight Directors for terms expiring with the next Annual Meeting (Proposal One), and to ratify the selection of DeCoria, Maichel and Teague as the independent registered public accounting firm for the fiscal year ending December 31, 2008 (Proposal Two). We also are proposing to amend the Articles of Incorporation for Little Squaw Gold Mining Company (the "Company") to change the name of the Company to "Goldrich Mining Company". This name change is described in Proposal Three in the Proxy Statement. Proposal Four asks you to approve the changes made to the Company's share incentive plan previously adopted in 2003; those changes are set forth in the 2008 Equity Incentive Plan (the "2008 Plan"), a copy of which is attached to the Proxy Statement, and explained more fully in Proposal Four. The number of shares which may be awarded and delivered under the Plan shall not exceed 5.4 million shares, an increase of 4.2 million shares over the amount subject to the former plan.

We believe that there are several reasons for changing the name of the Company. The use of the word "squaw" in the Company's name has been criticized as that word is considered by many to be condescending to certain cultures. Because of negative connotations associated with that word, we also have found it to be a distractive obstacle when discussing financing arrangements with investment banks and financial institutions. The Company's name historically has been associated with the geographic area around Little Squaw Creek in Alaska since the Company's incorporation in Alaska in 1959. The Company's patented and unpatented mining claims have been located in that area exclusively until 2006. Now, however, the Company has claims and interests in properties in other mining areas in Nevada, Mexico and Brazil. It is no longer appropriate for the Company's name to be limited by its initial, historic beginnings. The Company's primary business purpose is locating, exploring, and developing gold mining properties of all types. The name should be more descriptive of its gold exploration business activities.

Please call Ted R. Sharp (the Secretary of the Company) or myself (509-624-5831) with any questions that you may have concerning the enclosed material. ***Your vote is important. Whether or not you plan to attend the Annual Meeting, please take the time to vote now by signing and dating the enclosed proxy card and returning it in the enclosed self-addressed, stamped envelope as soon as possible. It is important that all individuals listed on the mailing label sign the proxy card.***

Our Board of Directors recommends that you vote for all Proposals on the proxy card.

Thank you for your cooperation and immediate attention given to this matter.

Sincerely,

/s/ Richard R. Walters

PROXY STATEMENT

Proxies, Solicitation and Voting

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Little Squaw Gold Mining Company (the “Company”) for use at the Annual Meeting of Shareholders of the Company to be held at the Courtyard by Marriott, 401 N. Riverpoint Blvd, Spokane, WA 99202 on Monday, May 5, 2008 at 10:00 a.m. Pacific Time or any adjournments thereof. The Board of Directors is sending this Proxy Statement on or about April 15, 2008 to shareholders of record as of March 20, 2008.

The enclosed proxy, if properly signed and returned, will be voted in accordance with the instructions specified thereon. If no instructions are specified, the enclosed proxy will be voted for the proposals described in the Notice, letter from President Walters and this Proxy Statement. A shareholder who has delivered a proxy may revoke it at any time before it is exercised by filing an instrument of revocation with the Secretary of the Company or by delivering a duly signed proxy bearing a later date. A proxy may also be revoked by attending the Annual Meeting and notifying the Secretary that the shareholder intends to vote in person. Attendance at the Annual Meeting without requesting the opportunity to vote in person will not constitute the revocation of a proxy.

The close of business on March 20, 2008 has been designated as the record date for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting or any adjournments thereof. As of March 20, 2008 the Company had 36,444,112 shares of common stock issued and outstanding, held of record by 2,957 shareholders. Each share of common stock outstanding on the record date for the Annual Meeting entitles the holder thereof to one vote on each matter to be voted on at the Annual Meeting.

The holders of a majority of the shares outstanding on the record date for the Annual Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. The favorable vote of a majority of the votes cast at the Annual Meeting is necessary for the approval of all proposals. Abstentions and “broker-non-votes” will be counted as shares that are present at the Annual Meeting for purposes of determining a quorum. Abstentions and “broker non-votes” however, will not be counted as either votes for or against any item, which means that they will have no effect upon the approval for either proposal.

The expense of preparing, printing and mailing this proxy statement and the proxies solicited hereby will be borne by the Company. Proxies will be solicited by mail and may also be solicited by directors, officers and other employees of the Company without additional remuneration, in person or by telephone or facsimile transmission. The Company will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of common stock as of the record date and will reimburse such persons for the cost of forwarding the proxy materials in accordance with customary practice. Your cooperation in promptly voting your shares and submitting your proxy by completing and returning the enclosed proxy card will help to avoid additional expense.

Proposal One

Newly created directorships resulting from any increase in the number of directors may, unless the Board determines otherwise, be filled only by the affirmative vote of the directors then in office, even if less than a quorum of the Board. Director Independence

The Board has analyzed the independence of each director and nominee and has determined that the members of the Board listed below meet the requirements of applicable laws and the listing standards regarding “independence” of the National Association of Securities Dealers (“NASDAQ”). Each director is free of relationships that would interfere with the individual exercise of independent judgment. Based on these standards, the Board determined that each of the following non-employee directors, including nominated and continuing directors, is independent and has no relationship with the Company, except as a director and shareholder:

Charles G. Bigelow
James K. Duff
Kenneth S. Eickerman
James A. Fish
William Orchow
William V. Schara

Committees and Meetings of the Board of Directors

The Board of Directors has an Audit Committee, a Compensation Committee, a Corporate Governance and Nominating Committee and an Exploration Advisory Committee.

