Corporate Governance Documents

In furtherance of its longstanding goals of providing effective governance of IHC's business and affairs for the long-term benefit of stockholders and promoting a culture and reputation of the highest ethics, integrity and reliability, the Board has adopted:

- a Code of Business Ethics that applies to IHC's Chief Executive Officer and President, Chief Operating Officer, Chief Financial Officer, controller and other IHC employees performing similar functions (the "Code of Ethics");

- a Corporate Code of Conduct that applies to all employees, officers and directors of IHC and its subsidiaries and affiliates (the “Code of Conduct”);
- Corporate Governance Guidelines (“Guidelines”) to advance the functioning of the Board and its committees and set forth the Board’s expectations as to how it should perform its functions; and
- written charters for its Audit and Compensation Committees of the Board (collectively, the “Charters”).

The Code of Ethics, Code of Conduct, Guidelines and Charters can be found on IHC’s website at www.ihcgroup.com, and are also available in print to any stockholder who requests them. The information on IHC’s website, however, is not incorporated by reference in, and does not form part of, this annual report. The Board does not anticipate modifying the Code of Ethics or the Code of Conduct, or granting any waivers to either, but were any such waiver or modification to occur, it would promptly be disclosed on IHC’s website.

Audit Committee Financial Expert

The Board has determined that at least one member of the Audit Committee, Mr. Tatum, is an audit committee financial expert as such term is defined in Item 407(d)(5)(ii) of Regulation S-K promulgated by the SEC.

Nomination of Director Candidates

In light of GHI’s majority voting power, the Board has determined that the Board, rather than a nominating committee, is the most appropriate body to identify director candidates and select nominees for presentation at the annual meeting of stockholders. In making nominations, the Board seeks candidates with outstanding business experience who will bring such experience to the management and direction of IHC. The minimum criteria employed by the Board in its selection of candidates are set forth in the Guidelines, along with certain other factors that inform the selection process. All directors serving on the Board participate in the consideration of director nominees. Furthermore, in light of GHI’s voting power, the Board has determined that no policy with respect to consideration of candidates recommended by security holders other than GHI’s would be appropriate.

Committees of the Board of Directors

Committees

The Board has standing Audit and Compensation Committees. Committee memberships are as follows:

Audit Committee	Compensation Committee
Mr. James G. Tatum (Chairman)	Mr. Allan C. Kirkman (Chairman)
Mr. Allan C. Kirkman	Mr. John L. Lahey
Mr. John L. Lahey	Mr. James G. Tatum
Mr. Ronald I. Simon	

Audit Committee. The principal functions of the Audit Committee are to: (i) select an independent registered public accounting firm; (ii) review and approve management’s plan for engaging IHC’s independent registered public accounting firm during the year to perform non-audit services and consider what effect these services will have on the independence of IHC’s independent registered public accounting firm; (iii) review IHC’s annual financial statements and other financial reports which require approval by the Board; (iv) oversee the integrity of IHC’s financial statements, IHC’s systems of disclosure controls and internal controls over financial reporting and IHC’s compliance with legal and regulatory requirements; (v) review the scope of audit plans of IHC’s internal audit function and independent registered public accounting firm and the results of their audits; and (vi) evaluate the performance of IHC’s internal audit function and independent registered public accounting firm.

Each member of the Audit Committee meets the independence requirements of the NYSE and applicable SEC rules and regulations. The Audit Committee and the Board have determined that each member of the Audit Committee is financially literate and that Mr. Tatum qualifies as an “audit committee financial expert,” as such term is defined in Item 401(h)(2) of Regulation S-K promulgated by the SEC.

Compensation Committee. The Compensation Committee assists the Board in fulfilling its responsibilities with regard to compensation matters, is responsible for determining or ratifying (as the case may be) the compensation of IHC's executive officers, and administers IHC's 2016 Stock Incentive Plan. The Compensation Committee has sole authority to determine the compensation for IHC's Chief Executive Officer.

ITEM 11. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

"Say-on- Pay" and "Say-on-Frequency"

The Compensation Committee considered the voting results of the advisory, non-binding "say-on-pay" vote at IHC's 2017 Annual Meeting of Stockholders in connection with the discharge of its responsibilities. IHC's stockholders expressed their support of the compensation for our CEO, CFO and the three other most-highly compensated officers in respect of 2016, with a substantial majority of the votes cast voting to approve the compensation of IHC's named executive officers described in IHC's 2017 proxy statement. Following the Compensation Committee's review and consideration of this stockholder support, as well as the other factors discussed in more detail below, we determined to make no changes to our approach to executive compensation. The next advisory, non-binding "say-on-pay" vote will occur at IHC's 2020 Annual Meeting of Stockholders.

