Dear Mr. Pearce:

We have reviewed your supplemental response letter dated March 31, 2009 as well as your filing and have the following comments. As noted in our comment letter dated March 3, 2009, we have limited our review to your financial statements and related disclosures and do not intend to expand our review to other portions of your documents.

Form 10-K for Fiscal Year Ended June 30, 2008

Note 3. Acquisitions, Investments in Affiliates and Loans, page 85

Investment in MY Style, page 91

1. We note your response to prior comment 8. Please address the following items:
 - Tell us your consideration of EITF 02-14 in determining that the application of the equity method based on the conversion feature associated with the notes was appropriate.
 - Tell us your consideration of EITF 96-19 in determining your accounting treatment of the New Exchangeable Notes which replaced the Original Exchangeable Notes on September 24, 2008. Explain for us why a reduced principal amount is now exchangeable for a greater equity ownership interest in MY Style Co., Ltd.
