ARTICLE III.

REPRESENTATIONS AND WARRANTIES OF IHC AND SELLER

Except as set forth in the Seller Disclosure Schedule (subject to Section 11.08), IHC and Seller, as applicable, hereby represent and warrant to Purchaser, as of the date hereof and as of the Closing Date, as follows:

Section 3.01. Organization, Standing and Authority.

(a) Each of IHC and Seller is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware. IAIC is an insurance company duly incorporated, validly existing and in good standing under the laws of the State of Delaware. SSL is a life insurance company duly incorporated, validly existing and in good standing under the laws of the State of New York. Each other Seller Party is duly incorporated or organized and validly existing as a corporation or other legal entity under the laws of its jurisdiction of incorporation or domicile. The Transferred Company is a limited liability company duly formed, validly existing and in good standing under the laws of the State of Delaware.

(b) Each of the Seller Parties and the Transferred Company (i) has all requisite corporate or other organizational power and authority to carry on the Business as it is now being conducted and to own, lease and operate its properties and assets and (ii) is duly qualified to do business as a foreign or alien corporation or other legal entity, as the case may be, in good standing in each jurisdiction in which the conduct of the Business makes such qualification necessary, except, in the case of this clause (ii), where the failure to hold such qualifications, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect.

(c) Seller has made available to Purchaser true, complete and correct copies of the certificate of formation and operating agreement (or other organizational documents), each as amended to date, of the Transferred Company.

Section 3.02. Authorization. Each Seller Party has all requisite corporate or other applicable organizational power to enter into, consummate the transactions contemplated by and carry out its obligations under, each of the Transaction Agreements to which it is or is contemplated to become a party. The execution and delivery by each Seller Party of each of the Transaction Agreements to which it is or is contemplated to become a party, and the consummation by each Seller Party of the transactions contemplated thereby, have been duly authorized by all requisite corporate action on the part of each such Seller Party. Each of the Transaction Agreements to which a Seller Party is or is contemplated to become a party has been, or upon execution and delivery thereof will be, duly executed and delivered by all applicable Seller Parties. Assuming due authorization, execution and delivery by the other Parties hereto or thereto, each of the Transaction Agreements to which any Seller Party is or is contemplated to become a party constitutes, or, with respect to the Ancillary Agreements, upon execution and delivery thereof will after the Closing constitute, the legal, valid and binding obligation of such Seller Party, enforceable against it in accordance with its terms, subject in each case to (i) the effect of any applicable bankruptcy, reorganization, insolvency, moratorium, rehabilitation, liquidation, fraudulent conveyance, preferential transfer or similar laws now or hereafter in effect relating to or affecting creditors' rights and remedies generally and (ii) the effect of equitable principles (regardless of whether enforcement is sought in a proceeding in equity or at law) (the "Enforceability Exceptions").

Section 3.03. Capital Structure; Title to RS Interests.

(a) Seller is the record and beneficial owner of, and has good and valid title to, the RS Interests, free and clear of all Liens. Assuming Purchaser has the requisite power and authority to be the lawful owner of the RS Interests, upon delivery to Purchaser at the Closing of the

instruments of transfer with respect to the RS Interests pursuant to Section 2.06(a)(i), duly endorsed by Seller for transfer to Purchaser, good and valid title to the RS Interests will pass to Purchaser, free and clear of any Liens, except Liens arising from acts of Purchaser or its Affiliates.

(b) The RS Interests consist of 100% of the membership interests of the Transferred Company, and Seller has been duly admitted as a member of the Transferred Company and has no obligation to make any additional contributions to the Transferred Company for the membership interests it owns or otherwise as a member of the Transferred Company. There are no restrictions upon the voting or transfer of the RS Interests pursuant to the organizational documents of the Transferred Company or any agreement to which Seller, the Transferred Company or any of their Affiliates is a party. The RS Interests are the only membership interests of the Transferred Company that are outstanding. There are no securities (whether convertible, exchangeable or otherwise), options, warrants, rights, commitments or agreements of any kind to which Seller or any of its Affiliates (including the Transferred Company) is a party or by which any of them is bound obligating any of them to issue, sell, deliver, repurchase, redeem or acquire membership interests or other voting or equity interests of the Transferred Company.

(c) The Transferred Company does not have any Subsidiaries or otherwise own any shares of capital stock of, or other voting or equity interests in, any other Person.

Section 3.04. No Conflict or Violation. The execution and delivery by each Seller Party of, and the consummation by each Seller Party of the transactions contemplated by, the Transaction Agreements to which each such Seller Party is or is contemplated to become a party do not and will not (a) violate or conflict with the organizational documents of such Seller Party, (b) subject to receipt of the Governmental Approvals referred to in Section 3.05, conflict with or violate any Applicable Law, (c) require any consent of or other action by any Person under, constitute a default or an event that, with or without notice or lapse of time or both, would constitute a default under, or cause or permit termination, cancellation, acceleration or other change of any right or obligation or the loss of any benefit under, any provision of any agreement or other instrument to which any Seller Party or the Transferred Company, (d) result in the creation or imposition of any Lien other than Permitted Liens on any assets of the Transferred Company or the Business or (e) result in a breach or violation of any of the terms or conditions of, result in a default under, or otherwise cause an impairment or revocation of, any Permit used in the Business, other than any such default, terminations, cancellations, accelerations, breaches or violations that, individually or in the aggregate, have not had and would not reasonably be expected to have a Material Adverse Effect.

Section 3.05. Consents and Approvals. The execution and delivery by each Seller Party of the Transaction Agreements to which it is or is contemplated to become a party do not and will not, and the consummation by each Seller Party of the transactions contemplated by the Transaction Agreements to which it is or is contemplated to become a party will not, require any material consent, approval, authorization, waiver or other action by any Governmental Authority (a “Governmental Approval”), or any material application or notice to or filing with any Governmental Authority (a “Regulatory Filing”), except the Governmental Approvals and Regulatory Filings set forth in Section 3.05 of the Seller Disclosure Schedule.

Section 3.06. Certain Contracts.

(a) Section 3.06(a) of the Seller Disclosure Schedule sets forth a true, complete and correct list of each Material Contract to which the Transferred Company or, solely with respect to the Business, IHC, Seller or any of their other Affiliates (including the Ceding Companies) is a party or by which any of its assets are bound as of the date hereof. - (iii) any Contract with any Significant Producer;
- (iv) any Contract between the Transferred Company, any Ceding Company or any of their Affiliates, on the one hand, and any customer or client of the Business, on the other hand, that accounted for more than \$250,000 of the Transferred Company’s gross revenue or more than \$500,000 of any Ceding Company’s gross premium volume in respect of the Business during the 12-month period ended September 30, 2015;
- (v) any Contract providing for the lease or purchase of material assets or equipment used in the conduct of the Business;

(b) True and complete copies in all material respects of each of the Material Contracts, including in each case all amendments and addenda thereto, have been made available to Purchaser prior to the date hereof. Each of the Material Contracts is in full force and effect and is the valid and binding obligation of Seller and each Affiliate of Seller party thereto, and, to the Knowledge of Seller, each other party thereto, subject to the Enforceability Exceptions. None of Seller or any Affiliate of Seller that is party thereto, nor, to the Knowledge of Seller, any other Person that is a party thereto, is (or, with the giving of notice or the lapse of time or both, will be), in any material respect, in violation or breach of or default under any of the Material Contracts. None of Seller or any Affiliate of Seller that is party thereto has received written or oral notice of cancellation of any Material Contract.

(b) Seller or one of its Affiliates is the record and beneficial owner of, and holder of good and valid title to, all of the Transferred Assets, free and clear of all Liens other than Permitted Liens. Assuming Purchaser has the requisite power and authority to be the lawful owner of the Transferred Assets, upon delivery to Purchaser at the Closing of the Transferred Assets, good and valid title to the Transferred Assets will pass to Purchaser, free and clear of any Liens, except Permitted Liens and Liens arising from acts of Purchaser or its Affiliates.

(c) Any Permitted Liens on the Assets or the Transferred Assets, individually or in the aggregate, do not interfere with the current use of any such Asset or Transferred Asset in the conduct of the Business or detract from the value thereof, except where such interference or detraction has or would reasonably be expected to have a Material Adverse Effect.

Section 3.08. Absence of Litigation. Except as disclosed in Section 3.08 of the Seller Disclosure Schedule, there are no Actions (other than claims under or in connection with the Policies in the ordinary course of business and for amounts within applicable policy limits) pending or, to the Knowledge of Seller, threatened in writing against or affecting (i) the Transferred Company or (ii) Seller or any of its other Affiliates with respect to the Business that, in each case above, (A) if adversely determined, would reasonably be expected to result in losses in excess of \$50,000 above any amounts reserved in respect of such Action in the Reference Balance Sheet, (B) seeks any material injunctive relief against the Transferred Company or, with respect to the Business, any of the Ceding Companies or (C) individually or in the aggregate, has had or would reasonably be expected to have a Material Adverse Effect.

Except as set forth in Section 3.09(a)(ii) of the Seller Disclosure Schedule, since January 1, 2013, none of Seller or any of its Affiliates (including the Ceding Companies and the Transferred Company) has received any written notice from a Governmental Authority or other written or, to the Knowledge of Seller, oral communication from any Governmental Authority or has paid or incurred any penalty or fine imposed by a Governmental Authority in excess of \$10,000, in each case, regarding any actual or alleged material violation of, or failure to comply with, Applicable Law in connection with the Business (other than actual or alleged violations which have been resolved).

(b) Seller has made available to Purchaser true and complete copies of the reports (or the most recent draft thereof, to the extent any final report is not available) available as of the date hereof reflecting the results of the most recent financial examinations and market conduct examinations of the Transferred Company or a Ceding Company (to the extent relating to the Business) issued by any Insurance Regulator.

(c) Except as set forth in Section 3.09(c) of the Seller Disclosure Schedule, there are no Orders in effect against or involving (i) the Transferred Company or (ii) Seller or any of its other Affiliates (including the Ceding Companies) in respect of the Business, in each case, under which such company has any continuing obligation. The Business is, and at all times since January 1, 2015 has been, conducted in compliance in all material respects with any such Orders.

