# Message from our President and CEO, Steve Beard

October 14, 2022

## To our Shareholders:

Fiscal year 2022 proved to be an important inflection point for the company as we repositioned ourselves as a leading healthcare educator. The acquisition of Walden University and the divestiture of our Financial Services segment brought clarity and simplicity to the portfolio and provided attractive opportunities to realize synergies across our operating model. In our current configuration, we believe we are well positioned to advance our mission of expanding access to high quality education. Our scale and focus are unique in the marketplace. As demand for healthcare professionals continues to intensify, and improving health equity remains a priority, our ability to deliver – at scale – a highly diverse cohort of practice-ready clinicians, has never been more valuable.

Our performance for the full year was in line with our revised expectations, despite lingering headwinds from the pandemic. In addition to the strategic repositioning of the company and integration of Walden University, we strengthened our financial position through the realization of cost synergies and margin expansion and executed a thoughtful capital allocation strategy inclusive of debt repayment, share repurchases and select investments in differentiating capabilities.

Our success was driven by our colleagues' dedication to our mission. We enjoy a committed and motivated workforce and are pleased to have been able to attract significant new talent to the organization over the past year, including several key leadership appointments, despite a challenging labor market. Our colleagues' openness to change and willingness to adopt new, more efficient ways of serving our customers was impressive, and wholly reflects the passion and expertise that is embedded throughout our organization.

## STUDENT CENTRICITY IS OUR CORE FOCUS

Our students represent *who* we serve and *how* we serve — they are our most valuable contribution to society, and they are at the center of all that we do. Their success in realizing their academic and professional ambitions and making a positive impact on the world will always be our north star. In this spirit, expanding equitable access to education for more students remains foundational to our organization. We believe that education can be a powerful engine of economic mobility and social impact. And while we have tremendous respect and admiration for those institutions whose value proposition is based on historical prestige and selectivity, we are intentional in seeking to serve an overlooked community of learners – and do so with impressive outcomes. Over the past year we continued to focus on, and deliver against, this commitment to produce highly trained, practice-ready professionals who are a collective force for good in the communities and organizations they serve.

## Message from our President and CEO, Steve Beard

In fiscal year 2022, Adtalem's nursing programs across Chamberlain University and Walden University proudly graduated more than 19,000 nurses with either a Bachelor of Science in Nursing (BSN), Master of Science in Nursing, Doctor of Nursing or certificate in Nursing. Across our two medical institutions — American University of the Caribbean School of Medicine and Ross University School of Medicine —we celebrated more than 750 physicians at our graduation ceremonies; with combined first-time residency match rates achieving 96% for first-time eligible 2021-2022 graduates.<sup>1</sup> At Ross University School of Veterinary Medicine, our pass rate on the North American Veterinary Licensing Exam® (NAVLE) reached 83%, exceeding the American Veterinary Medical Association's standard.<sup>2</sup> As the number one conferrer of MD and PhD degrees to African Americans, and BSN degrees to underrepresented minority students in the U.S., Adtalem's institutions are helping pave a path toward health equity.<sup>3</sup> These outcomes, combined with more than 275,000 alumni across our institutions, underscore both the scale of our impact and our commitment to delivering strong academic and professional achievements.

## ANSWERING THE CALL FOR HEALTHCARE TALENT

This next fiscal year represents an exciting opportunity to build upon the groundwork we laid in fiscal year 2022: continuation of our multi-pronged capital allocation strategy, enhancement of our competitive differentiating capabilities, expansion of new and existing partnerships with leading healthcare providers and consistent delivery of strong academic outcomes.

As we look ahead to fiscal year 2023 and beyond, our sharpened focus, financial strength and market-leading capacity to deliver against increasingly unmet demand for healthcare talent, uniquely positions us to realize our growth ambitions and deliver more value for our stakeholders. I, and the entire leadership team, remain energized by the opportunity to make an outsized impact on the communities in which we work, live and serve. We hope you share this excitement, and on behalf of the entire Adtalem Global Education team and board of directors, we thank you for your continued confidence in – and support of – our mission.

Our solutions empower our students to help address workforce needs in the healthcare industry. Adtalem is committed to protecting the environment, increasing climate awareness and resilience, continuously enhancing our diverse and inclusive culture, and investing in the well-being of the communities where we teach, learn and work.”

