Form 10-K for the Fiscal Year Ended September 30, 2023

Liquidity and Capital Resources, page 42

1. We note that on page 44 and elsewhere in your Form 10-K you disclose that you were not in compliance with the Debt to EBITDA and Fixed Charge Coverage Ratio financial covenants under your loan agreement, and that you entered into a forbearance agreement with the bank related to such non-compliance, pursuant to which the bank agreed to forbear through January 17, 2025 from exercising its rights and remedies available to it as a result of such defaults. In future filings, please expand your disclosures of liquidity and capital resources to address the following:
 - Describe the terms of each covenant covered by the forbearance agreement, or any similar agreements, including a presentation of the required and actual ratio/amount as of the most recent compliance date.
 - Explain how additional future violations of this or other debt covenants would impact your liquidity and capital resources. Specifically, you should state whether noncompliance with any covenants could lead to the acceleration of payments
