ITEM 4.02 NON-RELIANCE ON PREVIOUSLY ISSUED FINANCIAL STATEMENTS OR A RELATED AUDIT REPORT OR COMPLETED INTERIM REVIEW

The Company filed its first quarter financials statements on April 20, 2009 (10-Q file number 333-06718 AN 0001052918-09-000178). These unaudited statements were produced internally and have not been reviewed by the Company's external auditors, DeJoya Griffith & Company, LLC.

On April 27th, 2009, DeJoya Griffith notified the Company by email that an 8-K should be filed as the financial statements had not been reviewed by the Company's external auditors and therefore should not be relied on. Management agreed and complied.

The first quarter statements of the Company were prepared by the same team of Canadian Chartered Accountants that has prepared the bookkeeping entries used to produce the last three quarterly statements and the latest year end financial statements. Neither the Board of Directors, nor any of its members, nor the Audit Committee nor any of its members discussed the first quarter statements with the independent auditors, DeJoya Griffith. The Company filed without submitting to review. Although these statements have been produced on a best effort basis and management believes they are accurate, they may not be relied upon.

First and second quarter financial statements are expected to be reviewed by the Company's independent auditors prior to filing on July 15, 2009.