Audit Committee

The members of the Audit Committee are Mr. Eickerman (who acts as Chairman), Mr. Orchow and Mr. Schara. Each of the Directors is considered “independent” as defined by NASDAQ listing standards. The Committee operates under a formal written charter approved by the Committee and adopted by the Board of Directors. The Board of Directors has determined that director Kenneth S. Eickerman meets the definition of “audit committee financial expert” set forth in Item 401 of Regulation S-K, as promulgated by the SEC. The Audit Committee held five meetings during the fiscal year ended December 31, 2007. The responsibilities of the Audit Committee include monitoring compliance with Company policies and applicable laws and regulations, making recommendations to the full Board of Directors concerning the adequacy and accuracy of internal systems and controls, the appointment of auditors and the acceptance of audits, and monitoring management's efforts to correct any deficiencies discovered in an audit or supervisory examination.

Compensation Committee

Mr. Eickerman, Mr. Duff and Mr. Fish are the members of the Compensation Committee; this Committee does not have a charter. Mr. Eickerman is the Chairman of the Committee. This Committee receives and considers recommendations from the President for compensation for consultants, management, (including Mr. Walters) and the Directors. Compensation matters regarding Mr. Walters and Mr. Sharp are recommended to the Board of Directors for their consideration. The Committee also is responsible for the administration of all awards made by the Board of Directors pursuant to the Restated 2003 Share Incentive Plan. If the shareholders approve the 2008 Equity Incentive Plan, then the Compensation Committee shall make recommendations to the Board of Directors regarding administration of the Plan. The Board of Directors, however, will administer the Plan. The Company does not use compensation consultants. This Committee held one meeting in 2007.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee is composed of Mr. Orchow, Mr. Schara and Mr. Walters; this Committee adopted a Charter at a meeting held May 7, 2007. The Charter does not include a policy with regard to consideration of director candidates recommended by shareholders. This Committee believes that it is in a

better position than the average shareholder to locate and select qualified candidates for the Board of Directors, as the Company is a small, gold exploration company that requires its directors to have knowledge regarding the risks and opportunities in the gold mining industry. This Committee did not hold a meeting in 2007.

Exploration Advisory Committee

The Exploration Advisory Committee is composed of Mr. Bigelow and Mr. Duff. The members of this Committee have many years of experience in precious metal exploration, management and industry knowledge. The Committee will act as advisors to our management team in matters related to exploration properties and activities. This Committee does not have a charter, nor does the Board of Directors believe it is necessary to adopt specific criteria or procedures for this Committee. This Committee did not hold a meeting in 2007.

The Board of Directors held five meetings in 2007; Committees of the Board of Directors, in total, held six meetings during the fiscal year ended December 31, 2007. All of the Directors attended more than seventy-five percent of the meetings of the Board of Directors and all of the Directors attended more than seventy-five percent of the meetings of the Committees on which they serve during the fiscal year ended December 31, 2007. The Board of Directors has not established a process for shareholders to send communications to the Board of Directors. Shareholders have adequate means of communicating with the Company and such a process is not necessary. The Company has a policy requesting but not requiring directors to attend the annual meeting. Five directors attended the annual meeting last year on May 7, 2007.

The following is a report of the Audit Committee of the Board of Directors, which is responsible for establishing and administering the Company's internal controls.

Audit Committee Report

The three members of the Audit Committee of the Board of Directors listed above are independent Directors as defined by the NASDAQ listing standards. The Board of Directors has adopted a written charter for the Audit Committee; a copy of the Charter as adopted on October 11, 2003 was included as Appendix A to the Company's Proxy Statement filed April 10, 2007.

The responsibilities of the Audit Committee include recommending to the Board of Directors an accounting firm to be engaged as the Company's independent registered public accounting firm. Management is responsible for the preparation of the Company's financial statements and the financial reporting process, including the system of internal controls. The independent registered public accountants are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States. The Audit Committee's responsibility is to oversee these processes.

The Audit Committee has reviewed and discussed the audited financial statements with management and the independent registered public accountants as well as the matters required to be discussed by Statement On Auditing Standards No. 61, "Communication with Audit Committees." The Company's independent registered public accountants have provided to the Audit Committee the written disclosures and the letter required by Independent Standards Board Standard No. 1, "Independence Discussions with Audit Committees" and has discussed the independence of the accountants with the independent accountants. The Audit Committee also considered the compatibilities of non-audit services with the accountants' independence.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed with management the Company's audited consolidated financial statements contained in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2007. The Audit committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2007, as filed with the Securities and Exchange Commission

The Audit Committee has discussed the overall scope and plans for the audit with the independent accountants selected by the directors. The Audit Committee will meet with the internal and independent

accountants, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

This report is submitted by the Audit Committee. Its members are:

Kenneth S. Eickerman
William Orchow
William Schara

Communications with Directors

PROPOSAL TWO

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has selected DeCoria, Maichel & Teague, P.S., 1105 W. Francis, Suite A, Spokane, Washington 99205 [(509) 535-3503] as the independent registered public accounting firm to examine the consolidated financial statements of the Company and its subsidiary for the fiscal year ending December 31, 2008; the shareholders are asked to consider and vote upon the ratification of such selection. The Board of Directors recommends that the shareholders vote for ratification of the selection of DeCoria, Maichel & Teague, P.S. as the independent registered public accounting firm.

DeCoria, Maichel & Teague, P.S. have examined the financial statements of the Company since the fiscal year ended December 31, 2003. A representative of that accounting firm will be present at the Annual Meeting with the opportunity to make a statement if desired and to respond to appropriate questions.

PROPOSAL THREE

APPROVAL OF THE AMENDMENT TO THE ARTICLES OF INCORPORATION OF LITTLE SQUAW GOLD MINING COMPANY CHANGING THE NAME OF THE COMPANY TO GOLDRICH MINING COMPANY.

The Board of Directors has unanimously approved an amendment to the Company's Articles of Incorporation, changing the name from "Little Squaw Gold Mining Company" to "Goldrich Mining Company", subject to shareholder approval. The full text of the proposed change to the Company's Articles of Incorporation is part of the proposed Articles of Amendment included in this Proxy Statement as Appendix A.

