**Item 7.01 Regulation FD Disclosure**

Officials of the Company today met with sell side analysts and discussed various topics. A copy of the power point presentation is posted on the Company’s website [www.RaymondJames.com](http://www.RaymondJames.com) under Investor Relations – Presentations and Webcasts. In that presentation, the Company disclosed the results of the self-imposed stress test that was performed on Raymond James Bank, FSB (“RJBank”) and other information.

In response to a question about the ability of Raymond James Financial to put additional capital into RJBank if necessary to meet regulatory requirements, the Company estimated that \$100-\$200 million was currently available for that purpose.

In response to a question about the opportunity for Raymond James & Associates, Inc. (“RJA”) to recruit new financial advisors, the Company disclosed that it expects RJA to add financial advisors with trailing 12-month production of more than \$100 million during this fiscal year.

In response to a question about the auction rate securities held by Company customers, the Company disclosed that it was hopeful that Nuveen Investments’s recently announced plan to issue medium term notes would result in the majority of auction rate securities held by the Company’s customers being redeemed.
