D. Risk Factors

This section describes some of the risks that could affect the Company's business and results of operations. These factors should be considered in connection with any forward looking statements contained in this report and the cautionary statement contained in the "Introductory Note".

The Company's businesses are highly competitive and have experienced, and the Company expects will continue to experience, significant changes. In addition, the Company's future performance is subject to a variety of factors over which it has little or no control, including indebtedness / liquidity risk, adverse governmental regulation, competition and adverse changes in economic conditions. There may be other risks that the Company has not identified that could have a material adverse effect on the Company's business, revenues, operating income, net assets and liquidity and capital resources.

Substantial indebtedness / liquidity risk

The Company has incurred significant indebtedness and may incur additional indebtedness in the future. The Company's indebtedness may restrict the Company's liquidity with respect to working capital, requisitions, new product developments or other purposes. For more information on the Company's debts, see Notes 19 and 20 to the Financial Statements which are incorporated herein by reference, and also the schedule of significant contractual commitments discussed in "Item 5B - Liquidity and Capital Resources".

Interest rate risk

All of the Company's debts have floating interest rates (though a significant portion is subject to an interest rate cap). Although the Company expects to have sufficient working capital, interest rate volatility may nevertheless affect the Company's operations and financial results. For more information on the Company's interest rates, please see Note 21 to the Financial Statements which is incorporated herein by reference.

D. Risk Factors (continued)

Government regulation

The Company's operations are subject to a high degree of UK regulations covering most aspects of its gaming, football pools, sports betting and lottery businesses. Future operating and financial results may vary based upon the effects of such regulation, including the granting, timing and renewal of permits needed to operate the Company's gaming, football pools, sports betting and lottery businesses, and the cost associated with such permits and regulations.

The consequences for the UK gambling industry and government taxation revenues as gamblers decide to move offshore have been recognised in the recently announced review of gambling legislation, which has been asked to examine internet gambling. Whilst therefore it is probable that legislation will be brought in to regulate internet gaming, it is premature to speculate on its likely form. However, there can be no assurances that the ultimate form of such legislation would not have an adverse effect on the Company's financial and operating results.

Competition

Most of the markets in which the Company operates are highly competitive. The Company faces competition from other competing companies and the United Kingdom national lottery. The Company's pricing decisions are affected by many factors, including competition from other companies, some of which may have greater financial resources or economies of scale. This may cause the Company's operations and financial results to vary from period to period.

Economic and other conditions

The demand for the Company's businesses and, accordingly, the Company's operating and financial results may be affected by changes in local, regional, and national economic, political and other conditions. Significant and prolonged downturns in economic conditions would be likely to have an adverse effect on the Company. In addition, other demand-related factors such as war, political instability (or the threat thereof) or the continuation or escalation of terrorist activities could have an adverse effect on the Company's financial results and operations.

Geographic and business concentration

The Company operates almost exclusively within the United Kingdom and expects that a large portion of its profits, for the financial year ended 31 December 2003 at least, will be generated by one business stream, football pools. Any significant decline in the performance of this business stream could have a material adverse effect on the financial results of the Company.

Risks relating to current and future operations

Although the Company's revenues have increased in recent quarters, and it has moved into profit, there can be no assurance with respect to the Company's future operations and financial results.

Item 4. Information On The Company

A. History And Development Of The Company

General

Until 4 September 2000, the business of the Company was the licensing and exploitation of its patents covering disk drive technology. The principal objective of the Company was to collect royalties from third parties on the manufacture and sale of disk drives in respect of which the Company holds patents registered in the United States, Canada and certain major Western European countries.

On 4 September 2000, Sportech acquired Littlewoods Gaming (formerly Littlewoods Leisure), which comprised the football pools, fixed odds betting and charity lottery management businesses of The Littlewoods Organisation PLC. Consequent to this acquisition the focus of the business has changed to that sector and the Company changed its name from Rodime PLC to Sportech PLC at that time.

Additionally, the Company intends in the future to seek new opportunities to increase shareholder value through strategies involving acquisitions as well as management and development of existing business streams.

Sportech PLC was incorporated in Scotland on August 17, 1979 and commenced business in October 1980. Its head office was located at 4 Heriot Row, Edinburgh, EH3 6HU, Scotland until December 2000. From January 2001 to May 2002 its head office was located at Walton Hall Avenue, Liverpool, L67 1AA, England, and since May 2002 its head office is located at 2 Enterprise Way, Wavertree Technology Park, Liverpool L13 1FB (telephone number 0044-151-525-3677). The Company's registered office is at 249 West George Street, Glasgow, G2 4RB, Scotland, and its registered number is 69140. Sportech PLC is a going concern. The name and address of the Company's US agent is Bank of New York Company Inc., 1, Wall Street, New York, N.Y. 10286.

Historical Summary

Through to August 1991 the Company's business was the development, manufacture and marketing of high performance magnetic rigid disk drives. For a number of years prior to 1991 the Company incurred operating losses. Economic and industry conditions made it unlikely that the Company would achieve a return to profitability. Consolidation took place within the industry and many smaller manufacturers ceased trading. This resulted in the disk drive manufacturing industry becoming dominated by a few large companies, many of which had significantly greater financial resources and economies of scale than the Company.

In March 1991 the Directors reported that, because of the problems noted above, the Company had exhausted much of its working capital and would not be able to continue in the disk drive industry unless it could find a partner to share the risks associated with manufacturing. Shareholders were also advised that the Company was actively seeking potential joint venture manufacturing partners but that the outcome was uncertain. By August 1991 the Company had been unable to conclude any arrangement with joint venture parties and these factors led the Directors to conclude that it was not feasible in the long term to continue the manufacture and sale of disk drives. Subsequently, the Company's manufacturing operations in Singapore were sold to Myrica Technology Inc, and the Company's subsidiaries (Rodime Europe Limited, Rodime Singapore Pte Limited and Rodime Inc) were liquidated. Although the Company sold its manufacturing operations, the Company continued to seek revenue from its remaining assets, primarily patents covering its disk drive technology. In some cases, the Company deemed it necessary to file lawsuits for patent infringement against certain parties. The most significant lawsuit was filed against Seagate Technology Inc. in 1992. In 2000, Seagate paid to Rodime a settlement fee equal to \$45m (£27.8m) in satisfaction of all claims raised in the lawsuit.

Acquisition of Littlewoods Gaming (formerly Littlewoods Leisure)

Following the successful settlement of the Company's legal action against Seagate and the redemption of outstanding loan stock, the Company embarked on a search for potential added value acquisition opportunities. This search culminated in the purchase on 4 September 2000 of Littlewoods Gaming (formerly Littlewoods Leisure) for £162.5m and the renaming of the Company from Rodime PLC to Sportech PLC. Now the core business of the Company, Littlewoods Gaming (formerly Littlewoods Leisure) is the foremost UK provider of gaming products direct to customers in their homes. Littlewoods Gaming (formerly Littlewoods Leisure) has a brand which is synonymous with football (i.e. soccer) in the UK and the Company expects that this brand will be well placed to take advantage of high growth opportunities particularly through new media channels. The Company also retains a portfolio of disk drive related patents from which it will seek to derive further value. The purchase of Littlewoods Gaming (formerly Littlewoods Leisure) was financed by the issue of new ordinary shares raising £28.7m and by the draw down of long term loans totalling £140.0m. As part of the process of raising this new ordinary share capital the Bank of Scotland's holding was reduced from 49.7% to 28.4% of the enlarged capital of the Company. The Bank of Scotland is one of the Company's most significant shareholders and is its most significant lender.

A. History And Development Of The Company (continued)

Acquisition of Littlewoods Gaming (formerly Littlewoods Leisure) (continued)

The financial reporting period of the Company was also reviewed at the time of the acquisition, and the financial reporting date was amended from 30 September to 31 December.

The Company believes it has made excellent progress in integrating the Littlewoods Gaming (formerly Littlewoods Leisure) business, and is confident that with a clear strategy now in place, further progress in the business of Littlewoods Gaming will be achieved.

Disposal of Technology Patents Business

On 1 July 2003, the Company sold its remaining patents business for \$1.5m to a company based in the US. This resulted in a profit after disposal costs of £0.6m.

Capital Expenditures and Divestitures

See "Item 5B – Liquidity and Capital Resources".

B. Business Overview

Principal activities and markets

Until September 2000 and the acquisition of Littlewoods Gaming (formerly Littlewoods Leisure), the Company's principal activity was the exploitation through licensing and litigation of its pioneering patents relating to 3½ inch disk drive technology. In addition to the two U.S. patents (the '988 and '383 patents) formed the basis of the Company's original patent licensing and litigation program, the Company holds and maintains several patents relating to disk drive and other storage system technology which should have broader application than the '988 and '383 patents.

The Company's patents principally cover certain hard disk drives which are either manufactured or sold in or into the United States, Canada and certain major Western European countries. For more information on the Company's patents, see "Patents and Licences" below.

The Company's patent licensing and exploitation activity has in years prior to 1999 generated revenue from three types of licences:

- (a) fully paid up agreements whereby a lump sum payment by the licensee extinguishes liability for both past and future patent infringement;
- (b) running royalty agreements whereby the licensee agrees to pay Sportech a percentage of past and future revenue from infringing disk drives sold and/or manufactured in the United States; and
- (c) release agreements whereby the licensee pays a lump sum for prior infringement when no ongoing licence is required in the future.

The Company's most significant patent infringement suit was against Seagate Technology Inc ("Seagate") (see Note 29 to the Financial Statements). After more than seven years of litigation, the case was finally settled in January 2000 by the payment of £27.8m million from Seagate to the Company, in full and final settlement of the Company's claims, without admission of liability by either party.

There remain around 20 patents owned by the Company, principally relating to disk drive and storage access technologies.

During the financial year ending 31 December 2001, the Company had entered into an agreement granting an exclusive licence to QED Intellectual Property Limited in respect of all patents held by the Company involving disk drive technology. The agreement empowered QED to exploit these intellectual property rights world wide to the mutual benefit of the parties until expiry of each patent. Their fees were linked to the amount of revenue generated. The agreement was performance related and the contract was terminated in June 2002.

On 1 July 2003, the Company sold its remaining patents business for \$1.5m to a company based in the US. This resulted in a profit after disposal costs of £0.6m.

Since the acquisition of Littlewoods Gaming (formerly Littlewoods Leisure), the Company's principal activity is now Gaming consisting of Football Pools, Games & Lotteries, Sports Betting and Interactive.

B. Business Overview (continued)

Football Pools

Littlewoods Pools is the leading football (i.e. soccer) pools promoter in the United Kingdom and has been trading for nearly 80 years. Football pools are a competition in which players select a minimum of 10 football matches from a list of 49 and score points based on the matches results. The prize fund is determined by the value of entry fees less taxes and administration expenses, and this prize fund is divided amongst the winning players.

In the period since acquisition, the football pools business has remained profitable and cash generative, despite a continuing decline in sales revenue of around 15% year on year. The way in which the game is played and the distribution efficiency have changed significantly since 1994 when virtually all entries were paper coupons, to today, with over 68% of football pools entries now gathered by telephone and electronically, including portable "pools card" terminals. Not only do these methods make the football pools quick and easy to play, but they completely eliminate all paper processing. This changing collection profile, together with increased automation in the processing and marking systems, has helped reduce costs and maintain operating profitability.

During the year, the Company purchased the pools business of a small competitor, Zetters, thus increasing further its leading position in the market.

With respect to business development, there is significant potential to improve the image and appeal to the large number of younger football enthusiasts who do not currently play. There is obviously a huge overseas interest in UK football, which at present is largely untapped. For example, despite the relatively recent availability of the football pools over the internet it has already attracted players from over 55 countries.

In 2002, new technology was introduced for the marking of football pools coupons. This technology is less labour and space intensive than the technology it replaced. The smaller scale of new coupon processing equipment enabled processing to be concentrated in one of two pools processing buildings. The surplus land and building were sold for redevelopment generating proceeds of £2.0m and realising an exceptional gain on disposal of £1.4m.

The Finance Act 2002 changed the way Pool Betting Duty is calculated from being 17.5% of stakes to 15% of stakes less winnings.

The Company's efforts over the current year will continue to focus on three main areas: further cost reductions to sustain profitability of football pools; repackaging the game and the way it is played to increase its appeal to different market segments; and extending its distribution capabilities through the use of new media channels. The Company expects these actions to maintain the operating profits and cash flow of football pools.

Games and Lotteries

This segment derives income from the running of games and competitions such as Spot The Ball and from acting as an external lottery manager for the running of society charity lotteries. During the year the Company continued its investment in new product concepts and delivery platforms. Sales of products through the door to door collector channel continued to decline.

During 2002, a non-core part of the Lotteries business, "Pull-tabs", was sold generating a surplus of £0.5m.

The Company's reputation and expertise in games management create a distinct advantage in a marketplace which is particularly demanding in terms of regulatory and licensing requirements. It also makes the Company an ideal content provider and partner of choice for those with their own distribution capabilities and the Company is currently developing relationships with a number of channel operators. The Company believes that electronic distribution is ideally suited to its soft gaming products and, in the current year, will be further extending its capabilities over the internet and interactive digital television.

The Company's wide portfolio of games has been further enhanced by the introduction of a Littlewoods branded Internet casino, and this new business stream is expected to provide substantial revenue growth. Customer interest is encouraging, with over 7,000 accounts opened to date, and the Company plans to enhance the choice and quality of games during the latter half of 2003.

B. Business Overview (continued)

Sports Betting

The Bet Direct sports betting business continues to show strong growth with year on year sales revenue increasing and a registered player base now around 250,000 over both telephone and internet channels. This business has incurred trading losses since the acquisition of Littlewoods Gaming largely due to the costs of developing the Company's operation including customer recruitment. The Company believes that the business gross margins generally perform well in relation to its competition.

Interactive

The Interactive business consists of television and internet gaming. This business has been in development during the year ended 31 December 2002 and the Company expects both television and internet gaming to commence producing revenue in the second half of 2003. In March 2002, a deal was signed with ITV making the Company their exclusive betting and gaming partner. The agreement represents an alliance between two respected household names to provide a variety of programme-linked betting and gaming opportunities to ITV audiences. A distribution deal was also completed with BSkyB, and a variety of Littlewoods games were launched on the Sky Active platform in December 2002.

Internet gaming is represented by the www.littlewoodsgameon.com website and also via the websites of affiliates.

The following table shows the Company's principal markets, including a breakdown of financial results under UK GAAP by category of activity and geographic market for each of the last three years. Substantially all of the Company's business activity occurs within the United Kingdom. The Company has adopted FRS 19 'Deferred Tax' in the year. Accordingly, full provision has been made for deferred tax under UK GAAP. Corresponding figures for prior periods have been adjusted to reflect this change in accounting policy. A summary of the effect of this change can be found in note 3 to the Financial Statements.

B. Business Overview (continued)

Seasonality of the Company's Main Business

The Company is not aware of any seasonal factors that materially affect the business of the Company.

Sources and Availability of Raw Materials

The Company does not expect to engage in the manufacture of physical products and for this reason is not affected by supply availability issues.

Marketing Channels Used by the Company

The importance of reliable and secure distribution in the football pools business cannot be over-emphasised, and Littlewoods Gaming (formerly Littlewoods Leisure) has built its world class reputation over nearly 80 years since 1923. While the Company now offers many choices of distribution, the cornerstone remains the 18,000 strong network of door-to-door collectors of coupons and stakes, which provides a unique service throughout the UK. This network is augmented by telephone, post, internet and interactive digital television distribution, all of which currently take the Company's products into some 1.6 million households every week.

The Company's future distribution strategy will have two main themes. Its own multi channel development will focus on extending its penetration into the home gaming market and becoming an important content provider for those with appropriate distribution channels into retail outlets and venues such as pubs and clubs.

The Company believes the new media channels, particularly interactive digital television, will open up a much wider playing audience and provide an ideal platform for many of its gaming concepts.

Former Dependency Upon Patents and Licences

Patents

Prior to September 2000, the Company was dependent for its income on patents. In 1983, the Company completed the development of and demonstrated the world's first 3½ inch hard disk drive product, and applied for a patent in the US in February 1984 (US Patent Number 4568988) ('988). A continuation patent was filed in the US in November 1985 (US Patent Number 4683383) ('383). These patents were issued in February 1986 and January 1987, respectively. Court rulings have narrowed the scope of the claims of these patents to certain types of drives.

The licensing program for the '988 and '383 patents has resulted in the Company reaching agreement with twenty licensees, including negotiated settlements with Seagate Technology, IBM, Miniscribe and Corner Peripherals. Under United States law, the Company is entitled to receive royalties through to the year 2003, but the Company is not aware of any unlicensed disk drive manufacturers from whom royalties under the '988 and '383 patents could be receivable in the future. Future revenues from these patents will depend on manufacture and sale by existing licensees under running royalty agreements.

After significant development activity Rodime applied in September 1990 for a US patent in respect of an invention which digitally positions read/write heads over media (the means by which information is retrieved or stored in rotating storage devices). In September 1991, further international patent applications were made for the European Community and Canadian markets. The US Patents and Trademarks office issued to the Company seven patents in respect of this technology during 1997. No significant future revenue is expected from this.

Licenses

The businesses comprising Littlewoods Gaming (formerly Littlewoods Leisure) operate utilising licenses issued by the United Kingdom for betting and gaming and for the management of charity lottery competitions, and licenses issued by both the Isle of Man and Alderney to operate Internet casinos.

B. Business Overview (continued)

Competitive Position

The competitive position of Littlewoods Gaming (formerly Littlewoods Leisure) is as follows:

Football Pools – Littlewoods Pools is dominant within its sector, accounting for over 80% of the British football pools market. This was reinforced by the acquisition of a competitor, Zetters Pools. This sector has been in decline since the introduction of the United Kingdom national lottery in 1994.

Games & Lotteries – Littlewoods Lotteries is the major private charity lottery manager in the United Kingdom. However, the number of such private lottery managers and their share of the market is small in a sector dominated by Camelot, the operator of the United Kingdom national lottery.

Sports Betting – the Company, trading as Bet Direct and formerly Bet247, is a relatively new entrant, commencing trading in 1998, in a highly competitive sector dominated by several major long established competitors, such as William Hill and Ladbrokes.

Material Effects of Government Regulations

The main trading subsidiaries of the Company, Littlewoods Promotions Limited and Littlewoods Lotteries Limited operate their businesses subject to UK government issued licences.

Betting and gaming

Betting and gaming in the UK is subject to regulation. The first comprehensive legislation governing the industry was the Betting, Gaming and Lotteries Act 1963 which provided a regulatory framework for the whole industry. The laws governing gaming (including casinos, bingo and gaming machines) and lotteries have since been codified separately in two acts - the Gaming Act 1968 and the Lotteries and Amusements Act 1976. The Gaming Act 1968 established the Gaming Board for Great Britain, the regulatory body for casinos, bingo clubs, gaming machines and the larger society and all local lotteries in Great Britain.

Pools

Pools are regulated by the Betting, Gaming and Lotteries Act 1963. Pools promoters are required to register with the local government authority and must also have a permit from Customs and Excise for each premises from which they operate pools betting or fixed-odds coupon betting.

Telephone betting

Telephone betting in the UK is regulated under the Betting, Gaming and Lotteries Act 1963 as a bookmaking operation. The main provision of the Act is to require anyone who accepts bets on his own account in the course of his business to hold a bookmaker's permit. An application for a permit in England and Wales must be made to the local court acting for the local area in which the applicant has its head office.

B. Business Overview (continued)

Material Effects of Government Regulations (continued)

Lotteries and scratchcards

The Lotteries and Amusements Act 1976 differentiates between private lotteries (restricted to members of a society or a club) and society lotteries (open to all but run on behalf of a charity or not-for-profit society).

- **Private lotteries**
These are lotteries restricted to members of a society or club or other persons visiting its premises. There is no limit placed upon the price of each ticket or the size of any of the prizes.
- **Society lotteries**
The Lotteries and Amusements Act 1976 permits individuals and companies to act as managers (generally referred to as external lottery managers or 'ELMs') of lotteries for charities and other 'societies', subject to certification by the Gaming Board. Society lotteries are subject to certain restrictions, which were altered by The Lotteries (Variation of Monetary Limits) Order 2002 on 17 June 2002, in particular:
 - The proportion of proceeds allocated to prizes must not be more than 55%.
 - The proportion of proceeds allocated to expenses (including the ELM's fee and any VAT thereon) is restricted to a maximum of 35%.
 - The sum of the prizes and expenses percentages must not exceed 80%, thus leaving 20% for the society.
 - Tickets in a society lottery may not be 'sold by means of a machine'.
 - The scheme for each society lottery must be approved in advance by the Gaming Board.
 - The price of each ticket or chance is limited to £2 maximum.
 - The maximum size of each society lottery is limited to £2,000,000 and the maximum top prize is the higher of 10% of the proceeds or £25,000. In practice, therefore, the maximum top prize is £200,000.

The other forms of lottery which may lawfully be promoted to members of the general public are those run as part of the National Lottery. These include the scratchcards marketed under the 'Instants' brand by Camelot and the main on-line Lottery draws. The main operator of the Lottery is licensed under Section 5 of the 1993 National Lottery Act. However, other companies are permitted to run lotteries under the Lottery umbrella (as Vernons, a competitor, did with its 'Easy Play' game) provided that they obtain a licence under Section 6 of the Act from the National Lottery Commission and conclude an agreement with the Section 5 licensee (Camelot, at present); this has proven to be an involved process which only one competitor has completed.

Internet

The current legal position in the UK regarding the internet for the various gambling sectors is as follows:

- **Bookmaking and pools**
Bookmakers have for many years been able to accept telephone bets from clients with credit accounts. Similarly, therefore, they may accept bets over the internet using it as a form of communication. Likewise, football pools operators have always been able to accept entries by post and can therefore also use the internet.
- **Casinos, bingo and gaming machines**
Casino, bingo and machine gaming can only be conducted on licensed or registered premises and players have to be present on the premises when gaming. Hence no licence could be granted in the UK to an internet casino and it would be illegal to operate one in the UK.
- **Lotteries**
Lottery tickets can be sold by post or telephone but not by means of a machine, except in the case of the National Lottery (subject to conditions) and private lotteries. This has led to the Gaming Board giving permission to one external lottery manager (ELM), Littlewoods Gaming (formerly Littlewoods Leisure), to operate lotteries over the internet so long as it is merely used, rather like a telephone, as a means of communication connecting the buyers and sellers of tickets and the actual sale is carried out by human agency.

B. Business Overview (continued)

Material Effects of Government Regulations (continued)

The global reach of the internet enables residents of one country to participate in gambling opportunities offered from other countries. This has provided the opportunity for UK operators to expand their off-shore capabilities in order both to gain access to a far wider universe of gamblers and to offer a greater range of products, particularly low tax or tax-free betting.

The consequences for the UK gambling industry and government taxation revenues as gamblers decide to move offshore have been recognised in the recently announced review of gambling legislation, which has been asked to examine internet gambling. Whilst therefore it is probable that legislation will be brought in to regulate internet gaming, it is premature to speculate on its likely form. However, there can be no assurances that the ultimate form of such legislation would not have an adverse effect on the Company’s financial and operating results.

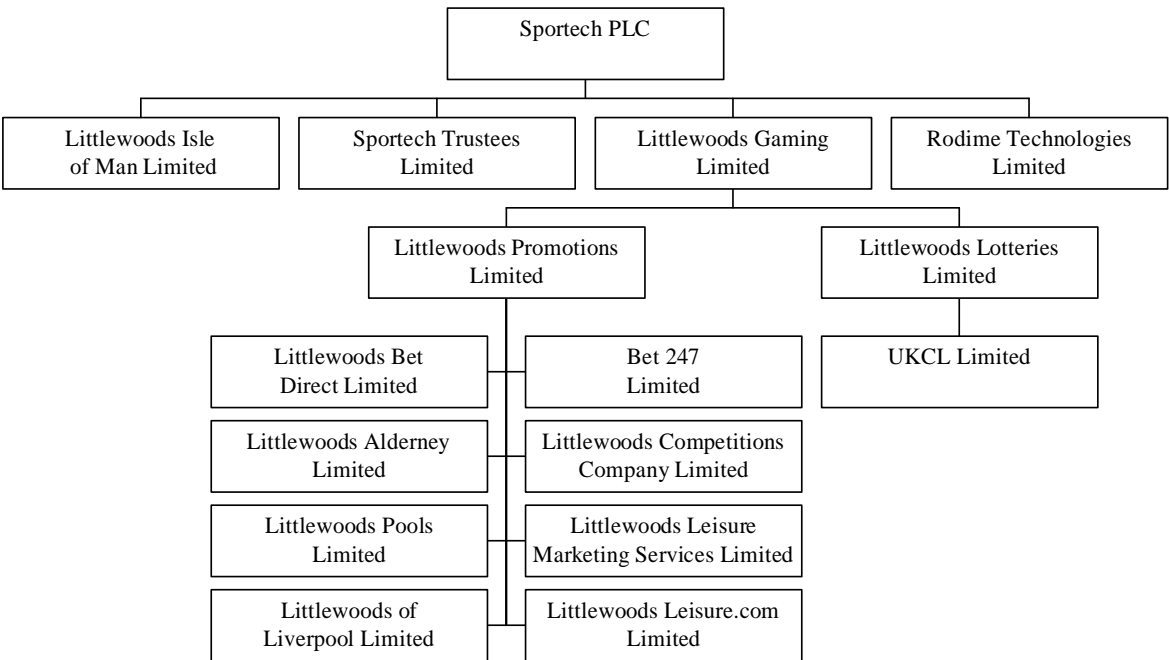

Current UK Gambling Review

The UK government has recently commissioned a review of gambling legislation to examine to what extent the legal framework under which gambling is conducted in the UK could be modernised. The report resulting from this review has now been published and its recommendations are designed to simplify the regulation of gambling and to extend choice for adult gamblers, whilst keeping the industry free from the influence of crime. Its main proposals in summary are:

- All regulation relating to gambling be incorporated in a single Act of Parliament and controlled by a single regulator with licensing of individuals and companies being undertaken by the Gambling Commission.
- A range of measures be introduced to ease ability of adult gamblers to play. The main features that relate to the Company are that betting on the National Lottery is to be permitted and the use of credit cards is to be approved for gambling purchases.

C. Organisational Structure

Sportech plc heads the Group containing the companies listed in note 1(c) to the Financial Statements, which is incorporated herein by reference. 100% of the ordinary shares of all of the companies are held by Sportech, either directly or indirectly, and hence they are all included in the consolidated financial statements. The organisational structure is as follows:

On 28 February 2003, Littlewoods Promotions Limited acquired a dormant company, Cobco (542) Limited. On the same day, this Company changed its name to Littlewoods Leisure Limited. On 23 July 2003, a new Company, LWL Management N.V., was established in Curacao. 100% of the issued shares were issued to Littlewoods Promotions Limited.

D. Property, Plants And Equipment

Until the acquisition of Littlewoods Gaming (formerly Littlewoods Leisure) the Company occupied offices totalling 800 sq. ft in Edinburgh, Scotland. These premises were occupied under a short-term lease that expired in February 2001.

In January 2001 the Company moved its headquarters to the premises of Littlewoods Gaming (formerly Littlewoods Leisure) at Walton Hall Avenue in Liverpool. This property was held under a long leasehold (999 year lease) and carried in the balance sheet at £1.1m. The company also rents a number of smaller properties in the United Kingdom. In May 2002 the Company moved its headquarters to new premises in the Wavertree Technology Park in Liverpool, which was named Sportech House. This left the football pools operation in 2 buildings at the Walton Hall Avenue site. One of these was extensively refurbished incurring capital additions of £1.1m, and the entirety of the football pools operation moved into it. The second, along with surplus land, was disposed of during the financial year to 31 December 2002, resulting in a profit on disposal of £1.4m. The Walton Hall Avenue site occupied 501,000 square feet before the disposal; 334,000 square feet were sold with 167,000 square feet retained.

The Wavertree Technology Park premises is held under a 10 year lease that expires in January 2011. These premises comprise 23,000 square feet of purpose built office accommodation. During the year ended 31 December 2002, the Company spent £0.6m fitting out Sportech House.

Following the acquisition of the Zetters football pools business, the Company now holds the remaining lease for two floors of Saffron House in London, which houses the Zetters football pools business. This expires in September 2005. This also now houses the Interactive unit.

The most significant element of the plant and equipment relates to pools collector handheld terminals. These are data capture terminals used by a national network of door to door collectors to capture details of football pools entries for onward transmission to the Football Pools operational headquarters at Walton Hall Avenue.

For information on the closing balance value of property, plant and equipment see Note 14 to the Financial Statements.

Item 5. Operating And Financial Review And Prospects

A. Operating Results

Prior period adjustment

The Company adopted UK Financial Reporting Standard 19, Deferred Tax, during 2002. This has resulted in a change in accounting policy for deferred tax as applied under UK GAAP, as noted in notes 2 and 3 to the Financial Statements. As a result of the change in accounting policy, the comparatives have been restated as set out in note 3 to the Financial Statements.

The UK to US GAAP reconciliation in note 32 to the Financial Statements and all numerical information in this form have been restated where necessary.

Non-GAAP measure

The discussion below contains references to 'operating profit before restructuring costs and amortisation of goodwill'. This is a non-GAAP measure derived from operating profit. It is used as it provides investors with additional insight into the make-up of operating profit. A demonstration of how operating profit before restructuring costs and amortisation of goodwill reconciles to operating profit is set out below, using the 2002 operating results:

	2002 £m	2001 £m	2000 £m
Operating profit before restructuring costs and amortisation of goodwill	22.2	17.5	34.8
Restructuring costs	(2.0)	-	(1.7)
Amortisation of goodwill	(8.8)	(8.9)	(2.8)
Operating profit	11.4	8.6	30.3

A. Operating Results (continued)

Operating results for the 12 months ended 31 December 2002

The financial results for the period reflect the acquisition by the Company of the Zetters Pools business on 29 August 2002 for net cash of £0.7m (purchase price of £1.4m offset by £0.7m cash acquired) delivering a customer base of 60,000. There has been no exceptional customer loss following acquisition, and the business has performed in line with expectations, contributing £1.8m to turnover and £0.4m to operating profit.

The only amounts relating to the Technology Patents business in the year were patent exploitation consultancy fees amounting to less than £0.1m.

The Company's operating profit was £11.4m compared with £8.6m in 2001.

In February 2002, the Company announced that it had secured a place as a fixed odds provider to "attheraces" interactive channels. The agreement enables the Company's Sports betting business to reach a wider customer base who will be able to access daily, live racing coverage and place fixed odds bets. The Company offer has been live on the "attheraces" website from June 2002 and will soon be available via the "attheraces" interactive television channel on Sky satellite television.

In March 2002 the Company signed an agreement with ITV Network, whereby it will work jointly to develop betting and gaming concepts for the ITV audience over their broadcast platforms. This will enable ITV viewers to participate in exciting new betting and gaming opportunities, linked to their favourite programmes, via both digital televisions, and the Company's other distribution methods, such as telephone and Internet.

Turnover

The Company's sales revenue for the year was £195.3m, an increase of 7% on the prior year figure of £183.3m. The increase reflects strong growth in Sports Betting revenues, with turnover 60% higher at £83.1m. This has been partially offset by the continuing decline of the Football Pools business, although the like for like rate of decline in turnover in the second half of the year reduced further to 14%.

Profitability of the key business streams

Operating profit is 33% ahead of last year at £11.4m (2001: £8.6m). All areas of the business performed better than the equivalent period last year and the first half of this year.

During the year the Company completed two major projects aimed at significantly improving operating capability whilst reducing costs. Scanning technology was introduced whilst the main operating site in Liverpool was rationalised, as noted above in "Property, plants and equipment" under "Overview of the Company". The net cost of these initiatives was £0.6m, reflecting a non operating exceptional profit of £1.4m from a property disposal, offset by an operating exceptional charge of £2.0m relating mainly to redundancies.

In May 2002, the Company relocated to new head office premises in Merseyside, which will provide a fitting environment for it to operate from.

- Football pools

Operating profit before restructuring costs and amortisation of goodwill for the Football Pools business increased by 10% to £25.6m, (from £23.2m in 2001), reflecting significant improvement in operating efficiencies, the reduction in the duty burden from April 2002 and a £0.4m contribution from Zetters since its acquisition in August 2002.

The Company continues to identify opportunities to rationalise the operational and overhead base of the football pools whilst extending our distribution of this product via television, internet and overseas businesses.

A. Operating Results (continued)

Operating results for the 12 months ended 31 December 2002 (continued)

- Sports betting

Sports betting continued to deliver strong revenue growth, with turnover 60% higher, at £83.1m (compared to £51.8m in 2001). This growth reflected the benefits of a level playing field arising from the elimination of tax for customers in October 2001. As a result of the increased betting volumes, operating losses were halved during the year to £2.0m compared to £4.0m in 2001. Customer numbers increased by 20% to 272,000 (2001: 227,000), with average stakes per telephone call up 23% to £36 (2001: £29) and the average internet bet up 26% to £17 (2001: £13). Following a strong first half, gross win margins eased back in the second half, in line with market trends, leading to a gross win margin for the full year of 10% (compared to 11% in 2001).

The commencement of a three year all weather racing sponsorship programme, positioning the Littlewoods Bet Direct brand at more than one in five UK televised horse racing events, significantly raised Littlewoods Bet Direct's profile. The business continued to provide a variety of unique best and special bet offers to customers, generating continued media exposure for the brand. The Company is looking forward to the launch of its fixed odds service on the "attheraces" television channel, and expects this additional customer access to further stimulate growth and profitability.

- Games and lotteries

Operating profit before restructuring costs and amortisation of goodwill for Games & Lotteries increased by £0.4m to £0.9m (from £0.5m in 2001), mainly due to the £0.5m profit from the sale of the Pull Tabs lottery business. 2002 was a period of significant transition for the soft gaming business as the Company concluded a number of major new distribution arrangements, significantly enhancing both on line and off line customer access, while withdrawing from low growth marginal businesses such as Pull Tabs lotteries. The focus of the Company has been on interactive channels together with retail distribution.

Growth of on-line games has been underpinned by the launch of LittlewoodsCasino.com, the on-line casino, which was launched in August 2002 and is already trading profitably. Levels of customer interest in this product are encouraging and there are plans to enhance the choice and quality of games available in the second half of 2003.

The Company's plan to capture a larger share of the £500m scratchcard market was boosted by groundbreaking retail distribution deals with both Sainsbury's and Safeway for the supply of own label scratchcards dedicated for specific charities such as Comic Relief and Great Ormond Street Hospital. Extended trials with both these supermarket groups are currently underway.

- Interactive

Good progress has been made in the delivery of our television gaming strategy. Increased investment has enabled the Company to build in-house expertise and further develop our technical infrastructure.

A close working relationship with ITV Network has been firmly established since the signing of the exclusive gaming partnership in March 2002. The official commencement date for this relationship, which can extend for 7 years, requires a full interactive service to be available to support ITV broadcasting over a major platform, such as Sky satellite. Carriage negotiations between ITV and BSkyB have now been successfully concluded, and the first programme linked pay to play games are expected in summer 2003.

