LAKELAND FINANCIAL CORPORATION

2017 EQUITY INCENTIVE PLAN

Article 1 INTRODUCTION

Section 1.1 Purpose, Effective Date and Term. The purpose of this **LAKELAND FINANCIAL CORPORATION 2017 EQUITY INCENTIVE PLAN** is to promote the long-term financial success of **LAKELAND FINANCIAL CORPORATION** and its Subsidiaries by providing a means to attract, retain, and reward individuals who can and do contribute to such success, and to further align their interests with those of the Shareholders. The “**Effective Date**” of the Plan is April 11, 2017, the date of the approval of the Plan by the Shareholders. The Plan shall remain in effect as long as any Awards are outstanding; *provided, however,* that no Awards may be granted after the 10-year anniversary of the Effective Date.

Section 1.2 Participation. Each employee and director of, and service provider (with respect to which issuances of securities may be registered under Form S-8) to, the Company and each Subsidiary who is granted, and currently holds, an Award in accordance with the provisions of the Plan shall be a “**Participant**” in the Plan. Award recipients shall be limited to employees and directors of, and service providers (with respect to which issuances of securities may be registered under Form S-8) to, the Company and its Subsidiaries; *provided, however,* that an Award (other than an ISO) may be granted to an individual prior to the date on which he or she first performs services as an employee, director or service provider, *provided* that such Award does not become vested prior to the date such individual commences such services.

Section 1.3 Definitions. Capitalized terms in the Plan shall be defined as set forth in the Plan (including the definition provisions of **Article 8**).

Article 2 AWARDS

Section 2.1 General. Any Award may be granted singularly, in combination with another Award (or Awards), or in tandem whereby the exercise or vesting of one Award held by a Participant cancels another Award held by the Participant. Each Award shall be subject to the provisions of the Plan and such additional provisions as the Committee may provide with respect to such Award and as may be evidenced in the Award Agreement. Subject to the provisions of **Section 3.4(b)**, an Award may be granted as an alternative to or replacement of an existing award under the Plan, any other plan of the Company or a Subsidiary or as the form of payment for grants or rights earned or due under any other compensation plan or arrangement of the Company or a Subsidiary, including the plan of any entity acquired by the Company or a Subsidiary. The types of Awards that may be granted include the following:

(a) *Stock Options.* A stock option represents the right to purchase Shares at an exercise price established by the Committee. Any stock option may be either an ISO or a nonqualified stock option that is not

intended to be an ISO. No ISOs may be (i) granted after the 10-year anniversary of the Effective Date or (ii) granted to a non-employee. To the extent the aggregate Fair Market Value (determined at the time of grant) of Shares with respect to which ISOs are exercisable for the first time by any Participant during any calendar year under all plans of the Company and its Subsidiaries exceeds \$100,000, the stock options or portions thereof that exceed such limit shall be treated as nonqualified stock options. Unless otherwise specifically provided by the Award Agreement, any stock option granted under the Plan shall be a nonqualified stock option. All or a portion of any ISO granted under the Plan that does not qualify as an ISO for any reason shall be deemed to be a nonqualified stock option. In addition, any ISO granted under the Plan may be unilaterally modified by the Committee to disqualify such stock option from ISO treatment such that it shall become a nonqualified stock option.

(b) Stock Appreciation Rights. A stock appreciation right (an “SAR”) is a right to receive, in cash, Shares or a combination of both (as shall be reflected in the respective Award Agreement), an amount equal to or based upon the excess of (i) the Fair Market Value at the time of exercise of the SAR over (ii) an exercise price established by the Committee.

(c) Stock Awards. A stock award is a grant of Shares or a right to receive Shares (or their cash equivalent or a combination of both, as shall be reflected in the respective Award Agreement) in the future, excluding Awards designated as stock options, SARs or cash incentive awards by the Committee. Such Awards may include bonus shares, performance shares, performance units, restricted stock, restricted stock units or any other equity-based Award as determined by the Committee.

(d) Cash Incentive Awards. A cash incentive award is the grant of a right to receive a payment of cash (or Shares having a value equivalent to the cash otherwise payable, excluding Awards designated as stock options, SARs or stock awards by the Committee, all as shall be reflected in the respective Award Agreement), determined on an individual basis or as an allocation of an incentive pool that is contingent on the achievement of performance objectives established by the Committee.