At IHC's 2017 Annual Meeting of Stockholders, a majority of IHC's stockholders voted for "say-on-pay" proposals to occur every three years. In light of this voting result on the frequency of "say-on-pay" proposals, the Board decided that IHC will present "say-on-pay" proposals every three years until the next required vote on the frequency of stockholder votes on named executive officer compensation. Accordingly, we held a say on frequency of "say-on-pay" vote at our 2017 Annual Meeting of Stockholders. The next stockholder vote on the frequency of

stockholder votes on named executive officer compensation will occur at IHC's 2020 Annual Meeting of Stockholders.

Compensation Objectives

Compensation of each of IHC's executive officers is intended to be based on performance of IHC and the executive. The Compensation Committee has responsibility for establishing and reviewing the compensation of IHC's CEO and for reviewing the compensation for all of IHC's executive officers.

In establishing executive officer compensation, the following are among the Compensation Committee's objectives:

- attract and retain individuals of superior ability and managerial talent;
- ensure compensation is aligned with IHC's corporate strategies, business objectives and the long-term interests of IHC's stockholders; and
- enhance incentives to increase IHC's stock price and maximize stockholder value by providing a portion of total compensation in IHC equity and equity-related instruments.

IHC's overall compensation program is structured to attract, motivate and retain highly qualified executive officers by paying them competitively, consistent with IHC's success and their contributions to such success. To this end, base salary and bonus are designed to reward annual achievements and to be commensurate with an executive's scope of responsibilities, demonstrated leadership abilities and management experience and effectiveness. Other elements of compensation focus on motivating and challenging IHC's executive officers to achieve superior, long-term, sustained results.

Implementation of Objectives

Salaries

The salary of an IHC executive officer is based on his or her level of responsibility, experience and qualifications and recent performance. Adjustments to salary are made in response to changes in any of the foregoing factors and changes in market conditions. Executive officer salaries are typically reviewed by the Compensation Committee every twelve months. The Compensation Committee has sole authority to determine the compensation for IHC's Chief Executive Officer. Neither the Compensation Committee nor IHC has retained a compensation consultant or similar organization for assistance in reviewing or setting executive officer salaries or other compensation.

Cash Bonuses

Following the close of each fiscal year, IHC's Chief Executive Officer makes determinations that are communicated to the Compensation Committee as to cash bonuses for IHC's executive officers (excluding himself), based on an analysis of: (i) any contractual commitments set forth in an employment agreement; (ii) IHC's performance in the year ended versus IHC's plan for such year; and (iii) a subjective evaluation of a variety of factors as to each executive officer's individual contribution during the year. The Compensation Committee then convenes outside the presence of the Chief Executive Officer and, following appropriate deliberation, approves or ratifies bonuses for all IHC executive officers.

The salaries paid and annual bonuses awarded to IHC's named executive officers in respect of 2017 are set forth in the Summary Compensation Table.

Equity Awards

IHC's 2016 Stock Incentive Plan (the "2016 Plan") provides the opportunity for the Compensation Committee to make equity incentive awards to, among others, IHC's executive officers. The Board of Directors approved the 2016 Plan and submitted it for stockholder approval at the 2016 Annual Meeting of Stockholders. A majority of the shares present at the meeting in person or by proxy approved the 2016 Plan. The following describes the 2016 Plan.

The types of equity awards that may be granted under the 2016 Plan are: (i) options; (ii) share appreciation rights (“SARs”); (iii) restricted shares, restricted share units (which are shares granted after certain vesting conditions are met) and unrestricted shares; (iv) deferred share units; and (v) performance awards. The Compensation Committee determines the type and amount of the award with reference to factors that include the present value of the award relative to the executive officer’s salary and anticipated cash bonus, the anticipated importance of the executive’s position to IHC’s future results, and the size of the executive’s total compensation relative both to other executives within IHC and to compensation levels at other companies.