#### Environmental Stewardship

In fiscal year 2020 we launched multi-year environmental goals through 2024 that encompass our strategic approach to reducing our carbon footprint, embracing renewable energy and enhancing waste management practices. Through these goals, Adtalem is addressing environmental issues that help safeguard the environment and our communities.

#### Social Practices

Our TEACH values—Teamwork, Energy, Accountability, Community, and Heart—shape how we work together to fulfill our promise to students, members, and each other. Adtalem has created diversity and inclusion councils and task forces at its institutions. These taskforces are addressing racism as a public health crisis. We are committed to continuously reviewing the components of our educational programs, systems and processes to ensure we are addressing systemic bias within our institutions, as well as partnering with organizations that share our values to collectively address these challenges and have an intentional impact on the broader healthcare industry.

#### Governance Practices

Since 2016, under the leadership of Ms. Wardell, our Chairman and former CEO, we have notably increased female and multicultural representation on our Board. We continue to engage in active Board refreshment and added one new director in 2022, who through his work as a venture philanthropist has improved educational opportunities for low-income students.

We support charitable and civic organizations across the globe that share our values by way of the Adtalem Global Education Foundation and corporate philanthropy. Through corporate giving efforts, Adtalem provided \$376,457 to global community and civic partners in fiscal year 2022. Independent from the corporate giving efforts, the Adtalem Global Education Foundation awarded grants totaling \$1,081,680 to support charitable, educational and research purposes.

#### Expanding Educational Access

We have created sustainable strategies to engage and support students from historically underrepresented groups and our intentional approach continues to yield industry-leading results. Combined, Adtalem's medical institutions graduate more than 100 Black/African American medical students annually, more than any U.S. medical school.

## Election of Directors

---

The Board has nominated eleven of Adtalem's twelve sitting directors and recommends their re-election, each for a term to expire at the 2023 Annual Meeting. All of the nominees have consented to serve as directors if elected at the Annual Meeting. Mr. Lyle Logan has informed the Board that he is not standing for re-election and will retire from the Board at the Annual Meeting. Mr. Logan has served on the Adtalem Board since 2007 and the Board is extremely grateful for Mr. Logan's service and commitment to Adtalem over the past fifteen years. Mr. Logan's decision to not stand for re-election is not the result of any disagreement with the Company.

It is intended that all shares represented by a proxy in the accompanying form will be voted for the election of each of Stephen W. Beard, William W. Burke, Charles DeShazer, Mayur Gupta, Donna J. Hrinak, Georgette Kiser, Liam Krehbiel, Michael W. Malafronte, Sharon L. O'Keefe, Kenneth J. Phelan, and Lisa W. Wardell as directors unless otherwise specified in such proxy. A proxy cannot be voted for more than eleven persons. In the event that a nominee becomes unable to serve as a director, the proxy committee (appointed by the Board) will vote for the substitute nominee that the Board designates. The Board has no reason to believe that any of the nominees will become unavailable for election.

Each nominee for election as a director is listed below, along with a brief statement of his or her current principal occupation, business experience and other information, including directorships in other public companies held as of the date of this Proxy Statement or within the previous five years. Under the heading "Relevant Experience," we describe briefly the particular experience, qualifications, attributes, or skills that led to the conclusion that these nominees should serve on the Board. As explained below under the caption "Director Nominating Process," the Nominating & Governance Committee looks at the Board as a whole, attempting to ensure that it possesses the characteristics that the Board believes are important to effective governance.

### Approval by Shareholders

---

The election of each of the eleven nominees for director listed below requires the affirmative vote of a majority of the shares of Common Stock of Adtalem represented at the Annual Meeting. Adtalem maintains a majority voting standard for uncontested elections (where the number of nominees is the same as the number of directors to be elected), so for a nominee to be elected as a member of the Board, the nominee must receive the affirmative vote of a majority of the shares of Common Stock of Adtalem represented at the Annual Meeting. Shareholders may not cumulate their votes in the election of directors. If a nominee for re-election fails to receive the requisite majority vote where the election is uncontested, such director must promptly tender his or her resignation to Adtalem's Chairman or Adtalem's General Counsel and Corporate Secretary, subject to acceptance by the Board.