(d) None of the Ceding Companies (with respect to the Business) or the Transferred Company, or, to the actual knowledge of Seller, any officer, director or employee thereof, (i) has, directly or indirectly, taken any action which would cause them to be in material violation of (A) the U.S. Foreign Corrupt Practices Act of 1977, as amended; (B) the UK Bribery Act 2010; or (C) any comparable Applicable Laws, or any Applicable Laws relating to anti-money laundering or (ii) has had dealings with any person or entity named on the list of Specially Designated Nationals and Blocked Persons maintained by the Office of Foreign Assets Control of the U.S. Treasury Department (“OFAC”) or that a U.S. person is otherwise prohibited from dealing with under the laws, regulations and executive orders administered by OFAC. None of the Ceding Companies (with respect to the Business) or the Transferred Company (x) has received either a formal or informal inquiry from a Governmental Authority relating to alleged bribery or corruption; or (y) has conducted any internal investigation related to a suspicion of bribes or other corrupt conduct by an officer, director, employee, distributor, contractor or other agent of any Transferred Company or has otherwise received any notification or complaint of such conduct.

Section 3.10. Permits.

(a) Each of the Ceding Companies and the Transferred Company holds all Permits from all Insurance Regulators that are necessary for the current operation and conduct of the Business and all other Permits from Governmental Authorities that are necessary for the current operation and conduct of the Business since January 1, 2015 (collectively, the “ESL Permits”), other than failures to hold such Permits as have not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. All such ESL Permits are valid and in full force and effect in accordance with their terms. (b) Since January 1, 2015, none of the Ceding Companies or the Transferred Company or any of their Affiliates has received any written notice or written or, to the Knowledge of Seller, oral communication from any Governmental Authority relating to the revocation, suspension or termination of, or material modification to (including imposing any restriction or condition thereon), any such ESL Permits, in each case other than any such item that has been cured or otherwise resolved to the satisfaction of such Governmental Authority and there is no ongoing dispute with any Governmental Authority regarding the scope or terms of any such material ESL Permits. As of the date hereof, none of the Ceding Companies or the Transferred Company is the subject of any pending or, to the Knowledge of Seller, threatened action seeking the revocation, withdrawal, suspension, termination, cancellation, nonrenewal, modification or impairment of any such ESL Permit.

Section 3.11. Employee and Labor Matters.

Except as disclosed on Section 3.11(b)(ii) of the Seller Disclosure Schedule, no employee's employment has been transferred from the Transferred Company to Seller or any of its Affiliates (other than the Transferred Company) since January 1, 2015.

(c) Each Company Benefit Plan intended to be qualified under section 401(a) of the Code, and the trust (if any) forming a part thereof, has received a favorable determination letter from the IRS and, to the Knowledge of Seller, there are no existing circumstances or events that would reasonably be expected to adversely affect the qualified status of any such plan. Each Company Benefit Plan has been operated in all material respects in accordance with the terms of such Company Benefit Plan and applicable Law.

(d) The Transferred Company has not incurred (either directly or indirectly, including as a result of an indemnification obligation) any liability under or pursuant to Title I of ERISA. No person is entitled to receive any additional payment (including any tax gross-up or other payment) from the Transferred Company as a result of the imposition of the excise taxes required by section 4999 of the Code or any taxes required by section 409A of the Code.

All such reports, statements, registrations, filings and submissions were true when filed and are utilized in compliance in all material respects with Applicable Law and within the scope of the approvals (if any) received with respect thereto. No material deficiencies have been asserted by any Governmental Authority with respect to any such filings which have not been cured or otherwise resolved.

(b) Since January 1, 2015, any policy rate or rule utilized by any Ceding Company or the Transferred Company with respect to the Business, the use of which required filing or approval, have been appropriately filed, and, if required, approved by the Insurance Regulator of any state in which such rates or rules are required to be filed and (as applicable) approved or not objected to by such authorities within the period provided for approval or objection, other than failures to make such filings as have not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

To the Knowledge of Seller, each Significant Producer was duly and appropriately appointed by the applicable Ceding Company to act as a producer at the time such Significant Producer wrote, sold or produced any of the currently in-force Policies on behalf of the applicable Ceding Company, other than such failures to be so licensed as have not and would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

 - (ii) make any material change in its accounting, actuarial, payment, pricing, marketing, discounting (with respect to new or renewal business), reserving, risk management, underwriting or claims administration policies, practices, standards or principles, or make any change in the investment guidelines; in each case except as may be required by GAAP, SAP or Applicable Law;
 - (iii) except in connection with claims management activities in the ordinary course of business, forgive, cancel or compromise any debt or claim, or waive or release any right, of material value, or fail to pay or satisfy when due any material Liability (other than any such Liability that is being contested in good faith);
 - (iv) enter into any settlement or release with respect to any Action or Order (except for claims under Policies or Reinsurance Contracts in the ordinary course of business within applicable policy limits), unless such settlement or release contemplates only the payment of money without ongoing limits on the conduct or operation of the Business, which payments of money shall not be in excess of \$25,000 individually or \$50,000 in the aggregate;

- (v) abandon, modify, waive, terminate or allow to lapse any material Permit used in the Business; or
- (vi) agree or commit to do or make any public announcement with respect to any of the foregoing.

Section 5.02. Pre-Closing Access to Information.

(a) Between the date of this Agreement and the Closing Date, subject to Applicable Law and to the extent such information is in the possession of Seller, the Transferred Company or their Affiliates, Seller shall afford to Purchaser and its Representatives reasonable access, upon reasonable advance notice and during normal business hours, to all of the properties, Contracts, books and records, documents and information relating to the assets, liabilities, business, operations, personnel and other aspects of the Business, the Transferred Assets and the Assumed Liabilities, and to the employees and officers of Seller and its Affiliates, as Purchaser may reasonably request; and, during such period, Seller shall, and shall cause its Affiliates to, furnish to Purchaser such information that relates to the Business, the Transferred Assets or the Assumed Liabilities as Purchaser may from time to time reasonably request; provided, however, that Seller shall not be obligated to provide such access or information if doing so would violate Applicable Law or a Contract or obligation of confidentiality owing to a third-party, or violate or jeopardize any attorney-client or other similar privilege; provided, further, that (i) that Seller shall use commercially reasonable efforts to obtain waivers or make other arrangements (including redacting information or entering into joint defense agreements) that would enable otherwise required disclosure to Purchaser or its Representatives to occur without so jeopardizing privilege or contravening such Applicable Law, Contract or obligation of confidentiality and (ii) the auditors and outside accountants of Seller shall not be obligated to make work papers available unless Purchaser has signed a customary agreement relating to access to such work papers in form and substance reasonably acceptable to such auditors or accountants, as applicable. Purchaser agrees that it will hold, and will cause its Affiliates and each of their respective Representatives to hold, any information so obtained in confidence to the extent required by, and in accordance with, the provisions of the Confidentiality Agreement and Section 5.04. Access to such Representatives and Books and Records shall not unreasonably interfere with the business operations of Seller or its Affiliates.

(b) Without limiting the foregoing, from the date hereof until the Closing, Seller shall deliver to Purchaser complete copies of (i) the audited or unaudited statutory financial statements of the Ceding Companies, together with any notes, exhibits or schedules thereto, that are filed with the Insurance Regulator for such Ceding Company's jurisdiction of domicile between the date hereof and the Closing, as promptly as practicable after the preparation thereof and (ii) the audited or unaudited financial statements of the Transferred Company, together with any notes, exhibits or schedules thereto, as promptly as practicable after the preparation thereof.

Section 5.03. Post-Closing Access to Information.

(a) For a period of thirty (30) months following the Closing Date, to the extent permitted by Applicable Law and such information is in the possession of Seller or its Affiliates, Seller shall: (i) allow Purchaser, upon reasonable prior notice and during normal business hours,

through its Representatives, the right to examine and make copies, at Purchaser's sole expense, of any Books and Records which were retained by Seller or its Affiliates following the Closing as Purchaser may reasonably request; and (ii) allow Purchaser to interview Seller's and its Affiliates' Representatives for any reasonable business purpose relating to the Business, Purchaser's preparation or examination of regulatory and statutory filings and financial statements and the conduct of any litigation relating to the Business (other than any (A) litigation or dispute between Seller or its Affiliates, on the one hand, and Purchaser or its Affiliates, on the other hand, and (B) if involving a Third Party Claim, other than as would be detrimental to Seller's or its Affiliates' position against such Third Party), or the conduct of any regulatory authority, policyholder, reinsurer or other dispute resolution or any other Third Party Claim (whether or not such Third Party Claim is the subject of an indemnification claim by a Purchaser Indemnified Person or Seller Indemnified Person), whether pending or threatened. Access to such Representatives and Books and Records shall be at Purchaser's sole expense and shall not unreasonably interfere with the business operations of Seller or its Affiliates or excessively burden Seller's or its Affiliates' personnel.

(b) For a period of thirty (30) months following the Closing Date, to the extent permitted by Applicable Law, Purchaser shall: (i) allow Seller, upon reasonable prior notice and during normal business hours, through its Representatives, the right to examine and make copies, at Seller's sole expense, of any Books and Records which were transferred to Purchaser or its Affiliates at or after the Closing pursuant to Section 5.05 as Seller may reasonably request; and (ii) allow Seller to interview Purchaser's and its Affiliates' Representatives for any reasonable business purpose relating to the Business, including in connection with Seller's preparation or examination of regulatory and statutory filings and financial statements, and the conduct of any litigation relating to the Business (other than any (A) litigation or dispute between Seller or its Affiliates, on the one hand, and Purchaser or its Affiliates, on the other hand and (B) if involving a Third Party Claim, other than as would be detrimental to Purchaser's or its Affiliates' position against such Third Party), or the conduct of any regulatory authority, policyholder, reinsurer or other dispute resolution or any other Third Party Claim (whether or not such Third Party Claim is the subject of an indemnification claim by a Purchaser Indemnified Person or Seller Indemnified Person), whether pending or threatened. Access to such Representatives and Books and Records shall be at Seller's expense and shall not unreasonably interfere with the business operations of Purchaser or its Affiliates or excessively burden Purchaser's or its Affiliates' personnel.

