Exhibit 13.1

Results of Operations

Non-GAAP Financial Measures, page 26

1. We note that your adjusted earnings and adjusted diluted EPS measures include an adjustment for "acquisition intangible amortization." Excluding amortization of acquired intangible assets may result in non-GAAP measures that are based on individually tailored accounting principles. Please tell us how you considered Question 100.04 of the Non-GAAP C&DIs and why you believe these measures are useful to investors.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