Unless otherwise indicated on the proxy, the shares will be voted **FOR** each of the nominees identified below.

---

The Board of Directors recommends a vote **FOR** each of the nominees identified below.

The Nominating & Governance Committee is responsible for making recommendations of nominees for directors to the Board. The Nominating & Governance Committee’s goal is to put before our shareholders candidates who, with the incumbent directors, will constitute a board that has the characteristics necessary to provide effective oversight for the growing, complex, global educational operations of Adtalem and reflect the broad spectrum of students and members that Adtalem serves. The Nominating & Governance Committee seeks a diversity of thought, background, experience, and other characteristics in its candidates. To this end, Adtalem’s Governance Principles provide that nominees are to be selected on the basis of, among other things, knowledge, experience, skills, expertise, diversity, personal and professional integrity, business judgment, time availability in light of other commitments, absence of conflicts of interest, and such other relevant factors that the Nominating & Governance Committee considers appropriate in the context of the interests of Adtalem, its Board and its shareholders.

Our Nominating & Governance Committee has led the gradual transformation of our Board, with five of our ten independent directors joining the Board since 2020.

### BOARD REFRESHMENT

### ANNUAL PROCESS FOR NOMINATION

- 1 Identify Candidates**
  - Directors
  - Management
  - Shareholders
  - Independent Search Firm
- 2 Nominating & Governance Committee Review**
  - Review qualifications
  - Consider diversity
  - Examine Board composition and balance
  - Review independence and potential conflicts
  - Meet with potential nominees
- 3 Recommend Slate**
- 4 Full Board Review and Nomination**
- 5 Shareholder Review and Election**

The Nominating & Governance Committee has implemented this policy by evaluating each prospective director nominee as well as each incumbent director on the criteria described above, and in the context of the composition of the full Board, to determine whether he or she should be nominated to stand for election or re-election. In screening director nominees, the Nominating & Governance Committee also reviews potential conflicts of interest, including interlocking directorships and substantial business, civic, and social relationships with other members of the Board that could impair the prospective nominee's ability to act independently.

## IDENTIFICATION AND CONSIDERATION OF NEW NOMINEES

In identifying potential nominees and determining which nominees to recommend to the Board, the Nominating & Governance Committee has retained the advisory services of Russell Reynolds Associates, an international executive search firm. In connection with each vacancy, the Nominating & Governance Committee develops a specific set of ideal characteristics for the vacant director position. The Nominating & Governance Committee looks at director candidates that it has identified and any identified by shareholders on an equal basis using these characteristics and the general considerations identified above.

## SHAREHOLDER NOMINATIONS

The Nominating & Governance Committee will not only consider nominees that it identifies, but will consider nominees submitted by shareholders in accordance with the advance notice process for shareholder nominations identified in the By-Laws. Under this process, all shareholder nominees must be submitted in writing to the attention of Adtalem's General Counsel and Corporate Secretary, 500 West Monroe Street, Suite 1300, Chicago, IL 60661, not less than 90 days prior to the anniversary of the immediately preceding annual meeting of shareholders. As a result, a shareholder nomination must be submitted by 5:00 pm Central Daylight Time on August 11, 2023. Such shareholder's notice shall be signed by the shareholder of record who intends to make the nomination (or his duly authorized proxy) and shall also include, among other things, the following information:

- the name and address, as they appear on Adtalem's books, of such shareholder and the beneficial owner or owners, if any, on whose behalf the nomination is made;
- the number of shares of Adtalem's Common Stock which are beneficially owned by such shareholder or beneficial owner or owners;
- a representation that such shareholder is a holder of record entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to make the nomination;
- the name and residence address of the person or persons to be nominated;
- a description of all arrangements or understandings between such shareholder or beneficial owner or owners and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination is to be made by such shareholder;
- such other information regarding each nominee proposed by such shareholder as would be required to be disclosed in solicitations of proxies for elections of directors, or would otherwise be required to be disclosed, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), including any information that would be required to be included in a proxy statement filed pursuant to Regulation 14A had the nominee been nominated by the Board; and
- the written consent of each nominee to be named in a proxy statement and to serve as a director if so elected.

