Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Investors Brokerage of Texas, Ltd. (the Partnership) as of December 31, 2017, the related statements of income, changes in partners' capital, and cash flows for the year then ended, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Partnership as of December 31, 2017, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on the Partnership's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Partnership in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures to respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Opinion on the Supplemental Information

The supplemental information in Schedules I and II has been subjected to audit procedures performed in conjunction with the audit of the Partnership's financial statements. The information in Schedules I and II is the responsibility of the Partnership's management. Our audit procedures include determining whether the information in Schedules I and II reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in Schedules I and II. In forming our opinion on the information in Schedules I and II, we evaluated whether the information in Schedules I and II including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the information in Schedules I and II is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1 Summary of Significant Accounting Policies

Nature of Operations and Basis of Presentation

Investors Brokerage of Texas, Ltd (the "Partnership") is a limited partnership organized under the laws of the State of Texas. The Partnership is a broker-dealer in securities registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Partnership operates under SEC Rule 15c3-3(k)(2)(ii), whereby a clearing broker-dealer performs clearing functions for all broker-dealer transactions with customers and brokers and dealers on a fully disclosed basis. The Partnership also has agreements for clearing functions with other various mutual funds and variable annuity brokers. The majority of the Partnership's customers are located in the central and south Texas areas. The Partnership receives commissions on trades that are facilitated through the clearing broker-dealer and other brokers. The accounting and reporting policies of the Partnership conform to U.S. generally accepted accounting principles and to general practices within the broker-dealer industry.

The accompanying financial statements include only the accounts of the Partnership. The general partner (0.1%) is Insurors General Partner, LLC, which is a wholly-owned subsidiary of the limited partner (99.9%), Insurors.com, Inc. (the "Parent"). The Parent is owned by individual shareholders.

The Partnership carries no customer cash accounts, margin accounts or credit balances and promptly transmits all customer funds and delivers all securities received in connection with its activities to its clearing broker, Hilltop Securities in Dallas, Texas.

Commission Income and Related Expenses

Commission income and related expenses are recorded on a trade date basis as securities transactions occur. Investment advisory and management fees are generally recognized as services are provided. Fees are billed on a quarterly basis based on the account's asset value at the end of the quarter. Advance payments, if received, are deferred and recognized during the periods for which services are provided.

Income Taxes

The Partnership is a qualified subchapter S subsidiary. The Parent has been approved to pay federal income taxes with an S corporation election. The Partnership and its affiliates are included in the consolidated federal income tax return filed by the Parent. Income taxes are calculated and paid by the shareholders of the Parent. Therefore, no provision or liability for federal income taxes has been included in the financial statements.

The Partnership is subject to income taxes in the State of Texas and files a combined return with the Parent. The Partnership's federal and state income tax returns generally remain subject to examination by the Internal Revenue Service and state authorities for three to four years from the date the return is filed.

Use of Estimates

Management of the Partnership has made a number of estimates and assumptions relating to the reporting of assets and liabilities and the disclosure of contingent assets and liabilities to prepare these financial statements in conformity with generally accepted accounting principles. Actual results could differ from those estimates.

Note 2 Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities and Exchange Act of 1934, the Partnership is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2017, the Partnership had net capital of \$429,407 and net capital requirements of \$50,000. The Partnership's ratio of aggregate indebtedness to net capital was .1021 to 1.

Note 3 Possession or Control Requirements

The Partnership does not have any possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provision of SEC Rule 15c3-3(k)(2)(ii) by promptly transmitting all customer funds and securities to the clearing broker who carries the customer accounts.

Note 4 Retirement Plan

The Partnership participates in the retirement plan (the "Plan") of a related company which covers substantially all employees. The Plan has a 401(k) provision which allows employees with at least one year and 1,000 hours of service to make contributions.

Note 5 Related Party Transactions

Insurors of Texas General Agency, Ltd., a related entity of the Partnership, charge the Partnership, through an expense sharing agreement, for office space, accounting services and equipment, including equipment maintenance. In the event this occurs, the Partnership will indemnify the clearing broker-dealer to the extent of the net loss on any unsettled trades. At December 31, 2017, management of the Partnership had not been notified by the clearing broker-dealer, nor were they otherwise aware, of any potential losses relating to this indemnification.

On Management's Exemption Report

Required by SEC Rule 17a-5

For the Year Ended December 31, 2017

Report of Independent Registered Public Accounting Firm

To the Board of Directors
Investors Brokerage of Texas, Ltd.

We have reviewed management's statements, included in the accompanying Management's Exemption Report under Rule 15c3-3 of the Securities Exchange Act of 1934, in which (1) Investors Brokerage of Texas, Ltd. (the "Partnership") identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Partnership claimed an exemption from 17 C.F.R. § 240.15c3-3: (2)(ii), (the exemption provisions) and (2) the Partnership stated that the Partnership met the identified exemption provisions throughout the most recent fiscal year without exception. The Partnership's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Partnership's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
