However, we believe that compliance is warranted in all future filings as applicable, not only in your annual reports. Please confirm our understanding that you will so comply as applicable in future filings.
2. We have read your response to comment 6 in our letter dated January 6, 2011 and reviewed the draft Form 10-K/A. Based on the items you propose to include in your Form 10-K/A, we note that the Section 302 certifications should not include

3. We have read your response to comment 7 in our letter dated January 6, 2011. You have told us that as part of your year-end closing process, you identified certain errors in the original purchase price allocation with respect to the fair value of certain property, plant and equipment. As such, please tell us what consideration you gave to filing an Item 4.02(a) Form 8-K as it relates to your interim financial statements as presented in your March 31, 2010, June 30, 2010 and September 30, 2010 Forms 10-Q. In this regard, please refer to General Instruction B.1 of Form 8-K.