The Company's technical and service capabilities have already been tested successfully by the launch of a number of games accessed from both Sky broadcast channels and Sky Active in December 2002. We have continued to develop innovative and entertaining internet gaming products utilising a variety of instant win mechanics. These have included a range of ITV Pop Rivals pay to win internet games and the recently launched Formula One Fantasy league game, available at both ITV.com and our own soft gaming site, LittlewoodsGameOn.com.

A. Operating Results (continued)

Operating results for the 12 months ended 31 December 2002 (continued)

Cashflow

The Company's operating cashflow for the year was £18.1m compared with £15.7m for 2001, reflecting the increased operating profit. The acquisition of the Zetters Pools business was almost entirely funded by the proceeds from the sale of the Pull Tabs business. Scheduled loan payments of £16m were made in the year, and a £2m drawdown was made against a new facility set up to finance the investment in the Interactive business.

Financial position

Sportech started the year ending 31 December 2002 with net assets of £28.6m. The Company's profit after taxation for the year ending 31 December 2001 was £2.9m after amortising £8.8m of goodwill. Net assets were £31.5m at 31 December 2002.

Goodwill

The acquisition of the Zetters Pools business resulted in an addition to goodwill of £1.3m. This is being amortised over 3 years, resulting in a charge for the period since acquisition to 31 December 2002 of £0.1m. The amortisation charge for the year relating to the Littlewoods Gaming (formerly Littlewoods Leisure) acquisition was £8.7m, resulting in a total amortisation charge for the year of £8.8m (2001: £8.9m).

Taxation

The total tax charge for the year ended 31 December 2002 was £1.7m on profits of £4.6m. A reconciliation of the effective rate of tax to the standard rate is given in Note 11 of the Financial Statements.

Net interest

Net interest paid for the year ending 31 December 2002 was £8.2m compared with £9.2m for the period ended 31 December 2001, reflecting a decrease in the level of bank loans.

Inflation

The effects of inflation on the Company's financial position and results of operations were not material during the year ending 31 December 2002, nor since the year end.

Operating results for the 12 months ended 31 December 2001

The financial results for this period reflect for the first time the impact of a full year's trading for the acquired Littlewoods Gaming (formerly Littlewoods Leisure) business.

Turnover

The Company's sales revenue for the year ended 31 December 2001 was £183.3m compared to £63m for the year ending 31 December 2000, and was comprised entirely of Littlewoods Gaming (formerly Littlewoods Leisure) sales revenue. The increase on the previous year is attributable to the inclusion of a full year's trading on Littlewoods Gaming (formerly Littlewoods Leisure). The prior year figure relates only to the 16 weeks post the acquisition of Littlewoods Gaming (formerly Littlewoods Leisure) by Sportech on 4 September 2000. The Company's operating expenses for the year ended 31 December 2001 were £174.7m compared with £65.2m for the previous financial year.

The strategy of the Company during this period has been to build on the unique strengths of Littlewoods Gaming (formerly Littlewoods Leisure) and to capitalise on the opportunities presented by new and developing technology. The interactive television market place offers particularly exciting opportunities for the gaming industry and the Company will be looking to be at the forefront of development in this area. The Company has been actively seeking a series of partnerships that can deliver compelling content and wide audience reach and has concluded a partnership with ITV.

A. Operating Results (continued)

Operating results for the 12 months ended 31 December 2001 (continued)

Profitability of key business streams

The Company's results for the year are predominantly due to the businesses of Littlewoods Gaming (formerly Littlewoods Leisure), however there remains a non-core technology patents portfolio from which the Company seeks to realise further value. The Company made a loss before taxation of £0.6m for the year ending 31 December 2001 compared to a profit of £27.4m for the preceding twelve month period. The Company made a loss before taxation of £0.6m for the year from its patents and licenses compared to a £29.6m profit for the period ended 31 December 2000. The profit in the prior financial year was attributable to the £27.8m settlement from Seagate, less administrative and legal costs. There were no lump sum settlements received in the current financial year. The Company's profit before taxation in the prior financial year was further increased by the £3.9m discount on redemption of outstanding loan stock.

Littlewoods Gaming (formerly Littlewoods Leisure) profits continue to reflect three main business streams: football pools, sports betting and games and lotteries. Operating profit before restructuring costs and amortisation of goodwill for Littlewoods Gaming (formerly Littlewoods Leisure) was £18.1m compared with £5.2m for the period ended 31 December 2000. The increase on the prior year reflects a full year's trading whereas the prior year figures only represented the 16 week period since acquisition.

Throughout the year the profitability and capabilities of each of the main operational units, Football Pools, Sports Betting and Games and Lotteries, have been improved. The management team has been strengthened ensuring availability of appropriate resource and expertise to deliver the strategy.

- Football pools

The football pools business performed strongly with operating profit before restructuring costs and amortisation of goodwill being £23.2m compared with £6.8m for the 16 weeks post-acquisition in 2000. Average weekly revenues decreased by 17% in 2001 compared to 20% in 2000. The business continues to evolve and now more than 68% of entries are gathered by direct methods such as telephone and electronic hand held terminals. Revenues from these direct methods were down just 10.5% in 2001 compared to the previous year. The Company's operating expenses attributable to its football pools business was £97.4m for the year ending 31 December 2001 compared with £37.0m for the preceding financial period (which only included 16 weeks of Littlewoods Gaming (formerly Littlewoods Leisure) trade).

The increased automation of processing and marking has enabled costs to be reduced dramatically and this will continue as new scanning technology is introduced in 2002. In addition the Company will benefit from a significant reduction in pool betting duty which the Government have announced. This is effective from April 2002.

- Sports betting

Telephone betting revenues in the first half of the year were impacted by a combination of bad weather, foot and mouth disease and offshore tax concessions. The tax burden was particularly significant with £0.8m of tax subsidies. However, in the final quarter of the year, aided by the stimulation of the duty reform and customer concessions, sports betting revenues began to drive forward with renewed vigour, up 47% compared to the previous year. Gross margins, measured as sales less winnings, held up well during this period at 11.2%. Customer numbers also increased from 165,000 in 2000 to 227,000 in 2001. The growth prospects for telephone and Internet betting, enhanced further by the Company's presence on the "attheraces" and ITV channels means that this business is now well positioned to deliver profits in 2002. The Company's operating expenses attributable to its sports betting business was £55.8m for the year ending 31 December 2001 compared with £15.9m for the preceding financial period (which only included 16 weeks of Littlewoods Gaming (formerly Littlewoods Leisure) trade).

- Games and lotteries

During the period, the Company focused on the profitability of its existing product range whilst continuing the investment in new product concepts and delivery platforms. Operating profit before restructuring costs and amortisation of goodwill were £0.5m compared with £(0.3)m for the 16 weeks post-acquisition in 2000. Spot the Ball and the new Prizebuster lotteries performed well. The Company's operating expenses attributable to its games and lotteries business was £12.0m for the year ending 31 December 2001 compared with £4.9m for the preceding financial period (which only included 16 weeks of Littlewoods Gaming (formerly Littlewoods Leisure) trade).

- On-line development

The Company's investment in new distribution channels and new games has continued, particularly in pay to play gaming concepts for the emerging television, internet and electronic channels. The Company believes that it has the product range and customer base to take advantage of the growth prospects from these new channels to the home. A new soft gaming portal was launched in mid 2002. The Company's wide portfolio of games was further enhanced by the introduction in the second half of 2002 of a Littlewoods Branded on-line casino, Littlewoodscasino.com, which the Company expects to provide significant revenue growth; this operates from the regulated environment of the Isle of Man.

- Technology patent portfolio

There remain about 20 patents owned by Sportech, principally relating to disk drive and storage access technologies. In September 2001 the Company engaged QED, a subsidiary of Scipher plc, to conduct a full assessment of the portfolio with a view to determining its potential value and the most appropriate means of realisation. The costs incurred in 2001 totalled £0.6m, reflecting the operating expenses of the technology patents business. These operating expenses have now been largely eliminated.

Cashflow

The Company's operating cash flow in the year ending 31 December 2001 was £15.7m compared with £33.2m for the period ended 31 December 2000. The reduction reflects the receipt of the settlement income from the Seagate litigation in 2000 with no comparable receipt in 2001 offset by a full year's revenues from Littlewoods Gaming (formerly Littlewoods Leisure). Net cash reduced by £7.1m for the year ended 31 December 2001 after making unscheduled loan repayments of £6.0m against the mezzanine loan. This was not originally scheduled to be paid until 2006. This compares to a net cash inflow of £16.9m in the prior financial year which reflected the Seagate settlement, and the new finance raised offset by the acquisition cost of Littlewoods Gaming (formerly Littlewoods Leisure).

Financial position

Sportech started the year ending 31 December 2001 with net assts of £31.3m. The Company's loss for the year ending 31 December 2001 was £2.7m after amortising £8.9m of goodwill. Net assets were £28.6m at 31 December 2001.

Goodwill

Adjustments during the year to the fair value of assets of Littlewoods Gaming (formerly Littlewoods Leisure) acquired has increased the Company's goodwill by £1.2m from £172.3m to £173.5m. The annual amortisation charge over a 20 year period is £8.9m in the year to 31 December 2001, compared with a £2.8m charge for the year ending 31 December 2000 for the 16 weeks from acquisition to the year end.

Taxation

The total tax charge for the year ended 31 December 2001 was £2.1m on losses of £0.6m compared with £6.9m for the year ended 31 December 2000. This reflects the fact that no credit for tax is derived from goodwill amortisation of £8.9m. A reconciliation of the effective rate of tax to the standard rate is given in Note 11 to the Financial Statements.

Net interest

Net interest paid for the year ending 31 December 2001 was £9.2m compared with £2.9m for the period ended 31 December 2000, reflecting a full years interest charge on loan facilities established to fund the Littlewoods Gaming (formerly Littlewoods Leisure) acquisition.

Inflation

The effects of inflation on the Company's financial position and results of operations were not material during the year ending 31 December 2001.

A. Operating Results (continued)

Operating results for the 3 months ended 31 December 1999 and 12 months ended 31 December 2000

By the end of the 15 month reporting period under review the businesses comprising the Company had changed significantly. On 4 September 2000 the Company acquired Littlewoods Promotions Limited and Littlewoods Lotteries Limited. These companies together with their subsidiaries collectively comprised the Leisure Division of The Littlewoods Organisation PLC. These companies are owned by a holding company, Littlewoods Gaming Limited (formerly Littlewoods Leisure Limited (formerly Clearzone Limited)), which is a wholly owned subsidiary of the Company.

The Company has derived significant value from its patents rights business and the successful integration of Littlewoods Gaming (formerly Littlewoods Leisure). The Company's profit before taxation for the period was £26.7m composed of £0.7m loss for the three month period to 31 December 1999 and £27.4m profit for the year ending to 31 December 2000 (including the results of Littlewoods Gaming (formerly Littlewoods Leisure) for the 16 week period since its acquisition by Sportech). The profit of £27.4m reflects the £27.8m settlement from Seagate, less administrative and legal costs and £5.2m from the acquired business of Littlewoods Gaming (formerly Littlewoods Leisure) before amortisation of goodwill and restructuring. Profit before taxation is further enhanced by the £3.9m discount on redemption of loan stock.

The consideration for the acquisition of Littlewoods Gaming (formerly Littlewoods Leisure), £162.5m, was funded through new loan facilities totalling £140m together with a Rights Issue and Subscription raising £27.9m. Net debt at the end of the financial year was £124.2m.

The continuing deficit in revenue reserves precluded the payment of any dividend for the period to December 2000.

Turnover

The Company's sales revenue for the year ended 31 December 2000 of £63m was comprised entirely of Littlewoods Gaming (formerly Littlewoods Leisure) sales revenue for the period since acquisition.

Despite a further decline in turnover of 20% compared to the previous fiscal year, the Company's football pools business generated £6.8m in profits over the period since acquisition. The profitability of the Company's football pools was largely due to significant cost reductions arising from major changes in the revenue collection process, together with increased automation in the Company's processing and marking systems.

The Bet Direct sports betting business continued to show strong growth with sales revenue increased by 80%. Gross margin (measured as bets placed less full UK duty, levies and winnings returned to customers) was 11% for the 16 week period since the acquisition of Littlewoods Leisure. The operating loss of £1.3m for the 16 weeks since acquisition was due to unexpectedly high levels of race cancellations due to exceptionally bad weather, the costs of developing the Company's internet operation and customer recruitment.

Since the acquisition of Littlewoods Gaming (formerly Littlewoods Leisure), the Company continued its investment in new product concepts and delivery platforms for games and lotteries, the cost of which resulted in an operating loss of £0.3m.

Profitability of key business streams

The Company's £29.6m profit from its patents and licenses is attributable to the £27.8m settlement from Seagate, less administrative and legal costs. The Company's profit before taxation was further increased by the £3.9m discount on redemption of outstanding loan stock.

Littlewoods Gaming (formerly Littlewoods Leisure) profits reflect three main business streams: football pools, sports betting and games and lotteries. These businesses have performed well since acquisition.

A. Operating Results (continued)

Operating results for the 3 months ended 31 December 1999 and 12 months ended 31 December 2000 (continued)

Cashflow

The Company's operating cash flow in the year ending 31 December 2000 was £33.2m, reflecting the receipt of the settlement income from the Seagate litigation and revenues from Littlewoods Gaming (formerly Littlewoods Leisure). Net cash increased by £16.9m for the year ended 31 December 2000 (£0.1m for the three months ended 31 December 1999), after taxation and interest payments and the net impact of funding the acquisition of Littlewoods Gaming (formerly Littlewoods Leisure), including the Rights and Subscription Issues. Operating cash flow generated by Littlewoods Gaming (formerly Littlewoods Leisure) in the 16 weeks since its acquisition met expectations at £7.0m.

Financial position

Sportech started the year ending 31 December 2000 with net liabilities of £21.1m. The Company's retained profit for the year ending 31 December 2000 was £24.5m. Net assets were £31.3m at 31 December 2000.

Goodwill

The acquisition of Littlewoods Gaming (formerly Littlewoods Leisure) has increased the Company's goodwill to £172.3m, which will be amortised over a 20 year period, with £2.8m charged for the year ending 31 December 2000.

Taxation

The total tax charge for the year ended 31 December 2000 was £2.9m, which reflected the utilisation of brought forward operating losses. A reconciliation of the effective rate of tax to the standard rate is given in Note 11 of the Financial Statements.

Net interest

Net interest paid for the year ending 31 December 2000 was £2.9m, reflecting the new loan facilities established to fund the acquisition.

Critical accounting policies

Our consolidated financial statements, included in "Item 17 - Financial Statements", are prepared based on the accounting policies described in Note 2 to the consolidated financial statements which are in conformity with UK generally accepted accounting principles, which differs in significant respects from US generally accepted accounting principles.

The preparation of our consolidated financial statements in conformity with UK generally accepted accounting principles, and the reconciliation of these financial statements to US generally accepted accounting principles as described in Note 32, requires management to make estimates and assumptions that affect the carrying value of assets and liabilities at the date of the consolidated financial statements and the reported amount of sales and expenses during the periods reported in these financial statements. Certain of our accounting policies require the application of management judgment in selecting assumptions when making significant estimates about matters that are inherently uncertain. Management bases its estimates on historical experience and other assumptions that it believes are reasonable.

We believe that the following are our more critical accounting estimates used in the preparation of our consolidated financial statements that could have a significant impact on our future consolidated results of operations, financial position and cash flows. Actual results could differ from estimates. These accounting estimates, and the following description, have been developed in consultation with the Company's senior management and audit committee.

A. Operating Results (continued)

Critical accounting policies (continued)

Revenue

The majority of the Company's revenues are derived from football pools and sports betting where there is no estimation involved as revenue is based on actual cash receipts placed on specific events. The only portion of revenues that utilise estimation methods is within games & lotteries. Within games & lotteries, management fees to registered charities for the management of charity lotteries are based on sales estimates calculated by reference to the number of prizes paid for the lotteries concerned. Final sales for each lottery are based on actual cash collected by external vendors. Each lottery may be active over a period encompassing one to three financial years. Any difference between the estimated sales and the final cash sales is adjusted in the year in which the final lottery position is determined. Changes in the Company's estimation techniques with respect to management fees, sales, income or unusual distribution of prizes throughout the period could have a material effect on the Company's presentation of its financial results and operations. As at 31 December 2002 and 2001, £0.6m of turnover was still subject to final adjustment.

Provision for collector incentive scheme

In December 1996, an incentive scheme to reward football pools collectors was established. Under the terms of the scheme, the collectors earn points on the basis of their sales. These points can be converted into vouchers to purchase items from high street shops. On the basis of similar schemes, estimation techniques for determining the redemption rate and liabilities attributable to these points have been established. The Company estimates that the value of the points not provided for in these financial statements amounts to £2.4m in 2002 compared with £1.9m in 2001. Changes in the Company's estimation techniques with respect to this scheme could materially effect the Company's presentation of its financial results and operations.

Impairment

The Company has made a significant investment in Littlewoods Gaming (formerly Littlewoods Leisure) resulting in a significant goodwill amount being carried in the balance sheet. Under UK GAAP, this goodwill amount is tested for impairment when management believes that circumstances indicate that it is appropriate to make such a test. Factors that would trigger such an impairment review would include significant under-performance in relation to expected operating results, changes in the overall strategy for the business or negative industry or economic trends. The Company's estimation techniques for determining the impairment of goodwill includes an analysis of the Company's discounted cash flows. Changes in the Company's estimation techniques with respect to goodwill impairment could materially effect the Company's presentation of its financial results and operations.

Under US GAAP, the goodwill is tested for impairment on an annual basis. These impairment evaluations will be prepared at a reporting unit level as defined by Statement of Financial Accounting Standards ("FAS") No. 142 and will incorporate a two-stage impairment test. It is possible that an impairment may be required under one set of accounting principles and not the other.

Depreciation and amortisation

The Company's depreciation and amortisation policies are based on management estimates of the future economic lives of tangible and intangible fixed assets. The depreciation and amortisation of goodwill is governed in part by UK Financial Reporting Standard 11 and is written off over a period of 20 years. Depreciation is provided for in the Company's financial statements on a straight-line basis to write off the cost of fixed assets over their anticipated useful lives at the following annual rates:

Long leasehold land	NIL
Long leasehold buildings	Over remaining estimated useful life (12 years)
Buildings fixtures and fittings	4.0% - 20%
Plant, equipment and other fixtures and fittings	10.0% - 33.3%
Leasehold improvements	10.0%
Computers	14.3% - 33.3%
Motor vehicles	12.5% - 25.0%
Hand-held pools bet capture equipment	16.7%

Changes in the Company's estimation techniques with respect to its depreciation rates or related estimates could materially effect the Company's presentation of its financial results and operations.

B. Liquidity And Capital Resources

Liquidity

The Company expects that its principal source of funds will be revenues received from its operating activities. Although the Company believes that it will have sufficient liquidity to meet its anticipated cash needs, this belief is based on assumptions about a variety of factors, many of which are beyond the control of the Company. For example, the Company's cash needs could be significantly greater than anticipated as a result of adverse market conditions, adverse government actions or regulations, increases in interest rates on the Company's substantial indebtedness.

For 2002, the Company's net cash inflow from its operating activities was £18.1m compared with £15.7m in 2001. The Company's net cash decreased by £9.7m in 2002, compared to £7.1m in 2001. The businesses of Littlewoods Gaming (formerly Littlewoods Leisure) are expected to generate further net cash operating inflow.

The £162.5m consideration for the acquisition of Littlewoods Leisure in the year to 31 December 2000 was funded through new loan facilities totalling £140m together with a Rights Issue and Subscription raising £27.9m. The new bank facilities were established with Bank of Scotland comprising a five year term loan of £110m and mezzanine loans of £30m repayable in December 2006. During the year to 31 December 2002, £16m of the term loan was repaid. Net debt at the end of the financial year was £121.3m. The loans were renegotiated during the year, as set out in Note 20 to the Financial Statements.

The Company's financial liabilities comprise borrowings from the Bank of Scotland of approximately £125.7m at 31 December 2002 compared with £134.0m at 31 December 2001. Such indebtedness also includes an overdraft balance of £5.7m at 31 December 2002 compared with £2.9m at 31 December 2001, which is netted off against cash balances of £6.0m when establishing the net overdraft position. The Company's debts falling due within one year for 2002 equals £43.5m compared with £42.9m for 2001. A maturity profile of the carrying amount of financial liabilities is presented in Notes 19, 20 and 21 to the Financial Statements.

The Company's net overdraft loans are subject to floating interest rates based on central bank base rates. However, certain liabilities of the Company, including the facility agreements with the Bank of Scotland, are subject to floating interest rates based on LIBOR. In order to mitigate the Company's risks arising from floating interest rates, it is the Company's policy to hedge interest rate risk using interest rate swaps and interest rate caps. The analysis by year of these hedging instruments is given in "Item 11 - Quantitative And Qualitative Disclosures About Market Risk".

Financial instruments

The Company's financial instruments comprise bank loans, bank overdraft and cash and term bank deposits, as well as trade debtors and creditors that arise directly from its operations. The main purpose of these financial instruments is to provide finance for the Company's future operations and potential acquisitions. The Company utilises interest rate swaps, floors and caps. For more information see "Item 11 - Quantitative And Qualitative Disclosures About Market Risk".

Prior to the acquisition of Littlewoods Gaming (formerly Littlewoods Leisure), the Company's investment policies prohibited it from entering into forward currency hedging arrangements. The Company changed this policy after the acquisition, but has not yet deemed it necessary to enter into such contracts. Prior to the time of the acquisition, Littlewoods Gaming (formerly Littlewoods Leisure) entered into certain foreign currency hedging contracts, although none were in place at the time of the acquisition.

Capital expenditures

The Company's operations are not particularly capital intensive. Prior to the current year, the Company's capital expenses were predominantly targeted at enhancing productivity and to provide a means of reducing player turnover (e.g. hand held terminals for the network of collectors). There were no material contracted commitments for capital expenditure at 31 December 2002.

In 2002, there were capital expenditures of £1.7m relating to buildings as noted in "Property, plants and equipment" under "Overview of the Company". There were further capital expenditures of £1.1m relating to the development of the gaming engine (the software underlying the games) to be used by the Interactive business and £0.8m of expenditure on intangible fixed assets relating to broadcasting contracts. The main capital divestiture related to the sale of the surplus building formerly occupied by the pools business, also referred to in "Item 4D - Property, plants and equipment".

B. Liquidity And Capital Resources (continued)

During the three year period ended 31 December 2002, the Company's capital expenditures and investments totalled approximately £7,200,000. During the same three-year period the Company's divestitures yielded £2,800,000.

All expenditures and divestitures were in the United Kingdom.

Capital commitments

There are no material commitments for capital expenditures.

C. Research And Development, Patents And Licenses, Etc.

There is no formal policy for research and development. The Company in the last three years has not incurred any significant research and development costs, with the exception of those noted under "Capital expenditures" under Item 5B. A business development unit does exist within the acquired business of Littlewoods Leisure for the purpose of identifying potential products or new business channels for existing products. This unit's expenses were £0.7m in the year to 31 December 2002, £1.6m in the year to 31 December 2001 and £0.4m in the 16 week period to 31 December 2000.

D. Trend Information

The following trends, uncertainties and events could have a material impact on the Company's net revenues from continuing operations, net income and liquidity and capital resources:

1. Whilst the Company has now hedged a significant portion of its debts, the Company has and may continue to incur significant debts at floating exchange rates. This may impact the Company's operations, profits and business opportunities.
2. A substantial portion of the Company's revenues in 2000 were attributable to the Seagate technology lawsuit. The Directors do not believe it is likely that they will continue to receive future revenues from further litigation or patent royalties.
3. The Company may invest in its gaming, football pools, sports betting and lottery businesses. This may impact the Company's operations, profits and business opportunities. The football pools business has been in a period of substantial decline for a number of years although the rate of that decline is now slowing. This has been offset by substantial growth in the Sports Betting business. See "Operating Results" for further information.

E. Off Balance Sheet Arrangements – We have no off balance sheet arrangements.

F. Tabular Disclosure Of Contractual Obligations

None of the Directors (or their associates) of the Company has ever been indebted to the Company.

The main component parts of the remuneration packages for executive directors and senior management are as follows:

Long term incentive plan

The company operated a long term incentive plan, in terms of which, in the event of a royalty settlement or award being received from Seagate Inc., which resulted in a cumulative profit before tax of \$1.5m per annum from 1 October 1992 to the date of the award or settlement (after deduction of any losses since 1 October 1992), Mr. Bailey was entitled to a bonus of 40% of his annual base salary in respect of each financial year from 1 October 1992 to the date of award or settlement. In the event that gross royalty income received from all sources after 30 September 1995 exceed \$100.0m an additional incentive bonus will be paid equal to his annual base salary at the relevant time. This came to an end when Peter Bailey's contract expired in December 2001.

Basic annual salary

An individual's basic salary is reviewed and determined by the Committee annually, taking into account external research and his or her performance.

Performance related bonus

For 2003 as in 2002 the Executive Directors and Senior Executives will be rewarded on the basis of a two-part bonus structure, reflecting the achievement of profit targets and key business objectives. The total of such bonus payments will be limited to 50% of basic salary.

Pension arrangements

All Senior Executives are members of the Sportech defined contributions scheme. No amounts have been set aside or accrued by the Company or subsidiaries in their books to provide pension, retirement of similar benefits.

Share option scheme

A share option scheme is in place, the rules of which are designed to comply with the best practice provisions annexed to the listing rules of the UK Listing Authority and current guidelines of institutional shareholders. The level of grant to any individual is at the discretion of the Remuneration Committee. The total number of Ordinary Shares over which options will be granted under the scheme will not exceed 3% of the Company's issued ordinary share capital from time to time, or such higher percentage (not exceeding 10%) as may be approved by shareholders at a future date.

Aggregate emoluments disclosed above do not include any amounts for the value of options to acquire ordinary shares in the Company granted to or held by the Directors. Details of the options granted to Directors and other participants are discussed below in "Item 6E - Share Ownership".

C. Board Practices

Directors service contracts

The dates each of the directors took up office are contained in Item 6A. The Company has entered into Service Contracts with all five directors. Copies of these contracts are attached as exhibit 4.1. Notice periods and/or unexpired terms are as set out in the following table:

	Unexpired term	Notice period
Colin McGill	n/a	1 year
Gary Speakman	n/a	1 year
David Mathewson	n/a	3 months
Roger Withers	1 year	n/a
Kathryn Revitt	2 years	n/a

With respect to the payment of benefits upon termination of the service contracts listed above, the contracts provide that the Company must provide the above notice, where applicable, prior to terminating the Directors' employment or pay their salary and all other contractual benefits in lieu of providing such notice.

Audit Committee

The Audit Committee of the Board currently comprises the three Non-Executive Directors – Roger Withers, Kathryn Revitt and David Mathewson (who is the chairperson). The Committee meets at least three times a year to consider aspects of internal control, accounting policies and the financial results. The Committee has also met with the external auditors without the presence of the Executive Directors. The Audit Committee has a charter.

The Audit Committee reviews the effectiveness of the internal control environment of the Company. It receives reports and recommendations from the internal and external auditors which includes recommendations for improvement. The Audit Committee's role in this area is confined to a high level review of the arrangements for internal control. Significant risk issues are referred to the Board for consideration, and the Committee is entitled to seek professional advice from outside the Company.

A risk management programme is in place, supported by a comprehensive business control and risk self-assessment process and a business continuity plan. There is an ongoing process for identifying, evaluating and managing the Company's significant risks. A Schedule of Strategic Risks is produced and maintained, and presented to the Audit Committee and Board.

David Mathewson is the Audit Committee's Financial Expert, being a Chartered Accountant.

Remuneration Committee

A Remuneration Committee (the Committee) comprising the Non-Executive Directors only (Roger Withers, Kathryn Revitt and David Mathewson) was in place for the year ending 31 December 2002. None of the Committee has any personal financial interest (other than as a shareholder), conflicts of interest arising from cross-directorships or day to day involvement in the running of the business. The Committee makes its proposals following consultation with the Managing Director (on remuneration other than his own) and is entitled to seek professional advice from outside the Company.

The Non-Executive Directors do not participate in any incentive, pension or benefit schemes of the Company (with the exception of David Mathewson whose benefits shown above are legacy payments relating to his service as an Executive Director in the preceding financial year) and their remuneration is determined by the Board.

The Committee aims to ensure that the remuneration packages offered to executive directors and senior management are designed to:

- Be competitive and to attract, retain and motivate executives of the right calibre.
- Reflect their responsibility.
- Incorporate a significant element of pay linked to the achievement of key business objectives and increased shareholder value.

In considering its policy, the Committee has given full consideration to the provisions of the "Committee on Corporate Governance Combined Code: Principles of Good Governance and Code of Best Practice (June 1998)".

	Ordinary Shares Subject to Option			Total

The April 2001 scheme gives these persons the option to acquire ordinary shares in the company at an option price of £0.1475 per share. The option is exercisable no earlier than 10 April 2004 and no later than 10 April 2011 and can only be exercised subject to the condition that the market value of a share shall not be less than £0.35 for a period of 5 dealing days at any time in the period of 6 months prior to the date the option is first exercised.

A. Major Shareholders

On June 25, 1991, the Company's American Depositary Receipts ("ADRs") were delisted from the National Association of Securities Dealers Automated Quotation system ("NASDAQ") because the Company was not in compliance with the net worth requirements of NASDAQ.

Prior to the acquisition of Littlewoods Gaming (formerly Littlewoods Leisure), the Bank of Scotland owned 49.6% of the ordinary shares of the Company. As a result of the share issues that generated a substantial part of the funds used in this acquisition, the Bank of Scotland's shareholding was diluted to 28.4%.

On 31 December 2002, 28.4% of the Company's ordinary shares were beneficially owned by the Bank of Scotland (2001: 28.4%), 28.4% by Newby Manor Limited (2001: 28.4%), and 1.5% by officers and directors of the Company (2001: 1.3%).

B. Memorandum And Articles Of Association

The Company is a public limited company registered at Companies House, Edinburgh, Scotland having registration number 69140. In page one of the Memorandum of Association, there is set out the objects of the Company which are intentionally expressed in wide terms including a power to carry on business as a general commercial company and additionally to carry on the business of an investment holding company.

With respect to directors and powers to vote on any proposal, arrangement or contract in which the director is materially interested, regulation 90 (B) and (C) states that such director would be required to declare his or her interest in any contract with the Company and as such he or she would be debarred from voting or being counted in a quorum (of which three is the minimum number to conduct business at a directors' meeting). However, there are provisions in regulation 90 for such person to be counted in a quorum and to have his or her vote included if the proposal concerning any other company is one in which he or she is interested and he or she does not hold 1% or more in the share capital of that other Company. Certain other provisions exist where a director is lending money to the Company and the Company grants security in return.

The Remuneration Committee (the Committee) comprising non-executive directors only exists to decide compensation payments to individual directors and meets regularly. The Committee makes its proposals following consultation with the Managing Director (on compensation other than his own) and is entitled to seek professional advice from outside the Company, the non executive directors do not participate in any incentive, pension or benefit schemes of the Company and their own compensation is determined by the Board which requires a minimum quorum of 3 directors.

In Article 100 of the Articles of Association the Board of Directors may exercise all the powers of the Company to borrow money or charge any undertaking of the Company.

At every Annual General Meeting of shareholders, 1/3 of the directors or the number nearest to 1/3 are under obligation to retire from office but are eligible for re-election and those to retire are those who have been longest in office since their last appointment. Section 293 of the Companies Act 1985 requires that any director seeking re-appointment and who has attained the age of 70 years must have such re-appointment approved by the shareholders and special notice of such Resolution is a requirement.

The directors of the Company are not subject to any minimum number of shares held qualification.

Prior to 23 December 2002, the Company had two classes of shares in existence, namely ordinary and deferred. On that date, the deferred shares were cancelled, as set out in note 23 of the Financial Statements. The ordinary shares have standard voting rights and rights to dividend payments, whereas the deferred shares held no voting or dividend rights. The deferred shares conferred on the holders an entitlement to receive out of the assets of the Company available for distribution the amount paid on the deferred shares but only after payment shall have been made to the holders of ordinary shares the sum of £10,000 in respect of each ordinary share.

The directors have power to make calls upon shareholders in respect of any monies unpaid on their shares and no other liability exists.

The action necessary to change the rights of holders of shares would require the approval of shareholders in a General Meeting. Each year a notice of Annual General Meeting is sent to all shareholders giving a minimum of 21 days notice of the proposed date of the meeting and the condition of admission to the meeting and/or to vote there at is that those shareholders who do not wish to attend but wish to appoint a proxy to vote on their behalf must have certified to the Company notice of that fact no later than 24 hours before the date of the meeting.

There are no limitations on the rights of non-resident or foreign shareholders to hold or exercise voting rights. Under section 198 of the Companies Act 1985 there is a statutory obligation of disclosure for shareholders to notify the Company where such shareholder acquires 3% or more of the shares in the Company.

The Memorandum and Articles of Association do not contain any conditions relating to changes in the capital of the Company capable of being more stringent than is required by law.

C. Material Contracts

A summary of material contracts entered into by the Company is as follows:

Vertex Data Science

Vertex supplies call centre services to Bet Direct. Charges are based on the volume of calls handled. The contract is for five years from 1 July 2001. Early termination will trigger a payment of £300,000 in years one and two and £200,000 in years three through five.

The Littlewoods Organisation

Littlewoods Gaming (formerly Littlewoods Leisure) has been licensed by The Littlewoods Organisation, at no cost, to use 'Littlewoods' as part of the Littlewoods Gaming branding for betting, gaming and lottery products. The agreement will run until at least 3 September 2010 and can be terminated on or after that date with two years' prior notice.

Arena Leisure PLC

During the 2002 financial year, the Company has entered into a sponsorship agreement with Arena Leisure PLC. The agreement provides that Arena will provide trackside and other advertising for the Company, as well as granting the right to be the principal sponsor of its All Weather Championship on its all weather race tracks. The period of the agreement is for 2 years from 1 May 2002, which period is extendable, by the period of any delay, if there is any delay in the launch of the Attheraces service that enables customers to place bets via interactive television. The cost of the agreement over the 2-year period is £1.2m.

D. Exchange Controls – None.

E. Taxation

The following discussion of tax is intended only as a descriptive summary and it does not purport to be a complete technical analysis or listing of all potential tax effects relevant to the Ordinary Shares or ADRs. The statements of UK and US tax law set forth below are based (i) on the laws and the UK Inland Revenue practice and published Statements of Practice in force as of the date of this report, (ii) on existing US federal income tax law, including legislation, regulations, administrative rulings and court decisions as of the date of this report and (iii) on representations of the Depositary and the assumption that each obligation in the deposit agreement among the Company, the Depositary and the holders from time to time of ADRs and any related agreement will be performed in accordance with its terms. The statements herein are subject to any changes occurring after the date of this report in UK or US law, or in the double tax conventions between the United States and the United Kingdom with respect to income and capital gains taxes (the "Income Tax Convention") and with respect to estates and gifts taxes (the "Estate Tax Convention").