In addition to candidates submitted through this advance notice By-Law process for shareholder nominations, shareholders may also request that a director nominee be included in Adtalem's proxy materials in accordance with the proxy access provision in the By-Laws. Any shareholder or group of up to 20 shareholders holding both investment and voting rights to at least 3% of Adtalem's outstanding Common Stock continuously for at least three years may nominate the greater of (i) two or (ii) 20% of the Adtalem directors to be elected at an annual meeting of shareholders. Such requests must be received not less than 120 days nor more than 150 days prior to the anniversary date of the immediately preceding annual meeting of shareholders. As a result, any notice given by or on behalf of a shareholder pursuant to these provisions of the By-Laws (and not pursuant to Rule 14a-18 of the Exchange Act) must be received no earlier than June 12, 2023 and no later than July 12, 2023. However, if we hold our 2023 Annual Meeting of Shareholders more than 30 days from the first anniversary of this year's Annual Meeting, then in order for notice by the shareholder to be timely, such notice must be received not later than the close of business on the tenth day following the day on which notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting was made, whichever first occurs.

## Proposal No. 1 Election of Directors

In addition to candidates submitted through the By-Laws process for shareholder nominations, shareholders may also recommend candidates by following the procedures set forth below under the caption “Communications with Directors.”

### Director Independence

---

The Board annually reviews the continuing independence of Adtalem’s non-employee directors under applicable laws and rules of the New York Stock Exchange (“NYSE”). The Board, excluding any director who is the subject of an evaluation, reviews and evaluates director transactions or relationships with Adtalem, including the results of any investigation, and makes a determination with respect to whether a conflict or violation exists or will exist or whether a director’s independence is or would be impaired.

The Board has considered whether each director has any material relationship with Adtalem (either directly or as a partner, shareholder, or officer of an organization that has a relationship with Adtalem) and has otherwise complied with the requirements for independence under the applicable listing standards of the NYSE.

As a result of this review, the Board affirmatively determined that, with the exception of Ms. Wardell and Mr. Beard, all of Adtalem’s current directors, and all of Adtalem’s former directors who served as a director during fiscal year 2022, are “independent” of Adtalem and its management within the meaning of the applicable NYSE rules. Mr. Beard is considered an inside director because of his employment as President and CEO of Adtalem. Ms. Wardell is considered an inside director because of her previous employment as President and CEO of Adtalem.

The Board also considered the relationship between Adtalem and The Northern Trust Company, discussed below in Certain Relationships and Related Person Transactions. Mr. Logan, one of our current directors, is Executive Vice President and Managing Director, Global Financial Institutions Group, with Northern Trust Global Investments, a business unit of The Northern Trust Company. In fiscal year 2022, Adtalem incurred approximately \$212,000 in fees to The Northern Trust Company, which were partially offset against compensating balance credits earned on an average monthly outstanding balance of approximately \$43 million. The Board concluded that the relationship is not a material one for purposes of the NYSE listing standards and would not influence Mr. Logan’s actions or decisions as a director of Adtalem.

## BOARD STRUCTURE AND OPERATIONS

### Summary of Board and Committee Structure

---

Adtalem’s Board held eight meetings during fiscal year 2022, consisting of four regular meetings and four special meetings. The following table identifies each standing committee, its members and chairs, its key responsibilities and the number of meetings held during fiscal year 2022. The standing Audit and Finance Committee was established in accordance with Section 3(a)(58)(A) of the Exchange Act, the rules and regulations of the SEC, and the listing standards of the NYSE.

## Board Leadership Structure

Pursuant to our Governance Principles, the Board believes that it should be free to make its selection of the Chairman of the Board and the CEO in the way that it deems best for Adtalem and its shareholders at any given time. To ensure continued Board independence, the Board has adopted a policy that, in the event the Chairman of the Board and CEO roles are combined, or the Chairman of the Board is not otherwise independent, the Board shall appoint a Lead Independent Director. In July 2019, the Board elected Ms. Wardell, who had served on our Board since November 2008 and as our President and CEO since May 2016, as Chairman of the Board. In accordance with our Governance Principles, the Board concurrently appointed Mr. Burke to serve as our Lead Independent Director. In evaluating the Board's leadership structure, the Board considered the relevant merits of combining the roles of Chairman of the Board and CEO and appointing a Lead Independent Director, compared with keeping the roles of Chairman of the Board and CEO separate. With the appointment of Mr. Beard as our President and CEO in September 2021, the Board concluded that Ms. Wardell was the person best suited to serve as Executive Chairman of the Board during fiscal year 2022, providing consistent leadership, alignment between the Board and management, and a unified voice for Adtalem as it continued its transformation to a leading healthcare-focused educator. In addition, the Board reaffirmed its commitment to independent board leadership by appointing Mr. Burke as our Lead Independent Director.