Section 2.2 Exercise of Stock Options and SARs. A stock option or SAR shall be exercisable in accordance with such provisions as may be established by the Committee; *provided, however,* that a stock option or SAR shall expire no later than 10 years after its grant date (five years in the case of an ISO with respect to a 10% Shareholder). The exercise price of each stock option and SAR shall be not less than 100% of the Fair Market Value on the grant date; *provided, however,* that the exercise price of an ISO shall not be less than 110% of Fair Market Value on the grant date in the case of a 10% Shareholder; and *provided further,* that, to the extent permitted under Code Section 409A, and subject to **Section 3.4(b)**, the exercise price may be higher or lower in the case of stock options and SARs granted in replacement of existing awards held by an employee, director or service provider granted by an acquired entity. The payment of the exercise price of a stock option shall be by cash or, subject to limitations imposed by applicable law, by any of the following means unless otherwise determined by the Committee from time to time: (a) by tendering, either actually or by attestation, Shares acceptable to the Committee and valued at Fair Market Value as of the day of exercise; (b) by irrevocably authorizing a third party, acceptable to the Committee, to sell Shares acquired upon exercise of the stock option and to remit to the Company no later than the third business day following exercise of a sufficient portion of the sale proceeds to pay the entire exercise price and any tax withholding resulting from such exercise; (c) by payment through a “net exercise” process such that, without the payment of any funds, the Participant may exercise the option using Award shares as payment of the exercise price and applicable taxes and receive the net number of Shares equal in value to (i) the number of Shares as to which the option is being exercised, multiplied by (ii) a fraction, the numerator of which is the Fair Market Value (on the date of exercise) less the exercise price, and the denominator of which is such Fair Market Value (the number of net Shares to be received shall be rounded down to the nearest whole number of Shares); (d) by personal, certified or cashiers’ check; (e) by other property deemed acceptable by the Committee or (f) by any combination thereof.

Section 2.3 Performance-Based Compensation. Any Award that is intended to be Performance-Based Compensation shall be conditioned on the achievement of one or more objective performance measures, to the extent required by Code Section 162(m), as may be determined by the Committee. The grant of any Award and the establishment of performance measures that are intended to be Performance-Based Compensation shall occur during the period required under Code Section 162(m).

(a) Performance Measures. The performance measures described in this **Section 2.3** may be based on any one (1) or more of the following: earnings (*e.g.*, earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; and earnings per share; each as may be defined by the Committee); financial return ratios (*e.g.*, return on investment; return on invested capital; return on equity; and return on assets; each as may be defined by the Committee); “Texas ratio”; expense ratio; efficiency ratio; increase in revenue, operating or net cash flows; cash flow return on investment; total shareholder return; market share; net operating income, operating income or net income; net income margin; interest income margins; debt load reduction; loan and lease losses; expense management; economic value added; stock price; book value; overhead; assets; asset quality level; assets per employee; charge offs; loan loss reserves; loans; deposits; nonperforming assets; growth of loans, deposits, or assets; interest sensitivity gap levels; regulatory compliance; improvement of financial rating; achievement of balance sheet or income statement objectives; improvements in capital structure; profitability; profit margins; customer retention or growth; employee retention or growth; budget comparisons or strategic business objectives, consisting of one (1) or more objectives based on meeting specific cost targets, business expansion goals and goals relating to acquisitions or divestitures. Performance measures may be based on the performance of the Company as a whole or of any one (1) or more Subsidiaries, business units or financial reporting segments of the Company or a Subsidiary, or any combination thereof, and may be measured relative to a peer group, an index or a business plan.

(b) Partial Achievement. An Award may provide that partial achievement of the performance measures may result in payment or vesting based upon the degree of achievement. In addition, partial achievement of performance measures shall apply toward a Participant’s individual limitations as set forth in **Section 3.3**.

(c) Extraordinary Items. In establishing any performance measures, the Committee may provide for the exclusion of the effects of the following items, to the extent identified in the audited financial statements of the Company, including footnotes, or in the Management’s Discussion and Analysis section of the Company’s annual report: (i) extraordinary, unusual or nonrecurring items of gain or loss, including non-cash refinancing charges; (ii) gains or losses on the disposition of a business; (iii) changes in tax or accounting principles, regulations or laws; (iv) mergers or acquisitions; and (v) such other items permitted from time to time hereafter under the regulations promulgated under Code Section 162(m). To the extent not specifically excluded, such effects shall be included in any applicable performance measure.

(d) Adjustments. Pursuant to this **Section 2.3**, in certain circumstances the Committee may adjust performance measures; *provided, however*, that no adjustment may be made with respect to an Award that is intended to be Performance-Based Compensation, except to the extent the Committee exercises such negative discretion as is permitted under Code Section 162(m). If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company or the manner in which the Company or a Subsidiary conducts its business or other events or circumstances render current performance measures to be unsuitable, the Committee may modify such performance measures, in whole or in part, as the Committee deems appropriate. If a Participant is promoted, demoted or transferred to a different business unit during a performance period, the Committee may determine that the selected performance measures or applicable performance period are no longer appropriate, in which case, the Committee, in its sole discretion, may (i) adjust, change or eliminate the performance measures or change the applicable performance period or (ii) cause to be made a cash payment to the Participant in an amount determined by the Committee.

