Notes to the Financial Statements

December 31, 2020

(1) Description of Business

Horace Mann Investors, Inc. (Investors or the Company) is registered as a broker-dealer under the Securities Exchange Act of 1934 and files financial statements pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. Investors is a wholly owned subsidiary of Horace Mann Educators Corporation (Parent) and is a member of Financial Industry Regulatory Authority, Inc. (FINRA) and Securities Investors Protection Corporation (SIPC).

Investors is registered with FINRA as a broker-dealer, for the sale of variable life insurance, variable annuities, mutual funds, 529 plans, and individual equity securities on a non-solicited basis. In addition, Investors' acts as a Registered Investment Advisor, through its registration with the Securities and Exchange Commission (SEC), offering investment advisory and financial planning services. The Company has a required net capital of \$250,000 to support these activities. Investors operates under SEC Rule 15c3-3(k)(2)(ii) exemption, clearing all transactions on a fully disclosed basis, and relies upon Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 effecting securities transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company. Investors does not carry customer accounts, hold customer funds or safekeep customer securities.

Investors serves as a distributor of affiliate Horace Mann Life Insurance Company's (HMLIC) variable annuity contracts through registered representatives. Since Investors receives the majority of its revenue from the distribution of HMLIC's contracts, it is dependent on the ongoing operations of HMLIC.

Investors is the introducing broker-dealer for Horace Mann Retirement Advantage mutual fund open architecture platform for 403(b)(7) and other defined contribution accounts.

Investors serves as distributor of Ameritas Variable Life Insurance Company's variable universal life contracts as well as 529 plans through several state sponsored programs. Investors is also the introducing broker-dealer for mutual fund brokerage, with accounts carried by Raymond James Clearing and Pershing LLC. Investors' investment advisory activity involves offering fee-based mutual fund and exchange-traded fund portfolios through its relationships with Raymond James & Associates, Inc., Pershing LLC, Envestnet, Inc., and AssetMark Investment Services, Inc. Investors terminated its relationship with Raymond James & associates, Inc. in 2020.

The Company's business involves various risks and uncertainties which are based on general business environments. Conditions in the U.S. and international financial markets affect the sale and profitability of securities products. In general, sales of variable annuities decrease when financial markets are declining or experiencing a higher than normal level of volatility over an extended period of time. Therefore, a weak or volatile financial market performance may adversely affect sales of variable annuity products to potential customers and may reduce the market value of existing customers' investments in variable annuity products, in turn reducing the commissions and distribution fees that Investors receives.

(2) Significant Accounting Policies

(a) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and revenue and expenses during the period. Actual results could differ from those estimates.

Notes to the Financial Statements

(b) Revenue Recognition

Investors recognizes revenue from contracts with customers for the sale or servicing of variable annuities, variable life products, mutual funds and managed accounts as follows:

(a) **Net Commission Revenues** - Investors receives commission revenue from HMLIC and authorized third-party vendors on the sale of certain variable annuities, variable life products and mutual funds.

- Annuity commission revenues and related expenses are recognized when the signed annuity application and premium is submitted to HMLIC. These revenues and expenses fully offset each other.
- Variable insurance commission revenues and related expenses are recognized when the premium is remitted to the insurance carrier and the policy requirements are met.
- Mutual fund commission revenues and related expenses are recorded on the trade date. The Company believes that the performance obligation is satisfied on the trade date because that is when underlying financial instrument is identified, the pricing is agreed upon and the risks and rewards of ownership have been transferred to the customer.
- Trailing commissions from mutual funds and variable annuities are recorded over the period earned. These revenues and related expenses fully offset each other except for a small amount of selling agreement business.

Investors acts in an agent capacity and therefore commission revenues are recorded net of the commission expenses paid to registered representatives.

(b) **Asset-Based Fees** - Investors receives asset-based fees on the servicing of managed accounts and certain variable annuities. Investors receives these asset-based fees on a quarterly basis, in advance, including pro-rated quarterly fees on a monthly basis for new accounts. Investors recognizes the asset-based fees during the period in which the revenue is earned. In regard to Retirement Advantage, Investors acts in an agent capacity and therefore fees are recorded net of the asset-based fee expenses paid to registered representatives. These revenue and expenses fully offset each other.