The Board reviews its leadership structure periodically and as circumstances warrant. As noted above, on September 8, 2021, Mr. Beard was appointed President and CEO and Ms. Wardell was appointed Executive Chairman of the Board. The Board separated the roles of Chairman and CEO at this time to allow our CEO to focus on strategic imperatives, including the integration of Walden University and continuing to drive our business transformation efforts. Meanwhile, in her role as Executive Chairman, Ms. Wardell continued to focus on leading the Board, the strategic review of Adtalem's Financial Services business, and furthering Adtalem's Global Legislative Agenda. Mr. Burke continued to serve as our Lead Independent Director.

If Mr. Malafronte is reelected by the shareholders at the Annual Meeting, the Board intends to appoint him as Chairman of the Board immediately after the Annual Meeting on November 9, 2022. Mr. Malafronte has been an independent director since he joined the Board in 2016. The Board has considered the merits of separating the roles of Chairman of the Board and the CEO and believes the separation is best for Adtalem and its shareholders at this time. With the appointment of an independent Chairman, the Board will no longer have a Lead Independent Director.

During fiscal year 2022, the Board met in executive session without employee directors or other employees present at each regular Board meeting. Mr. Burke, as Adtalem's Lead Independent Director, presided over these sessions.

## Proposal No. 1 Election of Directors

In furtherance of our Board's role in overall strategy and succession planning, during 2022 our Lead Independent Director actively engaged with our Executive Chairman and CEO on such matters. In addition, our Governance Principles provide that the Lead Independent Director:

- sets the agenda for, calls meeting of and leads executive sessions of the independent directors and reports to the Executive Chairman of the Board, as appropriate, concerning such meetings;
- acts as a liaison between the Executive Chairman of the Board and the independent directors;
- advises the Executive Chairman of the Board as to the quality, quantity, and timeliness of the flow of information from management that is necessary for the independent directors to effectively and responsibly perform their duties;
- when appropriate, makes recommendations to the Executive Chairman of the Board about calling full meetings of the Board;
- serves as a resource to consult with the Executive Chairman of the Board and other Board members on corporate governance practices and policies and assumes the primary leadership role in addressing issues of this nature if, under the circumstances, it is inappropriate for the Executive Chairman of the Board to assume such leadership; and
- performs such other duties as requested by the Board or Nominating & Governance Committee and as set forth in the Governance Principles.

### OUR LEAD INDEPENDENT DIRECTOR

During his career, Mr. Burke has served in executive leadership roles at several companies and, during his service on multiple public company boards, has served as a lead independent director, board chairman, audit committee chairman and compensation committee chairman. If Mr. Burke is reelected by the shareholders at the Annual Meeting, he will continue to serve as Chair of our Audit and Finance Committee and as a member of our Compensation Committee.

## Committee Chairs and Membership after the 2022 Annual Meeting

If all of the directors standing for election at the 2022 Annual Meeting are elected by the shareholders, the Board anticipates reconstituting the membership and Chairs of each of its five standing committees immediately after the Annual Meeting as follows:

Committee	Proposed	Committee	Proposed
Academic Quality Committee	<b>Georgette Kiser (Chair)</b> <b>Charles DeShazer</b> <b>Mayur Gupta</b> <b>Lisa Wardell</b>	External Relations Committee	<b>Donna Hrinak (Chair)</b> <b>Mayur Gupta</b> <b>Liam Krehbiel</b> <b>Ken Phelan</b> <b>Lisa Wardell</b>

## Director Attendance

---

During fiscal year 2022, our Board met eight times. Each of Adtalem’s directors attended at least 94% of the meetings of the Board and Board committees on which they served that occurred during their respective time of service on the Board in fiscal year 2022.

