ITEM 1.01. Entry into a Material Definitive Agreement

On April 27, 2006, Parkway Properties, Inc. (the “Company”) entered into a First Amended and Restated Credit Agreement with a consortium of 10 banks with Wachovia Bank, National Association as Agent; PNC Bank, National Association as Syndication Agent; Bank of America, N.A., JPMorgan Chase Bank, N.A, and Wells Fargo Bank, National Association as Co-Documentation Agents; and other banks as participants. The First Amended and Restated Credit Agreement provides for a \$200 million unsecured credit facility (the “\$200 million line”), which is comprised of a \$60 million term loan maturing in April 2011 and a \$140 million revolving credit facility maturing in April 2010 with a one-year extension option available at maturity. The \$200 million line replaces the existing \$190 million unsecured revolving credit facility, which was to mature February 2007. The interest rate on the \$200 million line is based on LIBOR plus 80 to 130 basis points, depending upon overall Company leverage (with the current rate set at 115 basis points which is equivalent to a total rate of 6.14% at April 27, 2006). The Company paid a facility fee of \$200,000 (10 basis points) and origination fees of \$688,000 (34.4 basis points) upon closing of the loan agreement. Additionally, the Company pays an annual administration fee of \$35,000 and fees on the unused portion of the revolver ranging between 12.5 and 20 basis points based upon overall Company leverage (with the current rate set at 12.5 basis points). The increased size of the line affords the Company greater financial flexibility and capacity while accommodating the Company’s growth.