Within the limitations of the 2016 Plan, the Compensation Committee may modify an award to: (i) accelerate the rate at which an option or SAR may be exercised (including, without limitation, permitting an option or SAR to be exercised in full without regard to the installment or vesting provisions or whether the option or SAR is at the time exercisable); (ii) accelerate the vesting of any award; or (iii) accept the cancellation of outstanding awards. However, the Compensation Committee may not, without stockholder approval, cancel an outstanding option that is underwater for the purpose of reissuing the option to a grantee within six months thereafter at a lower exercise price, or granting a replacement award of a different type. Notwithstanding the foregoing provision, no modification of an outstanding award can materially and adversely affect a grantee’s rights thereunder, unless the grantee provides written consent, there is an express 2016 Plan provision permitting the Compensation Committee to act unilaterally to make the modification, or the Compensation Committee reasonably concludes that the modification is not materially adverse to the grantee.

Options

Incentive stock options (“ISOs”) and non-incentive stock options (“Non-ISOs”) may be granted under the 2016 Plan. At the sole discretion of the Compensation Committee, any option may be exercisable, in whole or in part, immediately upon the grant thereof, or only after the occurrence of a specified event, or only in installments, which installments may vary. The term of any option may not exceed ten years from the grant date; *provided, however*, that in the case of an ISO granted to an employee of IHC or any of its affiliates who owns stock representing more than ten percent (10%) of the voting stock on the grant date (“Employee Ten Percent Holder”), the term of the ISO shall not exceed five years from the grant date. The exercise price of an option is determined by the Compensation Committee in its sole discretion; *provided, however*, that if an ISO is granted to an Employee Ten Percent Holder, the per share exercise price shall not be less than 110% of the closing price per share on the NYSE on the grant date (“Fair Market Value”); and *provided further* that for all other options, the per share exercise price shall not be less than 100% of the Fair Market Value on the grant date. Neither IHC nor the Compensation Committee can allow for a repricing without stockholder approval.

Each of IHC’s named executive officers holds stock options, having varying exercise prices and expiration dates (based on the date granted). Please see the information set forth in the tables below for additional information. IHC does not have a target level of stock ownership applicable to any of its employees, including the named executive officers.

Share Appreciation Rights (SARs)

The Compensation Committee may grant SARs either concurrently with the grant of an option or with respect to an outstanding option (in which case the SAR will extend to all or a portion of the shares covered by the related option, the exercise price is the same as the exercise price of the related option, and the SAR is exercisable at such time or times, and to the extent, that the related option will be exercisable), or independent of any option. The Compensation Committee may also grant SARs that are exercisable only upon or in respect of a change in control (as defined in the 2016 Plan) or any other specified event. The per share exercise price of a SAR cannot be less than 100% of the Fair Market Value, and the SARs may only be exercised when the Fair Market Value of the shares underlying the SAR exceeds the exercise price of the SAR. Neither IHC nor the Compensation Committee can allow for a repricing without stockholder approval.

Restricted Shares, Restricted Share Units and Unrestricted Shares

Subject to applicable law, an award of 2,475 restricted shares (or such other amount that the Board may determine on a prospective basis) will be granted to each non-employee director of IHC following each annual meeting of IHC’s stockholders. One-third of those restricted shares will vest on each of the next three annual anniversaries of the date the restricted shares were awarded. In the event that a non-employee director terminates his or her membership on the Board for any reason, the director will immediately forfeit any unvested restricted shares.

At any time within the thirty-day period (or other shorter or longer period that the Compensation Committee selects in its sole discretion) in which a grantee who is a member of a select group of management or highly compensated employees receives an initial award of either restricted shares or restricted share units, the Compensation Committee may permit the grantee to irrevocably elect to defer the receipt of all or a percentage of the shares that would otherwise be transferred to the grantee upon the vesting of such award.

Deferred Share Units

The Compensation Committee may permit any director, consultant or member of a select group of management or highly compensated employees to irrevocably elect to forego the receipt of cash or other compensation (including shares), and in lieu thereof to have IHC credit to an internal 2016 Plan account a number of deferred share units having a Fair Market Value equal to the shares and other compensation deferred.

Performance Awards

The Compensation Committee may grant a performance award based on one or more of the following to measure IHC, affiliate, and/or business unit performance during a specified performance period: (i) gross or net premiums; (ii) profit margin; (iii) insured lives; (iv) basic, diluted, or adjusted earnings per share; (v) sales or revenue; (vi) earnings before interest, taxes, and other adjustments (in total or on a per share basis); (vii) basic or adjusted net income; (viii) returns on equity, assets, capital, revenue or similar measure; (ix) economic value added; (x) working capital; (xi) total stockholder return; and (xii) product development, product market share, research, licensing, litigation, human resources, information services, mergers, acquisitions, or sales of assets of affiliates or business units. Performance measures may vary from performance period to performance period and from grantee to grantee.