Section 2.4 Restrictions on Stock Awards. If the right to become vested in an Award granted to an employee Participant is conditioned on the completion of a specified period of service with the Company or its Subsidiaries, without achievement of performance measures or other performance objectives (whether or not related to the performance measures) being required as a condition of vesting, and without it being granted in lieu of, or in exchange for, other compensation, or other Awards, then the required period of service for full vesting shall not be less than one (1) year (subject to acceleration of vesting, to the extent permitted by the Committee, as provided herein); *provided, however*, that the required period of service for full vesting with respect to stock awards shall not apply to Awards granted to Director Participants provided that the aggregate of such Director grants do not exceed 5% of the total Share reserve set forth in **Section 3.2(a)**.

Section 2.5 Dividends and Dividend Equivalents. Any Award may provide the Participant with the right to receive dividend payments or dividend equivalent payments with respect to Shares subject to the Award, which payments may be made currently or credited to an account for the Participant, may be settled in cash or Shares and may be subject to terms or provisions similar to the underlying Award.

Section 2.6 Forfeiture of Awards. Unless specifically provided to the contrary in an Award Agreement, upon notification of Termination of Service for Cause, any outstanding Award held by a Participant, whether vested or unvested, shall terminate immediately, such Award shall be forfeited and the Participant shall have no further rights thereunder.

Section 2.7 Deferred Compensation. The Plan is, and all Awards are, intended to be exempt from or comply with Code Section 409A, and each shall be construed, interpreted and administered accordingly. The Company does not guarantee that any benefits that may be provided under the Plan will satisfy all applicable provisions of Code Section 409A. If any Award would be considered “deferred compensation” under Code Section 409A, the Committee reserves the absolute right (including the right to delegate such right) to unilaterally amend the Plan or the applicable Award Agreement, without the consent of the Participant, to avoid the application of, or to maintain compliance with, Code Section 409A. Any amendment by the Committee to the Plan or an Award Agreement pursuant to this **Section 2.7** shall maintain, to the extent practicable, the original intent of the applicable provision without violating Code Section 409A. A Participant’s acceptance of any Award shall be deemed to constitute the Participant’s acknowledgment of, and consent to, the rights of the Committee under this **Section 2.7**, without further consideration or action. Any discretionary authority retained by the Committee pursuant to the terms of the Plan or pursuant to an Award Agreement shall not be applicable to an Award that is determined to constitute deferred compensation, if such discretionary authority would contravene Code Section 409A.

Article 3 **SHARES SUBJECT TO PLAN**

Section 3.1 Available Shares. The Shares with respect to which Awards may be granted shall be Shares currently authorized but unissued, currently held or, to the extent permitted by applicable law, subsequently acquired by the Company, including Shares purchased in the open market or in private transactions.

Section 3.2 Share Limitations.

(a) Subject to the following provisions of this **Section 3.2**, the maximum number of Shares that may be delivered under the Plan shall be 1,000,000 (all of which may be granted as ISOs and all of which may be granted as full value awards). The maximum number of Shares available for delivery under the Plan (including the number that may be granted as ISOs) and the number of Shares subject to outstanding Awards shall be subject to adjustment as provided in **Section 3.4**. Following the Effective Date, no new awards will be granted from a Prior Plan.

(i) To the extent any Shares covered by an Award under the Plan or a Prior Plan are not delivered to a Participant or beneficiary for any reason, including because the Award is forfeited (including unvested stock awards), canceled, or settled in cash, such Shares shall not be deemed to have been delivered for purposes of determining the maximum number of Shares available for delivery under the Plan and shall again become eligible for delivery under the Plan.

(ii) With respect to SARs or, following the Effective Date, a stock appreciation right under a Prior Plan, that are settled in Shares, the full number of covered Shares set forth in the Award Agreement shall be counted for purposes of determining the maximum number of Shares available for delivery under the Plan.

(iii) If the exercise price of any stock option granted under the Plan or, following the Effective Date, a stock option under a Prior Plan, is satisfied by tendering Shares to the Company (whether by actual delivery or by attestation and whether or not such surrendered Shares were acquired pursuant to an award) or by the

net exercise of the award, the full number of covered Shares set forth in the Award Agreement shall be deemed delivered for purposes of determining the maximum number of Shares available for delivery under the Plan.

(b) If the withholding tax liabilities arising from an Award are satisfied by the tendering of Shares to the Company (whether by actual delivery or by attestation and whether or not such tendered Shares were acquired pursuant to an award) or by the withholding of or reduction of Shares by the Company, such Shares shall be deemed to have been delivered for purposes of determining the maximum number of Shares available for delivery under the Plan.