We believe that there are several reasons for changing the name of the Company. The use of the word "squaw" in the Company's name has been criticized as that word is considered by many to be condescending to certain cultures. Because of negative connotations associated with that word, we also have found it to be a distractive obstacle when discussing financing arrangements with investment banks and financial institutions. The Company's name historically has been associated with the geographic area around Little Squaw Creek in Alaska since the Company's incorporation in Alaska in 1959. The Company's patented and unpatented mining claims have been located in that area exclusively until 2006. Now, however, the Company has claims and interests in properties in other mining areas in Nevada, Mexico and Brazil. It is no longer appropriate for the Company's name to be limited by its initial, historic beginnings. The Company's primary business purpose is locating, exploring, and developing gold mining properties of all types. The name should be more descriptive of its gold exploration business activities.

Shareholders will not be required to submit their stock certificates for exchange as a result of this proposed name change. Following the effective date of the Amendment changing the name of the Company to Goldrich Mining Company, all new stock certificates issued by the Company will be printed with the Goldrich Mining Company name. If the shareholders approve this Proposal at the Annual Meeting, then the amendment to the Articles of Incorporation will be filed promptly with the offices of the Secretaries of State of Alaska and Washington, with the name change being effective upon the filing date in those two states.

The Board of Directors Recommends a Vote "For" the Approval of the Change of Name of the Company.

INTEREST OF CERTAIN PERSONS IN THE MATTER TO BE ACTED UPON

None of the Company's officers, directors or affiliates has a substantial interest in this Proposal, other than as a shareholder of the Company.

PROPOSAL FOUR

Approval of the 2008 Equity Incentive Plan and Issuance of Shares of Common Stock of the Company Pursuant to the Plan

The Company is requesting shareholders to approve the 2008 Equity Incentive Plan (the "2008 Plan"). On January 16, 2008, the Board of Directors of the Company adopted the 2008 Plan, subject to approval by the shareholders. All prior incentive share plans were approved by the Company's shareholders. The 2008 Plan authorizes the issuance of up to 5,400,000 shares of common stock which includes the shares reserved for issuance under the Little Squaw Mining Company Restated 2003 Share Incentive Plan (the "Current Plan"), subject to adjustment. The approval of the 2008 Plan and the issuance of the shares as contemplated by the 2008 Plan are subject, however, to the approval of the shareholders. The purposes considered by the Company in adopting the 2008 Plan are:

- to enhance the ability of the Company to attract and retain the most talented employees, directors, and consultants available;
- to promote the growth and success of our business by aligning the long-term interests of employees, directors, and consultants of and to the Company with those of our shareholders by providing an opportunity to acquire an interest in the Company's business through ownership of shares of common stock; and
- to provide a reward for exceptional performance and a long-term incentive for future contributions to the Company's success.

Currently, we have authorized the issuance of shares of common stock of the Company following (i) an exercise of stock options by an employee, officer or director of the Company or (ii) the removal of any restriction on any restricted stock granted to any employees, directors or consultants of the Company through the Current Plan. As of January 16, 2008, the Company had an aggregate of 210,000 shares remaining for future awards by the Company under the Current Plan. No further awards will be made pursuant to the Current Plan upon shareholder approval of the 2008 Plan; the remaining shares available for future awards will be issued in connection with awards pursuant to the 2008 Plan.

The 2008 Plan permits the grant of the following awards:

- incentive stock options;
- nonqualified stock options;
- restricted stock or restricted stock units; and
- stock appreciation rights.

The flexibility of the 2008 Plan in types and specific terms of awards will allow future awards to be based on then-current objectives for aligning compensation with the future and long term success of the Company.

The following is a summary of the material terms of the 2008 Plan and is qualified in its entirety by reference to the 2008 Plan. The complete text of the 2008 Plan is attached to this Proxy Statement as Appendix B. Because of the proposed name change for the Company, it is referred to as the Goldrich Mining Company 2008 Equity Incentive Plan.

Summary of the 2008 Plan

Administration

The Board of Directors of the Company (the "Board") will administer the 2008 Plan. The Board will have authority to determine when and to whom awards will be granted, including the type, amount, form of payment and other terms and conditions of each award, consistent with the provisions of the 2008 Plan. In addition, the Board has the authority to interpret the 2008 Plan and the awards granted under the Plan, and establish rules and regulations for the Administration of the Plan. The Compensation Committee of the Board shall make recommendations to the Board regarding the administration of the 2008 Plan.

Eligible Participants

All Employees, Directors and Consultants of the Company are eligible to participate in the Current Plan and the 2008 Plan.

Shares Available for Awards

The aggregate number of shares of the Company's common stock ("Common Stock") that may be issued as awards under the 2008 Plan will be 5,400,000 shares; this total number of shares includes the 1,200,000 shares of Common Stock available for issuance under the Current Plan and 4,200,000 additional shares of Common Stock reserved and set aside for the 2008 Plan by the Board. Certain types of mergers, acquisitions and other reorganizations in the future could require additional shares to be reserved and set aside by the Company. The Board also may request the Company to adjust the aggregate number of shares reserved for issuance under the Plan if a stock dividend is declared or other type of distribution occurs, including a stock split, merger, extraordinary dividend, or other similar corporate transaction or event, in order to prevent dilution or enlargement of the benefits or potential benefits intended to be provided under the 2008 Plan.

If any shares of Common Stock related to an award granted under the Current Plan or the 2008 Plan are forfeited or become unexercisable, or if any award terminates without the delivery of any shares, the shares of Common Stock previously set aside for such awards will be available for future awards under the 2008 Plan.

