## **City Holding Company Announces Second Quarter Results**

Charleston, West Virginia – City Holding Company, “the Company” (NASDAQ:CHCO), a \$2.7 billion bank holding company headquartered in Charleston, today announced net income per diluted share for the second quarter of \$0.64 compared to \$0.68 per diluted share in the second quarter of 2010. Net income for the second quarter of 2011 was \$9.8 million compared to \$10.7 million in the second quarter of 2010 and \$9.6 million in the first quarter of 2011. For the second quarter of 2011, the Company achieved a return on assets of 1.45%, a return on tangible equity of 15.2%, a net interest margin of 3.78%, and an efficiency ratio of 63.5%. For the first six months of 2011, the Company achieved a return on assets of 1.44%, a return on tangible equity of 14.9%, a net interest margin of 3.86%, and an efficiency ratio of 59.6%.

City’s CEO Charles Hageboeck stated that, “City’s results for the second quarter of 2011 are down slightly from the second quarter of 2010 due to the impact of lower interest income from our interest rate floors (\$1.0 million) and nonrecurring interest income of \$1.1 million related to a change in estimate associated with our previously securitized loans in the second quarter of 2010. While interest rates remain abnormally low and the economic recovery is murky, our results are favorable compared to our peers. Loans increased \$28 million, or 1.5%, from March 31, 2011 and our asset quality continues to be strong with stable and relatively low levels of past due loans and our nonperforming assets decreased slightly from the first quarter. Reflecting the Company’s success at anticipating credit challenges, net charge-offs for the quarter were only \$0.8 million.”

“City’s financial position remains strong and healthy. Our balance sheet is positioned to benefit from future interest rate increases; we have stable core deposits; and we have strong capital and liquidity. Based upon our profitability, capital, and asset quality, City was recently recognized by Bank Director magazine as the third best performing bank among the largest 150 public banks in the U.S.,” Hageboeck concluded.

City Holding Company is the parent company of City National Bank of West Virginia. City National operates 68 branches across West Virginia, Eastern Kentucky and Southern Ohio.

## Forward-Looking Information

*This news release contains certain forward-looking statements that are included pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such information involves risks and uncertainties that could result in the Company's actual results differing from those projected in the forward-looking statements. Important factors that could cause actual results to differ materially from those discussed in such forward-looking statements include, but are not limited to, (1) the Company may incur additional loan loss provision due to negative credit quality trends in the future that may lead to a deterioration of asset quality; (2) the Company may incur increased charge-offs in the future; (3) the Company may experience increases in the default rates on previously securitized loans that would result in impairment losses or lower the yield on such loans; (4) the Company could have adverse legal actions of a material nature; (5) the Company may face competitive loss of customers; (6) the Company may be unable to manage its expense levels; (7) the Company may have difficulty retaining key employees; (8) changes in the interest rate environment may have results on the Company's operations materially different from those anticipated by the Company's market risk management functions; (9) changes in general economic conditions and increased competition could adversely affect the Company's operating results; (10) changes in other regulations and government policies affecting bank holding companies and their subsidiaries, including changes in monetary policies, could negatively impact the Company's operating results; (11) the Company may experience difficulties growing loan and deposit balances; (12) the current economic environment poses significant challenges for us and could adversely affect our financial condition and results of operations; (13) continued deterioration in the financial condition of the U.S. banking system may impact the valuations of investments the Company has made in the securities of other financial institutions resulting in either actual losses or other than temporary impairments on such investments; and (14) the effects of the Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") recently adopted by the United States Congress. Forward-looking statements made herein reflect management's expectations as of the date such statements are made. Forward-looking statements made herein reflect management's expectations as of the date such statements are made. Such information is provided to assist stockholders and potential investors in understanding current and anticipated financial operations of the Company and is included pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. The Company undertakes no obligation to update any forward-looking statement to reflect events or circumstances that arise after the date such statements are made.*
