We have reviewed your Form 10-KSB/A for the Fiscal Year Ended December 31, 2007 and have the following comment. We have limited our review of your filing to those issues we have addressed in our comment. Where indicated, we think you should revise your document in response to this comment. Form 10-KSB/A for year ended December 31, 2007

Management's Discussion and Analysis or Plan of Operation, page 7

1. We note you have entered into a financial facility and, in December 2007, purchased a 50% working interest and 50% of 74% net revenue interest in six existing and producing gas wells. We further note the asset value to the Corporation for its interest in these wells is above \$10 million. Please tell us and disclose the following in more detail:
  - the specific terms of the financial facility,
  - how you will account for the acquisition and your working interest in the wells,
  - the amounts you will be recording for the acquisition,
  - why you are not recording these wells in the month they were purchased – December 2007, and
  - your consideration of Rule 8-04 of Regulation S-X.