Section 3.3 Limitations on Grants to Individuals. The following limitations shall apply with respect to Awards:

(a) *Stock Options and SARs.* The maximum number of Shares that may be subject to stock options or SARs granted to any one Participant during any calendar year that are intended to be Performance-Based Compensation, and then only to the extent that such limitation is required by Code Section 162(m), shall be 100,000. For purposes of this **Section 3.3(a)**, if a stock option is granted in tandem with an SAR, such that the exercise of the option or SAR with respect to a Share cancels the tandem SAR or option right, respectively, with respect to such Share, the tandem option and SAR rights with respect to each Share shall be counted as covering one Share for purposes of applying the limitations of this **Section 3.3(a)**.

(b) *Stock Awards.* The maximum number of Shares that may be subject to stock awards that are granted to any one Participant during any calendar year and are intended to be Performance-Based Compensation, and then only to the extent that such limitation is required by Code Section 162(m), shall be 50,000.

(c) *Cash Incentive Awards and Stock Awards Settled in Cash.* The maximum dollar amount that may be payable to any one Participant pursuant to cash incentive awards and cash-settled stock awards that are granted to any one Participant during any calendar year and are intended to be Performance-Based Compensation, and then only to the extent that such limitation is required by Code Section 162(m), shall be \$1,000,000.

(d) *Dividends, Dividend Equivalents and Earnings.* For purposes of determining whether an Award is intended to be qualified as Performance-Based Compensation under the foregoing limitations of this **Section 3.3**, (i) the right to receive dividends and dividend equivalents with respect to any Award that is not yet vested shall be treated as a separate Award, and (ii) if the delivery of any Shares or cash under an Award is deferred, any earnings, including dividends and dividend equivalents, shall be disregarded.

(e) *Partial Performance.* Notwithstanding the preceding provisions of this **Section 3.3**, if in respect of any performance period or restriction period, the Committee grants to a Participant Awards having an aggregate dollar value and/or number of Shares less than the maximum dollar value and/or number of Shares that could be paid or awarded to such Participant based on the degree to which the relevant performance measures were attained, the excess of such maximum dollar value and/or number of Shares over the aggregate dollar value and/or number of Shares actually subject to Awards granted to such Participant shall be carried forward and shall increase the maximum dollar value and/or the number of Shares that may be awarded to such Participant in respect of the next performance period or restriction period in respect of which the Committee grants to such Participant an Award intended to qualify as Performance-Based Compensation, subject to adjustment pursuant to **Section 3.4**.

(f) *Director Awards.*

(i) The maximum number of Shares that may be subject to stock options or SARs granted to any one (1) Director Participant during any calendar year shall be 10,000.

(ii) The maximum number of Shares that may be subject to stock awards that are granted to any one (1) Director Participant during any calendar year shall be 10,000.

(g) The foregoing limitations shall not apply to cash-based director fees that the Director elects to receive in the form of Shares or Share based units equal in value to the cash-based director fee.

Section 3.4 Corporate Transactions; No Repricing.

(a) *Adjustments.* To the extent permitted under Code Section 409A, to the extent applicable, in the event of a corporate transaction involving the Company or the Shares (including any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), all outstanding Awards, the number of Shares available for delivery under the Plan under **Section 3.2** and each of the specified limitations set forth in **Section 3.3** shall be adjusted automatically to proportionately and uniformly reflect such transaction (but only to the extent that such adjustment will not negatively affect the status of an Award intended to qualify as Performance-Based Compensation, if applicable); *provided, however*, that, subject to **Section 3.4(b)**, the Committee may otherwise adjust Awards (or prevent such automatic adjustment) as it deems necessary, in its sole discretion, to preserve the benefits or potential benefits of the Awards and the Plan. Action by the Committee under this **Section 3.4(a)** may include: (i) adjustment of the number and kind of shares that may be delivered under the Plan; (ii) adjustment of the number and kind of shares subject to outstanding Awards; (iii) adjustment of the exercise price of outstanding stock options and SARs; and (iv) any other adjustments that the Committee determines to be equitable (which may include (A) replacement of an Award with another award that the Committee determines has comparable value and that is based on stock of a company resulting from a corporate transaction, and (B) cancellation of an Award in return for cash payment of the current value of the Award, determined as though the Award were fully vested at the time of payment, *provided* that in the case of a stock option or SAR, the amount of such payment shall be the excess of the value of the stock subject to the option or SAR at the time of the transaction over the exercise price, and *provided, further*, that no such payment shall be required in consideration for the cancellation of the Award if the exercise price is greater than or equal to the value of the stock at the time of such corporate transaction).

