Form 10-K for the Fiscal Year Ended June 30, 2019

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations

Other Contractual Arrangements, page 74

1. It appears the cash interest payments on your debt obligations may represent a material contractual obligation. Because this table is aimed at increasing transparency of cash flow, we believe these payments should be included in the table or disclosed in the footnotes using the same time frames stipulated in the table. Please also disclose any assumptions you made to derive these amounts. If you choose not to include these payments, a footnote to the table should clearly identify the excluded item and provide any additional information that is material to an understanding of your cash requirements. Refer to Item 303(a)(5) of Regulation S-K and footnote 46 to SEC Release No. 33-8350.

Item 8. Financial Statement and Supplementary Data
Note 4. Summary of Significant Accounting Policies
Revenue Recognition , page 88

2. We note that for Becker test preparation revenue is recognized when access to the course materials is delivered to the customer and that for Adtalem Brazil and EduPristine test preparation course instruction revenue is recognized on a straight-line basis over the applicable instruction delivery periods. Please tell us in further detail why the revenue recognition method for the test preparation services differs between Becker and Adtalem Brazil and EduPristine. In this regard, we note from the Becker website that Premium and Pro packages include various live online and/or live courses, success coaching, and personal tutoring in addition to pre-packaged course materials.

In closing, we remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

You may contact Aamira Chaudhry at 202-551-3389 or Lyn Shenk at 202-551-3380 with any questions.