Stock Options and Stock Appreciation Rights

The Board may award stock options in the form of nonqualified stock options or incentive stock options with a maximum term of ten (10) years. Moreover, the Board may award stock appreciation rights. The Board will establish the vesting schedule for stock options and the method of payment of the exercise price, which may include cash, installment payments or shares. The Board will establish the manner and timing under which restrictions may lapse. The exercise price for any option and the base price for any stock appreciation right will not be less than the fair market value of the underlying shares on the date of the grant.

Restricted Stock and Restricted Stock Units

The Board may award restricted stock and restricted stock units and establish the applicable restrictions, including any limitation on voting rights or the receipt of dividends. The Board may decide to include dividends or dividend equivalents as part of an award of restricted stock or restricted stock units and may accrue dividends, with or without interest, until the award is paid. The Board will establish the manner and timing under which restrictions may lapse.

Expiration, Termination or Forfeiture of Awards

Unless otherwise provided in the applicable award agreement or any severance agreement, vested awards granted under the 2008 Plan will expire, terminate, or otherwise be forfeited as follows:

- Ninety (90) days after the date of termination of a Participant's Continuous Status as a Participant, other than in the circumstances described below;
- Immediately upon termination of a Participant's Continuous Status as a Participant for cause as defined in a Company subplan or Award Agreement;
- Twelve (12) months after the date on which a Participant ceased performing services as a result of his or her Disability (as defined in the 2008 Plan); and
- Twelve (12) months after the death of a Participant who was a Participant whose Continuous Status as a Participant terminated as a result of their death.

Amendment and Termination

The Board generally may amend or terminate the 2008 Plan as it determines to be advisable. Shareholder approval will not be required in order to amend or terminate the 2008 Plan unless otherwise required by the Internal Revenue Code, the Securities and Exchange Commission or any listing requirement of any stock exchange. No amendment may be made without shareholder approval if such amendment would increase the aggregate number of shares which may be issued under the 2008 Plan. The Board may amend the 2008 Plan without shareholder approval to comply with legal, regulatory and listing requirements and to avoid unanticipated consequences deemed by the Board to be inconsistent with the purposes of the 2008 Plan.

Transferability of Awards

Unless otherwise provided by the Board, an Award issued under the 2008 Plan may only be transferred by will or the laws of descent and distribution. The Board may permit further transferability pursuant to such conditions and limitations as it may impose.

Change in Control

With respect to an Award granted under the 2008 Plan, if the Company incurs a Change in Control event, including a merger or consolidation in which the Company is not the continuing or surviving corporation or a sale of all or substantially all of its assets, then the surviving company may assume the outstanding awards of the 2008 Plan or substitute similar awards for the outstanding awards of the 2008 Plan. If such awards are not assumed or substituted, any Award granted under the 2008 Plan will be, at the discretion of the Board, either (i) accelerated so that they are exercisable on a date prior to the Change in Control event, (ii) required to be surrendered and canceled with a payment being made to the Participant equal to the Change in Control Value or (iii) adjusted to reflect the Change in Control, including the right to make no adjustment whatsoever.

Federal Income Tax Consequences

The grant of an option or stock appreciation right will create no tax consequences for the Participant or the Company. A Participant will have no taxable income upon the exercise of an incentive stock option, except that the alternative minimum tax may apply. Upon exercise of an option other than an incentive stock option, a Participant generally must recognize ordinary income equal to the fair market value of the shares acquired minus the exercise price. Upon a disposition of shares acquired by exercise of an incentive stock option before the end of the applicable incentive stock option holding periods, the Participant must generally recognize ordinary income equal to the lesser of (i) the fair market value of the shares at the date of exercise minus the exercise price or (ii) the amount realized upon the disposition of the incentive stock option shares minus the exercise price. Otherwise, a Participant's disposition of shares acquired upon the exercise of an option (including an incentive stock option for which the incentive stock option holding periods are met) generally will result in only capital gain or loss. Other Awards under the Plan, including nonqualified stock options, stock appreciation rights and restricted stock, generally will result in ordinary income to the Participant at the later of the time of delivery of cash, share or other Awards or the time that either the risk of forfeiture or restriction on transferability lapses on previously delivered cash, shares or other Awards. Except as provided in Section 162(m) of the Code, the Company generally will be entitled to a tax deduction equal to the amount recognized as ordinary income by the Participant in connection with an option, stock appreciation right, restricted stock or other Award, but will be entitled to no tax deduction relating to amounts that represent a capital gain

to the Participant. Thus, the Company will not be entitled to any tax deduction with respect to an incentive stock option if the Participant holds the shares for the incentive stock option holding periods.

New Plan Benefits

Generally, it is not possible to determine the benefits or amounts that will be received by or allocated under the 2008 Plan to the Employees, Directors and Consultants of the Company as such grants are made in the discretion of the Board and the 2008 Plan is not the type of plan that has set benefits or amounts. We have not granted, and do not expect to grant, any additional shares under the Current Plan between December 2007 and the Effective Date of the 2008 Plan. Upon shareholder approval of the 2008 Plan, no further awards will be granted under the Current Plan.

In November 2005 our Board of Directors ratified changes to the Current Plan that brought it into compliance with new additions to the Internal Revenue Code (principally Code 409A) that require companies to recognize the fair market value of stock options and other share based payments awarded to employees and associates as compensation expense. The new law became effective for us on January 1, 2006. Any new shares issued under the Current Plan would be based on their then current market price or higher.