(c) Notwithstanding any other provision of this Agreement, a Party and its Affiliates shall not be obligated to provide such access to any Books and Records or information if such Party determines, in its reasonable judgment, that doing so would violate Applicable Law (except that copies thereof shall be furnished to the requesting Party to the extent permitted under Applicable Law) or a Contract or obligation of confidentiality owing to a third-party; provided, however, that such Party shall use commercially reasonable efforts to obtain waivers or make other arrangements that would enable otherwise required disclosure to Purchaser or its Representatives to occur without so contravening such Applicable Law, Contract or obligation of confidentiality.

Section 5.04. Confidentiality.

(a) The terms of the confidentiality agreement, dated December 8, 2014 (the “Confidentiality Agreement”), between IHC and Swiss Re Direct Investments Company Ltd shall continue in full force and effect until the Closing, at which time the Confidentiality Agreement shall terminate to the extent relating to the Transferred Company and the Business. If, for any reason, the transactions contemplated by this Agreement are not consummated, the Confidentiality Agreement shall nonetheless continue in full force and effect in accordance with its terms.

(b) Notwithstanding the foregoing, nothing in the Confidentiality Agreement shall restrict, prohibit or delay the ability of Purchaser to exercise its rights or perform its obligations under the Transaction Agreements.

(c) From and after the Closing: (i) Seller shall, and shall cause its Representatives to, maintain in confidence any written, oral or other information to the extent relating to the Transferred Company or the Business obtained by virtue of Seller’s ownership of the Business prior to the Closing; and (ii) Purchaser shall, and shall cause its Representatives to, maintain in confidence any written, oral or other information of or relating to Seller or its Affiliates (other than information relating to the Transferred Company or the Business) obtained by virtue of its ownership of the Business from and after the Closing, except, in each case, to the extent that the applicable Party is required to disclose such information by judicial, regulatory or administrative process or pursuant to Applicable Law (provided that such Party has given the other Party written notice of such potential disclosure and, to the extent reasonably requested by such other Party, cooperated with such other Party in seeking an appropriate order or other remedy protecting such information from disclosure) or such information can be shown to have been in the public domain through no fault of the applicable Party.

Section 5.05. Maintenance and Transfer of Books and Records. Through the Closing Date, Seller shall, and shall cause its Affiliates to, maintain the Books and Records in all material respects in the same manner and with the same care that the Books and Records have been maintained for the 12-month period prior to the execution of this Agreement. At the Closing, Seller shall cause all Books and Records in the possession of Seller or any of its Affiliates to be delivered to Purchaser (or a Person designated by Purchaser), in a manner mutually agreed upon by the Parties. Notwithstanding the foregoing, Seller and its Affiliates shall not be required to transfer the Books and Records that: (i) are necessary for Seller to provide services under the Transition Services Agreement (to the extent that such Books and Records cannot be duplicated and a copy retained by Seller or its applicable Affiliate(s)); or (ii) are not permitted to be disclosed or transferred under Applicable Law; provided, that (A) Seller shall, and shall cause its Affiliates to, provide Purchaser and its Representatives reasonable access to such Books and Records and (B) once such Books and Records are no longer necessary for the provision of such services or are permitted to be transferred, as applicable, Seller shall cause such Books and Records to be delivered to Purchaser (or a Person designated by Purchaser) in a manner mutually agreed upon by the Parties.

Section 5.06. Governmental Approvals and Filings.

(a) Subject to the terms and conditions of this Agreement, Seller and Purchaser shall each use its reasonable best efforts, and shall cooperate fully with each other, (i) to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable to consummate and make effective, as soon as practicable after the date hereof, the transactions contemplated by the Transaction Agreements and (ii) to obtain as promptly as practicable all necessary Governmental Approvals necessary in connection with the consummation of the transactions contemplated by the Transaction Agreements. In connection therewith, Seller and Purchaser shall make and cause their respective Affiliates to make all legally required filings as promptly as practicable in order to facilitate prompt consummation of the transactions contemplated by the Transaction Agreements, shall provide and shall cause their respective Affiliates to provide such information and communications to Governmental Authorities as such Governmental Authorities may request, shall take and shall cause their respective Affiliates to take all steps that are necessary, proper, or advisable to avoid any Action by any Governmental Authority with respect to the transactions contemplated by the Transaction Agreements, shall defend or contest in good faith any Action by any third party (other than any Governmental Authority), whether judicial or administrative, challenging any of the Transaction Agreements or the transactions contemplated thereby, and shall consent to and comply with any condition imposed by any Governmental Authority on its grant of any such Governmental Approval, except, in the case of Purchaser, for any such condition that would reasonably be expected to result in the imposition of a Burdensome Condition.

(b) Without limiting the generality of the foregoing, (i) Purchaser shall, and shall cause its applicable Affiliates to, make all Regulatory Filings listed in Section 4.04 of the Purchaser Disclosure Schedule within the periods specified in such Section of the Purchaser Disclosure Schedule, and (ii) within five (5) Business Days after the date hereof, Seller shall, and shall cause the Ceding Companies and any other applicable Affiliates to, make all Regulatory Filings listed in Section 3.05 of the Seller Disclosure Schedule, which filings in each case shall include all required exhibits. Purchaser and Seller shall, upon request, furnish each other with all information concerning themselves, their respective Affiliates, directors, officers and shareholders and such other matters as may be reasonably necessary or advisable in connection with the preparation of any Regulatory Filing made by or on their behalf to any Governmental Authority in connection with the transactions contemplated by the Transaction Agreements. A reasonable time prior to furnishing any written materials to any Governmental Authority in connection with the transactions contemplated by the Transaction Agreements, the filing Party shall furnish the other Party with a copy thereof, and such other Party shall have a reasonable opportunity to provide comments thereon, which comments shall be considered by the filing Party in good faith; provided, in no event will any Party be required to disclose to the other Party any Trade Secrets or personally identifiable information or personal financial information in respect of itself or any of its Representatives. Each Party shall give to the other Party prompt written notice if it or any of its Affiliates receives any notice or other communication from any Governmental Authority in connection with the transactions contemplated by the Transaction Agreements and, in the case of any such notice or communication that is in writing, shall promptly furnish the other Party with a copy thereof. If any Governmental Authority requires that a hearing be held in connection with any such Governmental Approval, each Party shall use its reasonable best efforts to arrange for such hearing to be held promptly after the notice that

such hearing is required has been received by such Party. Each Party shall give to the other Party reasonable prior written notice of the time and place when any meetings, telephone calls, or other conferences may be held by it with any Governmental Authority in connection with the transactions contemplated by the Transaction Agreements (other than telephone calls regarding routine administrative matters), and the other Party shall have the right to have a representative or representatives attend or otherwise participate in any such meeting, telephone call, or other conference unless the relevant Governmental Authority does not consent to attendance or participation by such other Party's representative or such attendance or participation is prohibited by Applicable Law.

(c) Notwithstanding anything herein to the contrary, Purchaser shall not be obligated to take or refrain from taking or to agree to it, its Affiliates, the Transferred Company or any of their respective Representatives taking or refraining from taking any action (including any amendment, waiver or termination of any agreement, including any Transaction Agreement) or to permit or suffer to exist any restriction, condition, limitation or requirement which, individually or together with all other such actions, restrictions, conditions, limitations or requirements, would or would reasonably be expected to result in a Burdensome Condition being imposed by a Governmental Authority. As used in this Agreement, "Burdensome Condition" means any arrangement, condition or restriction (i) that would reasonably be expected to materially and adversely impact the aggregate economic or business benefits, taken as a whole, that Purchaser and its Affiliates reasonably expect to derive from the transactions contemplated by the Transaction Agreements, (ii) to sell or hold separate or agree to sell, divest or discontinue, before or after the Closing Date, any properties, assets, businesses or licenses of Purchaser, its Affiliates or the Transferred Company or (iii) that otherwise is reasonably likely to have a material adverse effect on the business, financial condition, operations or results of operations of Purchaser and any of its Affiliates, taken as a whole. Without the prior written consent of Purchaser, Seller shall not, and shall cause its Affiliates and their respective Representatives not to, take or refrain from or to agree to the taking or refraining from any action (including any amendment, waiver or termination of any agreement, including any Transaction Agreement) or to permit or suffer to exist any restriction, condition, limitation or requirement that would constitute, or would reasonably be expected to result in the imposition of, a Burdensome Condition.

(d) Following the date of this Agreement, IHC and Seller shall, and shall cause the Ceding Companies to, provide reasonable cooperation and assistance to Westport so as to enable Westport to make all policy form and rate filings and other filings with Governmental Authorities as may be necessary or appropriate for Westport to issue, in its own name, insurance policies of the type included in the Policies in each U.S. jurisdiction where the Policies have been issued.

Section 5.07. Third Party Approvals; Assigned Contracts.

(a) Seller and Purchaser shall, and shall cause their respective Affiliates to, cooperate and use commercially reasonable efforts to obtain, as soon as reasonably practicable, any required consent, agreement, sublicense, approval, authorization, notice or waiver of, to or by any third party (other than a Governmental Authority) (each, a "Third Party Approval") necessary to consummate and make effective the transactions contemplated by the Transaction

Agreements. To the extent that Seller and Purchaser have been unable to complete the actions contemplated by this Section 5.07(a) prior to the Closing, following the Closing, Seller and Purchaser shall continue to use commercially reasonable efforts to obtain such required Third Party Approvals.

(b) Until such time as all such required Third Party Approvals are obtained or waived, Seller and Purchaser shall, and shall cause their respective Affiliates to, use commercially reasonable efforts to secure an alternative arrangement reasonably satisfactory to both Parties, including through the Transition Services Agreement.

(c) All fees, costs and expenses incurred under or in connection with obtaining any Third Party Approvals shall be borne equally by Seller and Purchaser.

Section 5.08. Shared Contracts.

(a) Prior to Closing, Seller shall and shall cause its Affiliates to, use commercially reasonable efforts to identify all Shared Contracts and provide a schedule of such identified Shared Contracts to Purchaser and to supplement such schedule from time to time after the initial delivery thereof if additional Shared Contracts are subsequently identified. Upon Purchaser's request, with respect to any Shared Contract, Seller and Purchaser shall, and shall cause their respective Affiliates to, use commercially reasonable efforts to (i) cause the counterparty to any such Shared Contract to enter into a new contract with Purchaser or its designee, effective as of the Closing, on terms substantially similar to those contained in such Shared Contract including with respect to pricing, in order for the Business to receive the applicable benefits as those provided under such Shared Contract (each such new contract, a "New Contract"), or (ii) if practicable, assign to Purchaser or its designee the benefits and obligations under such Shared Contract as they relate to the Business.

