- Tell us and briefly disclose the business purpose for domiciling First Financial Reinsurance Company in the country of Turks and Caicos Islands.
- Please revise your future filings to clearly identify the type of insurance products and contracts written by First Financial Reinsurance Company, and quantify the amount such business transacted during the periods presented. Specify whether the entity enters into short-duration or long-duration contracts.
- Please revise your future filings to provide the disclosures required by SFAS 60 and SFAS 113, or tell us specifically why you believe this guidance is not applicable to your situation. Clearly disclose how you accounted for such intercompany transactions in your consolidated financial statements.
- Please provide us with a copy of your proposed disclosures.

Please respond to these comments within 10 business days or tell us when you will provide us with a response. Your response letter should key your responses to our comments, indicate your intent to include the requested revisions in future filings, provide your proposed disclosures and provide any requested information.