United Kingdom Income Tax

Beneficial owners of ADRs who are resident in the United States are treated as the owners of the underlying Ordinary Shares for purposes of the Income Tax Convention and US federal income tax.

Under the current Income Tax Convention, a US resident individual or corporate holder of an Ordinary Share or ADR who or which satisfies the following conditions (an "Eligible US Holder"):

- (i) is resident in the United States for the purposes of the Income Tax Convention (and, in the case of a corporation, not also resident in the United Kingdom for UK tax purposes);
- (ii) is not a corporation which, alone or together with one or more associated corporations, controls, directly or indirectly, 10% or more of the voting stock of the Company;
- (iii) whose holding of the Ordinary Shares or ADRs is not effectively connected with a permanent establishment in the United Kingdom through which such holder carries on a business or with a fixed base in the United Kingdom from which such holder performs independent personal services; and
- (iv) under certain circumstances, is not an investment or holding company 25% or more of the capital of which is owned, directly or indirectly, by persons that are neither individual residents nor citizens of the United States

will generally be entitled under the current Income Tax Convention to receive, in addition to any dividend paid by the Company, an amount equal to the tax credit available to UK resident shareholders in respect of such dividend (currently equal to one-ninth of the dividend paid), but subject to a notional withholding tax equal to 15% of the sum of the dividend paid and the tax credit. The withholding tax will exceed the tax credit and therefore no additional payment will result.

The amount of withholding tax is restricted to the amount of the tax credit and no additional withholding tax is due in situations where the withholding tax is more than the tax credit.

For example a dividend of 80 will entitle the holder to receive a tax credit of 8.89 (i.e. one-ninth of 80) and the amount of withholding tax will be limited to 8.89 (even though 15% of the gross dividend would be 13.33). The result is that no refund entitlement exists and there is no withholding tax due. As a consequence the payment will equal 80.

It is anticipated that almost all ADR holders will be subject to the above arrangements.

US shareholders who own less than 10% of the voting stock as portfolio investors, and who are entitled to a tax credit under the Income Tax Convention may elect to be treated as receiving an amount equal to the credit without affirmatively making a claim to the United Kingdom or obtaining a receipt therefrom. This election is made on Line 5 of Form 8833, which is to be filed with the portfolio investor's income tax return. Such an investor making this election will be treated as having received an additional dividend equal to the gross tax credit payment and as having paid the UK withholding tax on such tax credit payment.

E. Taxation (continued)

United Kingdom Tax on Capital Gains

Under the current Income Tax Convention, the United States and the United Kingdom each may, in general, tax capital gains in accordance with the provisions of its domestic law. Under current UK law, residents of the United States who are not resident or ordinarily resident in the United Kingdom will not be subject to UK tax on capital gains made on the disposal of their ADRs or Ordinary Shares unless those ADRs or Ordinary Shares are held in connection with a trade carried on through a permanent UK establishment. A US holder of an ADR or Ordinary Share will be liable for US federal income tax on such gains in the same manner and to the same extent as on any other gains from the sale or exchange of stock.

United Kingdom Inheritance Tax

Under the current Estate Tax Convention, ADRs or Ordinary Shares held by an individual who for the purpose of the convention is domiciled in the United States and is not a national of the United Kingdom will not, provided any tax chargeable in the United States is paid, be subject to UK inheritance tax on the disposal of ADRs or Ordinary Shares by way of gift or upon the individual's death unless the ADRs or Ordinary Shares are part of the business property of a permanent UK establishment of the individual or, in the case of a holder who performs independent personal services, pertain to a fixed base situated in the United Kingdom. In the exceptional case where the ADRs or Ordinary Shares are subject both to UK inheritance tax and to US federal gift or estate tax, the Estate Tax Convention generally provides for double tax to be relieved by means of credit relief.

United Kingdom Stamp Duty and Stamp Duty Reserve Tax

Transfer of ADRs will not be subject to UK stamp duty provided that the transfer instrument is not executed in, and at all times remains outside of, the United Kingdom.

Under the Finance Act 1986, a stamp duty reserve tax ("SDRT") of 1½% is payable on all transfers to the Depositary, or its nominee, of Ordinary Shares for inclusion in ADRs. Such SDRT is calculated on the purchase price or market value of the Ordinary Shares so transferred.

United States Federal Income Tax

For purposes of this discussion, a U.S. holder is a beneficial owner of Ordinary Shares or ADRs that is (a) a citizen or resident of the United States, (b) a domestic corporation, (c) an estate whose income is subject to United States federal income tax regardless of its source, or (d) a trust if a United States court can exercise primary supervision over the trust's administration and one or more United States persons are authorised to control all substantial decisions of the trust.

Dividends. Under the United States federal income tax laws, a U.S. holder must include in its gross income the gross amount of any dividend paid by the Company out of its current or accumulated earnings and profits (as determined for United States federal income tax purposes). In addition, an eligible U.S. holder that elects as described above to be treated, with respect to the receipt of any such dividend, as having received a tax credit under the Income Tax Convention and as having paid the withholding tax due under the Income Tax Convention (an "electing U.S. holder"), must include the amount of the tax credit (not reduced by the amount of any deemed withholding tax) in this gross amount even though it does not in fact receive the credit.

The dividend is ordinary income that the U.S. holder must include in income when the holder, in the case of Ordinary Shares, or the Depositary, in the case of ADRs, receive the dividend, actually or constructively. The dividend will not be eligible for the dividends-received deduction generally allowed to United States corporations in respect of dividends received from other United States corporations. The amount that the U.S. holder must include in income will be the U.S. Dollar value of the dividend received (plus, if the holder is an electing U.S. holder, the dividend that it is deemed to receive) in British pounds, determined at the spot British pounds/U.S. Dollar rate on the date the dividend distribution is includible in the holder's income, regardless of whether the payment is in fact converted into U.S. Dollars. Generally, any gain or loss resulting from currency exchange fluctuations during the period from the date the holder includes the dividend payment in income to the date the holder converts the payment into U.S. Dollars will be treated as ordinary income or loss. The gain or loss generally will be income or loss from sources within the United States for foreign tax credit limitation purposes. Distributions in excess of current and accumulated earnings and profits, as determined for United States federal income tax purposes, will be treated as a non-taxable return of capital to the extent of the holder's basis in the Ordinary Shares or ADRs and thereafter as capital gain.

E. Taxation (continued)

Subject to certain limitations, the withholding tax that an electing U.S. holder is deemed to pay to the United Kingdom under the Income Tax Convention will be creditable against the holder's United States federal income tax liability.

Dividends will be income from sources outside the United States, but generally will be "passive income" or "financial services income" which is treated separately from other types of income for purposes of computing the foreign tax credit allowable to a U.S. holder.

Capital Gains. A U.S. holder that sells or otherwise disposes of Ordinary Shares or ADRs will recognise capital gain or loss for United States federal income tax purposes equal to the difference between the U.S. Dollar value of the amount realised and the holder's tax basis, determined in U.S. Dollars, in the Ordinary Shares or ADRs. Capital gain of a non-corporate U.S. holder is generally taxed at a maximum rate of 20% where the property is held more than one year. The gain or loss will generally be income or loss from sources within the United States for foreign tax credit limitation purposes.

Item 11. Quantitative And Qualitative Disclosures About Market Risk

Interest Rate Risk

The Company's primary market risk exposure is interest rate risk. The following table provides information with respect to the Company's fixed and flexible interest rate risks. All loans have been entered into for trading purposes.

Expected final maturity date before 31 December:	Term Loan		Mezzanine Loan		Overdraft

2001 fair value	110.0		24.0		2.9	

The terms of the loan repayments for all loans are detailed in Note 20 of the Financial Statements. Interest on the loan facilities is based on floating interest rates based on LIBOR.

In 2003, interest rate risk remained the Company's market risk exposure, and was not materially different to 2002 and 2001.

Hedging agreements

The Company has purchased an interest rate cap covering the balance on the Term Loan less £6m. The cap rate is 6%. A premium of £850,000 was paid to purchase the cap. The cap runs until December 2005.

The fair value of the cap is detailed in Note 32(e) of the Financial Statements. The profile of the debt covered by the cap is detailed in Note 21 of the Financial Statements.

£6.0m of the Term loan is not covered by hedging arrangements as this portion of the term debt was originally scheduled to be repaid in 2001, but was not due to rescheduling of loan repayments. The Mezzanine loan is not covered by any hedge as the Company has the option to repay it at any time on giving the bank 30 days notice (see Note 20 of the Financial Statements).

Management has assessed the risk that the Bank of Scotland will not satisfy its obligations to the Company under the interest rate floor and cap on its consolidated financial statements and believes that there is no significant risk of default.

With effect from 31 March 2003, the Company entered into a further interest rate swap arrangement. The swap covers £50.0m, fixing the rate at 3.5% until 31 March 2005.

The fair values of these derivatives is not materially different from the book value.

EXHIBIT 12

STATEMENT OF DIRECTORS' RESPONSIBILITIES

UK company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

REPORT OF INDEPENDENT ACCOUNTANTS

To the Board of Directors and Shareholders of Sportech plc

In our opinion, the accompanying consolidated balance sheets and the related consolidated statements of income, of cash flows and of changes in shareholders' equity present fairly, in all material respects, the financial position of Sportech plc and its subsidiaries at December 31, 2002 and 2001, and the results of their operations and their cash flows for each of the three years in the period ended December 31, 2002, in conformity with accounting principles generally accepted in the United Kingdom. These financial statements are the responsibility of the Company's management; our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Accounting principles generally accepted in United Kingdom vary in certain important respects from accounting principles generally accepted in the United States of America. The application of the latter would have affected the determination of consolidated net income for each of the three years in the period ended December 31, 2002 and the determination of consolidated shareholders' equity at December 31, 2002 and 2001 to the extent summarized in Note 32 to the consolidated financial statements.

As discussed in Note 3 to the consolidated accounts, the Group changed its method of accounting for deferred taxes in 2002 in accordance with accounting principles generally accepted in the United Kingdom. The change has been accounted for by restating comparative information at 31 December 2001 and 2000, and for the years then ended.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

1. Basis of Consolidated Financial Statements

a) General

Unless the context indicates otherwise, the “Company”, “Group” and “Sportech” refer to Sportech Plc and its subsidiaries collectively. On 4 September 2000, Sportech acquired Littlewoods Gaming (formerly Littlewoods Leisure), which comprised the football pools, fixed odds betting and charity lottery management businesses of The Littlewoods Organisation PLC. Consequent to this acquisition the focus of the business has changed to that sector and the Company changed its name from Rodime PLC to Sportech PLC.

Until the acquisition of Littlewoods Gaming (formerly Littlewoods Leisure), the Company’s principal activity was the licensing and exploitation of its patents covering disk drive technology and its principal objective was to collect royalties from third parties on the manufacture and sale of disk drives in respect of which the Company holds patents registered in the United States, Canada, and major European countries. Subsequent to 4 September 2000 the core activities of the Company have been extended to the operation of football pools, games, lotteries and sports betting. The Company operates almost exclusively within the United Kingdom and expects that a large portion of its profits will be generated by one business stream, football pools.

Amounts in the accompanying consolidated financial statements are expressed in £sterling in millions unless otherwise indicated. At 31 December 2002, the United States dollar exchange rate for pounds sterling was \$1.61 = £1 (31 December 2001, \$1.45 = £1).

b) Generally accepted accounting principles

The accompanying financial statements have been prepared on the historical cost basis in conformity with accounting practices generally accepted in the United Kingdom which differ in certain material respects from generally accepted accounting principles in the United States (“US GAAP”), see note 32 for details of these differences.

The accompanying financial statements do not represent the statutory financial statements of the Company which are presented in accordance with the form and contents requirements of the UK Companies Act 1985 and filed with the registrar of companies in Scotland. The financial statements have been prepared on a going concern basis.

c) Subsidiaries included in the consolidation

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (continued)

2. Summary of Significant Accounting Policies

A summary of the more important group accounting policies is set out below. With the exception of the policy for providing for deferred tax, these have been applied consistently throughout the year and the preceding period.

a) Basis of consolidation

The consolidated financial statements include the accounts of the Company and its subsidiaries, all of which are 100% owned. All intercompany balances have been eliminated on consolidation. The results of subsidiary undertakings are included from the date of acquisition.

b) Change in accounting policies

The Group has adopted FRS 19, Deferred Tax, in these financial statements. The impact of adopting FRS 19 is given in note 3.

c) Turnover

Turnover represents:

- The value of entry fees receivable in respect of football pools based on the date of the event
- The value of bets received in relation to fixed odds betting based on the date of the event
- Gross gaming yield received from casino gaming activities based on the date of the event
- The value of goods and services sold to external customers, including management fees to registered charities for the management of charity lotteries, exclusive of value added tax.

Management fees to registered charities for the management of charity lotteries are based on sales estimates. Sales estimates are calculated by reference to the number of prizes paid for the lotteries concerned if the tickets have been distributed to external vendors without EPOS systems, or on actual sales made by external vendors with EPOS systems. Final sales for each lottery are based on actual cash collected by external vendors. Each lottery may be active over a period encompassing one to three financial years. Any difference between the estimated sales and the final cash sales is adjusted in the year in which the final lottery position is determined.

Income arising from the company's patents is accounted for either when agreement is reached for a non-refundable lump sum settlement or, in the case of running royalties, when the product to which the royalty relates is manufactured or sold by licensees in the USA.

d) Deferred income

Deferred income is recognised as the value of entry fees receivable in respect of competitions and sporting events held subsequent to the end of the financial period.

e) Patents and patent costs

Patent costs (including those relating to pending applications) are expensed as incurred. The value of the Company's intellectual property is not reflected in the balance sheet.

f) Deferred taxation

Deferred tax is provided in full on all timing differences which result in either an obligation at the balance sheet date to pay more tax or a right to pay less tax. Deferred tax assets are only recognised to the extent that it is more likely than not they will crystallise. Assets and liabilities are calculated at rates expected to apply when they crystallise, and are not discounted.

g) Stock

Stock is valued at the lower of cost and estimated realisable value. Cost is based on the first in, first out method of valuation.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (continued)

2. Summary of Significant Accounting Policies (continued)

h) Foreign currencies

Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. Profits and losses on foreign exchange transactions, relating to the supply of merchandise are taken through the profit and loss account in the period in which they arise.

i) Tangible fixed assets

Tangible fixed assets are carried at historical cost less accumulated depreciation.

j) Depreciation

Depreciation is provided on a straight-line basis to write off the cost of fixed assets over their anticipated useful lives at the annual rates set out in "Item 5A - Operating Results".

k) Goodwill and other intangible fixed assets

Goodwill arising on consolidation represents the excess of the fair value of consideration given over the fair value of the separable net assets acquired. Goodwill is capitalised and is amortised on a straight-line basis over the shorter of 20 years or the anticipated life of the goodwill.

Other intangible fixed assets comprises externally generated costs incurred in respect of developing interactive television gaming products. These costs are amortised through the profit & loss account over their estimated useful lives (5 years) once trading has commenced.

l) Impairment of fixed assets and goodwill

Fixed assets and goodwill are subject to review for impairment in accordance with FRS 11, Impairment of Fixed Assets and Goodwill. Any impairment would be recognised in the profit and loss account in the year in which it occurs.

m) Leased assets

Rentals payable under operating leases are charged to the profit and loss account on a straight line basis over the lease term.

n) Pension contributions

Contributions to employees defined contribution schemes are charged to the profit and loss account as incurred. The Group has adopted the transitional arrangements of FRS 17. For the defined benefits scheme, pension costs are accounted for on the basis of charging the expected cost of providing pensions over the period during which the Group benefits from the employees services. The effects of variations from regular cost are spread over the expected average remaining service lives of members of the scheme.

o) Financial instruments

The Group uses derivative financial instruments to reduce exposure to foreign currency risk and interest rate movements. The Group does not hold or issue derivative financial instruments for speculative purposes.

p) Website development costs

In line with UITF Abstract 29 'Website development costs', the Group has capitalised design and development costs relating to the on-line Casinos. These costs are amortised over their anticipated useful lives of four years.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (continued)

3. Prior period adjustment

The restructuring costs in 2000 largely comprise redundancy costs in respect of the integration of Littlewoods Gaming (formerly Littlewoods Leisure) and the closure of the Edinburgh office of Sportech following the acquisition.

The restructuring costs in 2002 relate to the introduction during the year of new technology for the marking of football pools coupons. This technology is less labour and space intensive than the technology it replaced. In consequence, there was a significant reduction in staff requirements, and the restructuring costs of £2.0m comprise £1.8m of redundancy payments and £0.2m of other costs. The smaller scale of new coupon processing equipment also enabled processing to be concentrated in one of two pools processing buildings. The surplus land and building were sold for redevelopment generating proceeds of £2.0m and realising an exceptional gain on disposal of £1.4m.

In January 2000, on the advice of its lawyers, Sportech agreed to participate in mediation discussions with Seagate. As a result of the mediation, Sportech and Seagate agreed to settle their dispute, without admission of liability by either party, and Seagate paid to Sportech the sum of £27.8m (\$45m) in full and final settlement of Sportech's claims under its '383 patent.

15. (a) Acquisition of Littlewoods Gaming (formerly Littlewoods Leisure)

On 4 September 2000 Sportech PLC acquired the whole of the share capital of Littlewoods Promotions Limited, Littlewoods Leisure Marketing Services Limited, Littlewoods Competitions Company Limited and Littlewoods Lotteries Limited, which companies together with their subsidiaries collectively comprised the Leisure division of The Littlewoods Organisation PLC. The purchase consideration was £162.5m satisfied by cash. Goodwill arising on the acquisition of these companies was capitalised and included within intangible fixed assets (see note 13). As indicated in the 2000 financial statements, the provisional fair value adjustments were finalised during 2001. As a result further adjustments were made.

The reasons for the further adjustments made were as follows:

- Tangible fixed assets and other taxes – the carrying values of hand held pools bet capture equipment were written down to their recoverable amount following an impairment review in accordance with the requirements of FRS 11. This follows a re-assessment of the number of terminals being actively used by pools collectors.
- Corporation tax – adjustment made to reflect the agreement of prior year corporation tax assessments with the Inland Revenue.
- Accruals and deferred income – adjustment made to reflect liabilities in respect of the management of charity lotteries not identified at the time of the original fair value exercise.

In order to finance the acquisition of Littlewoods Gaming (formerly Littlewoods Leisure) loans and overdrafts were arranged with and drawn from the Bank of Scotland. In respect of the loans, two separate loan facilities were negotiated:

- The first facility was for £110.0m repayable over 5 years commencing 18 months from the draw down of the loan. £16m of scheduled payments were made in 2002 (2001: £nil). The repayment terms of this loan have been renegotiated during the financial year and the loan is now repayable by 31 December 2008.
- The second was a facility for £30.0m repayable, in whole or in part, at the Company's discretion at 30 days notice but with a fixed repayment date, if this option was not exercised, of 31 December 2006. The repayment terms of this loan have also been renegotiated during the financial year, and the loan is now repayable by 31 December 2008. No repayments were made during the year (2001: £6.0m).

During the financial year, further loans and working capital facilities have been agreed with the Bank of Scotland to assist in the financing of the Group's investment in Interactive Developments:

- Loan facilities of £11.0m have been made available to the Company repayable, in whole or in part, at the Company's discretion but with a fixed repayment date, if this option was not exercised, of 31 December 2008. £2m has been drawn against this facility during the year.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (continued)

21. Financial instruments

The Group's financial instruments, other than derivatives, comprise bank loans, bank overdraft and cash and term bank deposits, as well as trade debtors and creditors that arise directly from its operations. The main purpose of these financial instruments is to provide finance for the Group's future operations and potential acquisitions.

The Group also enters into derivatives transactions (principally interest rate swaps, caps and floors, and forward foreign currency contracts). The purpose of such transactions is to manage the interest and currency risks arising from the Group's operations and its sources of finance.

The main risks arising from the Group's financial instruments are interest rate risk and liquidity risk. The Board reviews and agrees policies for managing each of these risks and they are summarised below. Short-term debtors and creditors have been excluded from all the following disclosures, in accordance with FRS 13, Derivatives and other financial instruments.

Financial liabilities

It is the Group's policy to hedge interest rate risk using interest rate swaps, floors and caps. An analysis of the Group's financial liabilities, all of which are denominated in sterling, is set out below:

	2001 £m	2002 £m
Fixed rate	104.0	-
Floating rate	30.0	125.7
Non-interest bearing	0.9	-
Total	134.9	125.7
Fixed rate financial liabilities weighted averages:		
Interest rate (%)	5.75	n/a
Period for which rate is fixed (months)	12	n/a

Floating rates are based on LIBOR. For financial years 2003-2005, the balance of the first loan facility described in note 20 less £6.0m is hedged using an interest rate cap at 6%. At the year end, this represented £88.0m.

The maturity profile of the Group's borrowings is set out in note 20. All other financial liabilities are repayable within one year or on demand.

The profile of the balance of the loan covered by the interest rate cap is as follows:

	31 March £m	30 June £m	30 September £m	31 December £m
2002				88.0
2003	84.0	80.0	76.0	72.0

2005	52.0	48.0	44.0	40.0
2006	36.0	32.0	28.0	24.0

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (continued)

21. Financial instruments (continued)

Financial assets

Financial assets comprise cash at bank and term deposits of £6.0m (2001: £12.9m), further details of which can be found in note 18, and the interest rate cap noted on the previous page of £0.9m (2001: £0.9m).

Term bank deposits are placed on a 7 day rolling basis and earn interest at rates based on Bank of England base rate. The cash at bank, which is on a floating rate, earns interest based on Bank of England base rate.

All financial assets mature within one month of the year end, with the exception of the interest rate cap.

Currency exposures

It is the Group's policy to hedge against foreign currency risk by entering into forward foreign currency contracts to eliminate the currency exposures that arise on transactions denominated in foreign currencies.

At both the current and prior period ends all amounts in the balance sheet were receivable or payable in £ sterling, and hence the Group had no exposure to foreign currency movements at the year end. There are no foreign exchange hedges at the year end (2001: nil).

Borrowing facilities

The Group has various available borrowing facilities, including the loan facilities set out in note 20. The undrawn committed facilities at 31 December 2002 in respect of which all conditions precedent had been met were as follows:

	2001 £m	2002 £m
Expiring in:		
- one year or less	-	0.3
- more than one year but less than two years	-	-
- more than two years	-	9.0
	<u>-</u>	<u>9.3</u>

Fair values of financial assets and financial liabilities

The fair value of the financial assets and liabilities is not materially different from the book value, with the exception of the interest rate cap, which has a book value of £0.85m and a fair value of £0.10m.

22. Provisions for liabilities and charges

	Restructuring £m

The deferred shares had no entitlement to participate in the profits of the Company or to vote in general meetings of the Company. On a winding up of the company the deferred shareholders were only entitled to be repaid their subscription price after payment has been made to ordinary shareholders of £10,000 in respect of each ordinary share in issue.

Collector Incentive Scheme

In December 1996, an incentive scheme to reward football pools collectors was established. Under the terms of the scheme, the collectors earn points on the basis of their sales. These points can be converted into vouchers to purchase items from high street shops. On the basis of similar schemes, a redemption rate attributable to these points has been established and an appropriate provision made in these accounts. The value of the points not provided for in these financial statements amounts to £2.4m. (2001: £1.9m)

Material contracts

The Company has entered into a number of material contracts that will generate future commitments that cannot be fixed in extent as the contracts relate to transaction volumes that are variable in nature. A summary of these contracts is as follows:

Rehab

Rehab is a UK charity for which Littlewoods Leisure runs society lotteries in return for a management fee of approximately 30% of sales. The contract runs until 30 April 2005, subject to earlier termination at the Company's option on three months' notice. The contract guarantees a minimum payment to Rehab of £8 million. This consists of an initial advance sum of £3 million, paid in February 2000, plus 20 quarterly advance payments of £250,000, payable from 1 May 2000. These payments will be set off against charity proceeds earned from ticket sales. Any excess of charity proceeds over the minimum payments made as at the end of any year is paid to Rehab in an annual catch-up payment. Charity proceeds are generally 20% of ticket sales and budgeted to be around £1.5 million annually.

An amount of £5 million, the sum of the quarterly advance payments, was deposited in a separate bank account with withdrawals only possible with Rehab's agreement (the "Deposit"). If the Company exercises its right to early termination or if any of the quarterly advance payments are improperly withheld by the Company, the remaining balance in the Deposit is immediately payable to Rehab. At 31 December 2002, the balance of the Deposit was £2,250,000 (2001: £3,250,000).

The Company expects to receive approximately £2.1 million per annum in management fees. The Company is also entitled to run non-scratchcard lotteries for Rehab, in which case any charity proceeds paid to Rehab shall be set off against the Deposit until the Deposit has been exhausted in the same way as charity proceeds from scratchcard sales. The Company must also ensure that sales of Rehab scratchcards represent at least 50% of the Company's total scratchcard sales.

Vertex Data Science

Vertex supplies call centre services to Bet Direct. Charges are based on the volume of calls handled. The contract is for five years from 1 July 2001. Early termination will trigger a payment of £300,000 in years one and two and £200,000 in years three through five.

The Littlewoods Organisation

Littlewoods Leisure has been licensed, at no cost, to use 'Littlewoods' as part of Littlewoods Leisure's branding for betting, gaming and lottery products. The agreement will run until at least 3 September 2010 and can be terminated on or after that date with two years' prior notice.

29. Legal matters

Seagate Technology inc. (“Seagate”)

The Company’s legal action against Seagate began on 18 November, 1992 in the United States District Court for the Central District of California (“the District Court”) seeking reasonable royalties and damages for wilful infringement of the Company’s ‘383 patent. During 1999 the Company was successful in strengthening its case against Seagate.

On 16 April, 1999 the Company reported the findings of the United States Court of appeals for the Federal Circuit (“the Appeal Court”) in the appeals lodged by the Company and Seagate against judgements issued in 1997 by the District Court. The Appeal Court vacated (i.e., overturned) the previous judgements in two important respects:

- i) In 1997, the District Court had interpreted the Company’s patent claims to include thermal compensation and on this basis decided that Seagate did not infringe the Company’s patent. The Appeal Court adopted a different interpretation of these claims and decided that the Company’s claims 3, 5, 8, and 17 of the ‘383 patent do not include thermal compensation. The Appeal Court therefore overturned the District Court’s finding of non-infringement and sent the case back to the District Court for trial to resolve whether or not there has been infringement under the new interpretation of the Company’s claims.
- ii) The Appeal court also vacated the District Court’s judgement regarding the Company’s California state law claims. These claims assert that Seagate engaged in unfair competition and interference with the Company’s prospective economic advantage. The District Court had earlier held that the Company did not allege facts sufficient to state a cause of action for trial. The Appeal Court found that there were sufficient issues of fact for these to be sent back to the District court for trial.

Further, as a result of the Appeal Court’s decision to vacate earlier judgements, Seagate’s cross appeal for an award of attorney’s fees (which had previously been rejected by the District Court) was not granted. The Company received in July 1999 a refund of the costs plus interest (approximately \$250,000) that the District Court had awarded to Seagate and which the Company had paid in 1998.

The Appeal Court’s findings above were favourable to the Company. The Appeal Court did not grant the Company’s appeal for consequential business damages in addition to its claims for a reasonable royalty. The exclusion of consequential damages was not considered by the Directors to be material to the main thrust of the litigation.

Following the issuance of the judgements described above, Seagate requested that the Appeal Court amend its decision, in particular that part of the judgements relating to the Company’s California state law claims. Seagate also filed on 26 April, 1999, a combined petition for rehearing and a suggestion for rehearing en banc (i.e., by all of the judges of the Appeal Court). The Appeal Court ruled against Seagate in all three of these requests, and remanded the case back to the District Court in July 1999. Seagate, however, on 1 October 1999 exercised its right to petition the Supreme Court for a review of the Appeal Court’s judgements. In July 1999, the District Court recommenced proceedings that were necessary for a jury trial to be scheduled. However, these proceedings were postponed by the Court to allow time for the Supreme Court to decide whether it would hear Seagate’s petition.

On 18 January 2000, the Supreme Court denied Seagate’s petition for a hearing.

On the advice of its US lawyers, the Company agreed to participate in mediation discussions with Seagate in January 2000. As a result of the mediation, the Company and Seagate agreed to settle their dispute, without admission of liability by either party, and Seagate paid to Sportech the sum of \$45 million in full and final settlement of the Company’s claims under its ‘383 patent. The company agreed to pay to the bank \$27.5 million, out of the proceeds received from Seagate in full settlement of its overdraft borrowings and loan stock totalling \$34 million.

The Directors believe that there are no matters in dispute that would have material adverse financial consequences for the Company.

The extent of transactions with related parties of Sportech PLC as defined by Financial Reporting Standard No. 8, and the nature of the relationship with them are summarised below:

The contributions are made by Littlewoods Promotions Limited and the trustees include Mr. G. Speakman, a director of both Sportech PLC and Littlewoods Promotions Limited.

£0.2m of rent has been charged in these financial statements (2001: £nil). The lease period is for ten years and the contract included an initial rent free period of six months, the equivalent cost of which is being held in Accruals and Deferred Income and amortised over the period to the earliest break point in the contract (5 years), in accordance with UITF 28, Operating Lease Incentives. 31. Pension Scheme (continued)

Defined benefit scheme

Pursuant to the sale agreement between Littlewoods plc and Sportech, a defined benefit scheme has been set up for those employees who joined the Group consequent upon the acquisition of Littlewoods Gaming (formerly Littlewoods Leisure) and who were aged 50 or over on 4 September 2000, the date of the acquisition. This scheme was formed on 6 April 2001 and currently has 65 members (2001: 97 members).

The Group has continued to account for pensions in accordance with SSAP 24 and the disclosures required by that standard are set out in (i). FRS 17, Retirement Benefits, was issued in November 2000 but the Group is not required to implement the new standard fully until the year to 31 December 2005. However, FRS 17 requires certain disclosures to be made in these accounts. To the extent that they are different or additional to those required under SSAP 24 these are set out in (ii).

(i) SSAP 24

The most recent actuarial valuation was carried out at 6 April 2001 by the independent actuary. The principal assumptions and results of the valuation are set out below:

Discount rate and expected rate of investment return	6.0%
Rate of increase in pensionable salaries	4.5%
Rate of increase in pensions in payment and inflation	3.0%
Market (& actuarial) value of assets	£0.3m
Level of funding (actuarial value of assets as a percentage of accrued service liabilities)	100%

The next actuarial valuation is due to be carried out no later than 6 April 2004.

The contributions of the employees have been set at the rates set out in the rules of the fund of 6% of pensionable salary. The contributions of the relevant Group companies are 20.2% of pensionable salary.

The total charge for the year in the accounts of the Group was £0.2m (2001: £0.2m). There were no outstanding or prepaid contributions at either the beginning or end of the year.

32. Summary of significant differences between US GAAP and UK GAAP

The consolidated financial statements are prepared in accordance with UK GAAP, which differs in certain significant respects from US GAAP. These differences relate principally to the following items and the impact upon the presentation of results and the effect on net income and shareholders' equity is shown in the following tables. In preparing the summary of differences between UK and US GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the estimates of revenue and expenses. Accounting estimates have been employed in these financial statements to determine reported amounts, including realisability, useful lives of tangible and intangible assets, income taxes and other areas. Actual results could differ from these estimates.

32. Summary of significant differences between US GAAP and UK GAAP (continued)

a) *Restatement*

Financial Reporting Standard ("FRS") 19, the UK standard on deferred tax, has been adopted for the first time in 2002. The Group previously provided deferred tax using the liability method under SSAP 15 and only recognised deferred tax liabilities to the extent that it was probable that the liabilities would crystallise. Deferred tax assets were only recognised to the extent that their recoverability was assured beyond reasonable doubt. Under FRS 19 the recognition criteria for deferred tax assets has changed resulting in the recognition of a deferred tax asset under UK GAAP in respect of US tax losses and other timing differences that are regarded as recoverable against future profits. The adoption of FRS 19 has also had an impact on capitalised goodwill since the restatement of deferred tax balances acquired has had a corresponding effect upon the goodwill recognised on those acquisitions. A prior year adjustment to the UK GAAP figures has been made in these financial statements to reflect the adoption of FRS 19 and, where indicated, comparative figures have been restated. The impact on the profit and loss account under UK GAAP has been to decrease the profit after taxation by £0.6m in 2002, to increase the loss after taxation by £0.4m in 2001 and to decrease the profit after taxation by £2.6m in 2000. The restatement also had the effect of increasing shareholders funds under UK GAAP by £1.3m and £1.7m in 2001 and 2000 respectively. For further details see Note 3 in "Item 17. Financial Statements."

b) *Deferred taxation*

Under US GAAP deferred taxation is provided on all temporary differences under the liability method, subject to a valuation allowance on deferred tax assets where applicable, in accordance with FAS109, Accounting for Income Taxes.

Under UK GAAP, up to the year ended 31 December 2001, deferred taxation was provided on timing differences to the extent that a liability or asset was expected to crystallise in the future. This policy has changed during the year as explained above and in notes 2 and 3, and prior period adjustments have been processed as set out in note 3.

There should now be no adjustments required by the Company to reconcile between UK and US GAAP, and hence there are no entries in the tables on the prior page for deferred tax, other than adjustments to deferred tax resultant from other UK GAAP to US GAAP adjustments identified below.

c) *Exceptional items*

Exceptional items are material items within the consolidated ordinary activities, which under UK GAAP are required to be disclosed separately due to their size or incidence. One item in the UK financial statements has been disclosed as an exceptional item, and two further items have been highlighted on the face of the profit and loss account due to their particular nature.

Under US GAAP, to be classified as an extraordinary item, a transaction needs to both unusual in nature and infrequent in occurrence. Only the gain on the early extinguishment of debt of £3.9m was considered as extraordinary under US GAAP. Attributable tax on this debt waiver amounts to £1.2m. This is a classification difference only and does not result in any difference in shareholder funds or in net income; however see the presentation of earnings per share above taking into effect this extraordinary treatment following the reconciliation to net income herein.

d) *Share options*

Under UK GAAP the Company does not recognise compensation expense, at the date of grant, of share options granted under the employee share option schemes unless the exercise price is at a discount to the open market value at date of grant.

Under US GAAP, the Company has elected to follow Accounting Principles Board (APB) Opinion No. 25, "Accounting for Stock Issued to Employees". In accordance with APB 25, as the number of options that will be available to participants is dependent on the attainment of certain long-term performance goals of the Company, compensation expense should be charged to income over the performance (vesting) period adjusted for changes in the market price of the stock during the period. For the period ending 31 December 2002, as with the prior period, no compensation expense was recognised for the company's employee stock options granted as the exercise price of the options was greater than the market price of the underlying stock at year end.

d) Share options (continued)

The following pro forma information regarding net income/(loss) and earnings/(loss) per share is required when APB 25 accounting is elected, and was determined as if the Company had accounted for its employee stock options under the fair value method of FAS 123, "Accounting for Stock-Based Compensation."