(b) If the Parties are not able to obtain a New Contract with a counterparty to any such Shared Contract or partially assign such Contract pursuant to Section 5.08(a)(ii) prior to the Closing, then following the Closing (i) Seller and Purchaser shall, and shall cause their respective Affiliates to, continue to use commercially reasonable efforts to cause such counterparty to enter into a New Contract, and (ii) until such time as a New Contract is executed, Seller and Purchaser shall use and shall cause their respective Affiliates to use commercially reasonable efforts to secure an alternative arrangement reasonably satisfactory to both Parties, including making the benefits associated with the applicable Shared Contract available through the Transition Services Agreement, under which the Business would, in compliance with Applicable Law, obtain the benefits associated with the applicable Shared Contract such that the Business would be placed in a substantially similar position as if a New Contract were executed.

(c) All fees, costs and expenses incurred under or in connection with this Section 5.08 shall be borne equally by Purchaser and Seller (other than any license or services fees due in the ordinary course of any New Contract, which shall be borne by Purchaser).

Section 5.09. Further Assurances.

(a) Subject to the terms and conditions herein provided, including Section 5.06 and Section 5.07:

- (i) each of the Parties shall, and shall cause its Affiliates to, execute such documents and other papers and perform such further acts as may be reasonably required to carry out the provisions hereof and the transactions contemplated hereby and by the other Transaction Agreements; and
- (ii) each Party shall, at or prior to the Closing Date, use its reasonable best efforts to fulfill or obtain the fulfillment of the conditions precedent to the consummation of the transactions contemplated hereby and by the other Transaction Agreements, including the execution and delivery of any documents, certificates, instruments or other papers and the taking of any other actions that are reasonably necessary for the consummation of the transactions contemplated hereby and by the other Transaction Agreements.

(b) Subject to the terms and conditions of this Agreement, on and after the Closing Date, each of the Parties shall, and shall cause their respective Affiliates to, take all reasonable actions and execute any additional documents, instruments or conveyances of any kind which may be reasonably necessary to carry out any of the provisions hereof, so as to put Purchaser and its Affiliates in full possession and operating control of the Business and to effect fully the separation of the Business from Seller and its Affiliates.

(c) Between the date hereof and the Closing, the Parties shall cooperate in good faith to review and finalize Schedule 1(a) (IAIC Reserve Transfer Amount), Schedule 1(b) (SSL Reserve Transfer Amount) and Schedule 2 (Net Initial Settlement) hereto, Schedule I to the Forms of Experience Sharing Agreement and Coinsurance Agreement (Ceding Allowance) and Schedule A to the Form of Experience Sharing Agreement (2016 Settlement Statement). The Schedules so agreed upon shall be incorporated in this Agreement or the applicable Ancillary Agreement, as applicable, as though originally set forth in this Agreement.

Section 5.10. Certain Contracts; Novations.

(a) Following the date hereof, if and when reasonably requested by Purchaser, IHC and Seller shall, and shall cause the Ceding Companies to, provide reasonable cooperation and assistance to Purchaser and Westport and use their reasonable best efforts to communicate with policyholders with respect to, and following the Closing Date to obtain the consent of policyholders for, and any necessary or appropriate Governmental Approvals and/or other Third Party Approvals for, the novation of any Policies in force at or after the Effective Time from the applicable Ceding Company to Westport. All correspondence with policyholders or beneficiaries under any Policy in connection with any such proposed novation shall be in a form reasonably acceptable to Westport and the applicable Ceding Company, and each Party shall, or shall cause its applicable Affiliates to, promptly advise the other Parties of any communications received with respect to any such proposed novation. Purchaser or Westport shall be solely

responsible for all costs and expenses associated with obtaining any such consents and approvals, including payment of any amounts payable to any policyholder or beneficiary in connection with obtaining such consent or approval.

(b) Following the date hereof, IHC and Seller shall, and shall cause the Ceding Companies to, provide reasonable cooperation and assistance to Purchaser and Westport in connection with Westport's negotiation of and entry into reinsurance agreements satisfactory to Westport with each of the counterparties to SSL under the Reinsurance Contracts that are identified as "Captive Programs" in Section 3.16(a) of the Seller Disclosure Schedule.

(c) Following the Closing Date, if and when requested by Purchaser, IHC and Seller shall, and shall cause the applicable Ceding Companies to, provide reasonable cooperation and assistance to Westport and use their reasonable best efforts to obtain the Third Party Approval of the counterparty to the Reinsurance Contract identified in Section 5.10(c) of the Seller Disclosure Schedule as required to terminate or commute such Reinsurance Contract to the extent applicable to the Policies upon terms proposed by Purchaser or Westport; provided that such terms shall also be reasonably acceptable to Seller and the applicable Ceding Company, and in no event shall such termination or commutation be effective prior to the Closing. Each Party shall, or shall cause its applicable Affiliates to, promptly advise the other Parties of any communications received with respect to any such proposed termination or commutation. Purchaser shall be responsible for all costs and expenses associated with obtaining such Third Party Approval and effecting such termination or commutation, and shall be entitled to receive any amounts paid by such counterparty in connection therewith. At such time as Westport and such counterparty agree upon terms for such termination or commutation (which terms are reasonably acceptable to Seller and the applicable Ceding Company), upon the request of Purchaser, Seller shall cause the applicable Ceding Company to execute and deliver such documents as Purchaser or Westport may request in order to effect such termination or commutation.

Section 5.11. Non-Solicitation of Employees. During the period beginning on the Closing Date and ending on the second (2nd) anniversary thereof:

(a) without the prior written consent of Purchaser, neither Seller nor any of its Affiliates shall, whether directly or indirectly, solicit for employment, employ or otherwise contract for the services of any Continuing Employee; provided, that nothing in this Section 5.11(a) shall prohibit Seller or any of its Affiliates from engaging in general solicitations not directed at such Persons or from soliciting, employing or contracting for the services of any such Person whose employment with or engagement by Purchaser or any of its Affiliates (including the Transferred Company) has been involuntarily terminated by Purchaser or its applicable Affiliate, or who has otherwise ceased to be employed or engaged by Purchaser or any of its Affiliates (including the Transferred Company) for a period of at least six months prior to the first contact by Seller or any of its Affiliates with such Person; and

(b) neither Purchaser nor any of its Affiliates shall, whether directly or indirectly, solicit for employment, employ or contract for the services of any director, officer or employee of Seller or any of its Affiliates with whom Purchaser and its Affiliates first had contact or who (or whose performance) became known to Purchaser and its Affiliates in connection with the

evaluation of the transactions contemplated by, the due diligence Purchaser conducted in connection with, or the negotiation of, the Transaction Agreements, or the performance of services under the Transition Services Agreement, other than any Continuing Employee; provided, that nothing in this Section 5.11(b) shall prohibit Purchaser or any of its Affiliates (including the Transferred Company) from engaging in general solicitations not directed at such Persons or from soliciting, employing or contracting for the services of any such Person whose employment with or engagement by Seller or its Affiliates has been involuntarily terminated by Seller or its applicable Affiliate, or who has otherwise ceased to be employed or engaged by Seller or any of its Affiliates for a period of at least six months prior to the first contact by Purchaser or any of its Affiliates with such Person.

Section 5.12. Non-Competition. For a period of forty-two (42) months following the Closing Date, IHC and Seller shall not, and shall cause their Affiliates, other than TRU LLC, (together with Seller, the “Restricted Entities”) not to, directly or indirectly market, underwrite, distribute, issue, assume, reinsure, sell or administer, in any state or jurisdiction within the United States, any medical stop-loss insurance (the “Competing Business”); provided, however, that this Section 5.12 shall not prohibit at any time or in any way prevent or restrict:

- (i) SSL from performing its obligations under the SSL-TRU Agreement and the SSL-Murphy Agreement prior to the termination of such agreements pursuant to Section 5.15(b) and Section 5.15(c);
- (ii) any Restricted Entity from performing any act or conducting any business expressly required by this Agreement or any other Transaction Agreement;
- (iii) any Restricted Entity from (A) making any investment or providing advisory services (or activities related thereto) in a fiduciary or agency capacity and carried out on behalf of clients or other third party beneficiaries in the ordinary course of business, or (B) making passive investments for general insurance accounts or investment management, proprietary investing or trading activities in the ordinary course of its businesses; provided that in no event shall the aggregate ownership interest held by Restricted Entities in any Person engaged in a Competing Business, whether directly or indirectly, exceed 5% of the aggregate voting power or issued and outstanding equity securities of such Person;
- (iv) any Restricted Entity from acquiring a Person that conducts, either directly or indirectly, a Competing Business (such Person, together with its Affiliates, a “Competing Person”), or 5% or more of the voting power or outstanding equity interests in any Competing Person that derived in excess of 15% (but not in excess of 35%) of its total consolidated revenues in its most recent fiscal year from activities that constitute Competing Business; or
- (v) subject to the foregoing clause (iv), any Restricted Entity from foreclosing on collateral of or acquiring any of the outstanding capital stock or other

interests in any Person that has outstanding indebtedness to any Restricted Entity, or engaging in any activities otherwise prohibited by this Section 5.12 in connection with any such Person as a result of the acquisition of such capital stock or other interests in connection with a debt previously contracted.

For the avoidance of doubt, the Parties understand and acknowledge that this Section 5.12 shall in no way prohibit, prevent or restrict the Seller or its Affiliates from offering, performing any obligations under agreements currently in force or entering into any agreements in the future, for third party administrator self funded services or brokerage services.

The Parties acknowledge that the covenants set forth in Section 5.11 and this Section 5.12 are an essential element of this Agreement and that, but for these covenants, the Parties would not have entered into this Agreement. The Parties acknowledge that Section 5.11 and this Section 5.12 constitute independent covenants and shall not be affected by performance or nonperformance of any other provision of this Agreement or any other Transaction Agreement by the parties thereto.

