**Item 7. Financial Statements and Exhibits.**

Attached as Exhibit 99.1 are our Consolidated Statements of Operations Data By Quarter (Unaudited) for the period ended January 1, 2004.

**Item 9. Regulation FD Disclosure.**

As previously disclosed in our Form 10-Q for the period ended January 1, 2004, we have divested of certain operations that met the criteria for reporting as discontinued operations. Under generally accepted accounting principles, we are required to reclassify previously reported prior period financial statements to reflect the discontinued operations on a basis comparable to current presentation. The Securities and Exchange Commission's regulations require our financial statements that will be included in our 2004 Annual Report on Form 10-K to be updated for discontinued operations in our 2004 Annual Report on Form 10-K. We are providing Statements of Operations by Quarter (Unaudited) that have been revised in advance of filing our 2004 Annual Report on Form 10-K. The historical financial information included in Exhibit 99.1 has been revised and updated from its original presentation to incorporate the following:

- the reclassification of the results of operations for certain assets which we sold on December 4, 2003, that meet the criteria for discontinued operations to be presented as such in accordance with Statement of Financial Accounting Standards No. 144, *Accounting for the Impairment or Disposal of Long-Lived Assets*; and
- reclassifications to conform to our Form 10-Q for the period ended January 1, 2004.