The weighted average fair value of options granted during the year was £0.11 (value of 2001 grant: £0.12). The fair values for these options were estimated at the date of grant using a Black-Scholes option pricing model with the following weighted-average assumptions for 2002 grant (2001 grant comparatives given in brackets): risk-free interest rates of 4.0% (2001: 4.9%); volatility factors of the expected market price of the Company's ordinary shares of 0.57 (2001: 0.88); dividend yields of 0% (2001: 0%); and a weighted-average expected life of the options of 7 years (2001: 7 years). For purposes of pro forma disclosures, the estimated fair values of the options are amortised to expense over the option's vesting periods (in £m except for per share information):

e) Derivatives

In June 1998, the Financial Accounting Standards Board (FASB) issued FAS No. 133, Accounting for Derivative Instruments and Hedging Activities as amended by FAS No. 138, Accounting for Certain Derivative Instruments and Certain Hedging Activities, an amendment of FAS No. 133. FAS No. 133 establishes accounting and reporting standards for derivative financial instruments, including certain derivatives used for hedging activities and derivatives embedded in other contracts. FAS No. 133 requires all derivatives to be recognised on the balance sheet at fair value. The recognition of the changes in the fair value of a derivative depends upon its intended use.

Derivatives that do not qualify for hedging treatment under FAS No. 133 must be adjusted to fair value through earnings. For fair value hedges that qualify under FAS No. 133, the changes in fair values of the derivatives will be recognised in earnings together with the change in fair value of the hedged item attributable to the risk being hedged. For cash flow hedges that qualify under FAS No. 133, the changes in the fair value of the derivatives will be recognised in other comprehensive income until the hedged item affects earnings. For all hedging activities, the ineffective portion of a derivative's change in fair value will be immediately recognised in earnings. The Company has adopted FAS No. 133 with effect from inception.

Under FAS No. 133 there is a requirement for contemporaneous hedge documentation before it is possible to offset changes in the fair value of a derivative with the change in the fair value of the corresponding hedged asset or liability. In the absence of such documentation it is necessary to record changes in the fair value of the derivatives in the income statement.

Contemporaneous documentation was not in place for the Company and accordingly the fair value of the interest rate cap of £0.1m, has resulted in a charge in the year of £0.4m.

In 2001, the fair values of the interest rate swap, £1.3m derivative liability, and the interest rate floor, £1.1m derivative asset have been charged to the income statement. The fair value of the interest rate cap of £0.5m has also resulted in a charge since inception to the income statement of £0.3m. The net impact of these derivatives on the amounts recognised for US GAAP compared to UK GAAP for the years ended 31 December 2002 and 2001 are as follows:

	2001 (restated)		2002	
	UK GAAP £m	US GAAP £m	UK GAAP £m	US GAAP £m
Profit and loss account				
Other income	-	1.1	-	1.3
Other expenditure	-	(1.6)	-	(1.5)

Other liabilities – derivative liability	-	(1.3)	-	-
Total shareholders' funds	28.6	28.2	31.5	31.0

Management has assessed the risk, on its consolidated financial statements, that the Bank of Scotland will not satisfy its obligations to the Company under the interest rate floor and cap and believes that there is no significant risk of default.

f) Amortisation of goodwill

Under UK GAAP, goodwill is amortised through the profit and loss account. A charge of £8.8m is included in the profit and loss account for the year ended 31 December 2002. In July 2001, the FASB issued FAS No. 142, "Goodwill and Other Intangible Assets" ("FAS 142") which supersedes APB Opinion No. 17, "Intangible Assets". FAS 142 addresses how intangible assets that are acquired individually or with a group of other assets (but not those acquired in a business combination) should be accounted for in financial statements upon their acquisition. FAS 142 also addresses how goodwill and other intangible assets should be accounted for after they have been initially recognized in the financial statements. The provisions of FAS 142 are required to be applied starting with fiscal years beginning after December 15, 2001, and hence the current financial year is the first financial year of the Company to apply FAS 142. FAS 142 is required to be applied at the beginning of an entity's fiscal year and to be applied to all goodwill and other intangible assets recognized in its financial statements at that date.

Under UK GAAP, the Group periodically reviews the recoverability of goodwill, not identified with impaired long-lived assets, based on estimated discounted future cash flows from operating activities compared with the carrying value of goodwill and recognizes any impairment on the basis of such comparison. Under US GAAP, the Group performed the transitional impairment test under FAS 142 as of January 1, 2002 by comparing the carrying value of each reporting unit to its fair value as determined by discounted future cash flows. Upon completion of the transitional impairment test, the group determined that no impairment was required as of January 1, 2002 as the fair value of each reporting unit exceeded carrying value. The Group also completed the annual impairment tests required by FAS 142 as at the end of 2002. Following this review, management have reviewed the carrying value of the goodwill in the balance sheet at 31 December 2002 and do not believe that any impairment write down is necessary. The impact on the profit and loss account of removing amortisation is to increase reported net income by £8.8m, and there is an equivalent increase in the value of goodwill in the balance sheet. For future years, the impact will be to reduce losses by a similar amount each year, until goodwill is fully amortised.

The following table shows the results of operations as if FAS 142 were applied to prior periods:

	2000 £m except per share amounts	2001 £m
Profit/(loss) for the financial year as reported under US GAAP	24.5	(3.1)
Add back: goodwill amortization	2.8	8.9
Adjusted profit/(loss) for the financial year	<u>27.3</u>	<u>5.8</u>
Basic and diluted earnings/(loss) per equity share as reported under US GAAP (pence)	5.2	(0.5)
Add back: goodwill amortization (pence)	0.6	1.5
Adjusted earnings per equity share (pence)	<u>5.8</u>	<u>1.0</u>

The following table provides a roll forward of the Group's US GAAP goodwill during 2002:

	2002 £m
Balance as of 1 January 2002	161.8
Goodwill acquired	1.3
Balance as of 31 December 2002	<u>163.1</u>

During 2002, the Group completed the acquisition of the Zetters Pools business with an aggregate purchase price of £1.4m. Under both UK and US GAAP, a total of £1.3m has been recorded in goodwill in respect of this (see note 15(b) for the purchase price allocation).

g) Cash flow information

Under UK GAAP the Consolidated Cash Flow statement is presented in accordance with UK Financial Reporting Standard No. 1 as revised ("FRS 1"). The Statement prepared under FRS 1 presents substantially the same information as that required under US GAAP as interpreted by FAS No. 95. Under UK GAAP, cash comprises cash in hand (including overnight deposits), net of bank overdrafts. Under US GAAP, cash and cash equivalents include cash and short term investments with original maturities of three months or less.

Under UK GAAP, cash flows are presented for operating activities; returns on investments and servicing of finance; taxation; capital expenditure and financial investment; acquisitions and disposals; equity dividends paid; management of liquid resources and financing. US GAAP requires the classification of cash flows as resulting from operating, investing and financing activities.

Cash flows under UK GAAP in respect of interest received, interest paid, investment income and taxation would be included within operating activities under US GAAP. Capital expenditure and financial investment and cash flows from acquisitions and disposals would be included within investing activities under US GAAP. Dividends paid by subsidiary undertakings, minority interests, equity dividends paid, management of liquid resources and returns on investments and servicing of finance would be included within financing activities under US GAAP.

Set out below, for illustrative purposes, is a summary consolidated statement of cash flows under US GAAP:

	2000 £m	2001 £m	2002 £m
Net cash (used in)/provided by operating activities	28.4	0.7	7.4
Net cash provided by/(used in) investing activities	(162.1)	(1.8)	(3.1)
Net cash (used in)/provided by financing activities	151.5	(3.9)	(11.2)
Net (decrease)/increase in cash and cash equivalents	<u>17.8</u>	<u>(5.0)</u>	<u>(6.9)</u>
Cash at the beginning of the year	0.1	17.9	12.9
Cash and cash equivalents at the end of the year	<u>17.9</u>	<u>12.9</u>	<u>6.0</u>
Net (decrease)/increase in cash and cash equivalents	<u>17.8</u>	<u>(5.0)</u>	<u>(6.9)</u>

h) Pre-contract costs

During the year, the Company incurred costs securing major new contracts to provide interactive television gaming products. Certain of these costs were required to be capitalised under UITF 34 "Pre-contract costs" and under UK GAAP, £0.8m (£nil in earlier years) of pre-contract costs incurred in 2002 were capitalised as intangible fixed assets.

Under US GAAP, start-up costs are defined as those one-time activities related to opening a new facility, introducing a new products or service, conducting business in new territory, conducting business in a new territory, or commencing some new operation. SoP 98-5 requires that these costs must be expenses as incurred. Accordingly, under US GAAP costs incurred has been expensed.

i) Defined benefit plan

At 31 December 2002, Sportech PLC had one statutorily approved defined benefit pension plan and one statutorily approved defined contribution plan. The basis for membership of these schemes is detailed in note 31.

Under UK and US GAAP, in respect of the defined contribution plan, contributions are paid by the member and the employer at fixed rates, these contributions are charged against income in the period they are paid. Benefits under the defined contribution plan reflect each employee's fund at retirement and the cost of purchasing benefits at that time.

Under UK GAAP the cost of providing pension benefits is expensed over the average expected service lives of eligible employees in accordance with the provisions of Statement of Standard Accounting Practice ("SSAP") 24 "Accounting for Pension Costs". SSAP 24 aims to produce an estimate of cost based on long-term actuarial assumptions. Variations from the regular pension cost arising from, for example, experience deficiencies or surpluses, are charged or credited to the profit and loss account over the expected average remaining service lives of current employees in the schemes.

Under US GAAP, the annual pension cost comprises the estimated cost of benefits accruing in the period as determined in accordance with SFAS 87 "Employers Accounting for Pensions", which requires readjustment of the significant actuarial assumptions annually to reflect current market and economic conditions. Under FAS 87, part of the surplus (the excess of plan assets over plan liabilities), the majority of which for the Group is attributable to prior acquisitions, has been recognized in the balance sheet. The remainder of the unrecognized surplus is spread over the employees' remaining service lifetimes.

A reconciliation of the beginning and end balances of the projected pension benefit obligation and the funded status of the defined benefit plan, prepared in accordance with FAS 87, is as follows:

	Period from 6 April 2001 to 31 December 2001 £m	Year ended 31 December 2002 £m
Change in benefit obligation		
Benefit obligation at plan inception date / 1 January 2002	-	0.3

	31 December 2001	31 December 2002

j) Segments

The company has determined that its reportable segments are those that are based on the Group's method of internal reporting, which disaggregates its business by product category. The Group's segments are the same under UK GAAP and information with respect to the segments is presented in Note 5 to the financial statements.

The accounting policies of the segments are the same as those described in Note 2. The Group's management evaluates the performance of its segments and allocates resources to them based on underlying sales growth and trading margin improvement. There are no material inter-segment revenues.

FAS 145

In April 2002, the Financial Accounting Standards Board (FASB) issued FAS 145, 'Rescission of FASB Statements No. 4, 44 and 64, Amendment of FASB Statement No. 13, and Technical Corrections'. The adoption of this accounting pronouncement has had no impact on the Group's financial position or results of operations.

FAS 146

In June 2002, the FASB issued FAS 146, 'Accounting for Costs Associated with Exit or Disposal Activities'. This standard addresses financial accounting and reporting for costs associated with exit or disposal activities and nullifies EITF 94-3, 'Liability Recognition for Certain Employee Termination Benefits and Other Costs to Exit an Activity (including Certain Costs Incurred in a Restructuring)'. FAS 146 requires that a liability for a cost associated with an exit or disposal activity be recognised when the liability is incurred rather than at the date of an entity's commitment to an exit plan. Costs covered by the standard include lease termination costs and certain employee severance costs that are associated with a restructuring, discontinued operation, or other exit or disposal activity. FAS 146 is to be applied prospectively to exit or disposal activities initiated after 31 December 2002. The adoption of FAS 146 has not, to date, had any significant impact on the Group's financial position or results of operations.

FAS 148

In December 2002, the FASB issued FAS 148, Accounting for Stock-Based Compensation – Transition and Disclosure. This standard amends FAS 123, 'Accounting for Stock-Based Compensation', to provide alternative methods of transition for an entity that voluntarily changes to the fair value based method of accounting for stock-based employee compensation. It also amends the disclosure provisions of FAS 123 to require prominent disclosure about the effects on reported net income of an entity's accounting policy decisions with respect to stock-based employee compensation. Finally, FAS 148 amends APB Opinion No. 28, 'Interim Financial Reporting', to require disclosure about those effects in interim financial information. FAS 148 is effective for fiscal years beginning after 15 December 2002. The Company has elected not to adopt the transitional provisions of this standard but has adopted the disclosure requirements of the standard.

FAS 149

In April 2003, the FASB issued FAS No. 149, Amendment of Statement 133 on Derivative Instruments and Hedging Activities, ("FAS No. 149"). This Statement amends and clarifies financial accounting and reporting for derivative instruments, including certain derivative instruments embedded in other contracts (collectively referred to as derivatives) and for hedging activities under FASB Statement No. 133, Accounting for Derivative Instruments and Hedging Activities. This Statement is effective prospectively for contracts entered into or modified after June 30, 2003 and prospectively for hedging relationships designated after June 30, 2003. The adoption of FAS 149 has not, to date, had any significant impact on the Group's financial position or results of operations.

FAS 150

In May 2003, the FASB issued FAS No. 150, Accounting For Certain Financial Instruments with Characteristics of both Liabilities and Equity. The Statement improves the accounting for certain financial instruments that, under previous guidance, issuers could account for as equity and requires that these instruments be classified as liabilities in statements of financial position. This Statement is effective prospectively for financial instruments entered into or modified after May 31, 2003 and otherwise is effective at the beginning of the first interim period beginning after June 15, 2003. This statement shall be implemented by reporting the cumulative effect of a change in an accounting principle for financial instruments created before the issuance date of the Statement and still existing at the beginning of the interim period of adoption. The adoption of FAS 150 has not, to date, had any significant impact on the Group's financial position or results of operations.

EITF 00-21

In January 2003, the Emerging Issues Task Force (EITF) issued EITF 00-21, 'Accounting for Revenue Arrangements with Multiple Deliverables'. EITF 00-21 addresses the issues of how to determine whether an arrangement involving multiple deliverables contains more than one unit of accounting and how arrangement consideration should be measured and allocated to the separate units of accounting in the arrangement. EITF 00-21 does not change otherwise applicable revenue recognition criteria. EITF 00-21 is effective for revenue arrangements entered into in fiscal periods beginning after 15 June 2003. The adoption of EITF 00-21 has not, to date, had any significant impact on the Group's financial position or results of operations.

FIN 45

In November 2002, the FASB issued FASB Interpretation No. 45 (FIN 45), 'Guarantor's Accounting and Disclosure Requirements for Guarantees, Including Indirect Guarantees of Indebtedness of Others'. FIN 45 requires a liability to be recognised at the time a company issues a guarantee for the fair value of the obligations assumed under certain guarantee agreements. The provisions for initial recognition and measurement of guarantee agreements are effective on a prospective basis for guarantees that are issued or modified after 31 December 2002. The adoption of this interpretation has had no impact on the Group's financial position or results of operations.

FIN 46

In January 2003, the FASB issued FIN 46, 'Consolidation of Variable Interest Entities, an interpretation of Accounting Research Bulletin (ARB) 51'. FIN 46 addresses the consolidation of entities for which control is achieved through means other than through voting rights ('variable interest entities' or 'VIE') by clarifying the application of ARB No. 51, 'Consolidated Financial Statements' to certain entities in which equity investors do not have the characteristics of a controlling financial interest or do not have sufficient equity at risk for the entity to finance its activities without additional subordinated financial support from other parties. FIN 46 provides guidance on how to determine when and which business enterprise (the 'primary beneficiary') should consolidate the VIE. In addition, FIN 46 requires that both the primary beneficiary and all other enterprises with a significant variable interest in a VIE make additional disclosures.

The disclosure provisions of FIN 46 are effective in all financial statements initially issued after 31 January 2003. FIN 46 is required to be immediately applied by all entities with a variable interest in a VIE created after 31 January 2003. A public entity with a variable interest in a VIE created before 1 February 2003 is required to apply FIN 46 to that entity no later than the beginning of the first interim or annual reporting period beginning after 15 June 2003. The company has performed a review of its operations and interests and has not identified any entities that would fall under the requirements of FIN 46 and has concluded that it does not believe FIN 46 currently has a significant impact on the Group's financial position or results of operations. The Company will continue to reassess this position periodically in the light of new events or transactions that may fall to be accounted for under this Interpretation.

WHEREAS the Borrower has requested the Lenders to afford the Facility upon the terms and conditions of this Agreement and the Lenders have agreed to do so.

NOW IT IS HEREBY AGREED as follows:

PART 1
THE FACILITY

1. The Facility

- 1.01 The Lenders grant to the Borrower upon the terms and subject to the conditions hereof a term loan and revolving credit facility of up to a maximum principal amount of Thirty Five Million Pounds (£35,000,000).
- 1.02 The Facility shall be divided into 2 parts designated Tranche A and Tranche B.
- 1.03 Tranche A shall comprise a term loan facility of up to Twenty Four Million Pounds (£24,000,000). Advances under Tranche A once repaid may not be redrawn.
- 1.04 Tranche B shall comprise a revolving credit facility of up to Eleven Million Pounds (£11,000,000). Amounts may be drawn under Tranche B by way of Advances, any of which may be repaid and re-borrowed subject to and upon the terms and conditions contained herein.

2. Purpose and Application of Advances

- 2.01 The purpose of Tranche A is to enable the Borrower to discharge its obligations to the Vendor under Clause 4 of the Share Purchase Agreement and accordingly the Borrower shall apply all amounts borrowed by it hereunder in or towards satisfaction of such purpose; the purpose of Tranche B is to assist the Borrower in funding the start up, product development and all related costs incurred or to be incurred in connection with the execution and compliance with the terms of the ITV Contract and the development of an interactive gaming capability.
- 2.02 Subject to the terms of this Agreement and in particular to Clause 2.01, Advances may be made to the Borrower under Tranche A on the Completion Date. Advances under Tranche A once repaid may not be redrawn.
- 2.03 Subject to the terms of this Agreement and in particular Clause 2.01, Advances may be made under Tranche B at any time during the Availability Period.
- 2.04 Without prejudice to the obligations of the Borrower under Clause 2.01, neither the Agent, the Lenders nor any of them shall be obliged to concern themselves with the application of Advances.

3. Conditions Precedent

- 3.01 Deleted.
- 3.02 Deleted.
- 3.03 Deleted.

4. Nature of Lenders' Obligations

- 4.01 The obligations of each Lender under the Financing Documents are separate and not joint and several and the total amounts outstanding at any time under the Financing Documents and due to each Lender constitute separate and independent debts.
- 4.02 The failure by a Lender to perform its obligations hereunder shall not affect the obligations of the Borrower towards any other party hereto nor shall any such other party be liable for the failure by a Lender to perform its obligations hereunder.

5. Rights of Borrower

- 5.01 Only the Borrower may draw down Advances under Tranche A.
- 5.02 Only the Borrower may draw down Advances under Tranche B.

PART 2

AVAILABILITY OF THE FACILITY

6. Availability of the Facility

6.01 Save as otherwise provided herein, an Advance in respect of Tranche B will be made by the Lenders to the Borrower on its request if:

- (a) not later than 11.00 a.m. on the business day prior to the proposed date for the making of such Advance, the Agent has received from the Borrower a Drawdown Notice therefor, which shall be irrevocable and receipt of which shall oblige the Borrower to borrow the amount therein requested on the date therein stated upon the terms and subject to the conditions contained herein;
- (b) the proposed date for the making of such Advance is a date prior to the Final Repayment Date;
- (c) the proposed date for the making of such Advance is not less than three business days after the date upon which an Advance was last made but nothing in this sub-clause shall prevent any number of Advances being made on the same date;
- (d) subject to the provisions of paragraph (h) below, the proposed amount of such Advance is less than or equal to the Available Tranche B Facility, and unless the Agent otherwise agrees, is an integral multiple of Five Hundred Thousand Pounds (£500,000) or is the balance of the Available Tranche B Facility;
- (e) the Term relating thereto is for a period of one, two, three or six months or such other period as may be agreed between the Borrower and the Lender;
- (f) no more than 6 Advances are outstanding under this Agreement following the making of such Advance;
- (g) either:
 - (i) no Event of Default or Potential Event of Default has occurred and is continuing or would result from the making of an Advance and the representations and warranties set out in Clause 17 are true and correct in all respects on and as of the proposed date for the making of such Advance; or
 - (ii) each of the Lenders agrees (notwithstanding any matter mentioned at (a) above) to participate in the making of such Advance;
- (h) the proposed amount of such Advance is, in the case of an Advance to be made available prior to receipt by the Agent of a copy, certified as a

true copy of the Agreed Financial Model or Updated Projections (as applicable), less than or equal to £2,000,000 less any outstanding Advances in respect of Tranche B as at the proposed date for making such Advance. For the avoidance of any doubt, the Agreed Financial Model or Updated Projections (as applicable) shall be in a form and substance satisfactory to the Agent and the Lenders.

- 6.02 Each Lender will participate through its Facility Office in its Pro Rata Percentage of each Advance.
- 6.03 If a Lender's Commitment is reduced in accordance with the terms hereof after the Agent has received the Drawdown Notice for an Advance, then the amount of that Advance shall be reduced accordingly.

PART 3**INTEREST****7. Interest Periods**

- 7.01 The period for which an Advance under Tranche A is outstanding shall be divided into successive periods each of which (other than the first which shall start on the date of drawdown of the Advance) shall start on the expiry of the preceding period.
- 7.02 Save as otherwise agreed between the Borrower and the Lenders, the duration of each Interest Period shall be for one, two, three, or six months, in each case as the Borrower may (save in the case of the first Interest Period in relation to an Advance when the selection shall be made in the Drawdown Notice) select by not less than three business days' prior notice to the Agent. If the Borrower fails to give such notice the duration of that Interest Period shall be six months.
- 7.03 Any Interest Period which would otherwise end during the month preceding or extend beyond the Final Repayment Date shall be of such duration that it shall end on the Final Repayment Date.
- 7.04 The Agent and the Borrower may agree to adjust the length of any Interest Period as they may consider appropriate in order that such Interest Period ends on the day on which any payments are to be made in relation to any Permitted Hedging Transaction.

8. Interest

- 8.01 On the last day of each Interest Period (or in the case of an Interest Period of more than three months duration on the last day of the first three months from the start of the relevant Interest Period and thereafter on the last day of each period of three months falling thereafter or, if earlier, the last day of the relevant Interest Period) the Borrower shall pay accrued interest on the Advance to which such Interest Period relates and on the Repayment Date applicable to any Advance under Tranche B the Borrower shall pay accrued interest on that Advance for its Term.
- 8.02 The rate of interest applicable to an Advance shall be the rate per annum which is the sum of the Applicable Margin for the relevant Interest Period or Term, LIBOR for the relevant Interest Period or Term and Mandatory Costs as determined by the Agent.
- 8.03 Interest and fees shall accrue from day to day and shall be calculated on the basis of a year of 365 days and the actual number of days elapsed.

9. Alternative Interest Rates

- 9.01 If the Agent acting reasonably determines that as a result of circumstances applying in the London Interbank Market generally at 11.00 a.m. on the Quotation Date for an Interest Period or Term the Screen Rate is not available and only one or none of the Reference Banks was offering deposits in Sterling to prime banks in the London Interbank Market for the proposed duration of such Interest Period or Term or that otherwise LIBOR cannot be determined or if the Agent shall have received notice from a Lender or Lenders whose participations in an Advance constitute at least one-third in aggregate of that Advance that LIBOR does not fully reflect their cost of funding their respective participations in the relevant Advance, then, notwithstanding the provisions of Clauses 7 and 8:
- (i) the Agent shall notify the Borrower and the Lenders of such event;
 - (ii) the duration of that Interest Period or Term shall be one month;
 - (iii) if the Agent or the Borrower so requires within five business days of such notification, for the immediately following period of thirty business days the Agent, the Lenders and the Borrower shall enter into negotiation in good faith with a view to agreeing a substitute basis (a) for determining the rates of interest from time to time applicable to Advances and/or (b) upon which such Advances may be made and maintained thereafter, in both cases on the basis that the net return to the Lenders shall be the same as it would have been had such event not occurred. If a substitute basis is agreed it shall apply in accordance with the terms agreed retrospectively as appropriate to all Advances made or renewed since the Agent's notification referred to in Clause 9.01(i) and Advances may thereupon again be made on the substitute basis for so long as such circumstances shall prevail;
 - (iv) for so long as such circumstances prevail and provided that a substitute basis as specified in sub-Clause (iii) above has not been agreed the rate of interest applicable to Advances shall be the rate per annum which is the sum of the Applicable Margin, Mandatory Costs as determined by the Agent and in relation to each Lender's participation in Advances the rate rounded upwards (if necessary) to four decimal places notified by such Lender to the Agent as that which expresses as a percentage rate per annum the cost to such Lender of funding from whatever reasonable sources it may select an amount equal to its participation in such Advance for delivery on the first day of such Interest Period or Term and for repayment at the end of such Interest Period or Term; and
 - (v) for so long as such circumstances prevail the Agent and the Borrower shall from time to time, but at least monthly, review whether such circumstances still prevail, with a view to returning to the normal provisions of this Agreement.

- 9.02 If the alternative interest rate charged by any Lender pursuant to Clause 9.01(iv) is unacceptable to the Borrower, the Borrower may (within 30 days of the setting of the rate referred to in Clause 9.01(iv) above) on not less than five business days' written notice by the Borrower to the Agent prepay such Lender's share of all (but not some only) Advances and on the giving of such notice:
- (i) such Lender shall not thereafter be obliged to make Advances hereunder and the amount of its Commitment shall be immediately reduced to zero; and
 - (ii) if the Agent on behalf of such Lender so requires, the Borrower shall on the expiry of such notice prepay such Lender's share of any outstanding Advances together with accrued interest thereon and shall pay all other amounts owing to such Lender hereunder.

PART 4

REPAYMENT, RE-UTILISATION, CANCELLATION AND PREPAYMENT

10. Repayment and Re-Utilisation

- 10.01 Unless earlier repayment is required under the terms of this Agreement and subject to the Inter Creditor Agreement, the Borrower will repay the principal amount advanced under Tranche A on the Final Repayment Date.
- 10.02 Unless earlier repayment is required under the terms of this Agreement and subject to the Intercreditor Agreement, the Borrower shall repay in full on the Final Repayment Date all Advances borrowed by it and outstanding in respect of Tranche B together with all interest accrued thereon.
- 10.03 Subject to the provisions of this Agreement, the Borrower may repay (in whole or in part) an Advance outstanding under Tranche B on the Repayment Date applicable to it by giving written notice to the Agent not later than 10.00am three business days prior to such Repayment Date. Such notice shall be irrevocable and shall commit the Borrower to repaying the Advance specified therein.
- 10.04 Subject to no Event of Default or Potential Event of Default having occurred and the Agent being satisfied that the representations and warranties set out in Clause 17 are true and correct in all respects on and as of the proposed date for the renewal of the Advance, the Borrower may renew (in whole or in part) an Advance borrowed by it and outstanding under Tranche B on the Repayment Date applicable to it by giving to the Agent not later than 10.00 a.m. three business days before such Repayment Date a Renewal Request specifying the Advance or part thereof to be renewed (by reference to the amount thereof and its Repayment Date) and the Term applicable thereto (being the period for which the Advance or part thereof is to be renewed being a period of one, two, three or six months or such other period as may be agreed between the Borrower and the Lender ending not later than the Final Repayment Date) and confirming that at the date of the Renewal Request the representations and warranties set out in Clause 17 are true and correct in all respects. If the Borrower makes a Renewal Request as aforesaid such Advance or part thereof shall (subject to the other provisions of this Agreement) be renewed in accordance with the Renewal Request.
- 10.05 On the same conditions as those set out in Clause 10.04, each Advance outstanding under Tranche B will be automatically renewed on each Repayment Date applicable to it for a Term of the same period (or ending on the Final Repayment Date if it would otherwise end thereafter) as prior to the relevant Repayment Date for such Advance unless a Renewal Request has been given under Clause 10.04 or a repayment notice under Clause 10.03 and the Borrower shall, except as aforesaid, be deemed for all the purposes of this Agreement to have given a Renewal Request in respect of such Advance specifying such Term.

- 10.06 The Borrower shall repay each Advance borrowed by it and outstanding under Tranche B in full on the Repayment Date relating thereto unless such Advance or part thereof has been renewed in accordance with Clause 10.04 or 10.05 in which case the non-renewed part (if any) of such Advance shall be so repaid. Without prejudice to the Borrower's repayment obligations in accordance with the foregoing, the Borrower hereby irrevocably instructs the Agent to apply the proceeds of any new Advance which is made on the Repayment Date in relation to any existing Advance in or towards repayment of such existing Advance.
- 10.07 Any Renewal Request once given by the Borrower shall be irrevocable and shall commit the Borrower specified to renew the Advance specified therein.

11. Cancellation and Prepayment

- 11.01 The amount of the Available Tranche B Commitments shall be reduced to the amount outstanding under Tranche B as at close of business on the date of expiry of the Availability Period on such date.
- 11.02 The Borrower may, by giving to the Agent not less than thirty business days' prior notice to that effect, cancel the whole or any part (being an amount or integral multiple of Two Hundred and Fifty Thousand Pounds (£250,000) of any of the Available Tranche B Facility. Any such cancellation shall reduce the Available Tranche B Commitment.
- 11.03 The Borrower may, if it has given to the Agent not less than thirty days' prior written notice to that effect, prepay the whole or any part of any Advance of Tranche A or Tranche B (as applicable) made to it (being in the case of an Advance under Tranche A an amount or integral multiple of Two Million Pounds (£2,000,000) or in the case of an Advance under Tranche B an amount or integral multiple of Two Hundred and Fifty Thousand Pounds (£250,000) or the balance of the amount of Tranche A or Tranche B (as applicable) outstanding under this Agreement).
- 11.04 Any notice of cancellation or prepayment given by the Borrower pursuant to Clauses 11.02 or 11.03 shall be irrevocable, shall specify the date upon which such cancellation or prepayment is to be made and in the case of a notice of prepayment shall oblige the Borrower to make such prepayment on such date.
- 11.05 On receipt by any member of the Group of any Net Proceeds the Borrower shall procure that an amount equal to such Net Proceeds shall forthwith be applied in repaying Advances under the Facility.
- 11.06 The Borrower shall not repay or prepay all or any part of any Advance except at the times and in the manner expressly provided for in this Agreement and, except at the times and in the manner provided for in this Agreement, shall not be entitled to re-borrow any amount repaid or prepaid. Any prepayments shall be made together with accrued interest thereon and all other amounts payable

under this Agreement in relation to the amount prepaid calculated up to the date of prepayment.

- 11.07 The Borrower shall prepay all amounts outstanding under this Agreement (and the amount of the Commitments will be reduced to nil) on the occurrence of a Change of Control.
- 11.08 Any prepayment or cancellation in accordance with the terms of this Clause 11 shall be without any premium or fee except for any breakage costs payable to the Lenders pursuant to Clause 22.04 except that (subject to Clause 32.04) where any prepayment or cancellation is made pursuant to, in contemplation of or otherwise in connection with a refinancing of the Facility by any person other than the Lenders, the Borrower shall on the date of prepayment pay the Agent for account of the Lenders a prepayment fee equal to zero point five per cent. (0.5%) of the amount prepaid and/or cancelled on the business day immediately prior to such prepayment or cancellation.
- 11.09 Where any amount to be prepaid under Clause 11.05 is received by the Agent during an Interest Period, the Agent will (subject to the terms of Clause 11.11) retain such amount in a Security Account until the end of such Interest Period and will apply such amount against the relevant Advance on the expiry of such Interest Period.
- 11.10 Sums held by the Agent under Clause 11.09 will be placed in a Security Account pending application against the relevant Advance and the interest earned on such account will be applied by the Agent towards the interest due in respect of the relevant Advance at the time the amount is applied in prepayment of such Advance. The rate of interest payable on such account will be the best commercial deposit rate payable by the Agent for sums equivalent to the amount credited to the Security Account for the anticipated duration of the deposit.
- 11.11 The Borrower may by written notice to the Agent require that any Interest Period be broken and that the proceeds arising under Clause 11.05 be applied immediately towards prepayment of the relevant Advance subject to payment of any breakage costs thereby incurred by the Lenders.

PART 5**CHANGES IN CIRCUMSTANCES****12. Taxes**

- 12.01 All payments to be made by or on behalf of the Borrower to any person hereunder shall be made free and clear of and without deduction for or on account of Taxation unless the Borrower is required by law to make such a payment subject to the deduction or withholding of Taxation, in which case the sum payable by the Borrower in respect of which such deduction or withholding is required to be made shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, such person receives and retains (free from any liability in respect of any such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.
- 12.02 Without prejudice to the provisions of Clause 12.01, if any Lender, or the Agent on its behalf, is required to make any payment on account of Taxation or otherwise (not being Taxation imposed on its overall net income or gains) on or in relation to any sum received or receivable hereunder by such Lender or the Agent on its behalf (including, without limitation, any sum received or receivable under this Clause 12) or any liability in respect of any such payment is asserted, imposed, levied or assessed against such Lender or the Agent, the Borrower shall promptly indemnify the Agent, and such Lender against such payment or liability, together with any interest, penalties and expenses payable or incurred in connection therewith.
- 12.03 A Lender intending to make a claim pursuant to Clause 12.01 shall notify the Agent of the event by reason of which it is entitled to do so upon it becoming aware of the same, whereupon the Agent shall notify the Borrower thereof. The Borrower may (within 30 days of the giving of such notification to the Borrower) on not less than five business days' written notice by the Borrower to the Agent prepay such Lender's share of all (but not some only) Advances and on the giving of such notice:
- (i) such Lender shall not thereafter be obliged to make Advances hereunder and the amount of its Commitment shall be immediately reduced to zero; and
 - (ii) if the Agent on behalf of such Lender so requires, such Lender's participation in Advances under Tranche B shall not be capable of renewal under Clauses 10.05 and 10.06 and the Borrower shall on the expiry of such notice prepay such Lender's share of any outstanding Advances together with accrued interest thereon and shall pay all other amounts owing to such Lender hereunder.
- 12.04 No additional amount will be payable to a Lender under Clause 12.01 as a result of any deduction, withholding or payment of United Kingdom Taxation

to the extent that at the time such deduction, withholding or payment requires to be made such Lender is not a Qualifying Bank and such deduction, withholding or payment would not have been required to be made if such Lender had been a Qualifying Bank unless the reason such Lender is not a Qualifying Bank is a change of any law, treaty or directive or in the application or interpretation thereof or in any practice or concession of the United Kingdom Inland Revenue, in each case after the date of this Agreement.

- 12.05 Each Lender hereby confirms to the Borrower and the Agent that as at the date of this Agreement (or if later the date on which such Lender becomes a party to this Agreement) it is a Qualifying Bank and that it shall forthwith notify the Borrower and the Agent if this confirmation ceases to be correct.