In its relationship with Raymond James, Pershing, Envestnet and AssetMark, Investors acts in a principal capacity. Investors agrees to provide ongoing customer monitoring and maintain customer relationships. As such, Investors acts in a principal capacity and therefore fees are recorded gross on the income statement.

(c) **Net Distribution Fees** – Investors receives monthly and quarterly distribution payments of 12b-1 fees. These distribution payments are calculated monthly and quarterly based on the net asset value of the funds. Investors believes that its performance obligation is the sale of securities to investors and as such this is fulfilled on the trade date. The ultimate amount of these fees is dependent upon the value of the shares at future points in time as well as the length of time the investor remains in the fund, both of which are highly susceptible to factors outside the Company's influence. Investors does not believe it can overcome these constraints until the market value of the fund and the investor activity are known, usually monthly or quarterly. Distribution fees recognized in the current period are primarily related to performance obligations that have been satisfied in prior periods. Investors acts in an agent capacity and therefore distribution fees are recorded net of distribution fee expenses paid to registered representatives.

HORACE MANN INVESTORS, INC.

Notes to the Financial Statements

December 31, 2020

- (d) **Administrative Service Fees** – Investors receives monthly administrative service fees to cover expenses incurred to satisfy its performance obligations under the distribution agreements with HMLIC and fees are recognized ratably as revenue each month as services are provided.

In general, satisfaction of performance obligations occur on a monthly basis. The recognition and measurement of revenue is based on assessment of individual contract terms. Significant judgment is required to determine whether performance obligations are established at a point in time or over time; whether constraints on variable consideration should be applied due to uncertain future events; and in assessing principal versus agent status.

The following table presents the disaggregated revenue from contracts with customers reported for the year ended December 31, 2020:

Contract Type	Revenue
Commissions	
Variable life insurance products	113,736
Mutual funds	167,225
Trail commissions	6,477
Total net commissions	287,438
Asset based fees	363,010
Net distribution fees	1,449,356
Administrative service fees from affiliates	225,000
Commissions and fees	<u>\$ 2,324,804</u>

(c) ***Cash and Cash Equivalents***

(d) ***Comprehensive Income***

The Company currently has no differences between comprehensive income as defined by Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 220, *Comprehensive Income*, and its net income as presented in the Statement of Operations.

(e) ***Income Taxes***

Investors is included in the Parent's consolidated federal income tax return. In accordance with the tax-sharing agreement, its income tax expense or benefit is generally computed as if Investors was filing a separate federal income tax return. For state income tax purposes, Investors is included in unitary filings with other Horace Mann entities and may receive a tax expense or benefit as the unitary group's income or losses are apportioned amongst the entities. Federal and State income tax balances receivable or payable are due from or to the Parent.

HORACE MANN INVESTORS, INC.

Notes to the Financial Statements

December 31, 2020

Deferred tax assets and liabilities are recognized for all future tax consequences attributable to “temporary differences” between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in operations in the period that includes the enactment date.

The Company evaluates deferred tax assets periodically to determine if they are realizable. Factors in the determination include the performance of the business including the ability to generate capital gains from a variety of sources and tax planning strategies. If, based on available information, it is more likely than not that deferred income tax assets will not be realized, then a valuation allowance must be established with a corresponding charge to net income. Charges to establish a valuation allowance could have an adverse effect on the Company’s results of operations and financial position.

The Company records liabilities for uncertain tax filing positions in accordance with FASB ASC Topic 740, *Income Taxes*, where it is more-likely-than-not that the position will not be sustainable upon audit by taxing authorities. These liabilities are reevaluated routinely and are adjusted appropriately based upon changes in facts or law. The Company has no unrecorded liabilities from uncertain tax filing positions.

The Company’s effective tax rate would be affected to the extent there were unrecognized tax benefits that could be recognized. There are no positions for which it is reasonably possible that the total amount of unrecognized tax benefit will significantly increase within the next 12 months.

(f) *Fair Value Measurements*

The Company, in accordance with FASB ASC Topic 820, *Fair Value Measurement*, has an established framework for measuring fair value that includes a hierarchy used to classify the inputs used in measuring fair value.

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three levels. When the inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement in its entirety.

The carrying amount of the assets approximates fair value. The fair value of the financial assets (which consist of cash and cash equivalents) carried at fair value were measured using quoted market prices in active markets (Level 1 inputs).

