INVESTOR CONFERENCE CALL

FORWARD-LOOKING STATEMENTS

The presentation and the oral statements relating to the following presentation contain certain forward-looking statements (as defined in the Private Securities Litigation Reform Act of 1995) including those referencing any future financial performance that are based on the beliefs of National City's management as well as assumptions made by and information currently available to National City's management. Such statements reflect the view of National City's management as of the date of preparation of this presentation. Such forward-looking statements involve significant risks and uncertainties, including changes in general economic and financial market conditions, and the Corporation's ability to execute its business plans. Other factors that could cause or contribute to such differences are changes in competitive conditions, continuing consolidation in the financial services industry and pending or threatened litigation. Although National City believes the expectations reflected in such forward-looking statements are reasonable, actual results may differ materially.