The Parties acknowledge that the type and periods of restriction imposed in the provisions of Section 5.11 and this Section 5.12 are fair and reasonable and are reasonably required for the protection of the Parties. If any of the restrictions or covenants in Section 5.11 or this Section 5.12 are hereafter construed to be invalid or unenforceable, the same shall not affect the remainder of the covenant or covenants, which shall be given full effect, without regard to the invalid portions. If any of the restrictions or covenants contained in Section 5.11 or this Section 5.12, or any portion thereof, are deemed to be unenforceable because such covenant or restriction is held to cover a geographic area or to be of such duration as is not permitted under Applicable Law, the Parties agree that the court making such determination shall have the power to reduce the duration and/or geographic areas of such provision and, in its reduced form, said provision shall then be enforceable.

Each Party recognizes that its obligations under Section 5.11 and this Section 5.12 are special, unique and extraordinary in character and that, in the event of any actual violation of any provision of Section 5.11 or this Section 5.12, the other Party shall be entitled to institute and prosecute proceedings in any court of competent jurisdiction, either in law or in equity, to obtain damages for any actual violation, enforce the specific performance and/or enjoin any actions in violation of Section 5.11 or this Section 5.12.

Section 5.13. Transition Matters. Promptly after the date hereof, and in any event within 30 days thereafter, Seller and Purchaser shall each appoint a transition team to:

(a) cooperate in good faith to develop a plan for separating the Business from the businesses of Seller and its retained Affiliates so as to minimize the adverse impact of such separation on each party's businesses, and

(b) finalize, review, revise and update, where appropriate, the schedules to the Transaction Agreements between the date hereof and the Closing, with any such mutually agreed

upon revised and updated schedules to replace the corresponding schedules attached to the form of Transaction Agreements.

Section 5.14. Intellectual Property License. Subject to compliance with the terms and conditions hereof, and effective as of the Closing, Seller, on behalf of itself and its Affiliates (other than the Transferred Company), hereby grants to Purchaser and its Affiliates (including the Transferred Company) a non-exclusive, worldwide, perpetual, irrevocable, transferable, sublicensable, paid-up and royalty-free right and license to use and practice the Seller's Licensed IP Rights solely in connection with the Business, substantially as conducted as of the Closing Date. Purchaser shall, and shall cause its Affiliates and sublicensees to, use reasonable care to maintain and protect the Trade Secrets included in Seller's Licensed IP Rights.

Section 5.15. Related Party Agreements.

(a) Seller shall cause all of the Intercompany Contracts set forth in Section 5.15(a) of the Seller Disclosure Schedule to be terminated immediately prior to the Closing, including, as applicable, by terminating the Transferred Company's participation in all agreements between more than one of Seller and its Affiliates (other than the Transferred Company), on the one hand, and the Transferred Company, on the other hand, and Seller shall cause all Intercompany Balances to be paid in full and settled immediately prior to the Closing, such that, as of immediately after the Closing, the Transferred Company shall not have any further Liability or amount receivable under such Intercompany Contracts or for any Intercompany Balances.

(b) On or prior to the Closing Date, Seller shall cause SSL to deliver to TRU LLC valid notice of termination of the SSL-TRU Agreement, which termination shall be effective as of the earliest possible date permitted under the SSL-TRU Agreement for notice of termination given on such date; provided, however, if requested by TRU LLC in writing in its discretion prior to the end of such termination period, Purchaser agrees that the termination period can be extended by an additional 90 days, resulting in an aggregate termination period of up to 180 days after notice of termination is received.

(c) On or prior to the Closing Date, Seller shall cause SSL to deliver to JB Murphy Associates LLC valid notice of termination of the SSL-Murphy Agreement, which termination shall be effective as of the earliest possible date permitted under the SSL-Murphy Agreement for notice of termination given on such date; provided, however, if requested by JB Murphy Associates LLC in writing in its discretion prior to the end of such termination period, Purchaser agrees that the termination period can be extended by an additional 90 days, resulting in an aggregate termination period of up to 180 days after notice of termination is received.

(d) Between the date of this Agreement and the Closing, the Parties shall cooperate and use commercially reasonable efforts to amend the SSL-RS Agreement such that (i) the SSL-RS Agreement relates solely to the Policies (and any other policies assumed by Westport under the SSL Coinsurance Agreement or the SSL Experience Sharing Agreement) issued or assumed by SSL, (ii) the Transferred Company will calculate statutory reserves in respect of medical stop-loss business produced under the SSL-RS Agreement, SSL-TRU Agreement and the SSL-Murphy Agreement and provide these amounts to SSL, until such reserves are closed or by mutual agreement of SSL and the Transferred Company, (iii) SSL and the Transferred Company

will continue to provide administrative and support services to one another between the date hereof and the Closing, in a manner and upon terms consistent with past practice and (iv) in consideration of the services described in the foregoing clauses (ii) and (iii), each party receiving a service will pay to the party providing a service an amount representing the cost of performing such services (including allocated personnel costs) as agreed in good faith by Purchaser and Seller.

Section 5.16. Bank Accounts. Prior to the Closing, Seller shall change, effective as of the Closing, the individuals authorized to draw on or who have access to the bank, savings, deposit or custodial accounts and safe deposit boxes maintained by the Transferred Company to the individuals designated in writing by Purchaser.

Section 5.17. Seller Information Statement. Without limiting any of the obligations of IHC or Seller set forth in Section 5.06:

(a) As promptly as practicable (and in any event within 10 Business Days) following the date of this Agreement, IHC shall prepare and file, or cause to be prepared and filed, with the SEC a written information statement of the type contemplated by Rule 14c-2 of the Exchange Act containing the information specified in Schedule 14C under the Exchange Act concerning the transactions contemplated by this Agreement (the “Information Statement”). IHC shall promptly notify Purchaser upon the receipt of any comments from the SEC or its staff or any request from the SEC or its staff for amendments or supplements to the Information Statement. IHC shall use reasonable best efforts to respond as promptly as practicable to any comments of the SEC with respect to the Information Statement. IHC shall keep Purchaser reasonably apprised of the status of the SEC’s review of the Information Statement and shall notify Purchaser promptly upon the latest of (i) confirmation from the SEC that it has no further comments on the Information Statement, (ii) confirmation from the SEC that the Information Statement is otherwise not to be reviewed or (iii) expiration of the 10-day period after filing in the event the SEC does not review the Information Statement.

(b) IHC shall use reasonable best efforts to cause the Information Statement to be (i) filed with the SEC in definitive form as contemplated by Rule 14c-2 under the Exchange Act and (ii) mailed to the stockholders of American Independence Corporation, in each case as promptly as practicable after, and in any event within two (2) Business Days after, the latest of (A) confirmation from the SEC that it has no further comments on the Information Statement, (B) confirmation from the SEC that the Information Statement is otherwise not to be reviewed or (C) expiration of the 10-day period after filing in the event the SEC does not review the Information Statement.

ARTICLE VI.

EMPLOYEE MATTERS

Section 6.01. Employee Matters.

(a) Except as set forth on Section 6.01(a) of the Seller Disclosure Schedule, not later than immediately prior to the Closing Date, Seller shall retain or assume, as the case may be, any

liabilities or obligations of the Transferred Company arising from or in connection with any Company Benefit Plan.

(b) Not later than three (3) days prior to the Closing Date, Seller shall provide Purchaser with an updated list of all Business Employees employed by the Transferred Company as of the date thereof in the same form as the list provided on Section 3.11(b)(i) of the Seller Disclosure Schedule.

(c) Promptly but not later than 30 days following the Closing Date, the Transferred Company shall make full payment to each employee of the Transferred Company who continues employment with the Transferred Company following the Closing (each, a “Continuing Employee” and together, the “Continuing Employees”) in respect of each such employee’s accrued but unused paid time-off (the “PTO Accruals”) at the relevant date. Purchaser shall inform the Seller of the amount of the PTO Accruals within five (5) Business Days of the date such amount is paid in accordance herewith. Following the Closing, all Continuing Employees shall be subject to the Purchaser’s policies governing paid time-off and will not receive credit for unused paid time-off accrued prior to the Closing.

(d) As of the Closing Date, the Business Employees shall cease active participation in Seller Benefit Plans. For a period of twelve (12) months following the Closing Date (the “Protected Period”), Purchaser shall provide, or shall cause the Transferred Company and its Affiliates to provide, each Continuing Employee with base salary or base wages and a target bonus opportunity that are the same as the base salary or base wages and target bonus opportunity provided by the Transferred Company to such Continuing Employee immediately prior to the Closing. During the Protected Period, Purchaser shall provide, or shall cause the Transferred Company and its Affiliates to provide, Continuing Employees with employee benefits that are substantially comparable in the aggregate to those provided by the Transferred Company to such Continuing Employee immediately prior to the Closing; provided, however, that nothing herein shall be deemed to preclude Purchaser or any of its Affiliates from amending or terminating any Company Benefit Plan in accordance with the terms thereof or terminating any Continuing Employee.

(e) Seller and IHC shall cause the account balance of each Continuing Employee in any Seller Benefit Plan that is a defined contribution plan to become fully vested, effective at the Closing.

(f) On the Closing Date, Seller shall cause the Transferred Company to cancel the employment agreements of and pay to each of Joel McKeever, Kenneth F. Gumbiner, Robert A. Shea, Michael A. Kemp, Thomas Gibbons and Pasquale Vignone such individual’s Contract Severance Expense. Prior to the Closing, but not before the Effective Time, Seller shall contribute to the Transferred Company an amount equal to the aggregate amount of the Contract Severance Expense for all such persons.

(g) At or prior to the Closing, Seller shall cause the Transferred Company to terminate the deferred compensation plan known as the Executive Nonqualified Excess Plan and pay out the benefits accrued thereunder in accordance with the terms of such Executive Nonqualified Excess Plan.