13. Tax Receipts

- 13.01 If, at any time, the Borrower is required by law to make any deduction or withholding from any sum payable by it hereunder (or if thereafter there is any change in the rates at which or the manner in which such deductions or withholdings are calculated), the Borrower shall promptly notify the Agent.
- 13.02 If the Borrower makes any payment hereunder in respect of which it is required pursuant to applicable law to make any deduction or withholding it shall pay the full amount required to be deducted or withheld to the relevant taxation or other authority within the time allowed for such payment under applicable law and shall deliver to the Agent for each Lender, within thirty days after it has made such payment to the applicable authority, an original receipt (or a certified copy thereof) issued by such authority evidencing the payment to such authority of all amounts so required to be deducted or withheld in respect of that Lender's share of such payment.
- 13.03 If, following the imposition on the Borrower of a requirement to pay an additional amount under Clause 12.01 or Clause 13.02 (a "Tax Payment") and the payment by the Borrower of such amount, any Lender in its sole opinion and based on its own interpretation of any relevant laws or regulations (but acting in good faith) effectively obtains a refund of tax or credit against tax (a "Tax Credit") which in its sole opinion (acting in good faith) is identifiable as being attributable to the Tax Payment and is quantifiable by it without requiring to incur a material amount of time or cost in such identification or quantification, that Lender shall promptly reimburse to the Borrower such amount as such Lender determines in its sole opinion (acting in good faith) to be the proportion of the Tax Credit which will leave the Borrower in no better or worse position that it would have been if the Tax Payment had not been required but only to the extent it is able to do so without prejudice to the retention of the Tax Credit. Each Lender shall have sole discretion (acting reasonably) as to whether to claim any Tax Credit and, if it does claim the extent, order and manner in which it does so; no Lender shall be under an obligation to organise its affairs in a manner which enable a Tax Credit to be obtained or to claim relief from tax on its profits or to disclose details of its

tax affairs or any other confidential information. If the relevant Tax Credit is subsequently disallowed or cancelled, the Borrower shall reimburse to the relevant Lender the amount paid to the Borrower pursuant to this Clause promptly on receipt of notice from such Lender of such disallowance or cancellation.

14. Increased Costs

14.01 If by reason of (a) the introduction of or any change in law, statute, rule, treaty or regulation after the date hereof or in its interpretation or administration and/or (b) compliance with any request from or requirement of any central bank or other fiscal, monetary, regulatory (including self-regulatory) or other authority (whether or not having the force of law) (including, without limitation, a request or requirement which affects the manner in which a Lender allocates capital resources to its obligations hereunder and a request or requirement relating to capital adequacy) and/or (c) the introduction of, changeover to or operation of the euro in any member state of the European Union:

- (i) a Lender incurs a cost as a result of its having entered into and/or performing its obligations under the Financing Documents and/or assuming or maintaining a commitment under the Financing Documents and/or making one or more Advances hereunder, or
- (ii) a Lender suffers a reduction in the rate of return on its capital or any class thereof as a result of it having entered into and/or performing its obligations under the Financing Documents and/or assuming or maintaining a commitment under the Financing Documents and/or making one or more Advances hereunder; or
- (iii) there is any increase in the cost to a Lender of funding or maintaining all or any of the advances comprised in a class of advances formed by or including the Advances made or to be made by it hereunder; or
- (iv) there is a reduction in any amount payable to a Lender;

then the Borrower shall from time to time on demand of the Agent, promptly pay to the Agent for the account of that Lender amounts sufficient to compensate that Lender for, as the case may be, (a) such cost, or (b) such reduction in such rate of return (or such proportion of such reduction as is in the opinion of that Lender, attributable to its obligations hereunder) or (c) such increased cost (or such proportion of such increased cost as is, in the opinion of that Lender acting reasonably, attributable to its funding or maintaining Advances hereunder) in each case except to the extent recoverable under Mandatory Costs or (d) such reduction in amount payable (or such proportion of such reduction as is, in the opinion of that Lender, attributable to its funding or maintaining Advances hereunder).

14.02 A Lender intending to make a claim pursuant to Clause 14.01 shall notify the Agent of the event by reason of which it is entitled to do so upon its becoming aware of the same, whereupon the Agent shall notify the Borrower thereof. The Borrower may (within 30 days of any such notification by the Agent to the Borrower) on not less than five business days written notice by the Borrower to the Agent prepay such Lender's share of all (but not some only) Advances and on the giving of such notice:

- (i) such Lender shall not thereafter be obliged to make Advances hereunder and the amount of its Commitment shall be immediately reduced to zero; and
- (ii) if the Agent on behalf of such Lender so requires, the Borrower shall on the expiry of such notice prepay such Lender's share of any outstanding Advances together with accrued interest thereon and shall pay all other amounts owing to such Lender hereunder.

14.03 Notwithstanding Clause 14.01 above, the Borrower shall not be obliged to make any payment pursuant thereto to the extent that the relevant cost, increased cost, reduction or liability:

- (a) represents Taxation on, or a change in the rate of Taxation on, the overall net income or profits of the Agent or the relevant Lender;
- (b) results from the Agent or relevant Lender having exceeded some limit or failed to comply with some obligation, if on the date on which the matters referred to in Clause 14.01 took effect the Agent or relevant Lender did not (and was not committed to) exceed such limit or breach such obligation;
- (c) is incurred in consequence of the implementation of the matters set out in the report of the Basle Committee on Banking Regulations and Supervisory Practices dated July 1988 and entitled "International Convergence of Capital Measurement and Capital Standards" (including in particular but without limitation any notice or directive of the Bank of England, the Financial Services Authority or any other authority implementing the same in the United Kingdom) unless it results from any change in, or the interpretation or application of, such matters after the date of this Agreement.

15. Illegality

15.01 If at any time hereafter it becomes unlawful for a Lender to make, fund or allow to remain outstanding all or any of the Advances made or to be made by it hereunder, then that Lender shall, promptly after becoming aware of the same, deliver to the Borrower through the Agent a certificate to that effect and:

- (i) such Lender shall not thereafter be obliged to make Advances hereunder and the amount of its Available Commitment shall be immediately reduced to zero; and
- (ii) if such Lender so notifies the Agent (which shall forthwith notify the other parties hereto), such Lender's participation in Advances under Tranche B shall not be capable of renewal under Clause 10.04 and 10.05 and the Borrower shall on such date as the law so requires, prepay such Lender's share of any outstanding Advances together with accrued interest thereon and shall pay all other amounts owing to such Lender hereunder.

16. Mitigation

If circumstances arise in respect of any Lender which would, or would upon the giving of notice, result in:

- (i) the Borrower being obliged to pay to such Lender additional amounts pursuant to Clause 12.01 or Clause 14.01; or
- (ii) the Borrower being obliged to repay such Lender's share in all or any Advances pursuant to Clause 15;

then, without in any way limiting, reducing or otherwise qualifying the Borrower's obligations under this Part 5, such Lender shall, take such reasonable steps as may be open to it to mitigate the effects of such circumstances including the transfer of its lending office to another jurisdiction or the assignment and transfer subject to Clause 32.01(ii) of its rights and obligations hereunder to another bank or financial institution, in each case acceptable to the Borrower and which is willing to participate in the Facility, PROVIDED ALWAYS THAT such Lender shall be under no obligation to make any such transfer or assignment and transfer, in such Lender's opinion, it would or might have an adverse effect upon its business, operations or financial condition or the management of its Taxation affairs.

22. Default Interest and Indemnity

- 22.02 During each such period relating thereto as is mentioned in Clause 22.01 an unpaid sum shall bear interest at the rate per annum which is the sum from time to time of two per cent. (2%), the Applicable Margin at such time, any Mandatory Costs as determined by the Agent plus LIBOR applicable to such period provided that:
- (i) if, for any such period, the Screen Rate is not available and only one or none of the Reference Banks was offering deposits in Sterling for the required period, the rate of interest applicable to such unpaid sum shall be determined by reference to the cost to each of the Reference Banks of obtaining such deposits from such sources as it may reasonably select; and
 - (ii) if such unpaid sum is all or part of an Advance which became due and payable on a day other than the last day of an Interest Period relating thereto, the first such period applicable thereto shall be of a duration equal to the unexpired portion of that Interest Period and the rate of interest applicable thereto during such period shall be that which exceeds by two per cent. (2%) the rate which would have been applicable to it had it not so fallen due.
- 22.03 Any interest which shall have accrued under Clause 22.02 in respect of an unpaid sum shall be due and payable and shall be paid by the Borrower or relevant member of the Group (as applicable) at the end of the period by reference to which it is calculated or on such date as the Agent may specify by written notice to the Borrower.
- 22.04 If any Lender or the Agent on its behalf receives or recovers all or any part of such Lender's share of an Advance otherwise than on the last day of an Interest Period or the Term relating to that Advance the Borrower shall pay to

the Agent on demand for account of such Lender such additional amount as is necessary to compensate such Lender for any loss (including loss of margin) or expense sustained or incurred in liquidating or re-deploying funds utilised, acquired or committed to make, fund or maintain such Advances for such Interest Period or Term.

22.05 The Borrower undertakes to indemnify:

- (i) each of the Agent and the Lenders against any cost, claim, loss or expense, (including legal fees), which any of them may sustain or incur as a consequence of any Event of Default or any default by any Obligor in the performance of any of the obligations expressed to be assumed by it in any of the Financing Documents; and
- (ii) each Lender against any loss it may suffer as a result of its funding an Advance requested by the Borrower but not made unless the Advance was not made because of default by such Lender.

22.06 Any unpaid sum shall (for the purposes of this Clause 22, Clause 14.01 and Schedule 5) be treated as an Advance and accordingly in this Clause 22, in Clause 14.01 and in Schedule 5 the term “Advance” includes any unpaid sum and the term “Interest Period” in relation to an unpaid sum includes each such period relating thereto as is mentioned in Clause 22.01.

PART 8**PAYMENTS****23. Currency of Account and Payment**

- 23.01 The Borrower waives any right it may have in any jurisdiction to pay any amount hereunder in a currency other than that in which it is expressed to be payable hereunder. Each amount payable under any of the Financing Documents shall be paid in the currency in which it is expressed to be denominated or payable, all costs and expenses will be paid in the currency in which they were incurred and all payments in terms of Part 5 shall be made in the currency specified by the party claiming thereunder.
- 23.02 If any sum due from any Obligor under any of the Financing Documents or under any order or judgement given or made in relation thereto has to be converted from the currency (the “first currency”) in which the same is payable into another currency (the “second currency”) for any purpose including without limitation (i) making or filing a claim or proof against any Obligor, (ii) obtaining an order or judgement in any court or other tribunal or (iii) enforcing any order or judgement given or made in relation to any of the Financing Documents, the Borrower shall indemnify and hold harmless each of the persons to whom such sum is due from and against any loss suffered as a result of any discrepancy between (a) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (b) the rate or rates of exchange at which such person may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgement, claim or proof.

24. Payments

- 24.01 On each date on which this Agreement requires an amount to be paid by the Borrower or any of the Lenders hereunder, the Borrower or, as the case may be, such Lender shall make the same available to the Agent prior to 11.00 a.m. by payment in Sterling and in immediately available funds to such account in the United Kingdom as the Agent may have specified for this purpose.
- 24.02 Save as otherwise provided herein, each payment received by the Agent for the account of another person pursuant to Clause 24.01 shall be made available by the Agent to such other person (in the case of a Lender, for the account of its Facility Office) in immediately available funds on the due date for payment hereunder by transfer to such account of such person with such bank in London as such person shall have previously notified to the Agent.
- 24.03 Except to the extent otherwise provided in the Financing Documents and to the extent that the same are exclusively for the account of the Agent or any Lender or Lenders, each payment received by the Agent from any Obligor shall be promptly distributed by the Agent among the Lenders *pro rata* to their respective entitlements thereto.

- 24.04 All payments made by the Borrower hereunder shall be made free and clear of and without any deduction for or on account of any set-off or counter-claim.
- 24.05 All moneys received, recovered or realised by the Lenders by virtue of any guarantee of the Borrower's obligations hereunder may, in the Agent's discretion, be credited to an interest bearing suspense or impersonal account and may be held in such account for so long as the Agent thinks fit pending the application from time to time (as the Agent may reasonably think fit) of such moneys in or towards the payment and discharge of any amounts owing by the Borrower to such Lenders hereunder.
- 24.06 Where a sum is to be paid hereunder to the Agent for the account of another person, the Agent shall not be obliged to make it available to that other person until it has been able to establish to its reasonable satisfaction that it has actually received such sum, but if it does so and it proves to be the case that it had not actually received the sum it paid out, then the person to whom such sum was so made available shall on request refund the same to the Agent together with an amount sufficient to reimburse the Agent for any amount it may have been required to pay out by way of interest on moneys borrowed to fund the sum in question during the period beginning on the business day on which the sum in question was made available to such person and ending on the date on which the Agent receives the same.
- 24.07 If any payment hereunder falls due on a day which is not a business day, it shall fall due on the next succeeding business day unless that day falls in the next calendar month in which case the payment shall fall due on the preceding business day. Interest, fees and commission payable hereunder shall be adjusted accordingly.
- 24.08 If a change in any currency of a country occurs after the date of this Agreement, the Financing Documents will be amended to the extent that the Agent and the Lenders (acting reasonably) consider to be required in order to reflect the change in currency and to put the Lenders in the same position, so far as possible, as they would have been in if no such change in currency had occurred.
- 24.09 If more than one currency or currency unit is at the same time recognised by the central bank of any country as the lawful currency of that country then:-
- (i) any reference in the Financing Documents to, and any obligations arising under the Financing Documents in the currency of that country shall be translated into, or paid in, the currency or currency unit of that country designated by the Agent (acting reasonably); and
 - (ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognised by the central bank of such country for the conversion of that currency or currency unit into the other, rounded up or down by the Agent (acting reasonably).
- 24.10 Save to the extent otherwise agreed by the Agent and the Lenders, if the Agent receives any payment which is insufficient to discharge all of the amounts

then due and payable by the Borrower under the Financing Documents, it shall apply such payment in respect of unpaid costs and expenses due to it, then to accrued interest due and unpaid, then to any amount of principal due but unpaid and finally to any other amount, in each case payable under the Financing Documents.

25. Set-Off

The Borrower authorises the Agent and each Lender to hold as security for all sums which are now or which may at any time hereafter become due to the Agent and the Lenders or any of them by the Borrower under the Financing Documents any balances, credits, deposits, accounts or monies to which it is entitled on any account with the Agent or that Lender and to apply any such balances, credits, deposits, accounts or monies at any time (without prior notice to the Borrower) in satisfaction of any such sums. The Agent or the relevant Lender shall inform the Borrower as soon as reasonably practicable after the occurrence of any set-off or application under this Clause. For this purpose, each Lender is authorised to purchase with the monies standing to the credit of any such account such other currencies as may be necessary to effect such application. No Lender shall be obliged to exercise any right given to it by this Clause 25. The Borrower agrees to the application of any such balances, credits, deposits, accounts or monies in satisfaction of any such sums due and payable by it but unpaid.

26. Re-distribution of Payments

If, at any time, the amount which any Lender (a “Recovering Lender”) has received or recovered (whether by payment, the exercise of a right of set-off or combination of accounts or otherwise of any payment (a “relevant payment”) to be made under the Financing Documents by any member of the Group for account of such Recovering Lender and one or more other Lenders is greater (the amount of such excess being herein called an “excess amount”) than its proportional entitlement, then:

- (i) such Recovering Lender shall pay to the Agent an amount equal to such excess amount;
- (ii) the Agent shall treat the amount received by it from such Recovering Lender pursuant to paragraph (i) as if such amount had been received by it from such member of the Group in respect of such relevant payment and shall pay the same to the persons entitled thereto (including such Recovering Lender) *pro rata* to their respective entitlements thereto; and
- (iii) the liability of such member of the Group to the Recovering Lender shall be treated as not having been reduced by reason of such member’s payment of the excess amount but shall be treated as reduced to each Lender by the shared amount thereof.

PART 9**FEES, COSTS AND EXPENSES****27. Fees**

27.01 Deleted.

27.02 Deleted.

28.03 The Borrower shall pay all stamp, registration and other taxes to which the Financing Documents or any judgement given in connection therewith are at any time subject and shall, from time to time on demand by the Agent, indemnify the Agent and the Lenders against any liabilities, costs, claims and expenses resulting from any failure to pay or any delay in paying any such tax.

28.04 The Agent may apply any part of an Advance in payment and/or reimbursement to itself of any fees, costs, expenses or other payments due by the Borrower under Clauses 27 and 28 and the Borrower hereby irrevocably authorises the deduction of such payment and/or such reimbursement from any Advance.

28.05 If the Borrower fails to perform any of its obligations under this Clause 28, each Lender shall indemnify the Agent against its Pro Rata Percentage of any loss incurred by the Agent as a result of such failure and the Borrower shall forthwith reimburse each Lender for any payment made by it pursuant to this Clause 28.05.

- 29.08 Each Lender shall, from time to time on demand by the Agent, indemnify the Agent against its Pro Rata Percentage of any and all costs, claims, expenses (including legal fees) and liabilities which the Agent may incur in acting in its capacity as agent hereunder save to the extent arising as a result of the gross negligence or wilful default of the Agent.
- 29.09 Neither the Agent nor the Arranger accepts any responsibility for the accuracy and/or completeness of the Accountants Report, the Due Diligence Reports or of any information supplied by any member of the Group in connection herewith or for the legality, validity, effectiveness, adequacy or enforceability of the Financing Documents or any of them and neither the Agent nor the Arranger shall not be under any liability as a result of taking or omitting to take any action in relation to the Financing Documents or any of them.

- 29.13 If the Agent gives notice of its resignation pursuant to Clause 29.12, then any reputable and experienced bank or other financial institution may following consultation with the Borrower be appointed as a successor to the Agent by an Instructing Group during the period of such notice but, if no such successor is

so appointed, the Agent within sixty days of the giving of such notice may following consultation with the Borrower itself appoint such a successor.

- 29.14 If a successor to the Agent is appointed under the provisions of Clause 29.13, then (i) the retiring Agent shall be discharged from any further obligation hereunder but shall remain entitled to the benefit of the provisions of this Clause 29 and (ii) its successor and each of the other parties hereto shall have the same rights and obligations amongst themselves as they would have had if such successor had been a party hereto.
- 29.15 It is understood and agreed by each Lender that it has itself been, and will continue to be, solely responsible for making its own independent appraisal of and investigations into the financial condition, credit-worthiness, condition, affairs, status and nature of the Group and each member thereof and, accordingly, each Lender warrants to the Agent and the Arranger that it has not relied and will not hereafter rely on the Agent or the Arranger:

32.02 Nothing in this Clause 32 shall prevent any Lender from granting participations in its rights with respect to any Advance if the existence of such participations does not affect the rights or obligations of any of the other parties to this Agreement.

32.03 The New Lender (as defined in the Transfer Certificate) shall, on the date on which an assignment or transfer takes effect, pay to the Agent for its own account a fee of £500.

36. Remedies and Waivers

No failure to exercise, nor any delay in exercising, on the part of the Agent and the Lenders or any of them, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or

SCHEDULE 4

MANDATORY COSTS FORMULA

1. Mandatory Costs are an addition to the interest rate to compensate any Lender for the cost of compliance with (a) the requirements of the Bank of England and/or the Financial Services Authority (or, in either case, any other authority which replaces all or any of its functions) or (b) the requirements of the European Central Bank.
2. On the first day of each Interest Period or Term (or as soon as possible thereafter) the Agent shall calculate, as a percentage rate, a rate (the “Additional Cost Rate”) for each Lender in accordance with the paragraphs set out below. The Mandatory Costs will be calculated by the Agent as a weighted average of the Lenders’ Additional Cost Rates (weighted in proportion to the percentage participation of each Lender in the relevant Advance) and will be expressed as a percentage rate per annum.
3. The Additional Cost Rate for any Lender lending from a Facility Office in a Participating Member State will be the percentage notified by that Lender to the Agent. This percentage will be certified by that Lender in its notice to the Agent to be its reasonable determination of the cost (expressed as a percentage of that Lender's participation in all Advances made from that Facility Office) of complying with the minimum reserve requirements of the European Central Bank in respect of loans made from that Facility Office.
4. The Additional Cost Rate for any Lender lending from a Facility Office in the United Kingdom will be calculated by the Agent as follows:

- (a) in relation to a Sterling Advance:

$$\frac{AB + C(B-D) + E \times 0.01}{100 - (A+C)} \text{ per cent. per annum.}$$

- (b) in relation to an Advance in any currency other than Sterling:

$$\frac{E \times 0.01}{300} \text{ per cent. per annum.}$$

Where:

- A is the percentage of Eligible Liabilities (assuming these to be in excess of any stated minimum) which that Lender is from time to time required to maintain as an interest free cash ratio deposit with the Bank of England to comply with cash ratio requirements.
- B is the percentage rate of interest (excluding the Applicable Margin and the Mandatory Costs and, if the Advance is an unpaid sum, the additional rate of interest specified in Clause 37.02) payable for the relevant Interest Period or Term on the Advance.

- C is the percentage (if any) of Eligible Liabilities which that Lender is required from time to time to maintain as interest bearing Special Deposits with the Bank of England.
 - D is the percentage rate per annum payable by the Bank of England to the Agent on interest bearing Special Deposits.
 - E is designed to compensate Lenders for amounts payable under the Fees Rules and is calculated by the Agent as being the average of the most recent rates of charge supplied by the Reference Banks to the Agent pursuant to paragraph 7 below and expressed in pounds per £1,000,000.
5. For the purposes of this Schedule:
- (a) “Eligible Liabilities” and “Special Deposits” have the meanings given to them from time to time under or pursuant to the Bank of England Act 1998 or (as may be appropriate) by the Bank of England;
 - (b) “Fees Rules” means the rules on periodic fees contained in the FSA Supervision Manual or such other law or regulation as may be in force from time to time in respect of the payment of fees for the acceptance of deposits;
 - (c) “Fee Tariffs” means the fee tariffs specified in the Fees Rules under the activity group A.1 Deposit acceptors (ignoring any minimum fee or zero rated fee required pursuant to the Fees Rules but taking into account any applicable discount rate); and
 - (d) “Tariff Base” has the meaning given to it in, and will be calculated in accordance with, the Fees Rules.
6. In application of the above formulae, A, B, C and D will be included in the formulae as percentages (i.e. 5 per cent. will be included in the formula as 5 and not as 0.05). A negative result obtained by subtracting D from B shall be taken as zero. The resulting figures shall be rounded to four decimal places.
7. If requested by the Agent, each Reference Bank shall, as soon as practicable after publication by the Financial Services Authority, supply to the Agent, the rate of charge payable by that Reference Bank to the Financial Services Authority pursuant to the Fees Rules in respect of the relevant financial year of the Financial Services Authority (calculated for this purpose by that Reference Bank as being the average of the Fee Tariffs applicable to that Reference Bank for that financial year) and expressed in pounds per £1,000,000 of the Tariff Base of that Reference Bank.
8. Each Lender shall supply any information required by the Agent for the purpose of calculating its Additional Cost Rate. In particular, but without limitation, each Lender shall supply the following information on or prior to the date on which it becomes a Lender:

- (a) the jurisdiction of its Facility Office; and
- (b) any other information that the Agent may reasonably require for such purpose.

Each Lender shall promptly notify the Agent of any change to the information provided by it pursuant to this paragraph.

9. The percentages of each Lender for the purpose of A and C above and the rates of charge of each Reference Bank for the purpose of E above shall be determined by the Agent based upon the information supplied to it pursuant to paragraphs 7 and 8 above and on the assumption that, unless a Lender notifies the Agent to the contrary, each Lender's obligations in relation to cash ratio deposits and Special Deposits are the same as those of a typical bank from its jurisdiction of incorporation with a Facility Office in the same jurisdiction as its Facility Office.
10. The Agent shall have no liability to any person if such determination results in an Additional Cost Rate which over or under compensates any Lender and shall be entitled to assume that the information provided by any Lender or Reference Bank pursuant to paragraphs 3, 7 and 8 above is true and correct in all respects.
11. The Agent shall distribute the additional amounts received as a result of the Mandatory Costs to the Lenders on the basis of the Additional Cost Rate for each Lender based on the information provided by each Lender and each Reference Bank pursuant to paragraphs 3, 7 and 8 above.
12. Any determination by the Agent pursuant to this Schedule in relation to a formula, the Mandatory Costs, an Additional Cost Rate or any amount payable to a Lender shall, in the absence of manifest error, be conclusive and binding on all parties.
13. The Agent may from time to time, after consultation with the Parent and the Lenders determine and notify to the Lender and the Borrowers any amendments which are required to be made to this Schedule 5 in order to comply with any change in law, regulation or any requirements from time to time imposed by the Bank of England, the Financial Services Authority or the European Central Bank (or, in any case, any other authority which replaces all or any of its functions) and any such determination shall, in the absence of manifest error, be conclusive and binding on the Lenders and the Borrowers.

SCHEDULE 5**PERMITTED ENCUMBRANCES**

BETWEEN

- (1) **SPORTECH PLC** (formerly known as Rodime plc) a company incorporated in Scotland with limited liability (registered number 69140) with its registered office situated at 249 West George Street, Glasgow G2 4RB (the “Borrower”);
- (2) **THE GOVERNOR AND COMPANY OF THE BANK OF SCOTLAND** of The Mound, Edinburgh EH1 1YZ as agent (the “Agent”) for and on behalf of the Banks (as hereinafter defined);
- (3) **THE GOVERNOR AND COMPANY OF THE BANK OF SCOTLAND** as arranger of the address aforesaid (in this capacity the “Arranger”);
- (4) **THE BANKS** named in Schedule 2.

WHEREAS the Borrower has requested the Banks to afford the Facility upon the terms and conditions of this Agreement and the Banks have agreed to do so.

NOW IT IS HEREBY AGREED as follows:

PART 1
THE FACILITY

1. The Facility

The Banks grant to the Borrower upon the terms and subject to the conditions hereof a term loan facility of up to a maximum principal amount of One Hundred and Four Million Pounds (£104,000,000).

2. Purpose and Application of Advances

2.01 The purpose of the Facility is to enable the Borrower to discharge its obligations to the Vendor under Clause 4 of the Share Purchase Agreement and accordingly the Borrower shall apply all amounts borrowed by it hereunder in or towards satisfaction of such purposes.

2.02 Subject to the terms of this Agreement and in particular to Clause 2.01, Advances may be made to the Borrower on the Completion Date. Advances under the Facility once repaid may not be redrawn.

2.03 Without prejudice to the obligations of the Borrower under Clause 2.01, neither the Agent, the Banks nor any of them shall be obliged to concern themselves with the application of Advances.

3. Conditions Precedent

3.01 Deleted.

3.02 Deleted.

3.03 Deleted.

4. Nature of Banks' Obligations

4.01 The obligations of each Bank under the Financing Documents are separate and not joint and several and the total amounts outstanding at any time under the Financing Documents and due to each Bank constitute separate and independent debts.

4.02 The failure by a Bank to perform its obligations hereunder shall not affect the obligations of the Borrower towards any other party hereto nor shall any such other party be liable for the failure by a Bank to perform its obligations hereunder.

5. Rights of Borrower

Only the Borrower may draw down Advances under the Facility.

PART 2

AVAILABILITY OF THE FACILITY

6. Availability of the Facility

6.01 Deleted.

6.02 Deleted.

6.03 Deleted.

PART 3**INTEREST****7. Interest Periods**

- 7.01 The period for which an Advance is outstanding shall be divided into successive periods each of which (other than the first which shall start on the date of drawdown of the Advance) shall start on the expiry of the preceding period.
- 7.02 Save as otherwise agreed between the Borrower and the Banks, the duration of each Interest Period shall be for one, two, three, or six months, in each case as the Borrower may (save in the case of the first Interest Period in relation to an Advance when the selection shall be made in the Drawdown Notice) select by not less than three business days' prior notice to the Agent. If the Borrower fails to give such notice the duration of that Interest Period shall be three months.
- 7.03 Any Interest Period which would otherwise end during the month preceding or extend beyond the Final Repayment Date shall be of such duration that it shall end on the Final Repayment Date.
- 7.04 The Agent and the Borrower may agree to adjust the length of any Interest Period as they may consider appropriate in order that such Interest Period ends on the day on which any payments are to be made in relation to any Permitted Hedging Transaction.

8. Interest

- 8.01 On the last day of each Interest Period (or in the case of an Interest Period of more than three months duration on the last day of the first three months from the start of the relevant Interest Period and thereafter on the last day of each period of three months falling thereafter or, if earlier, the last day of the relevant Interest Period) the Borrower shall pay accrued interest on the Advance to which such Interest Period relates.
- 8.02 The rate of interest applicable to an Advance shall be the rate per annum which is the sum of the Applicable Margin for the relevant Interest Period, LIBOR for the relevant Interest Period and Mandatory Costs as determined by the Agent.
- 8.03 Interest and fees shall accrue from day to day and shall be calculated on the basis of a year of 365 days and the actual number of days elapsed.

9. Alternative Interest Rates

- 9.01 If the Agent acting reasonably determines that as a result of circumstances applying in the London Interbank Market generally at 11.00 a.m. on the Quotation Date for an Interest Period the Screen Rate is not available and only one or none of the Reference Banks was offering deposits in Sterling to prime banks in the London Interbank Market for the proposed duration of such Interest Period or that otherwise LIBOR cannot be determined or if the Agent

shall have received notice from a Bank or Banks whose participations in an Advance constitute at least one-third in aggregate of that Advance that LIBOR does not fully reflect their cost of funding their respective participations in the relevant Advance, then, notwithstanding the provisions of Clauses 7 and 8:

- (i) the Agent shall notify the Borrower and the Banks of such event;
- (ii) the duration of that Interest Period shall be one month;
- (iii) if the Agent or the Borrower so requires within five business days of such notification, for the immediately following period of thirty business days the Agent, the Banks and the Borrower shall enter into negotiation in good faith with a view to agreeing a substitute basis (a) for determining the rates of interest from time to time applicable to Advances and/or (b) upon which such Advances may be made and maintained thereafter, in both cases on the basis that the net return to the Banks shall be the same as it would have been had such event not occurred. If a substitute basis is agreed it shall apply in accordance with the terms agreed retrospectively as appropriate to all Advances made or renewed since the Agent's notification referred to in Clause 9.01(i) and Advances may thereupon again be made on the substitute basis for so long as such circumstances shall prevail;
- (iv) for so long as such circumstances prevail and provided that a substitute basis as specified in sub-Clause (iii) above has not been agreed the rate of interest applicable to Advances shall be the rate per annum which is the sum of the Applicable Margin, Mandatory Costs as determined by the Agent and in relation to each Bank's participation in Advances the rate rounded upwards (if necessary) to four decimal places notified by such Bank to the Agent as that which expresses as a percentage rate per annum the cost to such Bank of funding from whatever reasonable sources it may select an amount equal to its participation in such Advance for delivery on the first day of such Interest Period and for repayment at the end of such Interest Period; and
- (v) for so long as such circumstances prevail the Agent and the Borrower shall from time to time, but at least monthly, review whether such circumstances still prevail, with a view to returning to the normal provisions of this Agreement.

9.02 If the alternative interest rate charged by any Bank pursuant to Clause 9.01(iv) is unacceptable to the Borrower, the Borrower may (within 30 days of the setting of the rate referred to in Clause 9.01(iv) above) on not less than five business days' written notice by the Borrower to the Agent prepay such Bank's share of all (but not some only) Advances and on the giving of such notice:

- (i) such Bank shall not thereafter be obliged to make Advances hereunder and the amount of its Commitment shall be immediately reduced to zero; and

- (ii) if the Agent on behalf of such Bank so requires, the Borrower shall on the expiry of such notice prepay such Bank's share of any outstanding Advances together with accrued interest thereon and shall pay all other amounts owing to such Bank hereunder.

PART 4**REPAYMENT AND PREPAYMENT****10. Repayment**

Unless earlier repayment is required under the terms of this Agreement, on each date set out in Column (1) in Schedule 4 the Borrower will repay the principal amount advanced under the Facility by an instalment equal to the principal amount set out in Column (2) opposite that date.

11. Prepayment

- 11.01 The Borrower may, if has given to the Agent not less than thirty days' prior written notice to that effect, prepay the whole or any part of any Advance made to it (being an amount or integral multiple of Five Million Pounds (£5,000,000) or the balance of the amount outstanding under this Agreement).
- 11.02 Any notice of prepayment given by the Borrower pursuant to Clause 11.01 shall be irrevocable, shall specify the date upon which such prepayment is to be made and shall oblige the Borrower to make such prepayment on such date.
- 11.03 On receipt by any member of the Group of any Net Proceeds the Borrower shall procure that an amount equal to such Net Proceeds shall forthwith be applied in repaying Advances under the Facility.
- 11.04 The Borrower shall not repay or prepay all or any part of any Advance except at the times and in the manner expressly provided for in this Agreement and shall not be entitled to re-borrow any amount repaid or prepaid. Any prepayments shall be made together with accrued interest thereon and all other amounts payable under this Agreement in relation to the amount prepaid calculated up to the date of prepayment.
- 11.05 Any sums prepaid in respect of the Facility shall be applied pro rata against the instalments set out in Schedule 4.
- 11.06 The Borrower shall prepay all amounts outstanding under this Agreement (and the amount of the Commitments will be reduced to nil) on the occurrence of a Change of Control.
- 11.07 Any prepayment or cancellation in accordance with the terms of this Clause 11 shall be without any premium or fee except for any breakage costs payable to the Banks pursuant to Clause 22.04 except that (subject to Clause 32.04) where any prepayment or cancellation is made pursuant to, in contemplation of or otherwise in connection with a refinancing of the Facility by any person other than the Banks, the Borrower shall on the date of prepayment pay the Agent for account of the Banks a prepayment fee equal to zero point five per cent. (0.5%) of the amount prepaid and/or cancelled on the business day immediately prior to such prepayment or cancellation.

- 11.08 Where any amount to be prepaid under Clause 11.03 is received by the Agent during an Interest Period, the Agent will (subject to the terms of Clause 11.10) retain such amount in a Security Account until the end of such Interest Period and will apply such amount against the relevant Advance on the expiry of such Interest Period.
- 11.09 Sums held by the Agent under Clause 11.08 will be placed in a Security Account pending application against the relevant Advance and the interest earned on such account will be applied by the Agent towards the interest due in respect of the relevant Advance at the time the amount is applied in prepayment of such Advance. The rate of interest payable on such account will be the best commercial deposit rate payable by the Agent for sums equivalent to the amount credited to the Security Account for the anticipated duration of the deposit.
- 11.10 The Borrower may by written notice to the Agent require that any Interest Period be broken and that the proceeds arising under Clause 11.03 be applied immediately towards prepayment of the relevant Advance subject to payment of any breakage costs thereby incurred by the Banks.

