In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Item 5. Operating and Financial Review and Prospects, page 28

Interest Expense, Goodwill Impairment and Other Deductions, page 32

1. We note your disclosures here and in Note 6 in the consolidated financial statements regarding the 314 billion yen impairment of your fixed assets. Given the significant nature of this charge, please revise future filings as appropriate to provide additional disclosure regarding this impairment charge, including a discussion of how the impairment charge relates to your expectations for your results of operations in future periods. Please specifically discuss any known trends or uncertainties that have had or that you reasonably expect will have a material favorable or unfavorable impact on revenues or income from continuing operations. Refer to Item 5(D) of Form 20-F.

Accounting Principles, page 46

Long-lived Assets, page 46

2. With a view toward expanded disclosure in future filings, please provide us with additional information regarding your evaluation of long lived assets for impairment. Discuss the valuation methodologies you used and how you weighted each methodology. Disclose any material assumptions used, such as discount rates, growth rates, comparable sales multiples, etc. Finally, discuss the significant management judgments and estimates involved in your evaluation of the recoverability of your long-lived assets.

As appropriate, please respond to these comments within 10 business days or tell us when you will provide us with a response. Please furnish a cover letter that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please file your cover letter on EDGAR. Please understand that we may have additional comments after reviewing your responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings reviewed by the staff to be certain that they have provided all information investors require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that