As of December 31, 2007, securities authorized for issuance under the Current Plan, approved by the shareholders, as equity compensation were as follows:

	Number of Shares to be Issued upon Exercise of Outstanding Options, and Rights (a)	Weighted Average Exercise price of Outstanding Options and Rights (b)	Number of Shares remaining Available for Future Issuance (c)
Equity compensation plan approved by shareholders	515,000	\$ 0.51	210,000
Equity compensation plans not approved shareholders	-----	-----	
	515,000		210,000

(a) ***Reservation of Shares.*** The shares of Common Stock reserved under this Plan will include the reserved 1.2 million (1,200,000) Shares of Common Stock under the Former Plan, and an additional 4.2 million (4,200,000) Shares of Common Stock. Subject to the provisions of Section 4, the maximum aggregate number of Shares which may be awarded and delivered under the Plan shall not exceed 5.4 million (5,400,000) Shares (adjusted, proportionately, in the event of any stock split or stock dividend with respect to the Shares). The maximum number which may be granted as Incentive Stock Options under this Plan shall not exceed 5.4 million (5,400,000) Shares. The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan. The number of shares of Common Stock underlying an Award not issued as a result of any of the following actions shall again be available for issuance under the Plan: (i) a payout of a Stand-Alone SAR, or a performance-based award of Restricted Stock or Restricted Stock Units in the form of cash; (ii) a cancellation, termination, expiration, forfeiture, or lapse for any reason of any Stock Award; or (iii) payment of the Option exercise price and/or payment of any taxes arising upon exercise of the Option by withholding shares of Common Stock which otherwise would be acquired on exercise or issued upon such payout. (b) ***Substitutions and Assumptions.*** the Board (as recommended by the Committee) shall have the right to substitute or assume Awards in connection with mergers, reorganizations, separations, or other transactions to which Section 424(a) of the Code applies, provided such substitutions and assumptions are permitted by Section 424 of the Code and the regulations promulgated thereunder. The number of Shares reserved pursuant to Section 3(a) may be increased by a corresponding number of Awards assumed and, in the case of substitution, by the net increase in the number of Shares subject to Awards before and after the substitution.

4. *Adjustments to Shares Subject to the Plan.*

(a) ***Capitalization Adjustments.*** If any change is made to the Shares by reason of any stock split, stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting the outstanding Shares as a class without the Company's receipt of consideration, appropriate adjustments shall be made to (i) the maximum number and/or class of securities issuable under the Plan, (ii) the number and/or class of securities and/or the price per Share covered by outstanding Awards under the Plan and (iii) the maximum number of Shares which may be granted as Incentive Stock Options under the Plan. The Board (as recommended by the Committee) may also make adjustments described in (i)-(iii) of the previous sentence in the event of any distribution of assets to shareholders other than a normal cash dividend. In determining adjustments to be made under this Section 4, the Board (as recommended by the Committee) may take into account such factors as it deems appropriate, including the restrictions of applicable law and the potential tax consequences of an adjustment, and in light of such factors may make adjustments that are not uniform or proportionate among outstanding Awards. Adjustments, if any, and any determinations or interpretations, including any determination of whether a distribution is other than a normal cash dividend, made by the Board (as recommended by the Committee) shall be final, binding and conclusive. The Board (as recommended by the Committee) in its discretion may provide holders of Restricted Stock or Restricted Stock Units a dividend equivalent right with respect to the Shares the Participant shall be entitled to receive or purchase. For purposes of this Section 4, conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration."

(b) ***Change in Control.*** In the event of Change in Control, then, to the extent permitted by applicable law: (1) any surviving corporation may assume any Awards outstanding under the Plan or may substitute similar stock awards (including an award to acquire the same consideration paid to the shareholders in the transaction described in this Section 4(b)) for those outstanding under the Plan, or (2) in the event any surviving corporation does not agree to assume or continue such Awards, or to substitute similar stock awards for those outstanding under the Plan in accordance with the preceding clause, then the Board (as recommended by the Committee), acting in its sole discretion without the consent or approval of any Participant, may effect one or more of the following alternatives with respect to the then outstanding Awards held by Participants which may vary among individual Participants and which may vary among the Awards held by any individual Participant:

(i) Accelerate the time at which such Awards may be exercised or adjust the time period during which such Awards may be exercised so that such Awards may be exercised for a period of time on or before a specified date (before or after such Change in Control) fixed by the Board (as

recommended by the Committee), after which specified date all Awards shall terminate or be otherwise cancelled,

(ii) Require the mandatory surrender to the Company by Participants of some or all of their Awards (irrespective of whether such Awards are then vested or exercisable under the provisions of the Plan) as of a date, before or after such Change in Control, specified by the Board (as recommended by the Committee), in which event the Board (as recommended by the Committee) shall thereupon cancel such Awards and pay (or cause to be paid) to each Participant an amount of cash per share equal to the excess of the Change in Control Value of the shares subject to such Award over any consideration required to be paid by the Participant for such shares (e.g., the exercise price under an Option) or

(iii) Make such adjustments to such Awards as the Board (as recommended by the Committee) deems appropriate to reflect such Change in Control, provided, however, that the Board (as recommended by the Committee) may determine in its sole discretion that no adjustment is necessary to the Awards.

(c) **No Limitations.** Except as expressly provided herein, no issuance by the Company of shares of any class, or securities convertible into shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an Award.

5. Plan Administration.

(a) **Authority.** The Plan shall be administered by the Board. The Committee shall assist the Board in the administration the Plan by providing recommendations to the Board.