PART 5
CHANGES IN CIRCUMSTANCES

12. Taxes

- 12.01 All payments to be made by or on behalf of the Borrower to any person hereunder shall be made free and clear of and without deduction for or on account of Taxation unless the Borrower is required by law to make such a payment subject to the deduction or withholding of Taxation, in which case the sum payable by the Borrower in respect of which such deduction or withholding is required to be made shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, such person receives and retains (free from any liability in respect of any such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.
- 12.02 Without prejudice to the provisions of Clause 12.01, if any Bank, or the Agent on its behalf, is required to make any payment on account of Taxation or otherwise (not being Taxation imposed on its overall net income or gains) on or in relation to any sum received or receivable hereunder by such Bank or the Agent on its behalf (including, without limitation, any sum received or receivable under this Clause 12) or any liability in respect of any such payment is asserted, imposed, levied or assessed against such Bank or the Agent, the Borrower shall promptly indemnify the Agent, and such Bank against such payment or liability, together with any interest, penalties and expenses payable or incurred in connection therewith.
- 12.03 A Bank intending to make a claim pursuant to Clause 12.01 shall notify the Agent of the event by reason of which it is entitled to do so upon it becoming aware of the same, whereupon the Agent shall notify the Borrower thereof. The Borrower may (within 30 days of the giving of such notification to the Borrower) on not less than five business days' written notice by the Borrower to the Agent prepay such Bank's share of all (but not some only) Advances and on the giving of such notice:
- (i) such Bank shall not thereafter be obliged to make Advances hereunder and the amount of its Commitment shall be immediately reduced to zero; and
 - (ii) if the Agent on behalf of such Bank so requires, and the Borrower shall on the expiry of such notice prepay such Bank's share of any outstanding Advances together with accrued interest thereon and shall pay all other amounts owing to such Bank hereunder.
- 12.04 No additional amount will be payable to a Bank under Clause 12.01 as a result of any deduction, withholding or payment of United Kingdom Taxation to the extent that at the time such deduction, withholding or payment requires to be made such Bank is not a Qualifying Bank and such deduction, withholding or

payment would not have been required to be made if such Bank had been a Qualifying Bank unless the reason such Bank is not a Qualifying Bank is a change of any law, treaty or directive or in the application or interpretation thereof or in any practice or concession of the United Kingdom Inland Revenue, in each case after the date of this Agreement.

- 12.05 Each Bank hereby confirms to the Borrower and the Agent that as at the date of this Agreement (or if later the date on which such Bank becomes a party to this Agreement) it is a Qualifying Bank and that it shall forthwith notify the Borrower and the Agent if this confirmation ceases to be correct.

13. Tax Receipts

- 13.01 If, at any time, the Borrower is required by law to make any deduction or withholding from any sum payable by it hereunder (or if thereafter there is any change in the rates at which or the manner in which such deductions or withholdings are calculated), the Borrower shall promptly notify the Agent.
- 13.02 If the Borrower makes any payment hereunder in respect of which it is required pursuant to applicable law to make any deduction or withholding it shall pay the full amount required to be deducted or withheld to the relevant taxation or other authority within the time allowed for such payment under applicable law and shall deliver to the Agent for each Bank, within thirty days after it has made such payment to the applicable authority, an original receipt (or a certified copy thereof) issued by such authority evidencing the payment to such authority of all amounts so required to be deducted or withheld in respect of that Bank's share of such payment.
- 13.03 If, following the imposition on the Borrower of a requirement to pay an additional amount under Clause 12.01 or Clause 13.02 (a "Tax Payment") and the payment by the Borrower of such amount, any Bank in its sole opinion and based on its own interpretation of any relevant laws or regulations (but acting in good faith) effectively obtains a refund of tax or credit against tax (a "Tax Credit") which in its sole opinion (acting in good faith) is identifiable as being attributable to the Tax Payment and is quantifiable by it without requiring to incur a material amount of time or cost in such identification or quantification, that Bank shall promptly reimburse to the Borrower such amount as such Bank determines in its sole opinion (acting in good faith) to be the proportion of the Tax Credit which will leave the Borrower in no better or worse position that it would have been if the Tax Payment had not been required but only to the extent it is able to do so without prejudice to the retention of the Tax Credit. Each Bank shall have sole discretion (acting reasonably) as to whether to claim any Tax Credit and, if it does claim the extent, order and manner in which it does so; no Bank shall be under an obligation to organise its affairs in a manner which enable a Tax Credit to be obtained or to claim relief from tax on its profits or to disclose details of its tax affairs or any other confidential information. If the relevant Tax Credit is subsequently disallowed or cancelled, the Borrower shall reimburse to the relevant Bank the amount paid to the Borrower pursuant to this Clause

promptly on receipt of notice from such Bank of such disallowance or cancellation.

14. Increased Costs

14.01 If by reason of (a) the introduction of or any change in law, statute, rule, treaty or regulation after the date hereof or in its interpretation or administration and/or (b) compliance with any request from or requirement of any central bank or other fiscal, monetary, regulatory (including self-regulatory) or other authority (whether or not having the force of law) (including, without limitation, a request or requirement which affects the manner in which a Bank allocates capital resources to its obligations hereunder and a request or requirement relating to capital adequacy) and/or (c) the introduction of, changeover to or operation of the euro in any member state of the European Union:

- (i) a Bank incurs a cost as a result of its having entered into and/or performing its obligations under the Financing Documents and/or assuming or maintaining a commitment under the Financing Documents and/or making one or more Advances hereunder; or
- (ii) a Bank suffers a reduction in the rate of return on its capital or any class thereof as a result of it having entered into and/or performing its obligations under the Financing Documents and/or assuming or maintaining a commitment under the Financing Documents and/or making one or more Advances hereunder; or
- (iii) there is any increase in the cost to a Bank of funding or maintaining all or any of the advances comprised in a class of advances formed by or including the Advances made or to be made by it hereunder; or
- (iv) there is a reduction in any amount payable to a Bank;

then the Borrower shall from time to time on demand of the Agent, promptly pay to the Agent for the account of that Bank amounts sufficient to compensate that Bank for, as the case may be, (a) such cost, or (b) such reduction in such rate of return (or such proportion of such reduction as is in the opinion of that Bank, attributable to its obligations hereunder) or (c) such increased cost (or such proportion of such increased cost as is, in the opinion of that Bank acting reasonably, attributable to its funding or maintaining Advances hereunder) in each case except to the extent recoverable under Mandatory Costs or (d) such reduction in amount payable (or such proportion of such reduction as is, in the opinion of that Bank, attributable to its funding or maintaining Advances hereunder).

14.02 A Bank intending to make a claim pursuant to Clause 14.01 shall notify the Agent of the event by reason of which it is entitled to do so upon its becoming aware of the same, whereupon the Agent shall notify the Borrower thereof. The Borrower may (within 30 days of any such notification by the Agent to

the Borrower) on not less than five business days written notice by the Borrower to the Agent prepay such Bank's share of all (but not some only) Advances and on the giving of such notice:

- (i) such Bank shall not thereafter be obliged to make Advances hereunder and the amount of its Commitment shall be immediately reduced to zero; and
- (ii) if the Agent on behalf of such Bank so requires, the Borrower shall on the expiry of such notice prepay such Bank's share of any outstanding Advances together with accrued interest thereon and shall pay all other amounts owing to such Bank hereunder.

14.03 Notwithstanding Clause 14.01 above, the Borrower shall not be obliged to make any payment pursuant thereto to the extent that the relevant cost, increased cost, reduction or liability:

- (a) represents Taxation on, or a change in the rate of Taxation on, the overall net income or profits of the Agent or the relevant Bank;
- (b) results from the Agent or relevant Bank having exceeded some limit or failed to comply with some obligation, if on the date on which the matters referred to in Clause 14.01 took effect the Agent or relevant Bank did not (and was not committed to) exceed such limit or breach such obligation;
- (c) is incurred in consequence of the implementation of the matters set out in the report of the Basle Committee on Banking Regulations and Supervisory Practices dated July 1988 and entitled "International Convergence of Capital Measurement and Capital Standards" (including in particular but without limitation any notice or directive of the Bank of England, the Financial Services Authority or any other authority implementing the same in the United Kingdom) unless it results from any change in, or the interpretation or application of, such matters after the date of this Agreement.

15. Illegality

15.01 If at any time hereafter it becomes unlawful for a Bank to make, fund or allow to remain outstanding all or any of the Advances made or to be made by it hereunder, then that Bank shall, promptly after becoming aware of the same, deliver to the Borrower through the Agent a certificate to that effect and:

- (i) such Bank shall not thereafter be obliged to make Advances hereunder and the amount of its Available Commitment shall be immediately reduced to zero; and
- (ii) if such Bank so notifies the Agent (which shall forthwith notify the other parties hereto), the Borrower shall on such date as the law so requires, prepay such Bank's share of any outstanding Advances

together with accrued interest thereon and shall pay all other amounts owing to such Bank hereunder.

16. Mitigation

If circumstances arise in respect of any Bank which would, or would upon the giving of notice, result in:

- (i) the Borrower being obliged to pay to such Bank additional amounts pursuant to Clause 12.01 or Clause 14.01; or
- (ii) the Borrower being obliged to repay such Bank's share in all or any Advances pursuant to Clause 15;

then, without in any way limiting, reducing or otherwise qualifying the Borrower's obligations under this Part 5, such Bank shall, take such reasonable steps as may be open to it to mitigate the effects of such circumstances including the transfer of its lending office to another jurisdiction or the assignment and transfer subject to Clause 32.01(ii) of its rights and obligations hereunder to another bank or financial institution, in each case acceptable to the Borrower and which is willing to participate in the Facility, PROVIDED ALWAYS THAT such Bank shall be under no obligation to make any such transfer or assignment and transfer, in such Bank's opinion, it would or might have an adverse effect upon its business, operations or financial condition or the management of its Taxation affairs.

PART 6

REPRESENTATIONS AND WARRANTIES, COVENANTS AND EVENTS OF DEFAULT

17. Representations and Warranties

17.01 The Borrower represents and warrants to the Agent and the Banks that:

DEFAULT INTEREST AND INDEMNITY

22. Default Interest and Indemnity

- 22.01 If any sum due and payable by any Obligor under the Financing Documents is not paid on the due date therefor in accordance with the provisions of Clauses 23 and 24 or if any sum due and payable by any Obligor under any judgement of any court in connection herewith is not paid on the date of such judgement, the period beginning on such due date or, as the case may be, the date of such judgement and ending on the date upon which the obligation of that Obligor to pay such sum (the balance thereof for the time being unpaid being herein referred to as an “unpaid sum”) is discharged shall be divided into successive periods, each of which (other than the first, which shall commence on the date on which the unpaid sum became due and payable) shall start on the last day of the preceding such period and the duration of each of which shall be selected by the Agent and thereafter notified promptly to the Borrower and the Banks.
- 22.02 During each such period relating thereto as is mentioned in Clause 22.01 an unpaid sum shall bear interest at the rate per annum which is the sum from time to time of two per cent. (2%), the Applicable Margin at such time, any Mandatory Costs as determined by the Agent plus LIBOR applicable to such period provided that:
- (i) if, for any such period, the Screen Rate is not available and only one or none of the Reference Banks was offering deposits in Sterling for the required period, the rate of interest applicable to such unpaid sum shall be determined by reference to the cost to each of the Reference Banks of obtaining such deposits from such sources as it may reasonably select; and
 - (ii) if such unpaid sum is all or part of an Advance which became due and payable on a day other than the last day of an Interest Period relating thereto, the first such period applicable thereto shall be of a duration equal to the unexpired portion of that Interest Period and the rate of interest applicable thereto during such period shall be that which exceeds by two per cent. (2%) the rate which would have been applicable to it had it not so fallen due.
- 22.03 Any interest which shall have accrued under Clause 22.02 in respect of an unpaid sum shall be due and payable and shall be paid by the Borrower or relevant member of the Group (as applicable) at the end of the period by reference to which it is calculated or on such date as the Agent may specify by written notice to the Borrower.
- 22.04 If any Bank or the Agent on its behalf receives or recovers all or any part of such Bank's share of an Advance otherwise than on the last day of an Interest Period relating to that Advance the Borrower shall pay to the Agent on

demand for account of such Bank such additional amount as is necessary to compensate such Bank for any loss (including loss of margin) or expense sustained or incurred in liquidating or re-deploying funds utilised, acquired or committed to make, fund or maintain such Advances for such Interest Period.

22.05 The Borrower undertakes to indemnify:

- (i) each of the Agent and the Banks against any cost, claim, loss or expense, (including legal fees), which it may sustain or incur as a consequence of any Event of Default or any default by any Obligor in the performance of any of the obligations expressed to be assumed by it in any of the Financing Documents; and
- (ii) each Bank against any loss it may suffer as a result of its funding an Advance requested by the Borrower but not made unless the Advance was not made because of default by such Bank.

22.06 Any unpaid sum shall (for the purposes of this Clause 22, Clause 14.01 and Schedule 5) be treated as an Advance and accordingly in this Clause 22, in Clause 14.01 and in Schedule 5 the term “Advance” includes any unpaid sum and the term “Interest Period” in relation to an unpaid sum includes each such period relating thereto as is mentioned in Clause 22.01.

PART 8**PAYMENTS****23. Currency of Account and Payment**

- 23.01 The Borrower waives any right it may have in any jurisdiction to pay any amount hereunder in a currency other than that in which it is expressed to be payable hereunder. Each amount payable under any of the Financing Documents shall be paid in the currency in which it is expressed to be denominated or payable, all costs and expenses will be paid in the currency in which they were incurred and all payments in terms of Part 5 shall be made in the currency specified by the party claiming thereunder.
- 23.02 If any sum due from any Obligor under any of the Financing Documents or under any order or judgement given or made in relation thereto has to be converted from the currency (the “first currency”) in which the same is payable into another currency (the “second currency”) for any purpose including without limitation (i) making or filing a claim or proof against any Obligor, (ii) obtaining an order or judgement in any court or other tribunal or (iii) enforcing any order or judgement given or made in relation to any of the Financing Documents, the Borrower shall indemnify and hold harmless each of the persons to whom such sum is due from and against any loss suffered as a result of any discrepancy between (a) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (b) the rate or rates of exchange at which such person may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgement, claim or proof.

24. Payments

- 24.01 On each date on which this Agreement requires an amount to be paid by the Borrower or any of the Banks hereunder, the Borrower or, as the case may be, such Bank shall make the same available to the Agent prior to 11.00 a.m. by payment in Sterling and in immediately available funds to such account in the United Kingdom as the Agent may have specified for this purpose.
- 24.02 Save as otherwise provided herein, each payment received by the Agent for the account of another person pursuant to Clause 24.01 shall be made available by the Agent to such other person (in the case of a Bank, for the account of its Facility Office) in immediately available funds on the due date for payment hereunder by transfer to such account of such person with such bank in London as such person shall have previously notified to the Agent.
- 24.03 Except to the extent otherwise provided in the Financing Documents and to the extent that the same are exclusively for the account of the Agent or any Bank or Banks, each payment received by the Agent from any Obligor shall be promptly distributed by the Agent among the Banks *pro rata* to their respective entitlements thereto.

- 24.04 All payments made by the Borrower hereunder shall be made free and clear of and without any deduction for or on account of any set-off or counterclaim.
- 24.05 All moneys received, recovered or realised by the Banks by virtue of any guarantee of the Borrower's obligations hereunder may, in the Agent's discretion, be credited to an interest bearing suspense or impersonal account and may be held in such account for so long as the Agent thinks fit pending the application from time to time (as the Agent may reasonably think fit) of such moneys in or towards the payment and discharge of any amounts owing by the Borrower to such Banks hereunder.
- 24.06 Where a sum is to be paid hereunder to the Agent for the account of another person, the Agent shall not be obliged to make it available to that other person until it has been able to establish to its reasonable satisfaction that it has actually received such sum, but if it does so and it proves to be the case that it had not actually received the sum it paid out, then the person to whom such sum was so made available shall on request refund the same to the Agent together with an amount sufficient to reimburse the Agent for any amount it may have been required to pay out by way of interest on moneys borrowed to fund the sum in question during the period beginning on the business day on which the sum in question was made available to such person and ending on the date on which the Agent receives the same.
- 24.07 If any payment hereunder falls due on a day which is not a business day, it shall fall due on the next succeeding business day unless that day falls in the next calendar month in which case the payment shall fall due on the preceding business day. Interest, fees and commission payable hereunder shall be adjusted accordingly.
- 24.08 If a change in any currency of a country occurs after the date of this Agreement, the Financing Documents will be amended to the extent that the Agent and the Banks (acting reasonably) consider to be required in order to reflect the change in currency and to put the Banks in the same position, so far as possible, as they would have been in if no such change in currency had occurred.
- 24.09 If more than one currency or currency unit is at the same time recognised by the central bank of any country as the lawful currency of that country then:
- (i) any reference in the Financing Documents to, and any obligations arising under the Financing Documents in the currency of that country shall be translated into, or paid in, the currency or currency unit of that country designated by the Agent (acting reasonably); and
 - (ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognised by the central bank of such country for the conversion of that currency or currency unit into the other, rounded up or down by the Agent (acting reasonably).

- 24.10 Save to the extent otherwise agreed by the Agent and the Banks, if the Agent receives any payment which is insufficient to discharge all of the amounts then due and payable by the Borrower under the Financing Documents, it shall apply such payment in respect of unpaid costs and expenses due to it, then to accrued interest due and unpaid, then to any amount of principal due but unpaid and finally to any other amount, in each case payable under the Financing Documents.

25. Set-Off

The Borrower authorises the Agent and each Bank to hold as security for all sums which are now or which may at any time hereafter become due to the Agent and the Banks or any of them by the Borrower under the Financing Documents any balances, credits, deposits, accounts or monies to which it is entitled on any account with the Agent or that Bank and to apply any such balances, credits, deposits, accounts or monies at any time (without prior notice to the Borrower) in satisfaction of any such sums. The Agent or the relevant Bank shall inform the Borrower as soon as reasonably practicable after the occurrence of any set-off or application under this Clause. For this purpose, each Bank is authorised to purchase with the monies standing to the credit of any such account such other currencies as may be necessary to effect such application. No Bank shall be obliged to exercise any right given to it by this Clause 25. The Borrower agrees to the application of any such balances, credits, deposits, accounts or monies in satisfaction of any such sums due and payable by it but unpaid.

26. Re-distribution of Payments

If, at any time, the amount which any Bank (a "Recovering Bank") has received or recovered (whether by payment, the exercise of a right of set-off or combination of accounts or otherwise of any payment (a "relevant payment") to be made under the Financing Documents by any member of the Group for account of such Recovering Bank and one or more other Banks is greater (the amount of such excess being herein called an "excess amount") than its proportional entitlement, then:

- (i) such Recovering Bank shall pay to the Agent an amount equal to such excess amount;
- (ii) the Agent shall treat the amount received by it from such Recovering Bank pursuant to paragraph (i) as if such amount had been received by it from such member of the Group in respect of such relevant payment and shall pay the same to the persons entitled thereto (including such Recovering Bank) *pro rata* to their respective entitlements thereto; and
- (iii) the liability of such member of the Group to the Recovering Bank shall be treated as not having been reduced by reason of such member's payment of the excess amount but shall be treated as reduced to each Bank by the shared amount thereof.

PART 9**FEES, COSTS AND EXPENSES****27. Fees**

27.01 Deleted.

27.02 Deleted.

27.03 The Borrower shall pay to the Agent for its own account the agency fee specified in the letter dated on or around the date hereof from the Agent to the Borrower at the times and in the amounts specified in such letter.

27.04 Fees and commission shall accrue from day to day and shall be calculated on the basis of a year of 365 days and the actual number of days elapsed.

28. Costs and Expenses

28.01 The Borrower shall, from time to time on demand by the Agent reimburse the Agent for all reasonable costs and expenses (including legal fees and value added tax) properly incurred by it in connection with the negotiation, preparation and execution of the Financing Documents including, without limitation, the Security Documents to be executed after the date hereof, the completion of the transactions herein contemplated and the syndication of the Facility.

28.03 The Borrower shall pay all stamp, registration and other taxes to which the Financing Documents or any judgement given in connection therewith are at any time subject and shall, from time to time on demand by the Agent, indemnify the Agent and the Banks against any liabilities, costs, claims and expenses resulting from any failure to pay or any delay in paying any such tax.

28.04 The Agent may apply any part of an Advance in payment and/or reimbursement to itself of any fees, costs, expenses or other payments due by the Borrower under Clauses 27 and 28 and the Borrower hereby irrevocably authorises the deduction of such payment and/or such reimbursement from any Advance.

28.05 If the Borrower fails to perform any of its obligations under this Clause 28, each Bank shall indemnify the Agent against its Pro Rata Percentage of any loss incurred by the Agent as a result of such failure and the Borrower shall forthwith reimburse each Bank for any payment made by it pursuant to this Clause 28.05.

- (vii) refrain from acting in accordance with any instructions of an Instructing Group to begin any legal action or proceeding arising out of or in connection with the Financing Documents until it shall have received such security as it may require (whether by way of payment in advance or otherwise) for all costs, claims, expenses (including legal fees) and liabilities which it will or may expend or incur in complying with such instructions.

29.03 The Agent shall:

29.06 Where the Agent is instructed or authorised by an Instructing Group pursuant to Clauses 29.03(iii) or 29.03(iv) those Banks who do not form part of an Instructing Group hereby waive any rights which they may have against the Agent in respect of the Agent's giving any consent, determination, assurance, satisfaction or waiver or the Agent's refraining from exercising any right, power or discretion and the Banks shall indemnify the Agent in respect of any loss it may suffer as a result of taking or failing to take such action.

29.07 Notwithstanding anything to the contrary expressed or implied herein, the Agent and the Arranger shall not:

- (iv) be under any obligations other than those for which express provision is made herein;

- (v) be bound to examine or enquire into or be responsible for the legality, validity, effectiveness, adequacy or enforceability of any of the Financing Documents or any agreement, assignment or other document relating thereto or its ability to exercise the rights, trusts, powers, authorities and discretions thereby conferred and so that neither the Agent or the Arranger shall be responsible for its inability to exercise any of the same or for any loss or damage thereby arising; or
- (vi) be bound to take any steps or perform any obligation or exercise any right or fulfil any request if to do so might in its sole opinion breach of conflict with or contradict or be contrary to any rule, regulation, law, regulatory requirement, court order or judgment in any jurisdiction or expose either of the Agent or the Arranger to any liabilities in any jurisdiction.

29.08 Each Bank shall, from time to time on demand by the Agent, indemnify the Agent against its Pro Rata Percentage of any and all costs, claims, expenses (including legal fees) and liabilities which the Agent may incur in acting in its capacity as agent hereunder save to the extent arising as a result of the gross negligence or wilful default of the Agent.

29.09 Neither the Agent nor the Arranger accepts any responsibility for the accuracy and/or completeness of the Accountants Report, the Due Diligence Reports or of any information supplied by any member of the Group in connection herewith or for the legality, validity, effectiveness, adequacy or enforceability of the Financing Documents or any of them and neither the Agent nor the Arranger shall not be under any liability as a result of taking or omitting to take any action in relation to the Financing Documents or any of them.

29.10 Each of the Banks agrees that it will not assert or seek to assert against any director, officer or employee of the Agent or the Arranger any claim it might have against any of them in respect of the matters referred to in Clause 29.08.

29.11 The Agent may accept deposits from, lend money to and generally engage in any kind of banking or other business on its own account with each member of the Group.

29.12 The Agent may following prior consultation with the Borrower and in accordance with the terms of Clause 32.04 resign its appointment hereunder at any time without assigning any reason therefor by giving not less than thirty days' prior written notice to that effect to each of the other parties hereto provided that no such resignation shall be effective until a successor for the Agent is appointed in accordance with the succeeding provisions of this Clause 29.

29.13 If the Agent gives notice of its resignation pursuant to Clause 29.12, then any reputable and experienced bank or other financial institution may following consultation with the Borrower be appointed as a successor to the Agent by an Instructing Group during the period of such notice but, if no such successor is

so appointed, the Agent within sixty days of the giving of such notice may following consultation with the Borrower itself appoint such a successor.

- 29.14 If a successor to the Agent is appointed under the provisions of Clause 29.13, then (i) the retiring Agent shall be discharged from any further obligation hereunder but shall remain entitled to the benefit of the provisions of this Clause 29 and (ii) its successor and each of the other parties hereto shall have the same rights and obligations amongst themselves as they would have had if such successor had been a party hereto.
- 29.15 It is understood and agreed by each Bank that it has itself been, and will continue to be, solely responsible for making its own independent appraisal of and investigations into the financial condition, credit-worthiness, condition, affairs, status and nature of the Group and each member thereof and, accordingly, each Bank warrants to the Agent and the Arranger that it has not relied and will not hereafter rely on the Agent or the Arranger:
- (i) to check or enquire on its behalf into the adequacy, accuracy or completeness of any information provided by or on behalf of the Group and each member thereof in connection with the Financing Documents or the transactions herein contemplated (whether or not such information has been or is hereafter circulated to such Bank by the Agent or the Arranger); or

- (i) the Borrower and the Agent may continue to treat such Bank as a Bank named herein for all purposes hereof with respect to such assigned, novated or transferred rights and obligations until the Agent shall have received (a) an agreement in form and substance satisfactory to it providing that the assignee or transferee is bound by the Financing Documents with respect to such rights and obligations as fully and to the same extent as if it were the Bank originally obligated under such obligations or owned such rights and (b) its representation and warranty to the same effect as set forth in Clause 29.15 as of the effective date of the assignment, novation or transfer to such assignee or transferee;

32.03 The New Bank (as defined in the Transfer Certificate) shall, on the date on which an assignment or transfer takes effect, pay to the Agent for its own account a fee of £500.

SCHEDULE 5

MANDATORY COSTS FORMULA

1. Mandatory Costs are an addition to the interest rate to compensate any Bank for the cost of compliance with (a) the requirements of the Bank of England and/or the Financial Services Authority (or, in either case, any other authority which replaces all or any of its functions) or (b) the requirements of the European Central Bank.
2. On the first day of each Interest Period (or as soon as possible thereafter) the Agent shall calculate, as a percentage rate, a rate (the “Additional Cost Rate”) for each Bank in accordance with the paragraphs set out below. The Mandatory Costs will be calculated by the Agent as a weighted average of the Banks' Additional Cost Rates (weighted in proportion to the percentage participation of each Bank in the relevant Advance) and will be expressed as a percentage rate per annum.
3. The Additional Cost Rate for any Bank lending from a Facility Office in a Participating Member State will be the percentage notified by that Bank to the Agent. This percentage will be certified by that Bank in its notice to the Agent to be its reasonable determination of the cost (expressed as a percentage of that Bank's participation in all Advances made from that Facility Office) of complying with the minimum reserve requirements of the European Central Bank in respect of loans made from that Facility Office.
4. The Additional Cost Rate for any Bank lending from a Facility Office in the United Kingdom will be calculated by the Agent as follows:

- (a) in relation to a Sterling Advance:

$$\frac{AB + C(B - D) + E \times 0.01}{100 - (A+C)} \text{ per cent. per annum}$$

- (b): in relation to an Advance in any currency other than Sterling:

$$\frac{E \times 0.01}{300} \text{ per cent. per annum.}$$

Where:

- A is the percentage of Eligible Liabilities (assuming these to be in excess of any stated minimum) which that Bank is from time to time required to maintain as an interest free cash ratio deposit with the Bank of England to comply with cash ratio requirements.
- B is the percentage rate of interest (excluding the Applicable Margin and the Mandatory Costs and, if the Advance is an unpaid sum, the additional rate of interest specified in Clause 37.02) payable for the relevant Interest Period on the Advance.

- C is the percentage (if any) of Eligible Liabilities which that Bank is required from time to time to maintain as interest bearing Special Deposits with the Bank of England.
- D is the percentage rate per annum payable by the Bank of England to the Agent on interest bearing Special Deposits.
- E is designed to compensate Banks for amounts payable under the Fees Rules and is calculated by the Agent as being the average of the most recent rates of charge supplied by the Reference Banks to the Agent pursuant to paragraph 7 below and expressed in pounds per £1,000,000.

5. For the purposes of this Schedule:

- (a) “Eligible Liabilities” and “Special Deposits” have the meanings given to them from time to time under or pursuant to the Bank of England Act 1998 or (as may be appropriate) by the Bank of England;
- (b) “Fees Rules” means the rules on periodic fees contained in the FSA Supervision Manual or such other law or regulation as may be in force from time to time in respect of the payment of fees for the acceptance of deposits;
- (c) “Fee Tariffs” means the fee tariffs specified in the Fees Rules under the activity group A.1 Deposit acceptors (ignoring any minimum fee or zero rated fee required pursuant to the Fees Rules but taking into account any applicable discount rate); and
- (d) “Tariff Base” has the meaning given to it in, and will be calculated in accordance with, the Fees Rules.

6. In application of the above formulae, A, B, C and D will be included in the formulae as percentages (i.e. 5 per cent. will be included in the formula as 5 and not as 0.05). A negative result obtained by subtracting D from B shall be taken as zero. The resulting figures shall be rounded to four decimal places.

7. If requested by the Agent, each Reference Bank shall, as soon as practicable after publication by the Financial Services Authority, supply to the Agent, the rate of charge payable by that Reference Bank to the Financial Services Authority pursuant to the Fees Rules in respect of the relevant financial year of the Financial Services Authority (calculated for this purpose by that Reference Bank as being the average of the Fee Tariffs applicable to that Reference Bank for that financial year) and expressed in pounds per £1,000,000 of the Tariff Base of that Reference Bank.

8. Each Bank shall supply any information required by the Agent for the purpose of calculating its Additional Cost Rate. In particular, but without limitation, each Bank shall supply the following information on or prior to the date on which it becomes a Bank:

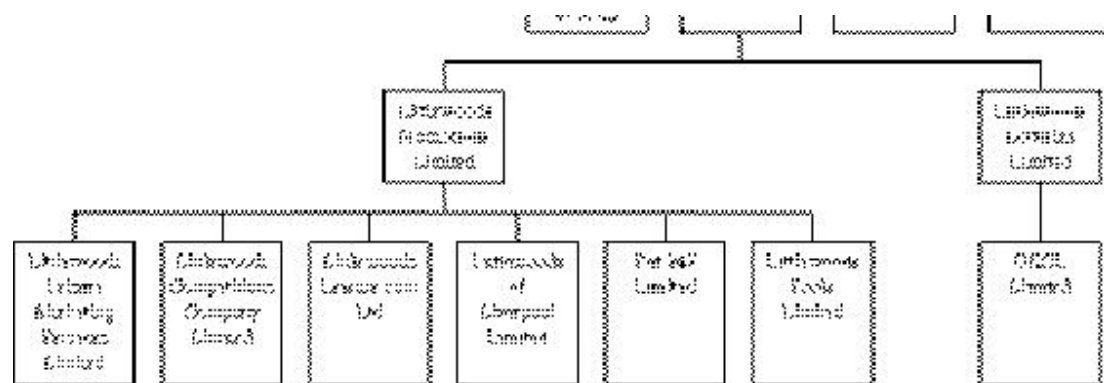

- (a) the jurisdiction of its Facility Office; and
- (b) any other information that the Agent may reasonably require for such purpose.

Each Bank shall promptly notify the Agent of any change to the information provided by it pursuant to this paragraph.

9. The percentages of each Bank for the purpose of A and C above and the rates of charge of each Reference Bank for the purpose of E above shall be determined by the Agent based upon the information supplied to it pursuant to paragraphs 7 and 8 above and on the assumption that, unless a Bank notifies the Agent to the contrary, each Bank's obligations in relation to cash ratio deposits and Special Deposits are the same as those of a typical bank from its jurisdiction of incorporation with a Facility Office in the same jurisdiction as its Facility Office.
10. The Agent shall have no liability to any person if such determination results in an Additional Cost Rate which over or under compensates any Bank and shall be entitled to assume that the information provided by any Bank or Reference Bank pursuant to paragraphs 3, 7 and 8 above is true and correct in all respects.
11. The Agent shall distribute the additional amounts received as a result of the Mandatory Costs to the Banks on the basis of the Additional Cost Rate for each Bank based on the information provided by each Bank and each Reference Bank pursuant to paragraphs 3, 7 and 8 above.
12. Any determination by the Agent pursuant to this Schedule in relation to a formula, the Mandatory Costs, an Additional Cost Rate or any amount payable to a Bank shall, in the absence of manifest error, be conclusive and binding on all parties.
13. The Agent may from time to time, after consultation with the Parent and the Banks determine and notify to the Banks and the Borrowers any amendments which are required to be made to this Schedule 5 in order to comply with any change in law, regulation or any requirements from time to time imposed by the Bank of England, the Financial Services Authority or the European Central Bank (or, in any case, any other authority which replaces all or any of its functions) and any such determination shall, in the absence of manifest error, be conclusive and binding on the Banks and the Borrowers.

Mezzanine Agent and the Parent specifying such Material Senior Event of Default and suspending those permitted payments.

- 8.4 The parties to this Agreement acknowledge and agree that the Borrower may repay or prepay amounts under the Overdraft Facility from time to time, in each case prior to the Senior Discharge Date and without giving rise to any obligation under this Agreement on the part of the Borrower to make payment to any other party hereto or any obligation under this Agreement on the part of the recipient to repay such amounts or redistribute them among the other Beneficiaries in any circumstances.

9. Enforcement

The Mezzanine Lenders shall not take any action to enforce any of the Mezzanine Financing Documents until one of the following events shall have occurred, whichever is the earlier:

- (i) the Senior Banks shall have demanded repayment of all the Senior Liabilities; or
- (ii) the Senior Discharge Date; or
- (iii) the Senior Banks shall have unanimously consented in writing to such enforcement action; or
- (iv) a Mezzanine Payment Default shall have occurred, a period of 90 days shall have elapsed after the Mezzanine Agent shall have notified the Senior Agent of such Mezzanine Payment Default and at the end of that period such Mezzanine Payment Default is continuing unremedied and unwaived; or
- (v) a Mezzanine Financial Covenant Default shall have occurred, a period of 120 days shall have elapsed after the Mezzanine Agent shall have notified the Senior Agent of such Mezzanine Financial Covenant Default and at the end of that period such Mezzanine Financial Covenant Default is continuing unremedied and unwaived; or

whereupon the Mezzanine Lenders shall be entitled to take enforcement action.

