2. In this regard, in future filings in which you present previously issued financial statements that include corrections of an error, to help investors clearly identify the impact of the restatements, please label all columns and captions that were impacted by the restatement as "Restated".

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