A grantee will be eligible to receive payment in respect of a performance award only to the extent that the performance measure(s) for such award is achieved, and it is determined that all or some portion of such grantee's award has been earned for the performance period. The Compensation Committee reviews whether, and to what extent, the performance measure(s) for a particular performance period (of not less than one fiscal year) have been achieved and, if so, determines the amount of the performance award to be paid. The Compensation Committee may use negative discretion to decrease, but not increase, the amount of the award otherwise payable based upon such performance.

At any time prior to the date that is at least six months before the close of a performance period (or shorter or longer period that the Compensation Committee selects), the Compensation Committee may permit a grantee who is a member of a select group of management or highly compensated employees to irrevocably elect to defer the receipt of all or a percentage of the cash or shares that would otherwise be transferred to the grantee upon the vesting of a performance award.

Termination, Rescission and Recapture of Awards

Each award under the 2016 Plan granted to an employee is intended to align such employee's long-term interest with those of IHC. Therefore, if the employee discloses confidential or proprietary information of IHC, provides services to a competitor of IHC, solicits a non-administrative employee of IHC, or has engaged in activities which conflict with IHC's interests (including any breaches of fiduciary duty or the duty of loyalty), the employee is acting contrary to IHC's long-term interests. Accordingly, except as otherwise expressly provided in an award agreement, IHC may terminate any outstanding, unexercised, unexpired, unpaid, or deferred awards, rescind any exercise, payment or delivery pursuant to the award, or recapture any common stock (whether restricted or unrestricted) or proceeds from the employee's sale of shares issued pursuant to the award. Notwithstanding the foregoing, IHC may, in its sole and absolute discretion, choose not to terminate, rescind or recapture upon the occurrence of any of the foregoing events.

Tax Implications

The Company is subject to Section 162(m)(1) of the Tax Code, which limits the amount a publicly-held corporation may deduct for compensation paid to the CEO and certain named executive officers to \$1 million per year per executive and excludes the compensation paid to former covered executives once they are no longer covered.

Compensation Committee Report

The Compensation Committee assists the Board in fulfilling its responsibilities with regard to compensation matters, and is responsible for establishing and approving the compensation of IHC's executive officers. The Compensation Committee has sole authority to determine the compensation for IHC's Chief Executive Officer. The Compensation Committee has reviewed and discussed the "Compensation Discussion and Analysis" section of this Form 10-K with management, including our Chief Executive Officer and our Chief Financial Officer.

- (1) Represents the grant date fair value of options and/or stock appreciation rights granted during 2017.
- (2) Represents strategic and long-term incentive earnings as a result of Mr. Thung's Employment Agreement with IHC for the year indicated. IHC is party to the Officer Employment Agreement by and between IHC and Mr. Roy T.K. Thung, IHC's Chief Executive Officer and Chairman of the Board of Directors, dated as of May 11, 2011. Under the agreement, Mr. Thung is entitled to an incentive payment upon the disposition of a strategic asset of IHC equal to 3% of the amount above which the consideration received by IHC for such disposition exceeds the book value of such asset as of March 31, 2011. In addition, any termination of the agreement other than for "cause" triggers an incentive payment to Mr. Thung in respect of such appreciation in the overall book value of IHC. The initial term of Mr. Thung's employment agreement was two years from the date it was entered into, but, by its terms, will be automatically extended for successive two-year periods unless one hundred twenty days' prior notice of non-renewal is given by IHC. In accordance with the terms of the agreement, Mr. Thung received cash incentive payments of \$3,013,235 and \$288,728 in 2016 and 2015, respectively, as a result of the Risk Solutions sale and coinsurance transaction with Swiss Re in 2016 and the Madison National Life coinsurance and sale transaction with National Guardian Life Insurance Company in 2015. He did not receive any cash incentive payments in 2017. Had the strategic and long-term incentive provisions of Mr. Thung's agreement been triggered on December 31, 2017, Mr. Thung would have received \$3,985,000.
- (3) Represents the increase (decrease) in the value of Mr. Thung's Retirement Benefits Agreement with IHC for the year indicated. Refer to Potential Payments to Named Executive Officers for additional information regarding this agreement.
- (4) The amount shown for 2017 represents reimbursements related to the use of an automobile, employer-matching contributions to Mr. Thung's 401(k) account, and group life insurance premiums paid on Mr. Thung's behalf.

CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, the Company is providing information about the relationship of the annual total compensation of the Company's CEO relative to the median of the annual total compensation of the Company's employees (other than the CEO). The Company refers to the ratio of such compensation as "CEO to Employee Pay Ratio."

The Company's CEO to Employee Pay Ratio was calculated in compliance with the requirements set forth in Item 402(u) of Regulation S-K. The Company identified the median employee using its employee population as of December 31, 2017, which included 398 full-time, part-time and temporary employees employed on that date. The Company did not include independent contractors.

The Company used a consistently applied compensation measure based on W-2 earnings across the employee population to calculate the median employee annual total compensation. The Company then calculated the median employee's annual total compensation in the same manner as that of the CEO and the Company's other named executive officers in the above Summary Compensation Table. The median of the annual total compensation of all employees of the Company (other than the CEO) was \$51,510. The CEO's annual total compensation was \$2,797,753. Accordingly, for 2017, the Company's CEO to Employee Pay Ratio was 54:1.

The SEC rules for identifying the median employee and calculating the pay ratio allow companies to use a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect a company's employee populations and compensation practices. For that reason, the pay ratio reported by other companies may not be comparable to the Company's CEO to Employee Pay Ratio reported above.

Potential Payments to Named Executive Officers Upon Termination or Change-in-Control.

With Mr. Thung

IHC is party to a Retirement Benefits Agreement with Mr. Roy T.K. Thung, dated as of September 30, 1991, and amended by amendments dated as of December 20, 2002, June 17, 2005 and December 31, 2008, respectively, pursuant to which Mr. Thung is entitled to a lump-sum cash payment upon a “separation from service” from IHC of \$1,659,557, increasing on a cumulative, compounding basis of 6% per annum from December 31, 2008. “Separation from service” is as defined under U.S. Treasury Regulations 1.409A-1(h)(1), and would generally include Mr. Thung’s death, retirement or any other termination of employment, including permanent disability. For example, had this provision been triggered on December 31, 2017, Mr. Thung would have been entitled to receive a payment of \$2,803,787.

IHC is party to the Officer Employment Agreement by and between IHC and Mr. Roy T.K. Thung, IHC's Chief Executive Officer and Chairman of the Board of Directors, dated as of May 11, 2011. Under this employment agreement, if Mr. Thung's employment by IHC or its affiliate were to cease under certain circumstances, Mr. Thung would be entitled to receive a lump-sum severance amount equal to the average annual aggregate total compensation received by Mr. Thung during the preceding five years, adjusted *pro rata* for the applicable severance period. The applicable severance period would be the longer of: (i) twelve months; and (ii) a number of months equal to the aggregate number of years of service of Mr. Thung to IHC and its affiliates. The circumstances under which such severance would be paid are: (i) Mr. Thung's employment by IHC being involuntarily terminated under circumstances that would not constitute "cause" (examples of "cause" being Mr. Thung's material failure to follow IHC's lawful directions, material failure to follow IHC's corporate policies, breach of the non-compete covenants in the employment agreement or his engaging in unlawful behavior that would damage IHC or its reputation); (ii) such employment being voluntarily terminated under circumstances that would constitute "good reason" (examples of "good reason" being in connection with IHC's material breach of its obligations under the employment agreement, IHC's non-renewal of the employment agreement or change in control of IHC or its ultimate parent); or; (iii) upon Mr. Thung's death or permanent disability. In addition, under the agreement, Mr. Thung is also entitled to strategic and long-term incentive payments which are included in the Summary Compensation Table above. The initial term of Mr. Thung's employment agreement is two years from the date it was entered into, but, by its terms, it will be automatically extended for successive two-year periods unless one hundred twenty days' prior notice of non-renewal is given by IHC. For example, had the severance provisions of Mr. Thung's agreement been triggered on December 31, 2017, Mr. Thung would have been entitled to receive approximately \$67,425 per month for forty months (\$2,697,000 in the aggregate).