Of this total, \$1,275,162 is included in salaries and other payroll expenses, \$268,117 is located in regulatory fees and \$531,206 in other expenses on the Statement of Operations. Intercompany balances are settled monthly. Investors receives service fees for certain administrative services performed for the Parent and other affiliated companies. The terms of the service contracts are determined by management and may be modified annually.

HORACE MANN INVESTORS, INC.

Notes to the Financial Statements

December 31, 2020

Based on the Company's historical earnings, future expectations of adjusted taxable income, as well as reversing gross deferred tax liabilities, the Company believes it is more likely than not that gross deferred tax assets will be fully realized and that a valuation allowance with respect to the realization of the total gross deferred tax assets is not necessary.

At December 31, 2020, the Company had no available carryforwards or credits.

The components of the income tax expense for 2020 were as follows:

Current	\$ (2,065)
Deferred	<u>7,821</u>

Add tax effects of:	
Allocated non-deductible expenses	2,575
Provision to return adjustment	-
State tax expense (net)	<u>(1,345)</u>
Total income tax expense	<u>\$ 5,756</u>

The Company's federal income tax returns for years prior to 2014 are no longer subject to examination by the Internal Revenue Service (IRS).

The Company classifies all interest and penalties as income tax expense. As of December 31, 2020, the Company has recorded \$0 in liabilities for tax related interest and penalties on its Statement of Financial Condition. There were no unrecognized tax benefits.

Expense allocated by HMSC to Investors in 2020 for the qualified and non-qualified plans total \$51,117 and \$4,604, respectively, and is included in salaries and other payroll expenses in the Statement of Operations.

Substantially all employees participate in a 401(k) plan. The Parent matches each dollar of employee contributions in the 401(k) plan up to a 5% maximum – in addition to providing an automatic 3% "safe harbor" contribution. The Company contribution vests after 5 years of service.

Employees, who were hired prior to 1998, have a vested accrued benefit in a frozen qualified defined benefit plan. Participants' ceased accruing benefits for earnings and years of service in the frozen qualified defined benefit plan in 2002. The Parent's policy for the frozen defined benefit plan is to contribute to the plan amounts which are actuarially determined to provide sufficient funding to meet future benefit payments as defined by federal laws and regulations. All assets for the qualified plans are held in their respective plan trusts.

HORACE MANN INVESTORS, INC.

Notes to the Financial Statements

December 31, 2020

Certain employees participate in a non-qualified defined contribution plan while certain retirees are receiving benefits under the frozen non-qualified defined benefit plan. Report of Independent Registered Public Accounting Firm

The Board of Directors
Horace Mann Investors, Inc.:

We have reviewed management's statements, included in the accompanying Horace Mann Investors, Inc. Exemption Report (the Exemption Report), in which Horace Mann Investors, Inc. (the Company) identified the following provisions of 17 C.F.R. § 240.15c3-3(k)(2) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3(k): (2)(ii), and is filing the exemption report pursuant to footnote 74 of SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company's other business activities are limited to effecting securities transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company, and the Company (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; (2) did not carry accounts of or for customers; and (3) did not carry PAB accounts (as defined in Rule 15c3-3) (together, the exemption provisions). We have also reviewed management's statements, included in the Exemption Report, in which the Company stated that it met the identified exemption provisions throughout the year ended December 31, 2020 without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934 and pursuant to footnote 74 of SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5.

**Report of Independent Registered Public Accounting Firm on Applying Agreed-Upon Procedures
Pursuant to SEC Rule 17a-5(e)(4)**

To the Stockholder and the Board of Directors
Horace Mann Investors, Inc.:

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the Securities Investor Protection Corporation (SIPC) Series 600 Rules, we have performed the procedures enumerated below with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) for the year ended December 31, 2020, which were agreed to by Horace Mann Investors, Inc. (the Company) and SIPC, solely to assist you and SIPC in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures and the associated findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, and noted no differences;
2. Compared the Total Revenue amount reported on the Annual Audited Form X-17A-5 Part III for the year ended December 31, 2020 of \$2,329,764 with the Total Revenue amount reported in Form SIPC-7 for the year ended December 31, 2020 of \$9,098,567, and noted a difference of \$6,768,803;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, and noted no differences; and
4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related supporting schedules and working papers supporting the adjustments, and noted no differences.

We were not engaged to, and did not, conduct an examination or a review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties referred to in the first paragraph of this report and is not intended to be and should not be used by anyone other than these specified parties.