(b) *No Repricing.* Notwithstanding any provision of the Plan to the contrary, no adjustment or reduction of the exercise price of any outstanding stock option or SAR in the event of a decline in Stock price shall be permitted without approval by the Shareholders or as otherwise expressly provided under **Section 3.4(a)**. The foregoing prohibition includes (i) reducing the exercise price of outstanding stock options or SARs, (ii) cancelling outstanding stock options or SARs in connection with the granting of stock options or SARs with a lower exercise price to the same individual, (iii) cancelling stock options or SARs with an exercise price in excess of the current Fair Market Value in exchange for a cash or other payment, and (iv) taking any other action that would be treated as a repricing of a stock option or SAR under the rules of the primary securities exchange or similar entity on which the Shares are listed.

Section 3.5 Delivery of Shares. Delivery of Shares or other amounts under the Plan shall be subject to the following:

(a) *Compliance with Applicable Laws.* Notwithstanding any provision of the Plan to the contrary, the Company shall have no obligation to deliver any Shares or make any other distribution of benefits under the Plan unless such delivery or distribution complies with all applicable laws and the applicable requirements of any securities exchange or similar entity.

(b) *No Certificates Required.* To the extent that the Plan provides for the delivery of Shares, the delivery may be effected on a non-certificated basis, to the extent not prohibited by applicable law or the applicable rules of any securities exchange or similar entity.

**Article 4
CHANGE IN CONTROL**

Section 4.1 Consequence of a Change in Control. Subject to the provisions of **Section 3.4** (relating to the adjustment of shares), and except as otherwise provided in the Plan or in any Award Agreement, and subject to any forfeiture and expiration provisions otherwise applicable to the respective Awards, all stock options and

SARs under the Plan then held by the Participant at the time of a Change in Control (whether time-vested or performance-vested awards) shall become fully exercisable, and all stock awards and cash incentive awards under the Plan then held by the Participant at the time of a Change in Control shall become fully earned and vested, immediately upon the occurrence of either of the following:

(a) immediately following a Change in Control the Plan and the respective Award Agreements are not the obligations of the entity, whether the Company, a successor thereto or an assignee thereof, that conducts following a Change in Control substantially all of the business conducted by the Company and its Subsidiaries immediately prior to such Change in Control, or

(b) the Plan and the respective Award Agreements are the obligations of the entity, whether the Company, a successor thereto or an assignee thereof, that conducts following a Change in Control substantially all of the business conducted by the Company and its Subsidiaries immediately prior to such Change in Control and the Participant incurs a Termination of Service without Cause or the Participant resigns for Good Reason following such Change in Control.

Section 4.2 Definition of Change in Control.

(a) If the Participant is subject to an employment agreement (or other similar agreement) with the Company or a Subsidiary that provides a definition of “change in control” (or the like), then, for purposes of the Plan, the term **“Change in Control”** has the meaning set forth in such agreement; and in the absence of such a definition, **“Change in Control”** means the first to occur of the following:

(i) The date of the consummation of the acquisition by any “person” (as such term is defined in Section 13(d) and 14(d) of the Exchange Act) of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of fifty percent (50%) or more of the combined voting power of the then outstanding securities eligible to vote for the election of the Board (the **“Company Voting Securities”**); or

(ii) During any twelve (12) month period, the individuals who are members of the Board cease for any reason to constitute a majority of the Board, unless the election, or nomination for election by the Company shareholders, of a new Company director was approved by a vote of a majority of the Board, and such new director shall, for purposes of the Plan, be considered as a member of the Board; or

(iii) The date of the consummation by the Company of (i) a merger or consolidation of the Company, if the Company shareholders immediately before such merger or consolidation, do not, as a result of such merger or consolidation, own directly or indirectly, more than fifty percent (50%) of the combined voting power of the then outstanding voting securities of the entity resulting from such merger or consolidation, in substantially the same proportion as their ownership of the combined voting power of the Company Voting Securities outstanding immediately before such merger or consolidation or (ii) a complete liquidation or dissolution or an agreement for the sale or other disposition of all or substantially all of the assets of the Company.

(b) Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because fifty percent (50%) or more of the Company Voting Securities is acquired by (i) a trustee or other fiduciary holding securities under one or more employee benefit plans maintained for employees of the entity or (ii) any corporation which, immediately prior to such acquisition, is owned directly or indirectly by the stockholders of the Company in substantially the same proportion as their ownership of stock of the Company immediately prior to such acquisition.

(c) In the event that any benefit under the Plan constitutes deferred compensation under Code Section 409A and the settlement of or distribution of benefits under this Plan is to be triggered by a Change in Control, then such settlement or distribution shall be subject to the event constituting the Change in Control also constituting a “change in control event” under Section 409A.