With Ms. Herbert

IHC is party to the Officer Employment Agreement, by and between IHC and Ms. Teresa A. Herbert, IHC's Chief Financial Officer and Senior Vice President, dated as of April 18, 2011. Under this employment agreement, if Ms. Herbert's employment by IHC or its affiliate were to cease under certain circumstances, Ms. Herbert would be entitled to receive a severance amount equal to the average annual aggregate total compensation received by Ms. Herbert during the preceding five years, adjusted *pro rata* for the applicable severance period. The applicable severance period would be the longer of: (i) twelve months; and (ii) a number of months equal to the aggregate number of years of service of Ms. Herbert to IHC and its affiliates, not to exceed twenty-four months. The circumstances under which such severance would be paid are (i) Ms. Herbert's employment by IHC being involuntarily terminated under circumstances that would not constitute "cause" (examples of "cause" being Ms. Herbert's material failure to follow IHC's lawful directions, material failure to follow IHC's corporate policies, breach of the non-compete covenants in the employment agreement or her engaging in unlawful behavior that would damage IHC or its reputation), or (ii) such employment being voluntarily terminated under circumstances that would constitute "good reason" (examples of "good reason" being in connection with IHC's (or its successor's) material breach of its obligations under the employment agreement or upon IHC's non-renewal of the employment agreement). The initial term of Ms. Herbert's employment agreement is two years from the date it was entered into, but, by its terms, it will be automatically extended for successive two-year periods unless one hundred twenty days' prior notice of non-renewal is given by IHC. For example, had the severance provision in Ms. Herbert's agreement been triggered on December 31, 2017, Ms. Herbert would have been entitled to receive approximately \$46,450 per month for twenty-four months (\$1,114,800 in the aggregate).

With Mr. Kettig

IHC is party to the Officer Employment Agreement, by and among IHC, Standard Security Life (which subsequently assigned the agreement to its affiliate AMIC Holdings, Inc.), and Mr. David T. Kettig, IHC's President, Chief Operating Officer and Acting General Counsel, dated as of April 18, 2011. Under this employment agreement, if Mr. Kettig's employment by Standard Security Life or its affiliate were to cease under certain circumstances, Mr. Kettig would be entitled to receive a severance amount equal to the average annual aggregate total compensation received by Mr. Kettig during the preceding five years, adjusted *pro rata* for the applicable severance period. The applicable severance period would be the longer of: (i) twelve months; and (ii) a number of months equal to the aggregate number of years of service of Mr. Kettig to IHC and its affiliates, not to exceed twenty-four months. The circumstances under which such severance would be paid are (i) Mr. Kettig's employment by Standard Security Life being involuntarily terminated under circumstances that would not constitute "cause" (examples of "cause" being Mr. Kettig's material failure to follow Standard Security Life's or IHC's lawful directions, material failure to follow Standard Security Life's or IHC's corporate policies, breach of the non-compete covenants in the employment agreement or his engaging in unlawful behavior that would damage Standard Security Life, IHC or their respective

reputations), or (ii) such employment being voluntarily terminated under circumstances that would constitute “good reason” (examples of “good reason” being in connection with Standard Security Life’s (or its successor’s) material breach of its obligations under the employment agreement or upon Standard Security Life’s non-renewal of the employment agreement). The initial term of Mr. Kettig’s employment agreement is two years from the date it was entered into, but, by its terms, it will be automatically extended for successive two-year periods unless one hundred twenty days’ prior notice of non-renewal is given by Standard Security Life. For example, had the severance provision in Mr. Kettig’s agreement been triggered on December 31, 2017, Mr. Kettig would have been entitled to receive approximately \$62,536 per month for twenty-four months (\$1,500,864 in the aggregate).

With Mr. Graber

Under this employment agreement, if Mr. Graber’s employment by Madison National Life or its affiliate were to cease under certain circumstances, Mr. Graber would be entitled to receive a severance amount equal to the average annual aggregate total compensation received by Mr. Graber during the preceding five years, adjusted *pro rata* for the applicable severance period. The applicable severance period would be the longer of: (i) twelve months; and (ii) a number of months equal to the aggregate number of years of service of Mr. Graber to IHC and its affiliates, not to exceed twenty-four months. The circumstances under which such severance would be paid are (i) Mr. Graber’s employment by Madison National Life being involuntarily terminated under circumstances that would not constitute “cause” (examples of “cause” being Mr. Graber’s material failure to follow Madison National Life’s or IHC’s lawful directions, material failure to follow Madison National Life’s or IHC’s corporate policies, breach of the non-compete covenants in the employment agreement or his engaging in unlawful behavior that would damage Madison National Life, IHC or their respective reputations), or (ii) such employment being voluntarily terminated under circumstances that would constitute “good reason” (examples of “good reason” being in connection with Madison National Life’s (or its successor’s) material breach of its obligations under the employment agreement or upon Madison National Life’s non-renewal of the employment agreement). The initial term of Mr. Graber’s employment agreement is two years from the date it was entered into, but, by its terms, it will be automatically extended for successive two-year periods unless one hundred twenty days’ prior notice of non-renewal is given by Madison National Life. For example, had the severance provision in Mr. Graber’s agreement been triggered on December 31, 2017, Mr. Graber would have been entitled to receive approximately \$40,340 per month for twenty-one months (\$847,140 in the aggregate).

