Notes to Statement of Investments:

a These securities are prerefunded; the date shown represents the prerefunded date. Bonds which are prerefunded are collateralized by U.S. Government securities which are held in escrow and are used to pay principal and interest on the municipal issue and to retire the bonds in full at the earliest refunding date.

b Zero coupon until a specified date, at which time the stated coupon rate becomes effective until maturity.

c Securities exempt from registration under Rule 144A of the Securities Act of 1933. These securities may be resold in transactions exempt from registration, normally to qualified institutional buyers. At February 28, 2006, these securities amounted to \$17,355,907 or 2.1% of net assets.

d Inverse floater security--the interest rate is subject to change periodically.

e Securities payable on demand. Variable interest rate--subject to periodic change.

Securities valuation policies and other investment related disclosures are hereby incorporated by reference to the annual and semi annual reports previously filed with the Securities and Exchange Commission on Form N-CSR.
