Basis for Opinion

These financial statements are the responsibility of J.V. Delaney & Associates' management. Our responsibility is to express an opinion on J.V. Delaney & Associates' financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to J.V. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

J.V. DELANEY & ASSOCIATES

NOTES TO FINANCIAL STATEMENTS

September 30, 2022

Note 1 – Organization and Nature of Business

J.V. Delaney & Associates a sole proprietorship (owner) is a registered broker-dealer with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Agency ("FINRA"). The sole proprietorship acts as an investment banker and financial advisor to public and private companies.

Note 2 – Significant Accounting Policies

Basis of Presentation – The sole proprietorship (owner) is licensed to conduct the following types of business as a securities broker-dealer including:

- Brokering and dealing in retail sales of corporate securities on a fully disclosed basis;
- Brokering of municipal securities;
- Retail sales of mutual funds on a subscription basis;
- Act as placement agent in private placement of securities;
- Brokering of government securities; and
- Underwriting of securities on a "best efforts" basis only.

Rule 15c3-3(k)(2)(ii) provides an exemption from the SEC's "customer protection rule" for firms that: carry no margin accounts; promptly transmit all customer funds and deliver all securities received in connection with their broker-dealer activities; do not otherwise hold funds or securities for, or owe money or securities to, customers; and effectuate all financial transactions with customers through one or more bank accounts designated as "Special Account for the Exclusive Benefit of Customers" of J.V. Delaney & Associates.

Operations – The financial statements include only those assets and liabilities of the proprietor, which relate to his broker-dealer operations.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Furniture and equipment – The furniture and equipment are stated at cost and depreciated on the straight line over the estimated useful lives of the assets:

Equipment	5 years
-----------	---------

Income – The only income generated during the year was rental income from the owners' interest in a timeshare property. The timeshare interest was earned as compensation for transaction conducting by the proprietorship in prior periods. The owner has not recognized an asset to the statement of financial condition as there was no original cost basis for the timeshare. Additionally, the owner is not able to determine a fair market value of the timeshare interest as he is unable to reliably estimate future cash flows; accordingly, the timeshare is carried at value of zero.

Advertising costs – Advertising costs are expensed as incurred.

Income Taxes – J.V. Delaney & Associates is a sole proprietorship for income tax purposes and, accordingly, income or loss of the sole proprietorship is that of the proprietor.

Note 3 – Fair Value

Unless otherwise indicated, the fair values of all reported assets and liabilities that represent financial instruments (none of which are held for trading purposes) approximate the carrying values of such amounts.

Note 4 – Net Capital Requirements

The sole proprietorship is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At September 30, 2022, the sole proprietorship had net capital of \$11,267 which was \$6,267 in excess of its required net capital of \$5,000. The sole proprietorship's net capital ratio to indebtedness was 6.83 to 1.

Note 5 – Exemption from the SEC Rule 15c3-3

Rule 15c3-3(k)(2)(ii) provides an exemption from the SEC's "customer protection rule" for firms that: carry no margin accounts; promptly transmit all customer funds and deliver all securities received in connection with their broker-dealer activities; do not otherwise hold funds or securities for, or owe money or securities to, customers; and effectuate all financial transactions with customers through one or more bank accounts designated as "Special Account for the Exclusive Benefit of Customers" of the sole proprietorship.

Note 7 – SIPC Supplementary Report Requirement

The sole proprietorship is not required to complete the SIPC Supplementary Report under SEC Rule 17a-5(e) (4) for 12 months ending September 30, 2022, because the sole proprietorship's SIPC Net Operating Revenues are under \$500,000.

Note 8 – Subsequent Events

Sole proprietor has reviewed the results of operations for the period of time from its year end September 30, 2022 through December 8, 2022, the date the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Mr. J.V. Delaney, Owner
J.V. Delaney & Associates
Newport Beach, California

We have reviewed management's statements, included in the accompanying SEC Rule 15c3-3(k) Exemption Report, in which (1) J.V. Delaney & Associates identified the following provisions of 17 C.F.R. §15c3-3(k) under which J.V. Delaney & Associates claimed an exemption from 17 C.F.R. §240.15c3-3 under paragraph (k)(2)(ii) (exemption provisions) and (2) J.V. Delaney & Associates stated that J.V. Delaney & Associates met the identified exemption provisions throughout the most recent fiscal year without exception. J.V. Delaney & Associates' management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about J.V. Delaney & Associates' compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