(h) Each Continuing Employee shall be credited, under the employee benefit plans of Purchaser and its Affiliates in which Continuing Employees commence to participate after the Closing (the “New Benefit Plans”), with the same amount of service as was credited by the Transferred Company and its Affiliates as of the Closing under similar or comparable Company Benefit Plans or Seller Benefit Plans (such plans, collectively, the “Old Plans”) except (i) for purposes of benefit accrual under qualified and non-qualified defined benefit plans, (ii) for any purpose where service credit for the applicable period is not provided to participants generally under the applicable Old Plan or policy and (iii) to the extent such credit would result in a duplication of benefits. In addition, and without limiting the generality of the foregoing, (x) with respect to any New Benefit Plans in which the Continuing Employees commence to participate following the Closing, each Continuing Employee will immediately be eligible to participate in such New Benefit Plans, without any waiting time, to the extent coverage under such New Benefit Plans replaces coverage under an Old Plan and (y) for purposes of each New Benefit Plan providing medical, dental, pharmaceutical and/or vision benefits to any Continuing Employee, Purchaser and the Transferred Company shall cause all pre-existing condition exclusions and actively-at-work requirements of such New Benefit Plan to be waived for such Continuing Employee and his or her covered dependents, to the extent any such exclusions or requirements were waived or were inapplicable under any Old Plan. Purchaser and the Transferred Company shall use commercially reasonable best efforts to cause any eligible expenses incurred by such Continuing Employee and his or her covered dependents during the portion of the plan year of the Old Plan ending on the date such Continuing Employee’s participation in the corresponding New Benefit Plan begins to be taken into account under such New Benefit Plan for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such Continuing Employee and his or her covered dependents for the applicable plan year as if such amounts had been paid in accordance with such New Benefit Plan. Seller agrees to provide, or to cause to be provided to, Purchaser such information as shall be necessary or appropriate for Purchaser honor any such commitment with respect to any such eligible expenses. Notwithstanding anything to the contrary in this Agreement, Purchaser shall not be required to provide or make available any health retirement accounts or flexible spending accounts for Continuing Employees.

(i) This Article VI shall be binding upon and inure solely to the benefit of each of the Parties, and nothing in this Article VI, expressed or implied, is intended to confer upon any other Person any rights or remedies of any nature whatsoever under or by reason of this Article VI. Without limiting the foregoing, no provision of this Article VI will create any third party beneficiary rights in any current or former employee, director or consultant of the Transferred Company in respect of continued employment (or resumed employment) or any other matter, nor shall it require the Purchaser or any of its Affiliates (including the Transferred Company) to pay or provide any compensation that would otherwise be prohibited by Applicable Law.

ARTICLE VII.

TAX MATTERS

Section 7.01. Transfer Taxes. Each of Seller and Purchaser shall bear one-half of the responsibility for any Transfer Taxes arising out of or in connection with the transactions contemplated herein. “Transfer Taxes” means any and all sales, use, stamp, documentary, filing,

recording, transfer, goods and services, provincial sales, harmonized sales, excise, real estate, stock transfer, intangible property transfer, personal property transfer, gross receipts, registration, securities transactions, conveyance and notarial Taxes, and similar fees, Taxes and governmental charges (together with any interest, penalty, addition to Tax, and additional amount imposed in respect thereof).

Section 7.02. Cooperation and Exchange of Information. Seller and Purchaser shall provide each other with such cooperation and information as either of them or their respective Affiliates may reasonably request of the other in filing any Tax Return, amended Tax Return or claim for Tax refund, determining a liability for Taxes or a right to a Tax refund, or participating in or conducting any contest in respect of Taxes (provided that such parties shall have first executed a confidentiality agreement in commercially reasonable form). Such cooperation and information shall include providing copies of relevant Tax Returns or portions thereof, together with accompanying schedules, related work papers and documents relating to rulings or other determinations by Tax Authorities. Each party and its Affiliates shall make its employees available on a basis mutually convenient to both parties to provide explanations of any documents or information provided hereunder. Any party making a request for cooperation pursuant to this Section 7.01 shall reimburse the party providing such cooperation for its reasonable out-of-pocket expense occasioned by the provision of such cooperation. Each of Seller and Purchaser shall use commercially reasonable efforts to retain all Tax Returns, schedules and work papers, records and other documents in its possession relating to Tax matters of the Transferred Company for each Tax period first ending after the Closing Date and for all prior Tax periods until the later of (i) the expiration of the statute of limitations of the Tax period to which such Tax Returns and other documents relate, without regard to extensions except to the extent notified in writing of such extensions for the respective Tax periods, and (ii) three years following the due date (without extension) for such Tax Returns. Any information obtained under this Section 7.02 shall be kept confidential except as otherwise may be necessary in connection with the filing of Tax Returns or claims for Tax refunds or in conducting a contest or as otherwise may be required by Applicable Law or the rules of any stock exchange.

Section 7.03. Tax Allocation Agreements. Prior to the Closing Date, Seller shall terminate all Tax Allocation Agreements to which the Transferred Company is a party such that the Transferred Company shall have no obligations thereunder following the Closing.

Section 7.04. Tax Treatment of Indemnity Payments. Seller and Purchaser agree to treat all payments made by either of them to or for the benefit of the other or the other's Affiliates or the Transferred Company under any indemnity provisions of this Agreement as adjustments to the RS Purchase Price for Tax purposes and that such treatment shall govern for purposes hereof to the extent permissible under Applicable Law.

Section 7.05. Amended Tax Returns. Except as required by Applicable Law, Purchaser shall not, and shall not cause or permit the Transferred Company to file or cause to be filed any amended Tax Return or claim for refund, or take any other action which could cause Seller or its Affiliates to have a loss or liability for Taxes, in each case without the prior written consent of Seller.

Section 7.06. Tax Contests. Seller or IHC shall promptly notify Purchaser in writing upon receipt by Seller or IHC, and Purchaser shall promptly notify Seller or IHC in writing upon receipt by Purchaser or any of its Affiliates, of notice of any pending or threatened federal, state, local or foreign Tax audits, examinations or assessments which might affect the Tax liabilities of the Transferred Company (a “Tax Proceeding”), Seller or IHC for periods or portions thereof ending before, on or including the Closing Date, provided that failure to provide notice of a Tax Proceeding shall not relieve any Party of its obligations pursuant to this Agreement except to the extent such Party was materially prejudiced by such failure. At Seller’s or IHC’s expense, the Seller or IHC shall control the conduct of any Tax Proceeding to the extent such Tax Proceeding (i) relates exclusively to one or more Tax periods ending on or before the Closing Date and not to any Tax period that includes any period following the Closing Date, and (ii) is not reasonably likely to result in any adverse consequences to the Purchaser or the Transferred Company in any Tax period that includes any period following the Closing Date. Purchaser shall have the right to attend or participate in any such Tax Proceeding. Purchaser shall control all other Tax Proceedings of the Transferred Company not controlled by Seller under this Section 7.06, but Seller or IHC shall have the right to attend or participate in any such Tax Proceeding to the extent (y) such proceeding relates to a Tax period that includes any period prior to or including the Closing Date, and (z) the resolution of such Tax Proceeding could reasonably be expected to give rise to a claim for indemnification. To the extent that this Section 7.06 and Section 10.03 conflict, this Section 7.06 shall control.

ARTICLE VIII.

CONDITIONS TO CLOSING

Section 8.01. Conditions to Obligations of Purchaser.

The obligations of Purchaser under this Agreement are subject to the satisfaction on or prior to the Closing Date of the following conditions, any one or more of which may be waived by Purchaser to the extent permitted by Applicable Law:

(a) Representations and Warranties. The representations and warranties of IHC and Seller contained in Article III of this Agreement (i) that are qualified by materiality or Material Adverse Effect shall be true and correct in all respects and (ii) that are not qualified by materiality or Material Adverse Effect shall be true and correct in all material respects, except that the Seller Specified Representations shall be true and correct in all respects, in each case at and as of the date hereof and at and as of the Closing Date with the same effect as though made at and as of the Closing Date (except to the extent that any such representations and warranties are given as of a particular date and relate solely to a particular date or period, which representations and warranties shall be true and correct as of such date or period).

(b) Covenants. IHC and Seller shall have performed and complied in all material respects with all covenants and agreements required by this Agreement to be performed or complied with by them on or prior to the Closing Date.

(c) Bringdown Certificate. Seller shall have delivered to Purchaser the certificate of Seller contemplated by Section 2.06(a)(vii).

(d) Governmental Approvals. All Governmental Approvals and Regulatory Filings in connection with the transactions contemplated hereby that are set forth in Section 3.05 of the Seller Disclosure Schedule or Section 4.04 of the Purchaser Disclosure Schedule shall have been obtained or made and shall be in full force and effect, and all waiting periods required under Applicable Law with respect thereto, shall have expired or been terminated, in each case without the imposition of a Burdensome Condition.

(e) No Injunction or Illegality. There shall be no law or Order in effect that prohibits the consummation of the transactions contemplated by the Transaction Agreements.

(f) No Material Adverse Effect. Since the date of this Agreement, there shall not have been any event, occurrence or condition of any character that has had, or which would, individually or in the aggregate with other such events, occurrences or conditions, reasonably be expected to have, a Material Adverse Effect.

Section 8.02. Conditions to Obligations of Seller. The obligations of Seller under this Agreement are subject to the satisfaction on or prior to the Closing Date of the following conditions, any one or more of which may be waived by Seller to the extent permitted by Applicable Law:

(a) Representations and Warranties. The representations and warranties of Purchaser contained in Article IV of this Agreement (i) that are qualified by materiality or Purchaser Material Adverse Effect shall be true and correct in all respects and (ii) that are not qualified by materiality or Purchaser Material Adverse Effect shall be true and correct in all material respects, except that the Purchaser Specified Representations shall be true and correct in all respects, in each case at and as of the date hereof and at and as of the Closing Date with the same effect as though made at and as of the Closing Date (except to the extent that any such representations and warranties are given as of a particular date and relate solely to a particular date or period, which representations and warranties shall be true and correct as of such date or period).

(b) Covenants. Purchaser shall have performed and complied in all material respects with all covenants and agreements required by this Agreement to be performed or complied with by Purchaser on or prior to the Closing Date.

(c) Bringdown Certificate. Purchaser shall have delivered to Seller the certificate of Purchaser contemplated by Section 2.06(b)(i)(D).

(d) Governmental Approvals. All Governmental Approvals and Regulatory Filings in connection with the transactions contemplated hereby that are set forth in Section 3.05 of the Seller Disclosure Schedule or Section 4.04 of the Purchaser Disclosure Schedule shall have been obtained or made and shall be in full force and effect, and all waiting periods required under Applicable Law with respect thereto, including the expiration of the period for SEC review of the Information Statement and the subsequent twenty (20) calendar day waiting period following distribution to the stockholders of American Independence Corporation, shall have expired or been terminated.

(e) No Injunction or Illegality. There shall be no law or Order in effect that prohibits the consummation of the transactions contemplated by the Transaction Agreements.