(b) **Powers of the Committee.** Subject to the other provisions of this Plan, the Committee shall have the authority, in its discretion:

(i) to recommend to the Board any grant of any Award of Incentive Stock Options, Nonqualified Stock Options, Shares, Restricted Stock, Restricted Stock Units and SARs to Participants and to determine the terms and conditions of such recommended Awards, including the determination of the Fair Market Value of the Shares and the exercise price (subject to Section 7(b)), and to recommend to the Board any modification or amendment of each Award, with the consent of the Participant when required;

(ii) to recommend to the Board the Participants to whom Awards, if any, will be granted hereunder, additional eligibility requirements for such awards, the timing of such Awards (including vesting and forfeiture of the Awards), and the number of Shares (if any) to be represented by each Award;

(iii) to recommend to the Board any construction and interpretation of the Plan, the Awards granted hereunder, and any Award Agreement;

(iv) to recommend to the Board any new, amendment or rescission of any rules and regulations relating to the Plan, including the form of Award Agreement, and manner of acceptance of an Award, such as correcting a defect or supplying any omission, or reconciling any inconsistency so that the Plan or any Award Agreement complies with applicable law, regulations and listing requirements and to avoid unanticipated consequences deemed by the Committee or the Board to be inconsistent with the purposes of the Plan or any Award Agreement;

(v) to recommend to the Board any performance, conduct and other criteria for Awards made pursuant to the Plan in accordance with a methodology established by the Committee or the Board, and to determine whether performance, conduct and other goals have been attained;

(vi) to recommend to the Board any acceleration or deferral (with the consent of the Participant) of the exercise or vested date of any Award;

(vii) to authorize any person to execute on behalf of the Company any instrument required to effectuate the grant of an Award previously granted by the Board;

(viii) to recommend to the Board the establishment of any subplans, procedures or guidelines for the grant of Awards to Employees, Directors and Consultants;

(ix) to recommend to the Board the determination of eligibility for an Award and to recommend to the Board whether to authorize the cancellation, forfeiture or suspension of an Award; and

(x) to recommend to the Board any other determinations deemed necessary or advisable for the administration of the Plan;

Provided that, no consent of a Participant is necessary under clauses (i) or (vi) if a modification, amendment, acceleration, or deferral, in the reasonable judgment of the Board confers a benefit on the Participant or is made pursuant to an adjustment in accordance with Section 4.

(c) ***Effect of Board's Decision.*** All decisions, determinations, and interpretations of the Board shall be final, conclusive and binding on all Participants, the Company, any shareholder and all other persons.

6. General Eligibility.

(a) ***Awards.*** Awards may be granted to Participants, provided that additional eligibility requirements may be set forth in specific arrangements that limit or narrow the category of Participants, and further provided that Incentive Stock Options may only be granted to Employees. A Consultant shall not be eligible for the grant of an Award if, at the time of grant, a Form S-8 Registration Statement under the Securities Act ("Form S-8") is not available to register either the offer or the sale of the Company's securities to such Consultant because of the nature of the services that the Consultant is providing to the Company, or because the Consultant is not a natural person, or as otherwise provided by the rules governing the use of Form S-8, unless the Company determines both (i) that such grant (1) shall be registered in another manner under the Securities Act (e.g., on a Form S-3 Registration Statement) or (2) does not require registration under the Securities Act in order to comply with the requirements of the Securities Act, if applicable, and (ii) that such grant complies with the securities laws of all other relevant jurisdictions. Form S-8 generally is available to consultants and advisors only if (I) they are natural persons, (II) they provide bona fide services to the issuer, its parents, its majority-owned subsidiaries or majority-owned subsidiaries of the issuer's parent, and (III) the services are not in connection with the offer or sale of securities in a capital-raising transaction, and do not directly or indirectly promote or maintain a market for the issuer's securities.

(b) ***No Employment/Service Rights.*** Nothing in the Plan shall confer upon any Participant the right to an Award or to continue in service as an Employee or Consultant for any period of specific duration, or interfere with or otherwise restrict in any way the rights of the Company (or any Subsidiary employing or retaining such person), or of any Participant, which rights are hereby expressly reserved by each, to terminate such person's services at any time for any reason, with or without cause (as such term is defined in a Company subplan or an Award Agreement, as applicable).

7. *Grant, Terms and Conditions of Options.*

(a) **Designation.** Each Option shall be designated in an Award Agreement as either an Incentive Stock Option or a Nonqualified Stock Option. However, notwithstanding the foregoing, if an Option is not designated as an Incentive Stock Option, such Option will be deemed to be a Nonqualified Stock Option. To the extent that the aggregate Fair Market Value (determined at the time of grant) of the Shares with respect to which Options designated as Incentive Stock Options are exercisable for the first time by any Employee during any calendar year exceeds \$100,000, such excess Options shall be treated as Nonqualified Stock Options. For this purpose, Options shall be taken into account in the order in which they were granted.

(b) **Option Price.** The per Share exercise price under an Incentive Stock Option (i) granted to a Ten Percent Shareholder, shall be no less than 110% of the Fair Market Value per Share on the date of grant, or (ii) granted to any other Participant, shall be no less than 100% of the Fair Market Value per Share on the date of grant. The per Share exercise price under a Nonqualified Stock Option or SAR shall be no less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant. In no event shall the Board or the Committee be permitted to Reprice an Option after the date of grant.

(c) **Term of Options.** The term of each Incentive Stock Option shall be no more than ten (10) years from the date of grant. However, in the case of an Incentive Stock Option granted to a Ten Percent Shareholder, the term of the Option shall be no more than five (5) years from the date of grant. The term of all Nonqualified Options shall be no longer than ten (10) years unless otherwise provided by the Board (as recommended by the Committee) in its discretion.

(d) **Vesting.** To the extent Options vest and become exercisable in increments, unless otherwise provided in the applicable Award Agreement or any severance agreement (i) such Options shall cease to vest upon a Participant's Disability or termination of such Participant's Continuous Status as a Participant (other than upon a Participant's death), and (ii) such Options shall immediately vest in full upon a Participant's death.

(e) **Substitution of SARs for Options.** The Board (as recommended by the Committee) may provide in the Award Agreement evidencing the grant of an Option that the Board (as recommended by the Committee) shall have the sole discretion to substitute without receiving Participants' permission, SARs paid only in stock for outstanding Options; provided, the terms of the substituted stock SARs are the same as the terms of the Options, the number of shares underlying the number of stock SARs equals the number of shares underlying the Options and the difference between the Fair Market Value of the underlying Shares and the grant price of the SARs is equivalent to the difference between the Fair Market Value of the underlying Shares and the exercise price of the Options.

