PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

MARCH 28, 2002

Farmers National Banc Corp., herein referred to as “Farmers” or the “Corporation” is furnishing this Proxy Statement to its shareholders in connection with the solicitation, by order of the Board of Directors of Farmers, of proxies to be used at the Annual Meeting of Shareholders to be held on Thursday, March 28, 2002 at 3:30 P.M., Eastern Standard Time, at Kenneth F. McMahon Hall at the Mill Creek MetroParks Experimental & Educational Building at 7574 Columbiana-Canfield Rd., Canfield, Ohio 44406, and at any adjournments thereof. The Corporation is a one-bank holding company of which The Farmers National Bank of Canfield is the wholly owned subsidiary.

The cost for solicitation of proxies will be borne by Farmers. Brokerage firms and other custodians, nominees and fiduciaries may be requested to forward soliciting material to their principals and to obtain authorization for the execution of proxies. Farmers will, upon request, reimburse brokerage firms, and other custodians, nominees and fiduciaries for the execution of proxies and for their expenses in forwarding proxy material to their principals.

The proxy statement and the form of proxy are being mailed on March 7, 2002 or as soon thereafter as practicable to all shareholders entitled to vote at the meeting. In addition to use of mails, proxies may be solicited by officers, directors, and employees of Farmers by personal interview, telephone and telegraph.

The 2001 Annual Report, including the required audited financial statements of the Corporation and related financial information, is enclosed with this proxy soliciting material.

VOTING RIGHTS

Only shareholders of record at the close of business on February 1, 2002 will be entitled to vote at the meeting. As of February 1, 2002, Farmers had issued and outstanding 12,075,031 shares of common stock with no par value held by approximately 3,611 holders of record eligible to vote. Each outstanding share entitles the recordholder to one vote. The number of shares present at the meeting in person or by proxy will constitute a quorum for the transaction of business.

It is important that your stock be represented at the meeting, regardless of the number of shares you may own. We would appreciate your signing and returning the enclosed proxy. The shares represented by each proxy, which is properly executed and returned to Farmers, will be voted in accordance with the instructions indicated in such proxy. If no instructions are indicated, shares represented by proxy will be voted “FOR” the election of each of the directors as described herein under Proposal 1. The proxy may be revoked at any time prior to its exercise, by delivering notice of revocation or a duly executed proxy bearing a later date to the Treasurer of the Corporation at any time before the proxy is voted. Shareholders who attend the meeting in person may vote their stock even though they may have sent in a proxy. No officer or employee of Farmers may be named as a proxy. If you received two or more proxy forms because of a difference in addresses or registration of shareholdings, each should be executed and returned in order to assure a complete tabulation of shares.

The Corporation will appoint two officers to act as inspectors for the purpose of tabulating the votes cast by proxy. Broker non-votes and abstentions are not treated as votes cast for purposes of any of the matters to be voted on at the meeting.

The Board of Directors knows of no other business that will be presented for consideration at the 2001 Annual Meeting other than the matters described in this Proxy Statement. If any other matters should come before the meeting, the proxy holders will vote upon them in accordance with their best judgment.

PROPOSAL NO. 1:

If any of the nominees should be unavailable to serve for any reason (which is not anticipated), the Board of Directors may designate a substitute nominee or nominees (in which case the persons named on the enclosed proxy card will vote all valid proxy cards for the election of such substitute nominee or nominees), allow the vacancy or vacancies to remain open until a suitable candidate or candidates are located, or approve a resolution that provides for a lesser number of directors. The Bank matches a percentage of the participants’ voluntary contributions up to 6% of gross wages. In addition, at the discretion of the Board of Directors, the Bank may make an additional profit sharing contribution to the Plan. The Bank’s contributions are subject to a vesting schedule and the Plan meets the requirements of Section 401(a) of the Internal Revenue Code and Department of Labor Regulations under ERISA.

(c) Amounts represent cost of group term life insurance and other benefits.

Listed is the total compensation paid by the Corporation’s subsidiary, The Farmers National Bank of Canfield during the latest fiscal year to the named person(s) for services in all capacities, specifically setting forth the direct compensation to the President & CEO and Executive Officers who received cash and cash equivalent compensation in excess of \$100,000. The compensation set forth above has been approved by the Compensation Committee of the Board of Directors.