All of our directors who were directors at the time were in attendance at the 2021 Annual Meeting of Shareholders, held virtually in November 2021. Our Board encourages all of its members to attend the Annual Meeting but understands there may be situations that prevent such attendance.

## Director Continuing Education

---

Members of the Board are encouraged to participate in continuing education and enrichment classes and seminars. Mr. Burke is National Association of Corporate Directors (“NACD”) Directorship Certified. NACD Directorship Certified directors establish themselves as committed to continuing education on emerging issues and helping to elevate the profession of directorship. Mr. Burke also participates in the PwC Corporate Directors Exchange which aims to give Fortune 1000 directors the tools to lead for long-term success, and the NACD Advanced Director Professionalism course; Ms. Kiser is a NACD Board Leadership Fellow. She demonstrates her commitment to the highest standards of exemplary board leadership by earning NACD Fellowship – The Gold Standard Director Credential – each year. During fiscal year 2022, the following directors attended the following classes and seminars: (i) Ms. O’Keefe attended NACD seminars on Top Compensation Committee Concerns, and The Future of Healthcare, and a Diligent Institute conference on Board ESG Oversight & Strategy; (ii) Mr. Phelan attended a Harvard Executive Education Course on “Making Corporate Boards More Effective”; and (iii) Ms. Wardell attended the Stanford Directors College.

## Board Self-Evaluation

---

Each year our Board undertakes a self-evaluation process to critically evaluate its performance and effectiveness. Additionally, each committee conducts a self-evaluation to monitor its performance and effectiveness. The process is coordinated by the Chairman and the chair of the Nominating & Governance Committee, and in fiscal year 2022 the Board used an independent third-party to conduct the evaluation process. Board and committee members are asked to provide commentary about a variety of topics, including the following: overall Board performance, including strategy, challenges and opportunities; Board and committee meeting logistics and materials; Board and committee culture; and human capital and succession planning. The results of the evaluations were aggregated and summarized by the independent third-party and discussed at Board and committee meetings.

## KEY BOARD RESPONSIBILITIES

### Strategic Oversight

---

The Board has an active role in our overall strategies. The Board actively reviews and provides guidance on Adtalem’s long-term strategies and annual operating plan. Management reports its progress in executing on Adtalem’s strategies and operating plan throughout the year. In addition, throughout the year, segment leadership will report to the Board regarding individual segment strategies and operating plans. The full Board has primary responsibility to review and provide oversight to management on our ESG strategy, supported by the work of our Audit and Finance, Compensation, External Relations, and Nominating & Governance Committees, each of whom provides oversight on various components of our ESG strategy. For example, our Audit and Finance Committee provides oversight of Adtalem’s policies and procedures to identify, assess, monitor, manage and control ESG risks. The Audit and Finance Committee also provides oversight of Adtalem’s frameworks and standards for climate-related disclosures and reports. The Compensation Committee has responsibility for reviewing strategy and initiatives related to recruiting and retention to include ESG goals and milestones, if any.

## Risk Oversight

Adtalem’s full Board is responsible for assessing major risks facing Adtalem and overseeing management’s plans and actions directed toward the mitigation and/or elimination of such risk. The Board has assigned specific elements of the oversight of risk management of Adtalem to committees of the Board, as summarized below. Each committee meets periodically with members of management and, in some cases, with outside advisors regarding the matters described below and, in turn, reports to the full Board at least after each regular meeting regarding any findings.

Managing current and emerging business risks, from regulatory and market risks to global risks like a pandemic, is an important component of our governance and oversight system. Management undertakes a regular review of a broad set of risks across Adtalem’s business and operations to identify, assess, manage and monitor existing and emerging threats and opportunities. Adtalem’s Enterprise Risk Management (“ERM”) team is responsible for leading our risk management program at the enterprise level. The ERM team places particular focus on key risks that have the potential for the highest impact to Adtalem and its operations, and the highest likelihood of risk occurrence based on Adtalem’s preparedness and potential impact to Adtalem’s strategy. As part of management’s proactive risk identification and mitigation efforts, the ERM team has initiated the development of Risk Appetite Statements for each critical enterprise risk. These Risk Appetite Statements are expected to deepen our understanding of risks, enable effective action to mitigate risks and strengthen our risk culture.