10. Subordination

- 10.1 In the event of the enforcement of the Financing Documents or any of them or a receivership, liquidation, administration, dissolution or other winding up of any Obligor or any composition by any Obligor with its creditors or any moratorium or voluntary arrangement in relation to its debts generally the rights of the Mezzanine Lenders against such Obligor shall be subordinated and postponed to the rights of the Senior Banks, the Hedging Bank and the Overdraft Bank. Notwithstanding the foregoing each of the Mezzanine Lenders shall, if required by the Senior Agent after the Senior Discharge Date enforce and/or prove through the Security Trustee in accordance with Clause 10.3 for the amounts due to it from such Obligor in respect of the Mezzanine Liabilities owed to it but if no such requirement is made by the Senior Agent each of the Mezzanine Lenders shall be free to enforce and/or prove for the Mezzanine Liabilities, owed to it and the provisions of this Clause 10 shall apply to any resultant dividend paid to that Mezzanine Lender. Any amounts paid to a Mezzanine Lender in such enforcement, receivership, liquidation, administration, dissolution or other winding up or composition or moratorium or voluntary arrangement shall be held by such person in trust firstly for the benefit of the Senior Banks, the Hedging Bank and the Overdraft Bank *pari passu*, and secondly for the benefit of the Mezzanine Lenders and shall be paid direct to the Security Trustee and held by the Security Trustee upon trust FIRSTLY in payment to the Senior Agent and the Senior Banks of the Senior Liabilities, to the Hedging Banks of the Hedging Liabilities and to the Overdraft Bank of the Overdraft Liabilities *pari passu*, and SECONDLY, to the Mezzanine Lenders in payment of the Mezzanine Liabilities.

 - (ii) the persons entitled thereto and their respective entitlements.
- 10.3 Each of the Mezzanine Lenders hereby irrevocably authorises and empowers the Security Trustee to demand, sue for, collect and receive all sums due to it from the Obligors in respect of the Mezzanine Liabilities owed to it and to give acquittance therefor and to file claims and take other such proceedings in its own name or in the name of the Security Trustee or otherwise as the Security Trustee may deem necessary or advisable for the enforcement of this Agreement and each Mezzanine Lender will execute and deliver to the Security Trustee

such powers of attorney, assignments or other instruments as may be requested by the Security Trustee in order to enable the Security Trustee to enforce any and all claims under or in respect of the Junior Liabilities or any of them and to collect and receive any and all payments and distributions which may be payable or deliverable at any time in relation thereto.

11. Effect of Contravention of this Agreement

If a payment is made to or sums are received by any Mezzanine Lender in any manner, including without limitation, by way of set-off, combination of accounts, retention or counter claim, which contravenes the terms of this Agreement, or for which the consent of the Senior Agent, Senior Banks, Hedging Bank or Overdraft Bank or any of them was required by the terms of this Agreement but was not obtained, then such Mezzanine Lender shall hold such sums actually received by it on trust and shall immediately pay the same to the Security Trustee so as to be applied in the order of priority contained in Clause 10.1. For the purpose of this Clause 11 an amount for which credit is given to a person by way of set-off, combination of accounts or retention shall be an amount paid to that person.

12. Powers and Rights of Security Trustee

12.1 The Senior Agent, the Senior Banks, the Hedging Bank, the Overdraft Bank the Mezzanine Agent and the Mezzanine Lenders hereby jointly and severally undertake to pay or discharge, in each case on a full indemnity basis, all costs, charges, liabilities and expenses (including, but not limited to, legal expenses) reasonably incurred by the Security Trustee or by any person appointed by it or to whom any duties, powers, trusts, authorities or discretions may be delegated by it in the execution or purported execution of the powers and trusts contained in this Agreement or of any duties, powers, trusts, authorities or discretions vested in it by this Agreement save for any such liability which has arisen through the negligence or wilful default of the Security Trustee or any such person and against all liabilities, actions, proceedings, costs, claims and demands in respect of any matter or thing done or omitted in any way relating to this Agreement or the Charges.

12.2 By way of supplement to the powers conferred on trustees by law it is expressly declared as follows:

- (i) if the Security Trustee is instructed in terms of this Agreement to enforce any or all of the Charges, then it is entitled to do so as it sees fit in its sole and absolute discretion and the Security Trustee shall not be responsible to any of the other parties hereto for any delay or failure to enforce any or all of the Charges or any shortfall in the proceeds from the enforcement

of any of the Charges except, in each case, by reason of the negligence or wilful default of the Security Trustee.

- (ii) Without prejudice to the generality of (i) above, the Security Trustee shall not be responsible for any loss occasioned by acting on an instruction given in accordance with Clause 9 hereof.
 - (iii) The Security Trustee shall not be bound to take any steps to ascertain whether any Senior Event of Default, Mezzanine Event of Default (including for this purpose a Mezzanine Financial Covenant Default and a Mezzanine Payment Default) or any contravention of the terms hereof shall have occurred and, until it shall have actual knowledge or express notice to the contrary (acting in its capacity as Security Trustee), it shall be entitled to assume that the same shall not have occurred.
 - (iv) The Security Trustee may rely upon any communication or document reasonably believed by it to be genuine.
- 12.3 The Security Trustee may refrain from doing anything which would or might in its opinion be contrary to English law or the law of any other jurisdiction in which it may be required to act, and may do anything which in its opinion is necessary to comply with any such law.
- 12.4 Neither the Security Trustee nor any of its directors, officers, employees or agents shall be responsible for the execution, genuineness, validity, enforceability or sufficiency of this Agreement.
- 12.5 Neither the Security Trustee nor any director or officer thereof or of any subsidiary or holding or associated company of the Security Trustee shall be precluded at any time from contracting or entering into any financial or other transactions with any of the other parties hereto or from being interested in any contract or transaction or from accepting and holding the office of trustee in respect of any securities of any other party hereto and shall not be liable to account for any profit made by it thereby or in connection therewith.
- 12.6 The Security Trustee shall be entitled at any time to call for and rely on a certificate from the Senior Agent or the Mezzanine Agent as to the amount of the Senior Liabilities, the Hedging Liabilities, the Overdraft Liabilities, and/or the Mezzanine Liabilities (as appropriate).
- 12.7 The Security Trustee may resign its appointment hereunder at any time after consultation with the Parent without assigning any reason therefor by giving not less than thirty days' prior written notice to that effect to each of the other parties hereto provided that no such resignation shall be effective until a successor for the Security Trustee is appointed in accordance with the succeeding provisions of this Clause 13.

- 12.8 If the Security Trustee gives notice of its resignation pursuant to Clause 12.7, then any reputable and experienced bank or other financial institution may be appointed as a successor to the Security Trustee during the period of such notice by the Senior Agent or, after the Senior Discharge Date, by the Mezzanine Agent but, if no such successor is so appointed, the Security Trustee within sixty days of the giving of such notice may itself appoint such a successor.
- 12.9 If a successor to the Security Trustee is appointed under the provisions of Clause 12.8, then (i) the retiring Security Trustee shall be discharged from any further obligation hereunder but shall remain entitled to the benefit of the provisions of this Clause 12 and (ii) its successor and each of the other parties hereto shall have the same rights and obligations amongst themselves as they would have had if such successor had been a party hereto.
- 12.10 The Security Trustee shall accept without investigation, requisition or objection such title as any person may have to the undertaking, property and assets which are subject to the Charges and shall not be bound or concerned to examine or enquire into nor be liable for any defect or failure in the title of any person.

PART 4**THE HEDGING BANKS****13. Repayment and Prepayment - Hedging Liabilities**

Until the Senior Liabilities are irrevocably and unconditionally discharged in full and all commitments of the Senior Banks under the Senior Financing Documents have been cancelled, the Companies shall not and shall procure that none of the other Obligor shall without the prior written consent of the Majority Senior Banks pay, redeem, repay, prepay or purchase all or any part of the Hedging Liabilities except for payments permitted under Clause 14 of this Agreement and the Hedging Bank hereby undertakes not to accept any such payment, redemption, repayment, prepayment or purchase without such consent.

14. Permitted Payments

14.1 The Parent may make the payments specified in Clause 14.2 on the due date for payment thereof unless a Senior Payment Default has occurred. Thereafter no such payment may be made for so long as that Senior Payment Default continues unremedied or unwaived.

14.2 The payments referred to in Clause 14.1 are:

- (i) payments in cash to the Hedging Bank of amounts no greater than those scheduled payments required to be made under the Hedging Documents (other than payments made as a consequence of or following default under or termination of the Hedging Documents or any of them) on the due dates therefor pursuant to the Hedging Documents in each case as the Hedging Documents are approved by the Senior Agent pursuant to Clause 18 of this Agreement; and
- (ii) the proceeds of enforcement of the Hedging Documents received and applied in accordance with Clause 10.1.

15. Enforcement of the Hedging Documents

The Hedging Bank shall not take any action to enforce any of the Hedging Documents until one of the following events shall have occurred:

- (i) the Senior Banks shall have demanded repayment of all the Senior Liabilities; or
- (ii) the Senior Liabilities shall have been irrevocably and unconditionally discharged in full; or
- (iii) the Senior Banks shall have unanimously consented in writing to such action; or

- (iv) a Hedging Payment Default shall have occurred, a period of 30 days shall have elapsed after the Hedging Bank shall have notified the Senior Agent of such Hedging Payment Default and at the end of that period such Hedging Payment Default is continuing unremedied and unwaived.

16. Amendment of the Hedging Documents

Until the Senior Liabilities are irrevocably and unconditionally discharged in full and all commitments of the Senior Banks under the Senior Financing Documents have been cancelled the Hedging Bank shall not amend, waive, supplement or vary any provision of any of the Hedging Documents without the prior written consent of the Majority Senior Banks.

17. Termination Payments

- 17.1 Each Obligor and the Hedging Bank agrees that notwithstanding the terms of any of the Hedging Documents to which it is a party, in the event of a termination of any hedging transaction governed by any of the Hedging Documents whether by reason of default by one of the parties thereto or otherwise, each payment due by one party to the other shall be calculated as if each party had elected for all payments under the Hedging Documents to be calculated on the basis of full two way payments, that is to say neither party shall be penalised or suffer any reduction in the payments which would otherwise be due to it by reason only of being a defaulting party or an affected party.
- 17.2 The Hedging Bank undertakes to the Senior Agent, the Security Trustee, the Senior Banks and the Overdraft Bank that following termination of any hedging transaction governed by any of the Hedging Documents it will as soon as practicable pay to the Security Trustee any sum which would have otherwise have been payable to a Company and all of the parties hereto agree that any such payment shall be treated as the proceeds of enforcement of security and shall be applied by the Security Trustee as provided in Clause 10.1.
- 17.3 Each Hedging Bank undertakes to the Senior Agent, the Security Trustee, the Senior Banks and the Overdraft Bank that at any time following a demand by the Senior Agent pursuant to Clause 21 (Events of Default) of the Facility Agreement it will on request by the Senior Agent exercise any rights available to it under the Hedging Documents or any of them to terminate any hedging transaction governed by any such Hedging Documents.

18. Approval of Hedging Banks and Hedging Documents

Each of the Companies undertakes to the Senior Agent, the Security Trustee, the Senior Banks, the Overdraft Bank and the Hedging Bank that it shall not

enter into any transaction to hedge its liabilities to interest rate or foreign exchange exposure unless:

- (i) its counterparty in such transaction has been approved in writing by the Majority Senior Banks;
- (ii) such counterparty has agreed to be bound by the provisions of this Agreement as a Hedging Bank as to which it shall be sufficient for such counterparty to deliver to the Senior Agent a Deed of Accession; and
- (iii) the documents constituting such transaction have been approved in writing by the Senior Agent

19. ISDA Documentation

Each of the parties acknowledges that the provisions of this Part 4 have been prepared on the basis that any hedging transaction entered into by any of the Obligors will be documented in the form of standard ISDA documentation. If this proves not to be the case, the Majority Senior Banks may by notice to the other parties hereto require such changes to be made to this Agreement as they reasonably consider necessary to give effect to the provisions of this Agreement in the light of the hedging documentation actually entered into by any Obligor.

PART 5
GENERAL

20. Companies

- 20.1 Save as expressly referred to herein, none of the Companies shall have any rights hereunder and none of the undertakings herein contained on the part of the Mezzanine Lenders are given or shall be deemed to be given to the Companies or any of them.
- 20.2 Each of the Companies recognises the undertakings and obligations on the parts of the Senior Banks, the Hedging Bank, the Overdraft Bank and the Mezzanine Lenders herein contained and:
- (i) expressly authorises the Security Trustee, Senior Banks, the Hedging Bank, the Overdraft Bank and the Mezzanine Lenders to enforce the Charges in such order as provided for herein or in such other order as the Senior Banks, the Hedging Bank, the Overdraft Bank and the Mezzanine Lenders may unanimously agree;
 - (ii) irrevocably waives any rights which it may now or in future have to challenge or have set aside any arrangement agreed between the Senior Banks, the Hedging Bank, the Overdraft Bank and the Mezzanine Lenders hereunder; and

21. Information

Until the Liabilities have all been fully discharged the Senior Banks, the Hedging Bank, the Overdraft Bank and the Mezzanine Lenders shall be at liberty from time to time to disclose to each other information concerning any of the Companies and their respective affairs.

22. Notification

- 22.1 The Senior Agent and the Mezzanine Agent shall each use their reasonable endeavours to give notice to the other of any of the following events, namely:
- (i) non-payment of principal or interest included in the Senior Liabilities or the Mezzanine Liabilities (as appropriate) which has continued for not less than five business days, such notice to be given within five business days thereafter; or

- (ii) any other Mezzanine Event of Default (including for this purpose a Mezzanine Financial Covenant Default) or Senior Event of Default of which the Mezzanine Agent or the Senior Agent respectively shall have actual knowledge, which notice shall be given within five business days of the Mezzanine Agent or the Senior Agent respectively having actual knowledge of the same;

but shall have no liability to the other for any failure to give such notice.

22.2 For the purposes of this Clause 22, the Senior Agent and the Mezzanine Agent shall each be treated as having no actual knowledge of any matter of which its corporate finance department or any other division outside its loan or investment administration department may become aware in the context of corporate finance or advisory activities from time to time undertaken by it for the Parent or any other member of the Group.

23. Further Advances

Nothing in this Agreement shall bind the Senior Banks, Hedging Bank, Overdraft Bank or Mezzanine Lenders, to make any loans to any of the Companies.

24. New Money

The Hedging Bank, Overdraft Bank and Mezzanine Lenders hereby agree that the Senior Banks may, at their absolute discretion, make further advances to any of the members of the Group of up to £25,000,000 in aggregate in addition to the facilities provided under the Facility Agreement as at the date of this Agreement and each such advance will be deemed to be made under the terms of the Facility Agreement. However, if at any time after the Senior Financing Documents are first enforced, the principal amount of the Senior Liabilities shall have been increased to a greater extent than £25,000,000 by any such further advances, the subordination of the Mezzanine Liabilities effected by virtue of this Agreement shall, to that greater extent, be of no effect and the Senior Liabilities shall be postponed to and rank after the Hedging Liabilities, the Overdraft Liabilities and the Mezzanine Liabilities to that greater extent.

25. Interest

Each amount payable by any Mezzanine Lenders to the Security Trustee under Clause 10 hereof which is not paid when due shall carry interest until paid (as well before as after judgment) at the Senior Agent's base rate from time to time plus two per cent. per annum.

26. Title Deeds

Until the Senior Liabilities have been fully discharged, to the extent that pursuant to the provisions of any of the Senior Financing Documents any of the Companies is required to deposit any deeds, share certificates or other documents with the Security Trustee, the Senior Agent or any Senior Banks, any such deposit shall satisfy any corresponding requirement in any of the Mezzanine Financing Documents.

27. No Liability to Place Monies on Suspense Account

Neither the Senior Agent, the Senior Banks, the Hedging Bank, the Overdraft Bank nor the Security Trustee shall be obliged to place monies received from the enforcement of any of the Charges on suspense account but shall be free to apply immediately any such monies in reduction of the Senior Liabilities, the Overdraft Liabilities and the Hedging Liabilities.

28. Repayment of Proceeds

If:

- (i) the Security Trustee, Senior Agent, Senior Banks, Hedging Bank or Overdraft Bank is obliged to repay to an Obligor or to anyone else for or on behalf of an Obligor or to or on behalf of any of the creditors or members of an Obligor any amount received by it in respect of any of the Senior Liabilities, the Hedging Liabilities, the Overdraft Liabilities or any of them and/or pursuant to the exercise of a right of set-off, combination of accounts, retention or counter-claim; and
- (ii) the Mezzanine Lenders has recovered any monies in respect of any of the Mezzanine Liabilities then the Mezzanine Lenders shall pay to the Senior Banks, the Hedging Bank or the Overdraft Bank (as the case may be) an amount equal to the lesser of:-

 - (b) the aggregate amount so recovered.

29. Transfer

29.1 Each of the parties to this Agreement agrees that it shall not transfer any of its rights and obligations under any of the Financing Documents to any other person unless the transferee shall have first agreed with the other parties to this Agreement to adhere to and be bound by all the provisions of this Agreement. Each of the parties to this Agreement agrees that execution of a Deed of Accession shall be sufficient for the purposes of any proposed transferee adhering to the terms of this Agreement.

30. Interpretation

Schedule 2 shall apply in interpretation of this Agreement.

31. Schedules

35.2 Any communication to be made or document to be delivered by one person to another pursuant to this Agreement shall (unless that other person has by fifteen business days' written notice to the Senior Agent specified another address) be made or delivered to that other person at the address or fax number identified with its execution below and shall be deemed to have been made or delivered (in the case of any communication made by fax) when received legibly and in full by the recipient or (in the case of any communication made by letter) when left at that address or (as the case may be) two days after being

- 39.5 To the extent that any of the Companies or the Mezzanine Lenders in any jurisdiction claims for itself or its assets immunity from suit, execution, attachment (whether in aid of execution, before judgement or otherwise) or other legal process and to the extent that in any such jurisdiction there may be attributed to itself or its assets such immunity

and the Borrowers (as hereinafter defined)

Dear Sirs

WORKING CAPITAL

We are pleased to offer you (each a “Borrower” and together the “Borrowers”) a working capital facility (the “Working Capital”) on the terms set out in this letter. This letter and its schedules will form the agreement between the Borrowers and BoS for the Working Capital.

The definitions which shall apply to this letter are given in Schedule 1 below.

1. Conditions Precedent

Deleted - Initial Conditions Precedent satisfied.

2. Working Capital

2.1 The Working Capital may be drawn as:-

2.1.1 **Overdraft** up to £6,000,000 (the “Overdraft”);

or be utilised for:-

- 2.1.2 **Business Visa** up to £20,000 (the “Business Visa Limit”)
- 2.1.3 **Guarantees** up to £3,000,000 (the “Guarantee Limit”)
- 2.1.4 **Forward Foreign Exchange Contracts** up to £3,000,000 (the “FFEC Limit”)
- 2.1.5 **Letters of Credit** up to £3,000,000 (the “Letters of Credit Limit”)
- 2.1.6 **Currency Borrowings** up to £3,000,000 (the “Currency Borrowings Limit”)
- 2.1.7 **Acceptance Credits** up to £3,000,000 (the “Acceptance Credits Limit”)

on the terms and conditions set out below.

2.2 Limit

- 2.2.1 The total limit applicable to the Working Capital is £6,000,000 (the “Limit”) on a net basis.
- 2.2.2 The Borrowers may operate a number of current accounts on which the Working Capital may be drawn. BoS may refuse to pay any cheques, orders or withdrawals on any one or more of the Borrowers’ current accounts where payment would result in the Limit (taking into account the notional offsets referred to below) being exceeded.
- 2.2.3 To ascertain compliance with that part of the Limit which is only attributable to the Overdraft, BoS will notionally set off those of the Borrowers' current account credit balances over which BoS considers it has a valid right of set off against the Borrowers' current account debit balances.
- 2.2.4 To ascertain compliance with the Limit, the total indebtedness of the Borrowers to BoS in respect of the Working Capital shall be calculated by adding together:
 - (1) the net balances on the Borrowers' current accounts calculated in accordance with Clause 2.2.3 above;
 - (2) the Business Visa Limit;
 - (3) the aggregate amount of BoS exposure under all guarantees issued by BoS under this letter;
 - (4) 10% of the face value of each Forward Foreign Exchange Contract entered into with BoS for a duration of up to 12 months under this letter and 20% (or such other figure as BoS advises under Clause 6.1 below) in relation to those

entered into for more than 12 months, in each case calculated on a daily basis at the then prevailing BoS spot rate of exchange;

- (5) the aggregate amount of BoS exposure under all Letters of Credit issued by BoS under this letter;
- (6) the sterling equivalent of all currency borrowings calculated in accordance with this letter; and
- (7) the face value of each bill of exchange issued by BoS under this letter.

2.2.5 The Borrowers must at all times provide sufficient funds to ensure that the Limit is not exceeded. If the Limit is likely to be exceeded, the Parent must notify BoS and advise which cheque(s) are to be honoured in the case of competition. If the Parent fails to do so BoS may, in its discretion, refuse to pay a cheque or allow any other drawing or utilisation under this letter which would have the effect of exceeding the Limit. If BoS does pay a cheque or allows a utilisation of the Working Capital so as to exceed the Limit, that does not mean that the Limit has changed or that BoS will agree to pay any other cheque or meet any other payment instruction which would have the effect of exceeding the Limit.

2.2.6 Unless otherwise agreed with BoS, any debit balance over the Limit and, where the Working Capital has ceased to be available (whether on the Review Date or by earlier demand) the total debit balance of the Working Capital, will attract interest at the BoS unauthorised rate which will be five per cent (5%) per annum over the BoS base rate as that rate fluctuates.

2.2.7 From the date of this letter, each Borrower ceases to be entitled to use any working capital facilities of the type specified in this letter previously made available by BoS and any existing utilisation of them shall, to the extent not repaid or discharged, be taken into account when assessing compliance with the Limit.

2.3 Availability

2.3.1 BoS shall review the Working Capital annually (28 February in each year, commencing 28 February 2003 being the “Review Date”). On the Review Date, the Working Capital will cease to be available unless BoS has agreed in writing to its renewal or extension. In ascertaining whether or not the Working Capital will be renewed or extended, BoS will require the Borrowers to deliver certain financial information prior to that decision being made.

- 2.3.2 In accordance with normal banking practice, the Overdraft will be repayable on demand.
- 2.3.3 In some circumstances, BoS may demand payment before the Review Date. This may happen if BoS considers that:-
- (1) any of the terms or conditions of this letter have been materially and adversely breached; or
 - (2) the financial condition of any Borrower or any guarantor of any Borrower has altered in any material and adverse way; or
 - (3) the Working Capital was agreed on the basis of materially and adversely incorrect or incomplete information from the Borrowers; or
 - (4) the basis upon which the Working Capital was agreed by BoS has altered in any material and adverse way.
- 2.3.4 If repayment of the Overdraft is demanded, any other utilisation will cease to be available and BoS will be entitled to request the Borrowers to lodge a sufficient amount as security for all other outstanding liabilities under this letter (whether actual or contingent) and the Borrowers shall immediately comply with that request. Any determination by BoS of any amount of principal, interest, commission or charges or an applicable interest rate shall, in the absence of manifest error, be conclusive and binding on the Borrowers.

3. Overdraft

- 3.1 The rate of interest applicable to the Overdraft shall be the annual rate which is the sum of one point two five per cent (1.25%) plus BoS base rate as that rate fluctuates. Interest will be calculated by BoS on a day to day basis on the cleared daily debit balance of the amount drawn down and will be debited to the relevant Borrower's current accounts monthly in arrears on the Standard Application Dates. A notice of the accrued interest will be issued each month and interest applied 14 days after the date of that notice.
- 3.2 If the Borrowers have both debit and credit balances, interest at the annual rate of one point two five per cent (1.25%) over BoS base rate as that rate fluctuates will accrue on the cleared credit balances on any current accounts held with BoS of each Borrowers in respect of which BoS considers it has a valid right of set off (the "Credit Balances") calculated on a daily basis and set off monthly in arrear on the Standard Application Dates against the interest due on the Working Capital, provided that interest on the Credit Balances will be calculated as follows:-

- (1) where the aggregate amount of the Credit Balances is less than or equal to the aggregate amount of the debit balances on any current account held with BoS of each Borrowers (the “Debit Balances”), interest will be calculated on the full amount of the Credit Balances; and
- (2) where the aggregate amount of the Credit Balances is greater than the aggregate amount of the Debit Balances, interest will be calculated on an amount of the Credit Balances which is equal to the aggregate amount of the Debit Balances.

4. Business Visa

Facilities of up to £20,000 may be drawn by the use of BoS Business Visa Cards subject to the published terms and conditions and charges applicable to BoS Business Visa Cards from time to time.

5. Guarantees

5.1 On request by a Borrower, BoS will issue guarantees or performance bonds (up to in aggregate the Guarantee Limit) on its behalf. Before BoS issues a guarantee or bond on behalf of a Borrower:

- 5.1.1 BoS must have approved the terms of the guarantee or bond; and
- 5.1.2 that Borrower shall have executed and delivered to BoS a counter indemnity in a form acceptable to BoS agreeing to indemnify BoS against any claim under the guarantee or bond and authorising BoS to debit the amount of a claim to any of the Borrowers' accounts.

5.2 A charge of one point two five per cent (1.25%) of BoS outstanding liabilities (whether actual or contingent) from time to time under the guarantees shall be payable by the Borrowers in respect of guarantees or performance bonds issued by BoS on its behalf. This charge will be payable quarterly in advance on such dates as may be intimated by BoS.

6. Forward Foreign Exchange Contracts

6.1 A Borrower may enter into Forward Foreign Exchange Contracts (up to in aggregate the FFEC Limit) with BoS for the purchase or sale of any freely convertible currency and with a maturity period of up to twelve months. For the purpose of calculating utilisations of this component of the Working Capital, BoS will assess its risk at 10% of the face value of each contract for a duration of up to 12 months and 20% in respect of contracts for more than 12 months unless BoS advises the relevant Borrower otherwise.

- 6.2 The Borrowers must ensure that each of them make sufficient funds (either in Sterling or in the appropriate foreign currency) available to meet their obligations under each of the Forward Foreign Exchange Contracts as and when they fall due. In the event that the Borrowers fail to do so, the Borrowers shall be liable to BoS in respect of the difference between (1) the Sterling equivalent of the amount the Borrowers were due to pay BoS on completion of the relevant Forward Foreign Exchange Contract and (2) (if less) the Sterling equivalent of the amount which BoS would have received by completing that contract at the prevailing spot rate of exchange for the relevant currency on the date of completion of the contract.
- 6.3 Whenever the sterling equivalent of any currency amounts require to be calculated it shall be calculated at the BoS spot rate of exchange for such currency on the applicable day at such time as BoS may select.
- 6.4 Charges will be payable for the issue of Forward Foreign Exchange Contracts in accordance with the tariffs applicable to those services issued to the Borrowers from time to time.

7. Letters of Credit

- 7.1 On receipt of an acceptable written application, BoS will issue Letters of Credit (up to in aggregate the Letter of Credit Limit) on behalf of a Borrower under the terms of the Uniform Customs and Practice for Documentary Credits (as revised from time to time) and otherwise on BoS standard terms and conditions (which will be set out in the BoS application for the documentary credit, a copy of which will be provided to the relevant Borrower if so requested).
- 7.2 Charges will be payable for the issue of Letters of Credit in accordance with the tariffs applicable to those services issued to the Borrowers from time to time.

8. Currency Borrowings

- 8.1 A Borrower may borrow such part of the Working Capital (up to in aggregate the Currency Borrowings Limit) in any optional currency (which means, for the purpose of this Letter, any currency which is freely transferable and convertible into Sterling and is approved by BoS) on giving BoS two days prior written notice.
- 8.2 Currency borrowings shall be repayable on demand.
- 8.3 The Borrowers shall pay interest in regard to currency borrowings drawn down at a rate equal to the cost of funds incurred by BoS for purchasing such currencies plus one point two five per cent (1.25%) per annum, such interest payable in arrears. The relevant interest rate will be set by BoS on a weekly basis and calculated and accrued daily. Interest will be debited to the relevant Borrower's currency current

account with BoS half yearly in February and August in each year or on such other dates in each year as BoS shall notify to the Borrowers.

- 8.4 All sums payable under this letter shall be paid in the currency in which they are due and owing.
- 8.5 If the Borrowers fail to pay any amount due under the currency borrowings on demand BoS may at any time purchase so much of an optional currency as BoS considers necessary or desirable to cover the currency borrowings at the then prevailing BoS spot rate of exchange and the Borrowers shall indemnify BoS against the full cost to BoS (including all costs, charges and expenses) incurred by it in purchasing the relevant optional currency.
- 8.6 Whenever the “sterling equivalent” of any currency borrowings require to be calculated, it shall be calculated at the BoS spot rate of exchange for such currency on the applicable day at such time as BoS may select.

9. Acceptance Credits

- 9.1 BoS will accept and arrange the discounting of bills of exchange (up to in aggregate the Acceptance Credit Limit) drawn by a Borrower. Each bill of exchange must be drawn by a Borrower on BoS, in a format acceptable for rediscount with the Bank of England and must mature at the end of a period of not less than 30 days nor more than 180 days, or on or before the next Review Date (if earlier).
- 9.2 The face value of such bill will be credited to the relevant Borrower on the date of acceptance after deduction of the acceptance commission and the discount.
- 9.3 In respect of each bill the Borrowers will be charged:
 - 9.3.1 an acceptance commission of one point two five per cent (1.25%) per annum of the face value of the bill calculated on a daily basis from the date of acceptance of the bill until its date of maturity payable when the bill is accepted; and
 - 9.3.2 a discount being the amount deemed by BoS to be the amount which would be deducted from the face value of the bill for the purposes of ascertaining the purchase price of the bill if that bill were discounted in the London Discount Market at 11 a.m. on the date of acceptance.
- 9.4 The face value of the bill will be debited to the relevant Borrower on the maturity of the bill and the relevant Borrower shall ensure that there is a sufficient amount made available to BoS to meet the maturing bill.

10. Termination

Each of the utilisations above including the facilities made available under Clause 2.2 shall immediately cease to be available if BoS makes a demand for payment under Clauses 2.4.2 or 8.2 or gives written notice to the Parent that they are withdrawn.

11. Other Borrowers

The Working Capital shall not be available to any other person (whether a subsidiary of the Parent or not) unless with the express written agreement of BoS and after having provided BoS with whatever security it requires (such security being to the same extent and on substantially the same terms as the security granted by the other Borrowers) in respect of that person and its assets.

12. Security

The Working Capital will be secured by the security provided to BoS in accordance with the terms of the Senior Facility Agreement together with any other security given or procured by a Group Company unless expressly excluded and any other security granted by any Group Company in favour of BoS from time to time.

13. Financial Information

The Borrowers will supply the financial information specified in the Senior Facility Agreement which will also be required by BoS prior to its agreeing to any renewal of the Working Capital.

14. Obligations

The obligations of each Borrower in relation to the Working Capital are joint and several.

15. Indemnity

15.1 Each Borrower will at all times on demand indemnify BoS against all Indemnified Events and the Borrowers will pay to BoS the amount of all payments made (whether directly or by way of set-off, counterclaim or otherwise) and all losses, costs or expenses suffered or incurred from time to time by BoS arising under any liability which BoS has incurred under any utilisation of the Working Capital.

15.2 The liability of the Borrowers under Clause 15.1 above shall not be affected by any time being given or by anything being done or not done by BoS.

16. Notices

Unless otherwise provided for in this letter, all notices or communications to or between the parties will be in writing and:

- 16.1 will be by first class pre-paid post or by fax transmission, authenticated to the satisfaction of BoS and if by letter, receipt will be deemed forty-eight hours after posting (unless hand delivered and then at time of delivery) and if by fax, when sent (provided a transmission report is received);
- 16.2 in order to prove that a notice or demand has been made, BoS need only establish that the notice or demand was properly addressed and posted or transmitted;
- 16.3 if given to BoS, it will be given at the address at the head of this letter or at any other address in the UK which BoS may designate at any time by notice to the Parent;
- 16.4 if given to the Borrowers, it will be deemed to be duly given if given only to the Parent at the address shown above or at any other UK address that the Parent designates by notice to BoS;
- 16.5 BoS may rely upon any communication by telephone or fax or purporting to be on behalf of any Borrowers by anyone notified to BoS as being authorised without enquiry as to authority or identity. The Borrowers agree to indemnify BoS against any liability incurred or sustained by BoS as a result.

17. Fees and Expenses

- 17.1 The Borrowers will pay to BoS an annual renewal fee (of an amount agreed from time to time between BoS and the Parent) if the Working Capital is renewed at any time hereinafter and bank charges in relation to the Working Capital in accordance with BoS tariff issued to the Borrowers from time to time.
- 17.2 The Borrowers will pay or reimburse to BoS (on a full indemnity basis) all reasonable legal, accountancy, valuation, due diligence and other fees, costs and expenses or tax charged to or incurred by BoS in connection with this letter and the Security Documents (including the amendment, waiver, enforcement or preservation of BoS rights) on demand.

18. EMU Compliance

If the introduction of, changeover to or operation of a single or unified currency results in:-

- (1) the currency in which the Working Capital is provided changing or being replaced or BoS (in its reasonable opinion) requiring to amend either this letter or the Security Documents due to changes in price sources for the national currency of any member state of the European Union or the ECU or market conventions relating to the calculation of interest; and/or
- (2) BoS incurring an additional or increased cost in relation to its providing the Working Capital;

then the Borrowers agree that in the case of (1) above, they will permit this letter and/or the Security Documents to be amended to the extent necessary (in the BoS's reasonable opinion) to reflect those changed circumstances and in the case of (2) above, to indemnify BoS in respect of that additional or increased cost.

19. Law

This letter will be governed by and construed according to English law and each of the Borrowers submits to the jurisdiction of the English Courts.

Yours faithfully

5. Without prejudice to any special rights previously conferred on the holders of any shares or class of shares, any share in the Company may be issued with or have attached thereto such preferred, deferred or other special rights or such restrictions, whether in

Consequently, from 4 September 2000 the share capital of the Company is £40,102,889.75 divided into 785,000,000 Ordinary Shares of 5p each and 17,057,795 Deferred Shares of 5p each.

By virtue of said Special Resolution and confirmation of the Court of Session the existing Article 4 was deleted in its entirety and replaced by Article 4 as printed above.

regard to dividend, voting, return of capital or otherwise as the Company may from time to time by ordinary resolution determine.

6. Subject to the provisions of the Statutes any shares may be issued on the terms that, at the option of the Company or the holder thereof, they are or are to be liable to be redeemed on such terms and in such manner as the Company may by special resolution determine.

MODIFICATION OF RIGHTS

7. Subject to the provisions of the Statutes, all or any of the special rights for the time being attached to any class of shares for the time being issued may (unless otherwise provided by the terms of issue of that class) from time to time (whether or not the Company is being wound up) be altered or abrogated with the consent in writing of the holders of not less than three-fourths of the issued shares of that class or with the sanction of an extraordinary resolution passed at a separate general meeting of the holders of such shares. To any such separate general meeting all the provisions of these presents as to general meetings of the Company shall *mutatis mutandis* apply, but so that the necessary quorum shall be two persons at least holding or representing by proxy not less than one-third of the issued shares of the class, that every holder of shares of the class shall be entitled on a poll to one vote for every such share held by him, that any holder of shares of the class present in person or by proxy may demand a poll and that if at any adjourned meeting of such holders a quorum as above defined be not present those of such holders who are present in person or by proxy shall be a quorum.
8. The special rights conferred upon the holder of any shares or class of shares shall not, unless otherwise expressly provided by the conditions of issue of such shares, be deemed to be altered by the creation or issue of further shares ranking *pari passu* therewith.