(f) **Exercise.** Any Option granted hereunder shall be exercisable at such times and under such conditions as determined by the Board (as recommended by the Committee) at the time of grant, and as shall be permissible under the terms of the Plan. No fractional Shares may be issued or delivered pursuant to the Plan or any Award.

8. *Grant, Terms and Conditions of Stock Awards.*

(a) **Designation.** Restricted Stock or Restricted Stock Units may be granted under the Plan. Restricted Stock or Restricted Stock Units may include a dividend equivalent right, as permitted by Section 4. After the Board (as recommended by the Committee) determines that it will offer Restricted Stock or Restricted Stock Units, it will advise the Participant in writing or electronically, by means of an Award Agreement, of the terms, conditions and restrictions, including vesting, if any, related to the offer, including the number of Shares that the Participant shall be entitled to receive or purchase, the price to be paid, if any,

and, if applicable, the time within which the Participant must accept the offer. The offer shall be accepted by execution of an Award Agreement or as otherwise directed by the Board (as recommended by the Committee). Restricted Stock Units may be paid as permitted by Section 12(b). The term of each award of Restricted Stock or Restricted Stock Units shall be at the discretion of the Board (as recommended by the Committee).

(b) **Restrictions.** Subject to Section 8(c), the Board (as recommended by the Committee) may impose such conditions or restrictions on the Restricted Stock or Restricted Stock Units granted pursuant to the Plan as it may determine advisable, including the achievement of specific performance goals, time based restrictions on vesting, conduct criteria or others. If the Board (as recommended by the Committee) established performance or other goals, the Board (as recommended by the Committee) shall determine whether a Participant has satisfied the performance of such goals.

(c) **Performance Criteria.** Restricted Stock and Restricted Stock Units granted pursuant to the Plan that are intended to qualify as “performance based compensation” under Section 162(m) of the Code shall be subject to the attainment of performance goals relating to the Performance Criteria selected by the Board (as recommended by the Committee) and specified at the time such Restricted Stock, Restricted Stock Units and cash awards are granted. For purposes of this Plan, “Performance Criteria” means one or more of the following (as selected by the Board): (i) cash flow; (ii) earnings per share; (iii) earnings per share growth; (iv) earnings before interest, taxes, and amortization; (v) return on equity; (vi) market share; (vii) total shareholder return; (viii) share price performance; (ix) return on capital; (x) return on assets, net assets or invested assets; (xi) revenue; (xii) revenue growth; (xiii) earnings growth; (xiv) operating income; (xv) operating profit; (xvi) growth in operating income or profit; (xvii) profit margin; (xviii) return on operating revenue; (xix) return on invested capital; (xx) market price of Shares; (xxi) brand recognition; (xxii) customer satisfaction; (xxiii) operating efficiency; (xxiv) productivity; (xxv) project progression; or (xxvi) reduction in costs. Any of these Performance Criteria may be used to measure the performance of the Company as a whole or any business unit or division of the Company.

(d) **Vesting.** Unless an Award Agreement provides otherwise, non-vested Shares underlying Restricted Stock shall be forfeited and the Restricted Stock Units shall be terminated upon cessation of a Participant’s Continuous Status as a Participant. Unless an Award Agreement provides otherwise, non-vested Shares underlying Restricted Stock and Restricted Stock Units shall vest in full immediately upon death. To the extent that the Participant purchased the Shares granted under any such Restricted Stock award and any such Shares remain non-vested at the time of cessation of a Participant’s Continuous Status as a Participant, the cessation of Participant’s Continuous Status as a Participant shall cause an immediate sale of such non-vested Shares to the Company at the original price per Share paid by the Participant.

9. Grant, Terms and Conditions of SARs.

(a) **Grants.** The Board (as recommended by the Committee) shall have the full power and authority, exercisable in its sole discretion, to grant SARs to selected Participants. The term of a SAR shall be at the discretion of the Board (as recommended by the Committee). In no event shall the Board or the Committee be permitted to Reprice a SAR after the date of grant without shareholder approval.

(b) Stand-Alone SARs.

(i) A Participant may be granted a Stand-Alone SAR not tied to any underlying Option under Section 7 of the Plan. The Stand-Alone SAR shall cover a specified number of Shares and shall be exercisable upon such terms and conditions as the Board (as recommended by the Committee) shall establish. Upon exercise of the Stand-Alone SAR, the holder shall be entitled to receive a distribution from the Company in an amount equal to the excess of (A) the aggregate Fair

Market Value (on the exercise date) of the Shares underlying the exercised right over (B) the aggregate base price in effect for those Shares.

(ii) The number of Shares underlying each Stand-Alone SAR and the base price in effect for those Shares shall be determined by the Board (as recommended by the Committee) at the time the Stand-Alone SAR is granted. In no event, however, may the base price per Share be less than the Fair Market Value per underlying Share on the grant date.

(iii) The distribution with respect to an exercised Stand-Alone SAR may be made in Shares valued at Fair Market Value on the exercise date, in cash, or partly in Shares and partly in cash, as the Board (as recommended by the Committee) shall deem appropriate.

