Form 10-Q for the Fiscal Quarter Ended March 31, 2006

Notes to Financial Statements

You disclosed in your Form 10-K for the fiscal year ended December 31, 2005, that the Federal Bureau of Investigation executed a search warrant for certain records at your offices and informed you that they were conducting an investigation as to whether any of your representatives improperly provided gifts or awards to purchasing agents (including government purchasing agents) through your customer loyalty programs. You further disclosed that, as part of an internal investigation, you terminated certain customer loyalty programs and suspended others, pending further review and analysis. In future filings, please include a reasonably detailed description of your internal investigation, including the reasons why certain customer loyalty programs were terminated, and update the status of your review of the customer loyalty programs that were suspended. In addition, please revise future filings to disclose and, if applicable, update the status of the FBI investigation and its potential impact. Please ensure that your disclosures comply with paragraphs nine and ten of SFAS 5 and Rule 10-01(a)(5) of Regulation S-X.