The applicable severance period would be the longer of: (i) twelve months; and (ii) a number of months equal to the aggregate number of years of service of Mr. Balzofiore to IHC and its affiliates, not to exceed twenty-four months. The circumstances under which such severance would be paid are (i) Mr. Balzofiore’s employment by Standard Security Life being involuntarily terminated under circumstances that would not constitute “cause” (examples of “cause” being Mr. Balzofiore’s refusal to perform his duties, material failure to follow Standard Security Life’s corporate policies, breach of the non-compete covenants in the employment agreement or his committing a crime involving financial or accounting fraud), or (ii) such employment being voluntarily terminated under circumstances that would constitute “good reason” (examples of “good reason” being in connection with Standard Security Life’s or IHC’s material breach of its obligations under the employment agreement or upon Standard Security Life’s non-renewal of the employment agreement). The initial term of Mr. Balzofiore’s employment agreement is two years from the date it was entered into, but, by its terms, it will be automatically extended for successive two-year periods unless one hundred twenty days’ prior notice of non-renewal is given by Standard Security Life. Stock Incentive Plans

Under the terms of IHC’s stock incentive plans, the Compensation Committee may make appropriate provision for the holders of awards thereunder in the event of a change in control of IHC or similar event. The specifics of such an occurrence cannot be anticipated, and thus the prospective effect upon IHC cannot reliably be quantified.

DIRECTORS' COMPENSATION

The general policy of the Board is that compensation for independent directors should be a mix of cash and equity. IHC does not pay management directors for board service in addition to their regular employee compensation. The Compensation Committee has the primary responsibility for reviewing and considering any revisions to director compensation.

During 2018, each non-employee (outside) director will be paid:

- an annual retainer of \$36,000;
- \$1,500 for each board or committee meeting attended;
- \$9,000 for service as chairman of a board committee; and
- 2,475 restricted shares of IHC common stock, vesting ratably over the three annual anniversaries of the award, and contingent upon continuing service as a director.

The following table summarizes compensation paid to IHC's directors during 2017 except for Mr. Roy T.K. Thung, IHC's Chief Executive Officer and Chairman of the Board, Mr. David T. Kettig, President, Chief Operating Officer, and Acting General Counsel, Mr. Larry R. Graber, Chief Life and Annuity Actuary and Senior Vice President, and Teresa A. Herbert, Chief Financial Officer and Senior Vice President, for whom compensation was previously discussed.

Significant Stockholders

The following table sets forth certain information concerning the number of shares of our common stock that is beneficially owned by certain persons known by IHC to beneficially own more than five percent of the outstanding shares of IHC common stock, based on 14,801,622 issued and outstanding shares of common stock as of March 31, 2018.

Beneficial ownership is determined in accordance with SEC rules and generally includes voting or investment power with respect to securities. Other than as described in the notes to the table, we believe that all persons named in the table have sole voting and investment power with respect to shares beneficially owned by them. All share ownership figures include shares issuable upon exercise of options or warrants exercisable within 60 days of the date above, which are deemed outstanding and beneficially owned by such person for purposes of computing its percentage ownership, but not for purposes of computing the percentage ownership of any other person.

The address of GHI is 96 Cummings Point Road, Stamford, Connecticut 06902.		

ITEM 13. CERTAIN RELATIONSHIPS, RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

Director Independence

As a company listed on the New York Stock Exchange (“NYSE”), IHC uses the definition of independence prescribed in the NYSE Listed Company Manual (the “Manual”). Each of Messrs. Kirkman, Tatum, Lahey and Simon met such independence requirements. The Board has affirmatively determined that none of them had any material relationship described in Item 407(a) of Regulation S-K promulgated by the SEC with IHC at all applicable times during 2017.

IHC qualifies as a “controlled company,” as defined in Section 303A.00 of the Manual, because more than 50% of IHC’s voting power is held by GHI. Therefore, IHC is not subject to certain NYSE requirements that would otherwise require IHC to have: (i) a majority of independent directors on the Board (Manual Section 303A.01); (ii) compensation of IHC’s executive officers determined by a compensation committee composed solely of independent directors (Manual Section 303A.04); or (iii) director nominees selected, or recommended for the Board’s selection, by a nominating committee composed solely of independent directors (Manual Section 303A.05).