SHARES

9. Subject to the provisions of these presents, of the Statutes and of any resolution of the Company for the time being in force and binding on the Board, the unissued shares of the Company (whether forming part of the original or any increased capital) shall be at the disposal of the Board, which may offer, allot, grant options over or otherwise dispose of them to such persons, at such time and for such consideration and upon such terms and conditions as the Board may determine, but so that no shares shall be issued at a discount except in accordance with the Statutes.
10. The Company may exercise the powers of paying commission conferred by the Statutes, provided that the rate or amount of the commission paid or agreed to be paid and the number of shares which persons have agreed for a commission to subscribe absolutely shall be disclosed in the manner required by the Statutes, and that such commission shall not exceed 10 per cent of the price at which the shares in respect whereof the same is paid are issued or an amount equal to 10 per cent of such price (as the case may be). Such commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in one way and partly in the other. The Company may also on any issue of shares pay such brokerage as may be lawful.
11. Except as ordered by a Court of competent jurisdiction or as by law required, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when

having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by these presents or by law otherwise provided) any other right in respect of any share except an absolute right to the entirety thereof in the registered holder.

12. No Member shall, unless the Board otherwise determines, be entitled in respect of shares held by him to vote at a general meeting either personally or by proxy or to exercise any other right conferred by membership in relation to meetings of the Company if any call or other sum presently payable by him to the Company in respect of such shares remains unpaid. Furthermore, if any Member or any other person appearing to be interested in shares held by such Member, has been duly served with a notice under Section 212 of the Companies Act 1985 ("Section 212") and is in default for the prescribed period in supplying to the Company the information thereby required, then the Directors may in their absolute discretion at any time thereafter by a notice (a "Direction Notice") to such Member (which shall be conclusive against such Member and its authority shall not be questioned by any person) direct that, in respect of the shares in relation to which the default occurred (the "Default Shares", which expression shall include any further shares which are allotted or issued in respect of such shares), the Member shall not be entitled to attend or vote at a general meeting or a meeting of the holders of any class of shares of the Company either personally or by a proxy or, if the Member is a corporation, by authorised representative, or to exercise any other right conferred by membership in relation to general meetings of the Company or meetings of the holders of any class of shares of the Company. The Company shall send to every other person appearing to be interested in the shares which are subject to a Direction Notice a copy of such Notice at the same time as notice is given to the relevant Member, but the failure or omission to do so, or the non-receipt by that person of the copy, shall not invalidate or otherwise affect the application of this Article.

Where Default Shares represent at least 0.25% in nominal value of the issued shares of the class concerned, the Direction Notice may additionally state that:-

- (i) in respect of the Default Shares, any sums payable in respect of dividend (including shares issued in lieu of dividend) shall, except on winding up of the Company, be retained by the Company without any liability to pay interest thereon when such monies are finally paid to the Member; and/or
- (ii) no transfer of any of the shares held by such Member shall be registered unless:-
 - (a) the Member is not himself in default as regards supplying the information requested and the transfer is of part only of the Member's holding which when presented for registration is accompanied by a certificate by the Member in a form satisfactory to the Directors to the effect that after due and careful enquiry, that Member is satisfied that no person in default as regards supplying information is interested in any of the shares the subject of the transfer; or
 - (b) the transfer is an approved transfer.

Any Direction Notice shall have effect in accordance with its terms for so long as the default in respect of which the Direction Notice is issued continues and (unless the Directors otherwise determine) for a period of one week thereafter but shall cease to have effect in relation to any shares which are transferred by such Member by means of an approved transfer. The Directors may at any time give notice cancelling the Direction Notice.

For the purpose of this Article:-

- (i) A person shall be treated as appearing to be interested in any shares if the Member holding such shares has given to the Company a notification under Section 212 which either (i) names such person as being so interested or (ii) fails to establish the identities of those interested in the shares and (after taking account of the said notification and any other relevant Section 212 notification) the Company knows or has reasonable cause to believe that the person in question is or may be interested in the shares and “interested” shall be construed as if it is for the purposes of Section 212;
- (ii) The “prescribed period” in respect of any particular Member is 28 days from the date of service of the said notice under Section 212 except where the Default Shares represent at least 0.25% in nominal value of the issued shares of the class concerned in which case the prescribed period shall be reduced to 14 days from such date; and
- (iii) A transfer of shares is an “approved transfer” if, but only if
 - (a) it is a transfer of shares to an offeror by way or in pursuance of acceptance of a takeover offer for the Company as defined in Section 14 of the Companies Securities (Insider Dealing) Act 1985; or
 - (b) the Directors are satisfied that the transfer was made pursuant to a bona fide sale of the whole of the beneficial ownership of the shares to a party unconnected with the transferring Member and/or with any other person appearing to be interested in such shares. For the purpose of this subparagraph any associate (as that term is defined in Section 435 of the Insolvency Act 1986) shall be included amongst the persons who are connected with the Member or any person appearing to be interested in such shares; or
 - (c) the transfer results from a sale made through any recognised investment exchange or recognised clearing house or other stock exchange or market outside the United Kingdom in which the Company’s shares are normally traded.

The Company shall keep a register in respect of information as to beneficial ownership provided to it under this Article and shall operate such register in like manner as it is required to do under the Statutes in relation to the register recording notification of interest in shares.

Nothing contained in this Article shall limit the power of the Company and/or the Directors under Section 216 of the Act.

13. Subject to the provisions of Part V of the Act, the Company may purchase its own shares (including any redeemable shares) provided that no purchase by the Company of its own shares will take place unless it has been sanctioned by an extraordinary resolution passed at a separate class meeting of the holders of any class of convertible shares.

SHARE CERTIFICATES

14. ³Every person whose name is entered as a Member in the Register (except a stock exchange nominee in respect of whom the Company is not by law required to complete and have ready for delivery a certificate) shall be entitled, without payment, to receive within one month after allotment or lodgement of transfer (or within such other period as the conditions of issue shall provide) one certificate for all his shares of any one class, or several certificates each for one or more of his shares of such class. In the case of a share held jointly by several persons, delivery of a certificate to one of several joint holders shall be sufficient delivery to all. Where a Member has transferred part of the shares comprised in his holding he shall be entitled to a certificate for the balance without charge.
15. If a share certificate is damaged, defaced, lost or destroyed it may be replaced without payment of any fee but on such terms (if any) as to evidence and indemnity and payment of any exceptional out-of-pocket expenses of the Company of investigating such evidence as the Board may think fit and, in case of damage or defacement, on delivery of the old certificate to the Company.
- 16.
- (a) Every certificate of shares, debentures or debenture stock or representing any other form of security of the Company (other than letters of allotment, receipts for securities or certificates of deposit) shall be issued under the Seal or under any official seal kept by the Company pursuant to Section 40 of the Act.
 - (b) Each certificate to which the Seal shall be affixed shall bear the autographic signature of two Directors or of one Director and the Secretary provided that:
 - (i) each certificate to which such official seal as is referred to in paragraph (a) above shall be affixed need not bear any such signatures; and
 - (ii) the Directors may by resolution determine (either generally or in any particular case or cases) that such signature shall be dispensed with, or shall be affixed by means of some method or system of mechanical signature.

LIEN

17. The Company shall have a first and paramount lien and charge on every share (not being a fully paid share) for all monies whether presently payable or not, called or payable at a fixed time in respect of such share, and the Company shall also have a first and paramount lien and charge on every share (other than a fully paid share) standing registered in the name of a single Member for all the debts and liabilities of such Member or his estate to the Company, and that whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person other than such Member, and whether the time for payment or discharge of the same shall have actually arrived or not and notwithstanding that the same are joint debts or liabilities of such Member or his estate and any other person whether a Member of

the Company or not. The Company's lien on a share shall extend to all dividends payable thereon.

18. The Company may sell, in such manner as the Board may think fit, any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of fourteen days after a notice in writing stating and demanding payment of the sum presently payable and giving notice of the intention to sell in default shall have been given to the registered holder for the time being of the share or to the person entitled by reason of his death or bankruptcy to the share.
19. The net proceeds of sale shall be received by the Company and applied in or towards payment or satisfaction of the debt or liability in respect whereof the lien exists so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the share prior to the sale) be paid to the person entitled to the share at the time of the sale. For giving effect to any such sale the Board may authorise some person to transfer the share sold to the purchaser thereof. The purchaser shall be registered as the holder of the share and he shall not be bound to see to the application of the purchase money, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the sale.

CALLS ON SHARES

20. The Board may from time to time make calls upon the Members in respect of any monies unpaid on their shares (whether on account of the nominal amount of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times, provided that no such call shall exceed one-fourth of the nominal amount of the shares or be payable at less than one month from the date fixed for payment of the last preceding call, and each Member shall (subject to the Company giving him at least fourteen days' notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his shares. A call may be revoked or postponed as the Board may determine.
21. A call may be made payable by instalments and shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed.
22. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.
23. If a sum called in respect of a share is not paid before or on the day appointed for payment the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate (as well after as before decree or judgment) not exceeding 15 per cent per annum, as the Board may determine, but the Board shall be at liberty to waive payment of such interest wholly or in part.
24. Any sum which, by the terms of issue of a share, becomes payable on allotment or at any fixed date whether on account of the nominal amount of the share or by way of premium, shall for all the purposes of these presents be deemed to be a call duly made and payable on the date on which, by the terms of issue, the same becomes payable, and, in case of non payment all relevant provisions of these presents as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

25. The Board may on the issue of shares differentiate between the holders as to the amount of calls to be paid and the times of payment.
26. The Board may, if it thinks fit, receive from any Member willing to advance the same all or any part of the monies uncalled and unpaid upon any shares held by him, and upon all or any of the monies so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate, not exceeding (unless the Company in general meeting shall otherwise direct) 15 per cent per annum as may be agreed upon between the Board and the Member paying such sum in advance. Any monies so received by the Board from any Member in advance of a call being made therefor shall not entitle the Member to participate in respect of such monies in any dividend.

TRANSFER OF SHARES

27. Subject to such of the restrictions of these presents as may be applicable, any Member may transfer all or any of his shares by transfer in writing in the usual common form or in any form which the Board may approve.
- 28A Pursuant to Regulation 16(2) of the Uncertificated Securities Regulations 1995 ("the Regulations"), title to the 322,942,205 Ordinary Shares of 5p each in the capital of the Company, in issue or to be issued, may be transferred by a relevant system (as defined in the Regulations). Such a relevant system shall include the relevant system of which CREST Co Limited is to be the Operator (as defined in the Regulations).
28. The instrument of transfer of a share shall be executed by or on behalf of both the transferor and (except in the case of a fully paid share) the transferee, and the transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Subject to Article 35, all instruments of transfer, when registered, shall be retained by the Company.
29. The Board may, in its absolute discretion and without assigning any reason therefor, decline to register any transfer of shares (other than fully paid shares) to a person of whom it shall not approve. The Board may also decline to register any transfer of shares on which the Company has a lien. Provided that the Board shall not exercise any power under this Article 30 to decline to register any transfer of shares which are not fully paid shares whilst such shares are listed on the Official List of the UK Listing Authority except to the extent permitted from time to time by the Listing Rules of the UK Listing Authority.
30. The Board may also decline to register any transfer unless:-
 - (a) the instrument of transfer, duly stamped, is lodged with the Company accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and
 - (b) the instrument of transfer is in respect of only one class of shares.
31. If the Board refuses to register a transfer it shall, within one month after the date on which the instrument of transfer was lodged, send to the transferee notice of the refusal.
32. The Company shall not charge any fee on the registration of any instrument of transfer, confirmation, probate, letters of administration, certificate of death or marriage, power

of attorney, order of Court or other instrument relating to or affecting the title to any share.

33. The registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine and either generally or in respect of any class of shares, provided that the Register shall not be closed for more than thirty days in any year.
34. The Company shall be entitled to destroy all instruments of transfer which have been registered at any time after the expiration of six years from the date of registration thereof and all dividend mandates and notifications of change of address at any time after the expiration of two years from the date of recording thereof and all share certificates which have been cancelled at any time after the expiration of one year from the date of the cancellation thereof and it shall conclusively be presumed in favour of the Company that every entry in the Register purporting to have been made on the basis of an instrument of transfer or other document so destroyed was duly and properly made and every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and every share certificate so destroyed was a valid and effective certificate duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company. Provided always that:-
- (a) the provisions aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
 - (b) nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Article;
 - (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

TRANSMISSION OF SHARES

35. In the case of the death of a Member the survivor or survivors, where the deceased was a joint holder, and the executors or administrators of the deceased, where he was a sole holder, shall be the only persons recognised by the Company as having any title to his shares, but nothing herein contained shall release the estate of a deceased joint holder from any liability in respect of any share jointly held by him with other persons.
36. Any person becoming entitled to a share in consequence of the death or bankruptcy of a Member may upon such evidence being produced as may from time to time be required by the Board and subject as hereinafter provided either be registered himself as a holder of the share or elect to have some person nominated by him registered as the transferee thereof.
37. If the person so becoming entitled elects to be registered himself he shall deliver or send to the Company a notice in writing signed by him, stating that he so elects. If he shall elect to have his nominee registered he shall testify his election by executing to his nominee a transfer of such share. All the limitations, restrictions and provisions of these presents relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or bankruptcy of

the Member had not occurred and the notice of transfer were a transfer executed by such Member.

38. A person becoming entitled to a share in consequence of the death or bankruptcy of a Member shall be entitled to receive and may give a discharge for any dividends or other monies payable in respect of the share, but he shall not be entitled in respect of the share to receive notices of or to attend or vote at general meetings of the Company or, save as aforesaid, to exercise in respect of the share any of the rights or privileges of a Member until he shall have become registered as the holder thereof.

FORFEITURE OF SHARES

39. If a Member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Board may at any time thereafter during such time as any part of such call or instalment remains unpaid serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest and expenses which may have accrued.
40. The notice shall name a further day (not being less than fourteen days from the date of the notice) on or before which and the place where the payment required by the notice is to be made and shall state that in the event of non-payment at or before the time and at the place appointed the shares in respect of which such call was made or instalment is payable will be liable to be forfeited. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references herein to forfeiture shall include surrender.
41. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may at any time thereafter, before payment of all calls or instalments, interest and expenses due in respect thereof has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited shares and not actually paid before the forfeiture.
42. When any share has been forfeited, notice of the forfeiture shall forthwith be given to the person who was before forfeiture the holder of the share or the person who was before forfeiture entitled to the share by reason of the death or bankruptcy of the holder (as the case may be); but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice as aforesaid.
43. A forfeited share shall be deemed to be the property of the Company and may be sold, re-allotted or otherwise disposed of either to the person who was, before forfeiture, the holder thereof or entitled thereto or to any person upon such terms and in such manner as the Board shall think fit, and at any time before a sale, re-allotment or disposition the forfeiture may be cancelled on such terms as the Board may think fit.
44. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but shall, notwithstanding, remain liable to pay to the Company all monies which at the date of forfeiture were presently payable by him to the Company in respect of the shares with interest thereon at such rate as the Board may determine, not exceeding 15 per cent per annum from the date of forfeiture until payment.
45. A statutory declaration in writing that the declarant is a Director or the Secretary of the Company and that a share has been duly forfeited on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration (if any) given for

the share on the sale, re-allotment or disposition thereof and the Board may authorise some person to transfer the share to the person to whom the same is sold or disposed of, and he shall thereupon be registered as the holder of the share and shall not be bound to see to the application of the purchase money (if any) nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.

46. The provisions of these presents as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

INCREASE OF CAPITAL

47. The Company may from time to time by ordinary resolution increase its capital by such sum to be divided into shares of such amounts as the resolution shall prescribe.
48. Any new shares in the capital of the Company may be issued with such preferential right to dividend and such priority in the distribution of assets, or subject to such postponement of dividends or in the distribution of assets, and with or subject to such preferential or limited or qualified right of voting at general meetings as the Company may from time to time by ordinary resolution determine or, if no such direction is given at the time of the creation of such new shares, as the Board shall determine, provided that the preferential or special rights attached to any issued shares as a class shall not be varied except with the consent of the holders thereof duly given under these presents.
49. The new shares shall be subject to all the provisions of these presents with reference to the payments of calls, lien, transfer, transmission, forfeiture and otherwise.

ALTERATIONS OF CAPITAL

50. The Company may from time to time by ordinary resolution:-
- (a) consolidate and divide all or any of its share capital into shares of larger amounts than its existing shares;
 - (b) sub-divide its shares or any of them into shares of smaller amount than is fixed by the Memorandum of Association (subject, nevertheless, to the provisions of the Statutes) and so that the resolution whereby any share is sub-divided may determine that one or more of the shares into which any share is sub-divided may have any such preferred or other special rights over, or may have such qualified or deferred rights or be subject to any such restrictions as compared with, the other share or shares into which such share is sub-divided as the Company has power to attach to unissued or new shares;
 - (c) cancel any shares which at the date of the passing of the resolution have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of the shares so cancelled;
and may also by special resolution:-
 - (d) reduce its share capital or any capital redemption reserve fund or any share premium account in any manner and with and subject to any incident authorised and consent required by law.

CONVERSION

51.

- (a) Without prejudice to the generality of Article 50 above and subject to any necessary class consent or extraordinary resolution, the Company may from time to time by special resolution convert all or any of the issued shares of any class into shares of any other class in the capital of the Company from time to time, at such rate and on such terms and conditions as such special resolution shall specify.
- (b) Any such conversion as mentioned in Article 52(a) may be effected in any manner as the law may allow and in particular but without prejudice to the foregoing generality any such conversion may be effected in accordance with the provisions of Article 52(c).
- (c) Any such conversion as mentioned in Article 52(a) may be effected by means of consolidation and sub-division by consolidating into one share all the relevant shares held by the holders of the class and sub-dividing such consolidated share into such number of shares of such other class or classes in the capital of the Company of such nominal amount and at such rate and on such terms and conditions (including treatment of fractions) as such special resolution shall specify.

GENERAL MEETINGS

- 52. The Company shall in each year hold a general meeting as its annual general meeting in addition to any other meetings in that year, and not more than fifteen months shall elapse between the date of one annual general meeting of the Company and that of the next. The annual general meeting shall be held at such time and place as the Board shall appoint.
- 53. All general meetings other than annual general meetings shall be called extraordinary general meetings.
- 54. The Board may, whenever it thinks fit, convene an extraordinary general meeting, and extraordinary general meetings shall also be convened on such requisition, or in default, may be convened by such requisitionists as provided by the Statutes. If at any time there are not within the United Kingdom sufficient Directors capable of acting to form a quorum, any Director or any two Members of the Company may convene an extraordinary general meeting in the same manner as nearly as possible as that in which meetings may be convened by the Board.

NOTICE OF GENERAL MEETINGS

- 55. An annual general meeting and an extraordinary general meeting called for the passing of a special resolution or a resolution appointing a person as a director shall be called by not less than twenty-one days' notice in writing. All other extraordinary general meetings shall be called by at least fourteen days' notice in writing. The notice shall be exclusive of the day on which it is served or deemed to be served and of the day for which it is given, and shall specify the place, the day and the time of meeting, and, in the case of special business, the general nature of that business. The notice convening an annual general meeting shall specify the meeting as such, and the notice convening a meeting to pass a special or extraordinary resolution shall specify the intention to

propose the resolution as a special or extraordinary resolution as the case may be. Notice of every general meeting shall be given in manner hereinafter mentioned to such persons as are, in accordance with the provisions of these presents, entitled to receive such notices from the Company, and also to the Auditors.

Provided that a meeting of the Company shall, notwithstanding that it is called by shorter notice than that specified in this Article, be deemed to have been duly called if it is so agreed:-

- (a) in the case of a meeting called as an annual general meeting, by all the Members entitled to attend and vote thereat; and
 - (b) in the case of any other meeting, by a majority in number of the Members having a right to attend and vote at the meeting, being a majority together holding not less than 95 per cent in nominal value of the shares giving that right. In every notice calling a meeting there shall appear with reasonable prominence a statement that a Member entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him and that a proxy need not also be a Member.
56. The accidental omission to give notice of a meeting or (in cases where instruments of proxy are sent out with the notice) the accidental omission to send such instrument of proxy to, or the non-receipt of notice of a meeting or such instrument of proxy by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

57. All business shall be deemed special that is transacted at an extraordinary general meeting and also all business that is transacted at an annual general meeting with the exception of the declaration and sanctioning of dividends, the consideration of the accounts and balance sheet and the reports of the Directors and Auditors and other documents required to be attached to or annexed to the accounts, the election of Directors in place of those retiring by rotation or otherwise and the appointment or reappointment and fixing of the remuneration of the Auditors.
58. No business (other than the appointment of a chairman) shall be transacted at any general meeting unless a quorum be present when the meeting proceeds to business. Save as otherwise provided by these presents three Members present in person or by proxy, representing in the aggregate not less than one tenth of the total voting rights of all Members having the right to vote at the meeting shall be a quorum for all purposes. A corporation being a Member shall be deemed for the purpose of this Article to be personally present if represented by proxy or in accordance with the provisions of the Statutes.
59. If within half an hour from the time appointed for the meeting a quorum is not present the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same time and place, or to such other day and at such other time or place as the Chairman of the meeting may determine, and the provisions of Article 63 shall apply. If at such adjourned meeting a quorum as above defined is not present within fifteen minutes from the time appointed for holding the meeting the Members present in person or by proxy shall be a quorum.
60. The Chairman of the Board or, in his absence, the Deputy Chairman (if any) shall preside as Chairman at every general meeting of the Company.

61. If there is no such Chairman or Deputy Chairman, or if at any meeting neither of them is present within fifteen minutes after the time appointed for holding the meeting, or if neither of them is willing to act as chairman, the Directors present shall choose one of their number to act, or if one Director only is present he shall preside as chairman if willing to act. If no Director is present, or if all the Directors present decline to take the chair, the Members present in person or by proxy shall elect one of their number to be chairman.
62. The Chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for thirty days or more notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
63. If an amendment shall be proposed to any resolution under consideration but shall in good faith be ruled out of order by the Chairman of the meeting the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a Special or Extraordinary Resolution no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.
64. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless (before or on the declaration of the result of the show of hands) a poll is demanded by
- (a) the Chairman or
 - (b) at least two Members present in person or by proxy and entitled to vote or
 - (c) any Member or Members present in person or by proxy and representing in the aggregate not less than one tenth of the total voting rights of all members having the right to vote at the meeting or
 - (d) any Member or Members present in person or by proxy and holding shares conferring a right to vote at the meeting on which there have been paid up sums in the aggregate equal to not less than one-tenth of the total sum paid up on all shares conferring that right.

Unless a poll is so demanded and the demand is not withdrawn, a declaration by the Chairman that a resolution has, on a show of hands, been carried or carried unanimously or by a particular majority or not carried by a particular majority or lost, and an entry to that effect in the book of proceedings of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded for or against such a resolution.

65. If any votes shall be counted which ought not to have been counted or might have been rejected or if any votes shall not be counted which ought to have been counted the error shall not vitiate the resolution unless it is pointed out at the same meeting and not in that case unless it shall, in the opinion of the Chairman of the meeting, be of sufficient magnitude to vitiate the resolution.
66. If a poll is duly demanded, the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

67. In case of an equality of votes at a general meeting, whether on a show of hands or on a poll, the Chairman of such meeting shall be entitled to a second or casting vote.
68. A poll demanded on the election of the Chairman, or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either immediately or after an interval not exceeding 30 days from the date of the meeting and at such place and in such manner (including the use of ballot or voting papers or tickets) as the Chairman of the meeting may direct. The Chairman of the meeting may (and if so directed by the meeting shall) appoint scrutineers. No notice need be given of a poll not taken immediately.
69. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded, and it may be withdrawn (but only with the approval of the meeting) at any time before the next business is proceeded with.

VOTES OF MEMBERS

70. Subject to Article 14 (c) and to any other special terms as to voting upon which any shares may be issued or may for the time being be held, on a show of hands every Member who (being an individual) is present in person or (being a corporation) is present by a duly authorised representative shall have one vote and on a poll every Member who is present in person or by proxy shall have one vote for every 5p nominal amount of share capital of which he is the holder.
71. In the case of joint holders of a share the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holder.
72. In accordance with the Statutes, a corporation being a Member may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any general meeting of the Company or of any class of Members of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual Member of the Company.
73. A Member of unsound mind or in respect of whom an order has been made by any Court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, whether on a show of hands or on a poll, by his committee, receiver, curator bonis or other person in the nature of a committee, receiver or curator bonis appointed by such Court and such committee, receiver, curator bonis or other person may vote on a poll by proxy.
74. No Member shall be entitled to vote either personally or by proxy at any general meeting unless all calls or other sums presently payable by him in respect of shares in the Company have been paid.
75. No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.

76. On a poll votes may be given either personally or by proxy and a person entitled to more than one vote need not use all his votes or cast all the votes he casts in the same way.
77. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor be a corporation, either under its common seal or under the hand of an officer or attorney so authorised.
78. A proxy need not be a Member of the Company.
79. The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed, or a notarially certified copy of such power or authority, shall be deposited at the Office (or at such other place in the United Kingdom as may be specified in the notice convening the meeting) not less than twenty four hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or in the case of a poll taken subsequently to the date of a meeting or adjourned meeting, not less than twenty four hours before the time appointed for the taking of the poll and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution.
80.
 - (a) Instruments of proxy shall be in the form or to the effect following or in such other form as the Board may approve and the Board may, if it thinks fit, send out with the notice of any meeting forms of instrument of proxy for use at the meeting:-

81. Subject to the provisions of the Statutes, a resolution or a minute in writing signed by all the Members for the time being entitled to receive notice of and to attend and vote at general meetings (or, being corporations, by their duly authorised representatives) shall be as valid and effective as if the same had been passed at a general meeting of the Company duly convened and held and may consist of several documents in the like form, each signed by one or more of ten Members.

DIRECTORS

82. Unless and until otherwise determined by an ordinary resolution of the Company, the Directors shall be not less than three and not more than ten in number.
83. A Director shall not be required to hold any shares of the Company by way of qualification. A Director who is not a Member of the Company shall nevertheless be entitled to attend and speak at general meetings of the Company and at all separate meetings of the holders of any class of shares in the capital of the Company.
84. Each Director shall have the power to appoint either another Director or any person approved for that purpose by a resolution of the Board to act as alternate Director in his place during his absence and may at his discretion remove such alternate Director. A person so appointed shall (except as regards power to appoint an alternate and his remuneration) be subject in all respects to the terms and conditions existing with reference to the other Directors of the Company, and each alternate Director, while so acting, shall exercise and discharge all the functions, powers and duties as a Director of his appointor in such appointor's absence. Any Director acting as alternate shall have an additional vote for each Director for whom he acts as alternate. An alternate Director shall ipso facto cease to be an alternate Director if his appointor ceases for any reason to be a Director, provided that if at any meeting any Director retires by rotation or otherwise but is re-elected at the same meeting, any appointment made by him pursuant to this Article which was in force immediately before his retirement shall remain in force as though he had not retired. Any appointment or removal of an alternate Director shall be effected by instrument in writing delivered at the Office and signed by the appointor.

85. The Directors shall be paid by way of fees for their services such a sum as the Board shall from time to time determine. Such fees shall be divided amongst them in such proportions and manner as they may determine and in default of determination equally.
86. Any Director who holds any executive office (including for the purposes of this Article the office of Chairman or Deputy Chairman or Managing Director whether or not such office is held in an executive capacity), or who serves on any committee, or who otherwise performs services which in the opinion of the Board are outside the scope of the ordinary duties of a Director, may be paid such remuneration by way of salary, commission or otherwise as the Board may determine.
87. The Directors (including alternate Directors) shall also be entitled to be paid their reasonable travelling, hotel and other expenses of attending and returning from meetings of the Board or committees of the Board or general meetings or otherwise incurred while engaged on the business of the Company.
88. A Director of the Company may be or become a director or other officer of or otherwise interested in any company promoted by the Company or in which the Company may be interested, and no such Director shall be accountable for any remuneration or other benefits received by him as a director or officer of or from his interest in such other company. The Board may also exercise the voting power conferred by the shares in any other company held or owned by the Company in such manner and in all respects as it thinks fit, including the exercise thereof in favour of any resolution appointing the Members of the Board or any of them to be directors or officers of such other company, or voting or providing for the payment of remuneration to the directors or officers of such other company.
- 89.
- (A) A Director may hold any other office or place of profit under the Company (except that of Auditor) in conjunction with his office of Director upon such terms as the Board may determine, and may receive such remuneration therefor as the Board may think fit in addition to any other remuneration hereunder. Subject to the next paragraph of this Article, no Director or intending Director shall be disqualified by his office from contracting with the Company, either with regard to his tenure of any such other office or place of profit or as vendor, purchaser or in any other manner whatever, nor shall any such contract or any contract or arrangement entered into by or on behalf of the Company in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established.
- (B) A Director who is in any way, whether directly or indirectly, interested in a contract or arrangement or proposed contract or arrangement with the Company shall declare the nature of his interest at the meeting of the Board at which the question of entering into the contract or arrangement is first taken into consideration, if his interest then exists, or in any other case at the first meeting of the Board after he becomes so interested. A general notice to the Board given by a Director to the effect that he is a director or a member of a specified company or firm and is to be regarded as interested in all transactions with such company or firm shall be sufficient declaration of interest under this Article, and after such general notice it shall not be necessary to give any special notice relating to any subsequent transaction with such company or

firm, provided that either the notice is given at a meeting of the Board or the Director giving the same takes reasonable steps to secure that it is brought up and read at the next Board meeting after it is given.

- (C) (a) Save as herein provided, a Director shall not vote in respect of any contract or arrangement or any other proposal whatsoever in which he has any material interest otherwise than by virtue of his interests in shares or debentures or other securities of or otherwise in or through the Company. A Director shall not be counted in the quorum at a meeting in relation to any resolution on which he is debarred from voting.
- (b) A Director shall (in the absence of some other material interest than is indicated below) be entitled to vote (and be counted in the quorum) in respect of any resolution concerning any of the following matters namely:-
- (i) the giving of any security or indemnity to him in respect of money lent or obligations incurred by him at the request of or for the benefit of the Company or any of its subsidiaries;
 - (ii) the giving of any security or indemnity to a third party in respect of a debt or obligation of the Company or any of its subsidiaries for which he himself has assumed responsibility in whole or in part under a guarantee or indemnity or by giving of security;
 - (iii) any proposal concerning an offer of shares or debentures or other securities of or by the Company or any of its subsidiaries for subscription or purchase in which offer he is or is to be interested as a participant in the underwriting or sub-underwriting thereof;
 - (iv) any proposal concerning any other company in which he is interested, directly or indirectly and whether as an officer or shareholder or otherwise howsoever, provided that he is not the holder of or beneficially interested in 1 per cent or more of any class of the equity share capital of such company (or of any third company through which his interest is derived) or of the voting rights available to members of the relevant company (any such interest being deemed for the purpose of this Article to be a material interest in all circumstances);
 - (v) any proposal relating to an arrangement for the benefit of the employees of the Company or any of its subsidiary undertakings which does not award him any privilege or benefit not generally awarded to employees to whom such arrangement relates; and
 - (vi) any proposal concerning insurance which the Company proposes to maintain or purchase for the benefit of Directors or the benefit of persons including the Directors.
- (c) If any question shall arise at any meeting as to the materiality of a Director's interest or as to the entitlement of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be referred to the Chairman of the

meeting and his ruling in relation to any other Director shall be final and conclusive except in a case where the nature or extent of the interests of the Director concerned have not been fairly disclosed.

- (d) The Company may by special resolution suspend or relax the provisions of this Article to any extent or ratify any transaction not duly authorised by reason of a contravention of this Article.
 - (D) For the purposes of Article 90(A), (B) and (C), an interest of any person who is for any purpose of the Act (excluding any statutory modification thereof not in force when these Articles became binding on the Company) connected with a Director shall be taken to be the interest of that Director and, in relation to an alternate Director, an interest of his appointor.
 - (E) Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employments with the Company or any company in which the Company is interested, such proposals may be divided and considered in relation to each Director separately and in such cases each of the Directors concerned (if not debarred from voting under the proviso to Article 90(C)(b)(iv) shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment.
 - (F) Any Director may act by himself or his firm in a professional capacity for the Company (otherwise than as Auditor), and he or his firm shall be entitled to remuneration for professional services as if he were not a Director.
90. If any question shall arise at any meeting as to the materiality of a Director's interest or as to the entitlement of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be referred to the Chairman of the meeting and his ruling in relation to any other Director shall be final and conclusive except in a case where the nature or extent of the interests of the Director concerned has not been fairly disclosed. Any question relating to the Chairman shall be referred to the Deputy Chairman of the meeting and his ruling shall be final and conclusive except as aforesaid.
91. Without prejudice to the provisions for retirement by rotation or otherwise hereinafter contained, the office of Director shall be vacated in any of the events following, namely:-
- (a) if he delivers to the Board or to the Secretary a notice in writing of his resignation of his office of Director but such event shall be without prejudice to any claim which the Company may have for damages for breach of any contract of service between the Company and such Director;
 - (b) if he be found or become of unsound mind or become bankrupt or compound with his creditors;
 - (c) if, without leave, he be absent, otherwise than on the business of the Company, from meetings of the Board for six consecutive months, and the Board resolve that his office be vacated;
 - (d) if he is prohibited by law from being a Director;

- (e) if he ceases to be a Director by virtue of the Statutes or is removed from office pursuant to Article 110.

POWERS AND DUTIES OF THE BOARD

92. 125. The Board may from time to time declare and pay to the Members such interim dividends as appear to the Board to be justified by the profits of the Company. The Board may also declare and pay any fixed dividend which is payable on any shares of the Company half-yearly or otherwise on fixed dates, whenever such position, in the opinion of the Board, justifies that course.
126. The Board may deduct from any dividend payable to any Member all sums of money (if any) presently payable by him to the Company on account of calls or otherwise in relation to shares in the Company.
127. No dividend shall bear interest against the Company. RESERVES

130. The Board may before recommending any dividend set aside out of the profits of the Company such sums as it thinks proper as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (other than shares of the Company or its holding company, if any) as the Board may from time to time think fit. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to divide.
131. The Board shall transfer to a share premium account as required by the Statutes sums equal to the amount or value of any premiums at which shares of the Company may be issued and, subject to the provisions of the Statutes, the provisions of these presents relating to reserves shall be applicable to the sums for the time being standing to the credit of the share premium account.

When such resolution has been passed on any occasion the Directors may allot and issue the shares or debentures therein referred to credited as fully paid up to such holders in proportion as aforesaid, with full power to make such provisions by the issue of fractional certificates or otherwise as they think expedient for the case of fractions. Prior to such distribution, the Directors may authorise any person on behalf of the Members among whom such distribution is to be made to enter into an agreement with the Company providing for the allotment to such Members of such shares or debentures fully paid up and any agreement made under such authority shall be effective.
133. Where any difficulty arises in regard to any distributions under the last preceding Article the Board may settle the same as it thinks expedient and in particular may issue

fractional certificates or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board.