Article 5 **COMMITTEE**

Section 5.1 Administration. The authority to control and manage the operation and administration of the Plan shall be vested in the Committee in accordance with this **Article 5**. The Committee shall be selected by the Board, *provided* that the Committee shall consist of two or more members of the Board, each of whom is a “non-employee director” (within the meaning of Rule 16b-3 promulgated under the Exchange Act), an “outside director” (within the meaning of Code Section 162(m)) and an “independent director” (within the meaning of the rules of the securities exchange which then constitutes the principal listing for the Stock), in each case to the extent required by the Exchange Act, Code Section 162(m), or the applicable rules of the securities exchange which then constitutes the principal listing for the Stock, respectively. Subject to the applicable rules of any securities exchange or similar entity, if the Committee does not exist, or for any other reason determined by the Board, the Board may take any action under the Plan that would otherwise be the responsibility of the Committee.

Section 5.2 Powers of Committee. The Committee’s administration of the Plan shall be subject to the other provisions of the Plan and the following:

(a) The Committee shall have the authority and discretion to select from among the Company’s and the Subsidiary’s employees, directors and service providers those persons who shall receive Awards, to determine the time or times of receipt, to determine the types of Awards and the number of Shares covered by the Awards, to establish the terms of Awards, to cancel or suspend Awards and to reduce or eliminate any restrictions or vesting requirements applicable to an Award at any time after the grant of the Award.

(b) In the event that the Committee determines that it is advisable to grant Awards that do not qualify for the exception for Performance-Based Compensation from the tax deductibility limitations of Code Section 162(m), the Committee may grant such Awards without satisfying the requirements of Code Section 162(m).

(c) The Committee shall have the authority and discretion to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan and to make all other determinations that may be necessary or advisable for the administration of the Plan.

(d) The Committee shall have the authority to define terms not otherwise defined in the Plan.

(e) Any interpretation of the Plan by the Committee and any decision made by it under the Plan shall be final and binding on all persons.

(f) In controlling and managing the operation and administration of the Plan, the Committee shall take action in a manner that conforms to the articles and bylaws of the Company and to all applicable law.

Section 5.3 Delegation by Committee. Except to the extent prohibited by applicable law, the applicable rules of any securities exchange or similar entity or the Plan or the charter of the Committee, or as necessary to comply with the exemptive provisions of Rule 16b-3 of the Exchange Act or of Code Section 162(m), the Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers under the Plan to any person or persons selected by it. The acts of such delegates shall be treated under the Plan as acts of the Committee and such delegates shall report regularly to the Committee regarding the delegated duties and responsibilities and any Awards granted. Any such allocation or delegation may be revoked by the Committee at any time.

Section 5.4 Information to be Furnished to Committee. As may be permitted by applicable law, the Company and each Subsidiary shall furnish the Committee with such data and information as it determines may be required for it to discharge its duties under the Plan. The records of the Company and each Subsidiary as to an employee’s or Participant’s employment, termination of employment, leave of absence, reemployment and compensation shall be conclusive with respect to all persons unless determined by the Committee to be manifestly incorrect. Subject to applicable law, Participants and other persons entitled to benefits under the Plan shall furnish

the Committee such evidence, data or information as the Committee considers desirable to carry out the terms of the Plan.

Section 5.5 Expenses and Liabilities. All expenses and liabilities incurred by the Committee in the administration and interpretation of the Plan or any Award Agreement shall be borne by the Company. The Committee may employ attorneys, consultants, accountants or other persons in connection with the administration and interpretation of the Plan, and the Company, and its officers and directors, shall be entitled to rely upon the advice, opinions and valuations of any such persons.

Article 6 **AMENDMENT AND TERMINATION**

Section 6.1 General. The Board may, as permitted by law, at any time, amend or terminate the Plan, and may amend any Award Agreement; *provided, however,* that no amendment or termination may (except as provided in **Section 2.7, Section 3.4** and **Section 6.2**), in the absence of written consent to the change by the affected Participant (or, if the Participant is not then living, the affected beneficiary), impair the rights of any Participant or beneficiary under any Award granted prior to the date such amendment or termination is adopted by the Board; and *provided, further,* that no amendment may (a) materially increase the benefits accruing to Participants under the Plan, (b) materially increase the aggregate number of securities that may be delivered under the Plan other than pursuant to **Section 3.4**, or (c) materially modify the requirements for participation in the Plan, unless the amendment under (a), (b) or (c) immediately above is approved by the Shareholders.

Section 6.2 Amendment to Conform to Law. Notwithstanding any provision of the Plan or an Award Agreement to the contrary, the Committee may amend the Plan or any Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable for the purpose of conforming the Plan or the Award Agreement to any applicable law. By accepting an Award, the Participant shall be deemed to have acknowledged and consented to any amendment to an Award made pursuant to this **Section 6.2, Section 2.7** or **Section 3.4** without further consideration or action.

