Form 10-Q for the Period Ended June 30, 2007
Filed August 17, 2007
File No. 001-31434**

Dear Mr. Shifrin:

We have reviewed your response letter dated November 19, 2007 and have the following comment. We think you should revise your Form 10-Q for the period ended June 30, 2007 and any subsequent Form 10-Q in response to this comment. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation.

Form 10-Q – June 30, 2007

Financial Information

3. Acquisitions, page 8

1. Refer to your response to comment one. We continue to believe that the guidance included in SFAS 141 requires that you apply fair value techniques to any assets or liabilities acquired. It does not appear that you have done this with respect to these reserves. Please revise your financial statements and disclosures to reflect the impact of recording these reserves at fair value at the time of the acquisition in accordance with SFAS 141.