ARTICLE IX.

TERMINATION PRIOR TO CLOSING

Section 9.01. Termination of Agreement. This Agreement may be terminated at any time prior to the Closing:

(a) by either Seller or Purchaser upon written notice to the other, if there shall be any Order which prohibits the Parties from consummating the transactions contemplated by the Transaction Agreements, and such Order shall have become final and nonappealable; provided that prior to termination under this Section 9.01(a), the Party seeking to terminate this Agreement shall have used reasonable best efforts to have such Order vacated;

(b) by either Seller or Purchaser upon written notice to the other, if the Closing has not occurred on or before June 30, 2016 (the "Outside Date"), unless the failure of the Closing to occur is the result of a material breach of this Agreement by the Party seeking to terminate this Agreement;

(c) by Purchaser upon written notice to Seller, if there has been a Material Adverse Effect or a breach of any provision of this Agreement by IHC or Seller that would cause the failure of any condition to Closing set forth in Section 8.01 and such Material Adverse Effect or breach has not been (i) cured or eliminated within thirty (30) days following receipt by Seller of written notice thereof from Purchaser or (ii) waived by Purchaser on or before the Closing Date;

(d) by Seller upon written notice to Purchaser, if there has been a breach of any provision of this Agreement by Purchaser that would cause the failure of any condition to Closing set forth in Section 8.02 and such breach has not been (i) cured or eliminated by Purchaser within thirty (30) days following receipt by Purchaser of written notice thereof from Seller or (ii) waived by Seller on or before the Closing Date; or

(e) at any time on or prior to the Closing Date, by mutual written consent of Seller and Purchaser.

Section 9.02. Termination Procedure. If this Agreement is terminated pursuant to Section 9.01, this Agreement shall become void and of no effect without liability of any Party (or any of its Representatives) to any other Party, except as set forth in Section 5.04, this Article IX and Article XI, which shall survive the termination hereof pursuant to this Article IX; provided, however, that nothing in this Agreement shall relieve any Party from liability for any fraud, willful misconduct or willful and material breach of, or willful failure to perform its obligations under, this Agreement.

ARTICLE X.

INDEMNIFICATION

Section 10.01. Survival.

(a) The representations and warranties of the Parties contained in this Agreement shall survive the Closing for purposes of this Article X and shall terminate and expire on the date that is eighteen months following the Closing Date; provided, that the Seller Specified Representations and the Purchaser Specified Representations shall survive indefinitely and the representations and warranties of Seller set forth in Section 3.11(i) and Section 3.17 shall survive for the applicable statute of limitations plus sixty days.

(b) To the extent that it is to be performed after the Closing, each covenant in this Agreement will, for purposes of this Article X, survive and remain in effect in accordance with its terms until fully performed. All covenants in this Agreement that by their terms are required to be fully performed at or prior to the Closing shall survive until the date that is eighteen months following the Closing Date.

(c) Notwithstanding the foregoing, any claim for indemnification in respect of any breach of any representation, warranty, covenant or agreement for which indemnification may be sought under this Agreement shall survive the time at which it would otherwise terminate pursuant to the preceding clauses (a) and (b) of this Section 10.01 if such claim for indemnification is asserted by notice given as required herein prior to the expiration of the applicable period of survival.

Section 10.02. Indemnification.

(a) IHC and Seller, jointly and severally, shall indemnify and hold harmless Purchaser, its Affiliates and their respective directors, officers, employees, successors and assigns (collectively, the “Purchaser Indemnified Persons”) from and against any and all Indemnifiable Losses arising out of, based on or relating to:

- (i) any inaccuracy in or breach of any representation or warranty made by IHC or Seller in this Agreement;
- (ii) any breach or non-fulfillment of any agreement or covenant of Seller under this Agreement; or
- (iii) any Excluded Liabilities.

(b) Purchaser shall indemnify and hold harmless IHC, Seller, their Affiliates and their respective directors, officers, employees, successors and assigns (collectively, the “Seller Indemnified Persons”) from and against any and all Indemnifiable Losses arising out of, based on or relating to:

- (i) any inaccuracy in or breach of any representation or warranty made by Purchaser in this Agreement;

- (ii) any breach or non-fulfillment of any agreement or covenant of Purchaser under this Agreement; or
- (iii) any Assumed Liabilities.

Section 10.03. Certain Indemnification Provisions.

(a) For purposes of this Article X, any inaccuracy in or breach of any representation or warranty, and the amount of any Indemnifiable Losses arising out of, based on or relating to such inaccuracy or breach, shall be determined without regard to any materiality, Material Adverse Effect or similar qualification contained in or otherwise applicable to such representation or warranty, other than the reference to “Material Adverse Effect” contained in Section 3.20(a), and without regard to any qualification or requirement that a matter be or not be “reasonably expected” to occur.

(b) Subject to clause (d) of this Section 10.03, no Party shall be obligated to indemnify, defend and hold harmless its respective Indemnified Parties under Section 10.02(a)(i) (in the case of indemnification by IHC and Seller) or Section 10.02(b)(i) (in the case of indemnification by Purchaser) for Indemnifiable Losses unless and until the aggregate amount of such Indemnifiable Losses exceeds one percent (1.0%) of the Base Purchase Price (the “Threshold Amount”), at which time the applicable Party shall be liable to its respective Indemnified Parties for the entire value of the Indemnitees’ claims under Section 10.02(a)(i) or Section 10.02(b)(i), as the case may be, including the Threshold Amount.

(c) Subject to clause (d) of this Section 10.03, the liability of IHC and Seller to the Purchaser Indemnified Person for indemnification pursuant to Section 10.02(a)(i), and the liability of the Purchaser to the Seller Indemnified Person pursuant to Section 10.02(b)(i), shall not exceed fifteen percent (15%) of the Base Purchase Price.

(d) The limitations on indemnification set forth in clauses (b) and (c) of this Section 10.03 shall not apply to the Parties’ obligations to indemnify their respective Indemnified Parties for Indemnifiable Losses arising out of, based on or relating to any breaches or inaccuracies of the Seller Specified Representations or the Purchaser Specified Representations.

(e) IHC and Seller shall not be required to indemnify any Purchaser Indemnified Persons, and shall not have any liability, under this Article X with respect to any breach of any representation, warranty or covenant of IHC or Seller, if: (i) Seller provides written notice to Purchaser prior to the Closing, describing in reasonable detail such breach, (ii) Seller acknowledges in writing that the effect of such breach is a failure of any condition to Purchaser’s obligations set forth in Article VIII and (iii) Purchaser proceeds with the Closing.

(f) All Indemnifiable Losses shall be net of any third-party insurance proceeds which have been actually recovered by the Indemnitee in connection with the facts giving rise to the right of indemnification, calculated net of any out-of-pocket expenses incurred by such Indemnitee in recovering such amount and net of the present value of any increase in insurance premiums or other charges paid or reasonably expected to be paid by such Indemnitee arising out of the claim under such third-party insurance. Any amount payable by an Indemnitor pursuant to

this Article X shall be paid promptly and payment shall not be delayed pending any determination of third-party insurance recoveries.

(g) Each Indemnitee shall take commercially reasonable steps to mitigate its Indemnifiable Losses upon and after becoming aware of any event or condition which would reasonably be expected to give rise to any losses subject to indemnification hereunder. The applicable Indemnitor shall promptly reimburse such Indemnitee for the reasonable costs and expenses incurred by the Indemnitee in connection with such mitigation.

Section 10.04. Procedures for Third Party Claims.

(a) If any Indemnitee receives notice of assertion or commencement of any pending or threatened claim or demand by a Person other than a Party or its Affiliates that the Indemnitee has determined has given or could reasonably give rise to a right of indemnification under this Agreement (such claim or demand being a “Third Party Claim”), the Indemnitee shall give the Indemnitor reasonably prompt written notice thereof and such notice shall include a reasonable description of the claim based on facts known at the time and an estimate of the Indemnifiable Loss to the extent reasonably ascertainable; provided, that no delay on the part of the Indemnitee in notifying any Indemnitor shall relieve the Indemnitor from any obligation hereunder unless (and then solely to the extent) the Indemnitor is actually prejudiced by such delay (except that the Indemnitor shall not be liable for any expenses incurred during the period in which the Indemnitee failed to give such notice). Thereafter, the Indemnitee shall deliver to the Indemnitor, promptly after the Indemnitee’s receipt thereof, copies of all notices and documents (including court papers) received by the Indemnitee relating to the Third Party Claim.

(b) Upon receipt of notice of a Third Party Claim from an Indemnitee pursuant to this Section 10.04, the Indemnitor may, by notice to the Indemnitee delivered within twenty (20) Business Days of the receipt of notice of such Third Party Claim, assume the defense and control of such Third Party Claim (at the expense of such Indemnitor and so long as the Indemnitor acknowledges in writing its obligation to indemnify the Indemnitee for Indemnifiable Losses related to such Third Party Claim); provided that counsel for the Indemnitor who shall conduct the defense of such Third Party Claim shall be reasonably satisfactory to the Indemnitee, and the Indemnitee may participate in such defense at such Indemnitee’s expense. The Indemnitee may take any actions reasonably necessary to defend such Third Party Claim prior to the time that it receives notice from the Indemnitor as contemplated by the preceding sentence. If the Indemnitor does not promptly assume the defense of such Third Party Claim following notice thereof, the Indemnitee shall be entitled to assume and control such defense without prejudice to the ability of the Indemnitee to enforce its claim for indemnification against the Indemnitor hereunder; provided that the Indemnitee shall not be entitled to settle or agree to pay in full such Third Party Claim without the consent of the Indemnitor (which consent shall not be unreasonably withheld, conditioned or delayed). The Indemnitor shall not, without the prior written consent of the Indemnitee (which shall not be unreasonably withheld), consent to a settlement, compromise or discharge of, or the entry of any judgment arising from, any Third Party Claim, unless such settlement, compromise or discharge does not involve any finding or admission of any violation of Applicable Law or admission of any wrongdoing by the Indemnitee and the Indemnitor shall (i) pay or cause to be paid all amounts arising out of such settlement or judgment concurrently with the effectiveness of such settlement, (ii) not encumber

any of the assets of any Indemnitee or agree to any restriction or condition that would apply to or adversely affect any Indemnitee or its Affiliates and (iii) obtain, as a condition of any settlement or other resolution, a complete and unconditional release of each Indemnitee from any and all Liability in respect of such Third Party Claim. If the Indemnitee in good faith determines that the conduct of the defense or any proposed settlement of any Third Party Claim would reasonably be expected to affect adversely the Indemnitee's Tax liability or the ability of the Transferred Company to conduct its business, or that the Indemnitee may have available to it one or more defenses or counterclaims that are inconsistent with one or more of those that may be available to the Indemnitor in respect of such Third Party Claim, the Indemnitee shall have the right at all times to take over and control the defense, settlement, negotiation or litigation relating to any such Third Party Claim at the sole cost of the Indemnitor, provided that if the Indemnitee does so take over and control, the Indemnitee shall not settle such Third Party Claim without the written consent of the Indemnitor, such consent not to be unreasonably withheld or delayed. In any event, the Parties shall cooperate in the defense of any Third Party Claim subject to this Article X and the records of each shall be reasonably available to the other with respect to such defense.