10. *Procedure for Exercise; Rights as a Shareholder.*

(a) ***Procedure.*** An Award shall be exercised when written, electronic or verbal notice of exercise has been given to the Company, or the brokerage firm or firms approved by the Company to facilitate exercises, purchases and sales under this Plan, in accordance with the terms of the Award by the person entitled to exercise the Award and full payment for the Shares with respect to which the Award is exercised has been received by the Company or the brokerage firm or firms, as applicable. The notification to the brokerage firm shall be made in accordance with procedures of such brokerage firm approved by the Company. Full payment may, as authorized by the Board (as recommended by the Committee), consist of any consideration and method of payment allowable under the terms of this Plan. The Company shall issue (or cause to be issued) such share certificate promptly upon exercise of the Award. In the event that the exercise of an Award is treated in part as the exercise of an Incentive Stock Option and in part as the exercise of a Nonqualified Stock Option pursuant to Section 7(a), the Company shall issue a share certificate evidencing the Shares treated as acquired upon the exercise of an Incentive Stock Option and a separate share certificate evidencing the Shares treated as acquired upon the exercise of a Nonqualified Stock Option, and shall identify each such certificate accordingly in its share transfer records. No adjustment will be made for a dividend or other right for which the record date is prior to the date the share certificate is issued, except as provided in Section 4 of the Plan.

(b) ***Method of Payment.*** The consideration to be paid for any Shares to be issued upon exercise or other required settlement of an Award, including a method of payment, shall be determined by the appropriate officer of the Company at the time of settlement, and which forms may include: (i) check; (ii) wire transfer; (iii) payroll deductions (accumulated without any increase for interest); and (iv) tender of shares of Common Stock owned by the Participant in accordance with rules established by the Board (as recommended by the Committee) from time to time. Shares used to pay the Option Price shall be valued at their Fair Market Value on the exercise date. Payment of the aggregate Option Price by means of tendering previously-owned shares of Common Stock shall not be permitted when the same may, in the reasonable opinion of the Company, cause the Company to record a loss or expense as a result thereof. If any amount of accumulated payroll deductions remain in a Participant's account after the exercise of an Option, the remaining amount shall be held in such Participant's account for the exercise price of any future Option, unless such Participant does not have any existing future Options. In the event the Participant does not have an existing Option exercisable in the future, the remaining amount in the Participant's account with respect to payroll reductions shall be distributed in full to the Participant without interest.

(c) ***Withholding Obligations.*** To the extent required by applicable federal, state, local or foreign law, the Board (as recommended by the Committee) may and/or a Participant shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise with respect to any Incentive Stock Option, Nonqualified Stock Option, SAR, Restricted Stock or Restricted Stock Units, cash awards or any sale of Shares. The Company shall not be required to issue Shares or to recognize the

disposition of such Shares until such obligations are satisfied. These obligations may be satisfied by having the Company withhold a portion of the Shares that otherwise would be issued to a Participant under such Award (provided, however, that no Shares are withheld with a value exceeding the minimum amount of tax required to be withheld by law) or by tendering Shares previously acquired by the Participant in accordance with rules established by the Board (as recommended by the Committee) from time to time.

(d) **Shareholder Rights.** Except as otherwise provided in this Plan, until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the share certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Shares subject to the Award, notwithstanding the exercise of the Award.

(e) **Non-Transferability of Awards.** An Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in exchange for consideration, and may not be transferred other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant; unless the Board (as recommended by the Committee) permits further transferability, on a general or specific basis, in which case the Board (as recommended by the Committee) may impose conditions and limitations on any permitted transferability.

11. Expiration of Awards.

(a) **Expiration, Termination or Forfeiture of Awards.** Unless otherwise provided in the applicable Award Agreement or any severance agreement, vested Awards granted under this Plan shall expire, terminate, or otherwise be forfeited as follows:

- i. ninety (90) days after the date of termination of a Participant's Continuous Status as a Participant other than in circumstances covered by (ii), (iii) or (iv) below;
- ii. immediately upon termination of a Participant's Continuous Status as a Participant for cause (as defined in a Company subplan or Award Agreement, as applicable);
- iii. twelve (12) months after the date on which a Participant ceased performing services as a result of his or her Disability; and
- iv. twelve (12) months after the date of the death of a Participant who was a Participant whose Continuous Status as a Participant terminated as a result of his or her death.

(b) **Extension of Term.** Notwithstanding subsection (a) above, the Board (as recommended by the Committee) shall have the authority to extend the expiration date of any outstanding Options or SARs other than an Incentive Stock Option in circumstances in which it deems such action to be appropriate (provided that no such extension shall extend the term of an Option or SAR beyond the date on which the Award would have expired or been forfeited if there had been no termination of the Employee's Continuous Status as a Participant).

12. Term, Amendment and Termination of the Plan.

(a) **Term of Plan.** The Plan shall become effective as of the Effective Date. It shall continue in effect until the tenth anniversary of the Effective Date or until terminated under this Section 13 of the Plan or extended by an amendment approved by the shareholders of the Company pursuant to Section 13(b).

(b) **Amendment and Termination.** The Board may amend or terminate the Plan from time to time in such respects as the Board (as recommended by the Committee) may deem advisable (including, but

not limited to amendments which the Board deems appropriate to enhance the Company's ability to claim deductions related to stock option exercises); provided that to the extent required by the Code, SEC or any listing requirements, shareholder approval shall not be required for any amendment of the Plan. Subject to the foregoing, it is specifically intended that the Board (as recommended by the Committee) may amend the Plan without shareholder approval to comply with legal, regulatory and listing requirements and to avoid unanticipated consequences deemed by the Board (as recommended by the Committee) to be inconsistent with the purpose of the Plan or any Award Agreement.

(c) ***Effect of Amendment or Termination.*** Any such amendment or termination of the Plan shall not affect Awards already granted and such Awards shall remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Participant and the Board (as recommended by the Committee), which agreement must be in writing and signed by the Participant and the Company.

(d) ***Code Section 409A.*** Notwithstanding anything to the contrary in this Section 12, the Board (as recommended by the Committee) may amend the Plan and the Award Agreements without any additional consideration to affected Participants to the extent necessary to avoid penalties arising under Code Section 409A, even if those amendments reduce, restrict or eliminate rights granted under the Plan or Award Agreement (or both) before those amendments.