Article 7 **GENERAL TERMS**

Section 7.1 No Implied Rights.

(a) *No Rights to Specific Assets.* No person shall by reason of participation in the Plan acquire any right in or title to any assets, funds or property of the Company or any Subsidiary, including any specific funds, assets, or other property that the Company or a Subsidiary, in its sole discretion, may set aside in anticipation of a liability under the Plan. A Participant shall have only a contractual right to the Shares or amounts, if any, distributable in accordance with the provisions of the Plan, unsecured by any assets of the Company or any Subsidiary, and nothing contained in the Plan or an Award Agreement shall constitute a guarantee that the assets of the Company or any Subsidiary shall be sufficient to provide any benefits to any person.

(b) *No Contractual Right to Employment or Future Awards.* The Plan does not constitute a contract of employment, and selection as a Participant shall not give any person the right to be retained in the service of the Company or a Subsidiary or any right or claim to any benefit under the Plan, unless such right or claim has specifically accrued under the Plan. No individual shall have the right to be selected to receive an Award, or, having been so selected, to receive a future Award.

(c) *No Rights as a Shareholder.* Except as otherwise provided in the Plan, no Award shall confer upon the holder thereof any rights as a Shareholder prior to the date on which the individual fulfills all conditions for receipt of such rights.

Section 7.2 Transferability. Except as otherwise provided by the Committee, Awards are not transferable except as designated by the Participant by will or by the laws of descent and distribution or pursuant to a domestic relations order. The Committee shall have the discretion to permit the transfer of Awards; *provided, however,* that such transfers shall be limited to immediate family members of Participants, trusts, partnerships, limited liability companies and other entities that are permitted to exercise rights under Awards in accordance with Form S-8 established for the primary benefit of such family members; and *provided, further,* that such transfers shall not be made for value to the Participant.

Section 7.3 Designation of Beneficiaries. A Participant hereunder may file with the Company a designation of a beneficiary or beneficiaries under the Plan and may from time to time revoke or amend any such designation. Any designation of beneficiary under the Plan shall be controlling over any other disposition, testamentary or otherwise; *provided, however,* that if the Committee is in doubt as to the entitlement of any such beneficiary to any Award, the Committee may determine to recognize only the legal representative of the Participant in which case the Company, the Committee and the members thereof shall not have any further liability to anyone.

Section 7.4 Non-Exclusivity. Neither the adoption of the Plan by the Board nor the submission of the Plan to the Shareholders for approval shall be construed as creating any limitations on the power of the Board or the Committee to adopt such other incentive arrangements as either may deem desirable, including the granting of restricted stock, stock options or other equity awards otherwise than under the Plan or an arrangement that is or is not intended to qualify as Performance-Based Compensation under Code Section 162(m), and such arrangements may be either generally applicable or applicable only in specific cases.

Section 7.5 Award Agreement. Each Award shall be evidenced by an Award Agreement. A copy of the Award Agreement, in any medium chosen by the Committee, shall be made available to the Participant, and the Committee may require that the Participant sign a copy of the Award Agreement.

Section 7.6 Form and Time of Elections. Unless otherwise specified in the Plan, each election required or permitted to be made by any Participant or other person entitled to benefits under the Plan, and any permitted modification, or revocation thereof, shall be filed with the Company at such times, in such form, and subject to such terms or conditions, not inconsistent with the provisions of the Plan, as the Committee may require.

Section 7.7 Evidence. Evidence required of anyone under the Plan may be by certificate, affidavit, document or other information that the person acting on it considers pertinent and reliable, and signed, made or presented by the proper party or parties.

Section 7.8 Tax Withholding. All distributions under the Plan shall be subject to withholding of all applicable taxes and the Committee may condition the delivery of any Shares or other benefits under the Plan on satisfaction of the applicable withholding obligations. Except as otherwise provided by the Committee, such withholding obligations may be satisfied (a) through cash payment by the Participant; (b) through the surrender of Shares that the Participant already owns or (c) through the surrender of Shares to which the Participant is otherwise entitled under the Plan; *provided, however,* that except as otherwise specifically provided by the Committee, such Shares under clause (c) may not be used to satisfy more than the maximum individual statutory tax rate for each applicable tax jurisdiction.

Section 7.9 Successors. All obligations of the Company under the Plan shall be binding upon and inure to the benefit of any successor to the Company.

