METALINE MINING & LEASING COMPANY  
NOTE TO FINANCIAL STATEMENTS

NOTE -- BASIS OF PRESENTATION:

The unaudited financial statements have been prepared by Metaline Mining & Leasing Company (the Company), pursuant to the rules and regulations of the Securities and Exchange Commission (the SEC). Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been omitted pursuant to such SEC rules and regulations. These financial statements should be read in conjunction with the financial statements and notes thereto included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2003, which was filed April 15, 2004. In the opinion of management of the Company, the foregoing statements contain all adjustments necessary to present fairly the financial position of the Company as of March 31, 2004, and its results of operations for the three-month periods ended March 31, 2004 and 2003, and its cash flows for the three-month periods ended March 31, 2004 and 2003. The interim results reflected in the foregoing financial statements are not considered indicative of the results expected for the full fiscal year.

## Item 2. Management's Discussion and Analysis or Plan of Operation

### Three Months Ended March 31, 2004

We had no revenues from operations during the recently completed quarter. Our only income has been derived from interest on our cash and temporary cash investments. Interest income for the three-month period ended March 31, 2004 decreased from \$3,226 to \$606 for the same period ended March 31, 2003. This decrease is due to lower interest rates available for the cash and temporary cash investments.

We had a net loss of \$3,889 during the three-month period ended March 31, 2004. This compares to net loss of \$5,380 during the three-month period ended March 30, 2003. We anticipate continuing net losses income until such time as interest rates rise. Our ongoing expenses consist of accounting, legal and book keeping expenses related to complying with reporting requirements of the Securities Exchange Act of 1934 and the expenses incurred in the search for an acquisition candidate.

### Plan of Operation

Our plan of operation for the next twelve months will consist of attempting to acquire an interest in a business opportunity. Due to our limited assets and our inability to raise additional financing due to the lack of a market for its Common Stock, it is anticipated that any such acquisition would be a "reverse take-over" accomplished through a merger or share exchange. In such event our existing shareholders would likely become minority shareholders in the surviving entity. We are not currently evaluating any specific acquisition opportunities.

We do not currently have any employees and anticipate utilizing the services of consultants to accomplish our plan of operation. We currently have sufficient resources to meet our financial obligations for the next twelve months.

## Item 3. Controls and Procedures

Within the 90 days prior to the date of this report, the company carried out an evaluation, under the supervision and with the participation of the company's management, including the company's principal executive officer and principal financial officer, of the effectiveness of the design and operation of the company's disclosure controls and procedures pursuant to Exchange Act Rule 13a-14. Based upon that evaluation, the principal executive officer and principal financial officer concluded that the company's disclosure controls and procedures are effective in timely alerting them to material information relating to the company required to be included in the company's periodic SEC filings.

## **PART II OTHER INFORMATION**

Items deleted are not applicable.

### **Item 5. Other Information**

During the quarter ended March 31, 2004, Lee Irving was appointed as a Director of the Company to fill the vacancy created by the resignation of Gregory B. Lipsker as the President and a director of the Company. William R. Green was appointed as President of the Company.
