- <sup>4</sup> The amounts shown are estimated operating expenses for Class S shares of each Portfolio as a ratio of expenses to average daily net assets based on each Portfolio's actual operating expenses for Class S shares for its most recently completed fiscal year, as adjusted for contractual changes, if any, and fee waivers to which Directed Services, Inc. (DSI) as adviser to each Portfolio, has agreed for each Portfolio for the current fiscal year. Other Expenses for each Portfolio include a Shareholder Services fee of 0.25%. Through a "bundled fee" arrangement, DSI, the Trust's manager, is paid a single fee for advisory, administrative, custodial, transfer agency, auditing and legal services necessary for the ordinary operation of the Portfolios. The Portfolios would also bear any extraordinary expenses.
- <sup>15</sup> The amounts shown are estimated operating expenses for Class S shares of each Portfolio as a ratio of expenses to average daily net assets. Operating expenses for each Portfolio are estimated as they had not commenced operations as of December 31, 2004. Other Expenses for each Portfolio include a Shareholder Services fee of 0.25%. Pursuant to its administration agreement with the Trust, ING Funds Services, LLC may receive an annual administration fee equal to 0.10% of average daily net assets for these Portfolios. Other Expenses for each Portfolio are estimated because the Portfolios did not have a full calendar year of operations as of December 31, 2004 (the Portfolios' fiscal year end).
- <sup>23</sup> The amounts shown are estimated operating expenses for Class I shares of each Portfolio as a ratio of expenses to average daily net assets. These estimates are based on each Portfolio's actual operating expenses for its most recently completed fiscal year, adjusted for contractual changes, if any, and fee waivers to which ING Investments, LLC, the investment adviser to each Portfolio, has agreed for each Portfolio. ING Funds Services, LLC receives an annual administrative fee (included in Other Expenses) equal to 0.055% on the first \$5 billion of daily net assets and 0.03% thereafter.
- <sup>24</sup> ING Investments, LLC, the investment adviser to each Portfolio, has entered into written expense limitation agreements with each Portfolio under which it will limit expenses of the Portfolios, excluding interest, brokerage and extraordinary expenses, subject to possible recoupment by ING Investments, LLC within three years. The amount of each Portfolio's expenses waived, reimbursed or recouped during the last fiscal year is shown under the heading Fees and Expenses Waived or Reimbursed. Recoupments are shown as negative numbers under Fees and Expenses Waived or Reimbursed. The expense limits will continue through at least May 1, 2006. For further information regarding the expense limitation agreements, see the Fund's prospectus.
- <sup>33</sup> The amounts shown reflect the net operating expenses paid directly and indirectly by each Portfolio. Shareholders in each Portfolio will indirectly bear the proportionate expenses of the Institutional Class shares of the Underlying Funds. Because a weighted average is used in calculating expenses attributable to a Portfolio, the amount of the expenses of Underlying Funds indirectly borne by a Portfolio will vary based on the Portfolio's allocation of assets to, and the annualized net operating expenses of, the particular Underlying Funds during the Portfolio's fiscal year. For information regarding expenses of the Underlying Funds, see the Fund's prospectus. Other Expenses are estimated for the Portfolio's current fiscal year as the Portfolio had not commenced operations as of December 31, 2004.
- <sup>34</sup> Pursuant to an administrative services agreement with the Trust, ING Funds Services, LLC may receive an annual administrative services fee equal to 0.05% of the average daily net assets of the Portfolio, which is reflected under the heading Other Expenses.
- <sup>35</sup> ING Investments, LLC, the investment adviser to each Portfolio, has entered into a written expense limitation agreement with respect to each Portfolio under which it will limit expenses of the Portfolios, excluding interest, taxes, brokerage and extraordinary expenses, subject to possible recoupment by ING Investments, LLC within three years. The amount of each Portfolio's expenses that are proposed to be waived or reimbursed in the ensuing fiscal year is shown under the heading Fees and Expenses Waived or Reimbursed. Recoupments. The expense limitation agreement will continue through at least May 1, 2007. For further information regarding the expense limitation agreements, see the Fund's prospectus.