Section 7.10 Indemnification. To the fullest extent permitted by law, each person who is or shall have been a member of the Committee or the Board, or an officer of the Company to whom authority was delegated in accordance with **Section 5.3**, or an employee of the Company shall be indemnified and held harmless by the Company against and from any loss (including amounts paid in settlement), cost, liability or expense (including reasonable attorneys' fees) that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any

judgment in any such action, suit, or proceeding against him or her (*provided* that he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf), unless such loss, cost, liability or expense is a result of his or her own willful misconduct or except as expressly provided by statute. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's charter or bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

Section 7.11 No Fractional Shares. Unless otherwise permitted by the Committee, no fractional Shares shall be delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, Shares or other property shall be delivered or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

Section 7.12 Governing Law. The Plan, all Awards, and all actions taken in connection herewith and therewith shall be governed by and construed in accordance with the laws of the State of Indiana without reference to principles of conflict of laws, except as superseded by applicable federal law.

Section 7.13 Benefits Under Other Plans. Except as otherwise provided by the Committee, Awards granted to a Participant (including the grant and the receipt of benefits) shall be disregarded for purposes of determining the Participant's benefits under, or contributions to, any qualified retirement plan, nonqualified plan and any other benefit plan maintained by the Participant's employer.

Section 7.14 Validity. If any provision of the Plan is determined to be illegal or invalid for any reason, said illegality or invalidity shall not affect the remaining provisions of the Plan, and the Plan shall be construed and enforced as if such illegal or invalid provision had never been included in the Plan.

Section 7.15 Notice. Unless provided otherwise in an Award Agreement or policy adopted from time to time by the Committee, all communications to the Company provided for in the Plan, or any Award Agreement, shall be delivered personally or sent by registered or certified mail, return receipt requested, postage prepaid (*provided* that international mail shall be sent via overnight or two-day delivery), or prepaid overnight courier to the Company at the address set forth below:

Lakeland Financial Corporation

P.O. Box 1387
Warsaw, Indiana 46581-1387

Such communications shall be deemed given:

(a) In the case of delivery by overnight service with guaranteed next day delivery, the next day or the day designated for delivery; and

(b) In the case of certified or registered U.S. mail, five days after deposit in the U.S. mail;

provided, however, that in no event shall any communication be deemed to be given later than the date it is actually received, *provided* it is actually received. Communications that are to be delivered by U.S. mail or by overnight service to the Company shall be directed to the attention of the Company's senior human resources officer and corporate secretary.

Section 7.16 Clawback Policy. Any Award, amount or benefit received under the Plan shall be subject to potential cancellation, recoupment, rescission, payback or other similar action in accordance with any applicable Company clawback policy (the "**Policy**") or any applicable law. A Participant's receipt of an Award shall be deemed to constitute the Participant's acknowledgment of and consent to the Company's application, implementation and enforcement of (i) the Policy and any similar policy established by the Company that may apply

to the Participant, whether adopted prior to or following the making of any Award and (ii) any provision of applicable law relating to cancellation, rescission, payback or recoupment of compensation, as well as the Participant's express agreement that the Company may take such actions as are necessary to effectuate the Policy, any similar policy and applicable law, without further consideration or action.

Section 7.17 Breach of Restrictive Covenants. Except as otherwise provided by the Committee, notwithstanding any provision of the Plan to the contrary, if the Participant breaches a non-competition, non-solicitation, non-disclosure, non-disparagement or other restrictive covenant set forth in an Award Agreement or any other agreement between the Participant and the Company or a Subsidiary, whether during or after the Participant's Termination of Service, in addition to any other penalties or restrictions that may apply under any such agreement, state law, or otherwise, the Participant shall forfeit or pay to the Company:

(a) Any and all outstanding Awards granted to the Participant, including Awards that have become vested or exercisable;

(b) Any Shares held by the Participant in connection with the Plan that were acquired by the Participant after the Participant's Termination of Service and within the 12-month period immediately preceding the Participant's Termination of Service;

(c) The profit realized by the Participant from the exercise of any stock options and SARs that the Participant exercised after the Participant's Termination of Service and within the 12-month period immediately preceding the Participant's Termination of Service, which profit is the difference between the exercise price of the stock option or SAR and the Fair Market Value of any Shares or cash acquired by the Participant upon exercise of such stock option or SAR; and

(d) The profit realized by the Participant from the sale, or other disposition for consideration, of any Shares received by the Participant in connection with the Plan after the Participant's Termination of Service and within the 12-month period immediately preceding the Participant's Termination of Service and where such sale or disposition occurs in such similar time period.

Further, the Participant shall be deemed to have terminated for Cause if, after the Participant's Termination of Service, facts and circumstances arising during the course of the Participant's employment with the Company are discovered that would have constituted a termination for Cause.

Further, all rights a Participant has or may have under the Plan shall be suspended automatically during the pendency of any investigation by the Board or its designee or during any negotiations between the Board or its designee and the Participant regarding any actual or alleged act or omission by the Participant of the type described in the applicable definition of "Cause."