In 1991, as a result of certain changes in the Internal Revenue Code, the Bank’s pension plan was amended to reduce significantly the benefits of several key employees, including those of Mr. Paden and Mr. Lukas. As a result, the Bank has entered into Deferred Compensation Agreements with certain of its executive officers, including Mr. Paden and Mr. Lukas. Under the terms of the Deferred Compensation Agreement, they will receive monthly payments of \$930.00 (Paden) and \$815.00 (Lukas) for a period of two hundred and four (204) months, commencing with retirement age of 65. This agreement also provides that these executive officers will be available to perform consulting services for the Bank during the period he is receiving these payments, and prohibits him from entering into competition with the Bank during that same period. In the event that any payments should still remain due and payable to the executive officer under the Agreement at the time of his death, those payments would be made to his surviving spouse. In the event that any payment should still remain due and payable to either the executive officer or his spouse under the Agreement at the

death of the survivor of them, those payments would be reduced to their then present value at a predetermined rate of interest and paid to the estate of the survivor in a lump sum. Payments will be prorated in the event the employee retires before the age of 65, and will be increased proportionately if he retires after the age of 65. These Agreements are funded by life insurance policies owned by the Bank, on which the Bank is the beneficiary and on which the Bank pays the premiums.

FARMERS NATIONAL BANC CORP. 1999 STOCK OPTION PLAN

The following table sets forth the incentive stock options granted to the Corporation’s President & CEO and Executive Officers under the Farmers National Banc Corp. 1999 Stock Option Plan. Under Securities and Exchange Commission regulation, companies are required to project an estimate of appreciation of the underlying shares of stock during the option term. The Corporation has chosen the “five percent/ten percent” formula approved by the SEC. However, the ultimate value will depend on the market value of the Corporation’s stock at a future date, which may not correspond to the projections below. The grants of incentive stock options described below have been approved by the Compensation Committee of the Board of Directors.

Name	Individual Grants		Exercise Price (2) Per share	Expiration Date	Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term	
	Options Granted (1)	% of Total Options Granted to Employees			5%	10%
Frank L. Paden	7,500	13.39%	\$ 11.00	11/09/2009	\$121,890	\$176,846
Carl D. Culp	3,000	5.35%	\$ 11.00	11/09/2009	\$ 48,756	\$ 70,738
Donald F. Lukas	3,000	5.35%	\$ 11.00	11/09/2009	\$ 48,756	\$ 70,738

(1) Options granted in 2001 are incentive stock options, which are exercisable equally over a five-year vesting period; however, all options become immediately exercisable in the event of a change in control of the Corporation. These options were granted for a term of eight years, subject to earlier termination in certain events related to termination of employment.

(2) Exercise price is the fair market value on the date of the grant.

The following table sets forth the number and value of all unexercised incentive stock options held by the Corporation’s President & CEO and Executive Officers at year-end. The value of “in-the-money” options refers to options having an exercise price, which is less than the market price of the Corporation’s stock on December 31, 2001. In addition, the table sets forth the number of options exercised, if any, during the year and indicates the amount of value realized upon such exercise.

Name	Shares Acquired on Exercise	Net Value (\$) Realized (1)	Number (#) of Unexercised Options on 12/31/01	Value (\$) of Unexercised Options on 12/31/01 (2)
			Exercisable/ Unexercisable	Exercisable/ Unexercisable
Frank L. Paden	0	\$ 0	0 / 7,500	\$ 0 / \$0
Carl D. Culp	0	\$ 0	0 / 3,000	\$ 0 / \$0
Donald F. Lukas	0	\$ 0	0 / 3,000	\$ 0 / \$0

(1) Represents estimated market value of the Corporation’s common stock at exercise date, less the exercise price.

(2) Represents estimated market value of the Corporation’s common stock at December 31, 2001, less the exercise price.

INDEBTEDNESS OF MANAGEMENT

The Bank has had, and expects to have in the future, banking transactions in the ordinary course of business with directors, executive officers and their associates on the same terms, including interest rates and collateral on loans, as those prevailing at the same time for comparable transactions with others. Since the beginning of 2001, the largest aggregate extensions of credit to executive officers, directors and their associates during the year ended December 31, 2001 was \$2,438,843 or 3.22% of Equity Capital Accounts. In the opinion of the management of the Bank, these transactions do not involve more than a normal risk of collection or present any unfavorable features.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is made up of all of the outside directors of Farmers. No officers of the Corporation sit on this committee. This committee reports back to the full board, but its decisions are not subject to full board approval. The committee has the purpose and responsibility of providing the Bank, its staff and the communities it serves with consistent long-term leadership of the highest quality possible while protecting the interests of the shareholders.