Of IHC’s directors, none of Ms. Herbert or Messrs. Graber, Kettig, Lapin or Thung is independent under the NYSE’s standards.

For each independent director, after reasonable investigations and in reliance on representations by such independent director to IHC, IHC believes there is no material transaction, relationship or arrangement described in Item 407(a) of Regulation S-K promulgated by the SEC between each such director not disclosed in this annual report under the caption “Certain Relationships and Related Transactions.”

Compensation Committee Interlocks and Insider Participation

Messrs. Kirkman, Lahey and Tatum served on the Compensation Committee of the Board during fiscal year 2017.

Transactions with Management and Other Relationships

IHC and Geneve Holdings, Inc. (“GHI”), IHC’s controlling stockholder, operate under cost-sharing arrangements pursuant to which certain items are allocated between the two companies. During 2017, IHC paid GHI (or accrued for payment thereto) approximately \$455,000 under such arrangements, and paid or accrued an additional \$113,000 for the first quarter of 2018. Such cost-sharing arrangements include GHI’s providing IHC with the use of office space as IHC’s corporate headquarters for annual consideration of \$160,000 in 2017. The foregoing arrangement is subject to the annual review and approval of the Audit Committee, and IHC’s management believes that the terms thereof are no less favorable than could be obtained by IHC from unrelated parties on an arm’s-length basis.

On November 16, 2017, the Audit Committee approved the Company’s purchase of 25,000 shares of common stock of the Company held by Mr. David Kettig, President and a director of IHC, at a purchase price of \$27.65 per share, as reported in the Form 4 filed with the SEC on November 17, 2017.

Review, Approval, or Ratification of Transactions with Related Persons

Section 5.7 of IHC’s by-laws provide that no contract or transaction between IHC and one or more of its directors or officers (or their affiliates) is *per se* void (or voidable) if, among other things, the material facts as to the relevant relationships and interests were disclosed to the Board (or the relevant committee thereof) and the transaction in question was approved by a majority of the disinterested directors voting on the matter. The Audit Committee’s charter requires the Audit Committee to review and approve all interested-party transactions, and IHC’s other governance documents specifically prohibit various conflicts of interest and impose disclosure requirements in connection with any potential conflict of interest.

The Audit Committee has reviewed and approved each of the related-party transactions set forth above. IHC is not aware of any transaction reportable under paragraph (a) of Item 404 of Regulation S-K promulgated under the Securities Exchange Act of 1934, as amended, in respect of 2017, that was not so reviewed and approved.

ITEM 14. PRINCIPAL ACCOUNTING FEES AND SERVICES

The following table sets forth fees for services that RSM US LLP (“RSM”) and KPMG LLP (“KPMG”) provided to IHC during 2017 and 2016:

	<u>2017</u>		<u>2016</u>
Audit fees (1)	\$ 1,165,000 (2)		\$ 1,763,000 (3)
Audit-related fees	-		-
Tax fees	-		-
All other fees (4)	21,000		21,000
Total	<u>\$ 1,186,000</u>		<u>\$ 1,784,000</u>

- (1) *Audit Fees.* Represents fees for professional services provided for the audit of IHC’s annual financial statements, the review of IHC’s quarterly financial statements and audit services provided in connection with other statutory or regulatory filings.
- (2) The audit fees for 2017 are based on initial engagement.
- (3) As disclosed in the Company’s Form 8-K filed on September 16, 2016, IHC dismissed KPMG as its independent registered accounting firm and engaged RSM as its independent registered accounting firm. Audit fees for 2016 listed above include \$204,000 related to audit services provided by KPMG and \$1,559,000 related to audit services provided by RSM.
- (4) All other fees represent fees to RSM for the audit of the Company’s 401(k) plan.

The Audit Committee has determined that the provision of non-audit services by RSM is compatible with maintaining RSM’s independence. Any such engagement of RSM to provide non-audit services to IHC must be pre-approved by the Audit Committee.

We have agreed to indemnify and hold KPMG harmless against and from any and all legal costs and expenses incurred by KPMG in successful defense of any legal action or proceeding that arises as a result of KPMG’s consent to the inclusion (or incorporation by reference) of its audit report on the Company’s past financial statements incorporated by reference into our registration statement on Form S-8.
