Dear Mr. Kim:

We have reviewed your filing and have the following comment. Please comply with the comment in future filings. Confirm in writing that you will do so and explain to us how you intend to comply.

We note your response to our comment regarding non-disclosure agreements between the company and two significant customers. However, section (c)(1)(vii) of Item 101 of Regulation S-K requires the disclosure of the names of any customers from which sales amount to 10% or more of revenues, the loss of which customer would have a material adverse effect on the company. Please revise your disclosure accordingly in future filings.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