The committee sets the limits for compensation increases in the aggregate for all staff, reviews performance of executive officers and sets their salaries for the coming year. The committee also negotiated the terms of the executive contracts referred to at Employment Contracts of Executives, below. In addition, any incentive/bonus program is set by the board based on the recommendation of the Compensation Committee.

The committee takes a straightforward approach to the review of executives and bases its consideration of salaries on specific job performance, contribution to target levels of growth, profitability, stability, capital and return on equity (ROE) and return on assets (ROA). Also considered is the executive's contribution to the general success of the Bank and its business plan and community standing, which cannot necessarily be quantified in an appropriate manner but is weighted heavily in a community bank, which is located exclusively in small communities. Successful bank operations are contingent upon accomplishment in all areas and integration with the business community's direction and success in the Bank's market areas. Executive performance must therefore be evaluated by using these factors as well. Specific results of each executive's area of responsibility are evaluated and considered, but would not be appropriately discussed here as a matter of confidentiality.

The committee evaluates the President on the same basis as other executive officers with weight being given to the achievement of target levels of growth, capital and return on equity and, in addition, specific target goals of the overall strategic plan of the Bank.

The members of the Compensation Committee are Benjamin R. Brown, Chairman; Ralph D. Macali, Joseph D. Lane, David C. Myers, Edward A. Ort, William D. Stewart and Ronald V. Wertz. No member has registered a disagreement with the above report.

EMPLOYMENT CONTRACTS OF EXECUTIVES

The Corporation has entered into employment contracts with Frank L. Paden, Carl D. Culp, and Donald F. Lukas. The Corporation desires to provide for the continued employment of these executives resulting in continuity of management for the future. Each executive has entered into an employment contract on or about March 29, 2001. Each employment contract for each respective executive provides the following terms and conditions of employment:

- Each executive shall have a term of employment commencing on the date of the employment contract and continuing until that annual meeting which takes place during the third calendar year following the date of the agreement. At each successive annual meeting after the date of execution, the term of employment is renewed for an additional three-year period of time. The agreement shall continue until terminated pursuant to its terms.
- The executive can only be terminated for cause, as that term is described in the agreement. If terminated, the executive shall be paid his salary for his remaining term of employment. Such payment shall be made in lump sum.
- If a change in control of the Corporation shall occur and the executive leaves the employment of the Corporation within eighteen (18) months following the change of control, in addition to the above compensation, the employee shall receive a lump sum payment of three (3) times his prior year's compensation.
- If the executive is terminated without cause, or leaves the Corporation within eighteen (18) months following a change of control, or if the board fails to elect the executive to a position of comparable duties and responsibilities then being served by the executive, all stock options previously granted to the executive shall become immediately exercisable and vested.

The Compensation Committee of the Board of Directors approved the terms of the employment contracts.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee is currently or was at any time during 2001, an officer or an employee of, or had an employment agreement with the Corporation or the Bank. No corporate or committee interlocks exist which require disclosure under SEC regulations.

PERFORMANCE GRAPH

The Securities and Exchange Commission requires a line graph presentation comparing cumulative, five-year shareholder returns on an indexed basis with a broad equity market index and either a nationally recognized industry standard or an index of peer companies selected by the Corporation. The Corporation has selected the NASDAQ Stock Market US Index and the NASDAQ Bank Index for purposes of this performance comparison. The Performance Graph set forth below, assumes an investment of \$100 on January 1, 1996 and compares year-end totals shareholder returns, assuming dividends are reinvested, for a five-year period ending December 31, 2001.

14. Review with management, the independent accountant, and the internal auditor the interim financial report before it is filed with the SEC or other regulators.

15. Review with the internal auditor and the independent accountant the results of their review of the Corporation's monitoring compliance with the Corporation's code of conduct.

16. Review legal and regulatory matters that may have a material impact on the financial statements, related Corporation compliance policies, and programs and reports received from regulators.

17. Meet with the internal auditor, the independent accountant, and management in separate executive sessions to discuss any matters that the committee or these groups believe should be discussed privately with the audit committee.

18. Report committee actions to the Board of Directors with such recommendations as the committee may deem appropriate.

19. The audit committee shall have the power to conduct or authorize investigations into any matters within the committee's scope of responsibilities. The committee shall be empowered to retain independent counsel, accountants, or others to assist it in the conduct of any investigation.

20. The committee shall meet at least four times per year or more frequently as circumstances require. The committee may ask members of management or others to attend the meeting and provide pertinent information as necessary.