Section 10.05. Direct Claims. The Indemnitor will have a period of twenty (20) days within which to respond in writing to any claim by an Indemnitee on account of an Indemnifiable Loss that does not result from a Third Party Claim. If the Indemnitor does not so respond within such twenty (20) day period, the Indemnitor will be deemed to have rejected such claim, in which event the Indemnitee will be entitled to pursue such remedies as may be available to the Indemnitee.

Section 10.06. Sole Remedy. The Parties acknowledge and agree that, except (a) as set forth in Section 11.13, (b) for any remedy expressly contemplated by an Ancillary Agreement and (c) for causes of action arising from fraud, if the Closing occurs, their sole and exclusive remedy following the Closing with respect to any breach of or inaccuracy in any representation or warranty or any breach, nonfulfillment or default in the performance of any of the covenants or agreements contained in this Agreement shall be pursuant to the provisions set forth in this Article X.

Section 10.07. Certain Other Matters.

(a) Upon making any Indemnity Payment, Indemnitor will, to the extent of such Indemnity Payment, be subrogated to all rights of Indemnitee against any third Person (other than any Tax Authority) in respect of the Indemnifiable Loss to which the Indemnity Payment is related. Without limiting the generality or effect of any other provision hereof, each such Indemnitee and Indemnitor will duly execute upon request all instruments reasonably necessary to evidence and perfect the above-described subrogation rights.

(b) The rights and remedies of any Indemnitee in respect of any inaccuracy or breach of any representation, warranty, covenant or agreement shall in no way be limited by the fact that the act, omission, occurrence or other state of facts or circumstances upon which any claim of any such inaccuracy or breach is based may also be the subject matter of any other representation, warranty, covenant or agreement as to which there is no inaccuracy or breach.

ARTICLE XI.

This Agreement, the other Transaction Agreements and the Confidentiality Agreement, including any exhibits, schedules, addendums or annexes thereto, constitute the entire agreement of the Parties with respect to the subject matter of the Transaction Agreements and supersede all prior agreements and undertakings, both written and oral, other than the Confidentiality Agreement to the extent not in conflict with this Agreement, between or on behalf of IHC, Seller and their Affiliates, on the one hand, and Purchaser and its Affiliates, on the other hand, with respect to the subject matter of the Transaction Agreements.

Section 11.05. Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced under any Applicable Law or as a matter of public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement be consummated as originally contemplated to the greatest extent possible. If any provision of this Agreement is determined by a court of competent jurisdiction to be so broad as to be unenforceable, that provision shall be interpreted to be only as broad as is enforceable. The unenforceability in one jurisdiction shall not affect the enforceability in other jurisdictions if such other jurisdictions deem the provision(s) to be enforceable.

Section 11.06. Assignment. This Agreement may not be assigned, in whole or in part, by operation of law or otherwise without the prior written consent of each of the Parties; provided, that Purchaser may assign any or all of its rights and obligations hereunder to one or more of its Affiliates; provided, further, that no such assignment will relieve Purchaser of its obligations hereunder. Any attempted assignment in violation of this Section 11.06 shall be void. This Agreement shall be binding upon, shall inure to the benefit of, and shall be enforceable by the Parties and their successors and permitted assigns.

Section 11.07. Waivers and Amendments. No provision of this Agreement may be amended, supplemented or modified except by a written instrument signed by each of the Parties. No provision of this Agreement may be waived except by a written instrument signed by the Party against whom the waiver is to be effective. No failure or delay by any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Applicable Law.

Section 11.08. Disclosure Schedules. Disclosure of any fact or item in any section of the Seller Disclosure Schedule or the Purchaser Disclosure Schedule referenced by a particular paragraph or section in this Agreement shall be deemed to be disclosed with respect to any other paragraph or section in this Agreement to the extent the relevance of such disclosure to such paragraph or section is reasonably apparent on its face. Matters reflected in any section or subsection of the Seller Disclosure Schedule or Purchaser Disclosure Schedule are not necessarily limited to matters required by this Agreement to be so reflected. Such additional matters are set forth for informational purposes and do not necessarily include other matters of a similar nature. No reference to or disclosure of any item or other matter in any section or subsection of the Seller Disclosure Schedule or Purchaser Disclosure Schedule shall be construed as an admission or indication that such item or other matter is material or that such item or other matter is required to be referred to or disclosed in this Agreement, the Seller Disclosure Schedule or Purchaser Disclosure Schedule. Without limiting the foregoing, no such reference to or disclosure of a possible breach or violation of any contract or Applicable Law shall be construed as an admission or indication that breach or violation exists or has actually occurred.

Section 11.09. Governing Law; Submission to Jurisdiction; Waiver of Jury Trial.

(a) THIS AGREEMENT SHALL BE GOVERNED IN ALL RESPECTS, INCLUDING AS TO VALIDITY, INTERPRETATION AND EFFECT, BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS, TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD PERMIT OR REQUIRE THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

(b) Each Party irrevocably and unconditionally submits to the jurisdiction of the courts of the State of New York and the federal courts of the United States of America located in the State, City and County of New York solely in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement and in respect of the transactions contemplated hereby and thereby. Each Party irrevocably agrees that all claims in respect of the interpretation and enforcement of the provisions of this Agreement and in respect of the transactions contemplated hereby, or with respect to any such action or proceeding, shall be heard and determined in such a New York State or federal court, and that such jurisdiction of such courts with respect thereto shall be exclusive, except solely to the extent that all such courts shall lawfully decline to exercise such jurisdiction. Each Party hereby waives, and agrees not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or in respect of any such transaction, that it is not subject to such jurisdiction. Each Party hereby waives, and agrees not to assert, to the maximum extent permitted by law, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or in respect of any such transaction, that such action, suit or proceeding may not be brought or is not maintainable in such courts or that the venue thereof may not be appropriate or that this Agreement may not be enforced in or by such courts. Each Party agrees that service of any process, summons, notice or document by U.S. registered mail addressed to such Party at the respective addresses set forth in Section 11.03 (or at such other address for a Party as such Party may have designated in accordance with Section 11.03) shall be effective service of process for any action, suit or proceeding brought against such Party in any such court.

(c) EACH OF THE PARTIES HERETO HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH OF THE PARTIES HERETO HEREBY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, AND (B) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 11.09.

Section 11.10. Rules of Construction. Interpretation of this Agreement and the other Transaction Agreements (except as specifically provided in any such other Transaction Agreements, in which case such specified rules of construction shall govern with respect to such

other Transaction Agreements) shall be governed by the following rules of construction: (a) words in the singular shall be held to include the plural and vice versa, and words of one gender shall be held to include the other gender as the context requires; (b) references to the terms Preamble, Recitals, Article, Section, clause, Schedule and Exhibit are references to the Preamble, Recitals, Articles, Sections, clauses, Schedules and Exhibits to this Agreement unless otherwise specified; (c) references to "\$" mean, and all payments required to be made under this Agreement shall be required to be made in, U.S. dollars; (d) the word "including" and words of similar import means "including without limitation," unless otherwise specified; (e) the word "or" shall not be exclusive; (f) the words "herein," "hereof," "hereunder" or "hereby" and similar terms are to be deemed to refer to this Agreement as a whole and not to any specific Section; (g) the headings are for reference purposes only and shall not affect in any way the meaning or interpretation of the Transaction Agreements; (h) the Transaction Agreements shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting or causing any instrument to be drafted; (i) if a word or phrase is defined, the other grammatical forms of such word or phrase have a corresponding meaning; (j) references to any statute, listing rule, rule, standard, regulation or other law include a reference to the corresponding rules and regulations; (k) references to any section of any statute, listing rule, rule, standard, regulation or other law include any successor to such section; (l) references to any Person include such Person's predecessors or successors, whether by merger, consolidation, amalgamation, reorganization or otherwise; and (m) any term of this Agreement providing that Seller or any of its Affiliates has "made available" any document or information to Purchaser means that such document or information was uploaded in full to the Data Room at least two (2) Business Days prior to the date hereof or otherwise delivered to the Purchaser.

Section 11.11. No Third Party Beneficiaries. Other than the rights granted to the Purchaser Indemnified Person and the Seller Indemnified Person under Article X, nothing in this Agreement is intended or shall be construed to give any Person (including, but not limited to, the employees of Seller or any Affiliate of Seller), other than the Parties, their successors and permitted assigns, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein.

Section 11.12. Execution in Counterparts. This Agreement may be executed by the Parties in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute one and the same instrument. Delivery of an executed counterpart of a signature page to any Transaction Agreement by means of electronic transmission utilizing reasonable image scan technology shall be as effective as delivery of a manually executed counterpart of any such Agreement.

Section 11.13. Equitable Remedies. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that, without the necessity of posting bond or other undertaking, the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, this being in addition (subject to the terms of this Agreement) to any other remedy to which such Party is entitled at law or in equity. In the event that any Action is brought in equity to enforce the provisions of this Agreement, no Party shall allege, and each Party hereby waives any defense or counterclaim, that there is an adequate remedy at law.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first above written.

We will continue to focus on growing our specialty health, group life and disability, DBL and occupational accident lines of business through organic growth and acquisitions. In addition, the IHC Board of Directors has appointed a special committee of independent directors which has been authorized to hire independent advisors to recommend to the full Board of Directors the price at which IHC would take AMIC private in 2016.