## Succession Planning and Human Capital Management

---

The Board recognizes that one of its most important duties is to ensure continuity in Adtalem's senior leadership by overseeing the retention and development of executive talent and planning for the effective succession of our CEO, including the succession of Mr. Beard as CEO in September 2021, and the executive leadership team. In order to ensure that the succession planning and leadership development process supports and enhances our long-term strategic objectives, the Board periodically consults with our CEO and Chief Human Resources Officer on Adtalem's business goals, the skills and experience necessary to help Adtalem achieve those goals, our organizational needs, our leadership pipeline, the succession plans for critical leadership positions, and our talent development and leadership initiatives. Talent and leadership development, including succession planning, is a top priority of our CEO and the senior executive team. Our CEO seeks input from members of our Board regarding candidates for executive positions and other key roles.

## Our Sustainability Commitment

---

### SAFEGUARDING GLOBAL HEALTH AND THE ENVIRONMENT

We recognize that ESG practices and goals are important to our shareholders because our approach to these areas can provide insight into our corporate behavior, long-term performance, and sustainability. Our ESG practices support our purpose – to empower students to achieve their goals, find success, and make inspiring contributions to our global community. We aim to empower and enhance the communities in which we teach, learn, and work by operating sustainably, maintaining responsible governance standards, and supporting our global community. We continue to measure our performance and set new goals in areas including academic and policy standards; diversity and inclusion of Adtalem suppliers; and energy and waste reduction programs.

Adtalem is committed to confronting the challenges of climate change by reducing the impact of our operations. In fiscal year 2020, we launched a multi-year environmental initiative with the following three strategic goals to define our Energy Conservation Measures ("ECMs") and Green House Gas ("GHG") reduction activities through 2024:

1. Achieve a ten percent (10%) reduction (when compared to 2019 calendar year levels) of controllable energy use and GHG emission levels across Adtalem's U.S. properties by 2024;
2. Aim to initiate an average of one renewable energy project per year at an owned location from 2021 through 2024; and
3. Implement an enhanced waste and recycling initiative across Adtalem's controllable waste portfolio by the end of 2024.

These goals address a set of environmental issues that are important to us, including our impact on climate change and our effect on natural resources. The goals lay the foundation for our environmental vision and solidify our commitment to safeguard the environment. Throughout fiscal year 2022, we continued implementing energy conservation measures, such as phasing in the use of more efficient LED lighting fixtures. To date, we have replaced 60% of the lighting within our leased spaces and owned facilities with LED fixtures. This initiative, in addition to other conservation measures we have implemented since 2019, has allowed us to reduce energy and emissions by 30.9% and 37.8%, respectively, from our 2019 baseline. In accordance with Goal 2, during fiscal year 2022, we began upgrading an existing solar array in St. Maarten that will enhance energy efficiency and equip one of our locations with 184 additional hurricane-resistant solar panels. Once we complete this project in fiscal year 2023, the additional solar panels will provide approximately 125,421 kilowatt hours of clean energy per year. Throughout fiscal year 2022, we also made headway toward Goal 3 by instituting a competitive bid process that has enabled us to partner with local organizations to advance our recycling efforts more efficiently and cost effectively while supporting local businesses. Through various waste mitigation efforts we implemented in partnership with Rubicon, we diverted 23% of waste from landfills during fiscal year 2022. All of these results are through June 2022 and we recognize that energy and emissions data can differ year-to-year due to operational circumstances, attendance at institutions and external factors, such as COVID-19.

## EMPOWERING INDIVIDUALS, IMPACTING GLOBAL COMMUNITIES

The principles of access and equity underpin our efforts to empower diverse, vibrant communities across the globe. Guided by our social mission to address critical workforce shortages through the education of diverse students, we seek to create sustainable workforces that represent the communities they serve. With projected nursing and physician shortages projected for the next decade, we are actively working to address these critical workforce shortages by providing training, expanding access to education and establishing robust employer partnerships. In 2022, 83% of the total population in our five institutions identified as female and 50% as ethnically diverse. Combined, our institutions graduate more than 100 Black/African American physicians annually, more than any U.S. medical school. Many of our graduates go on to serve communities that are medically underserved or low-income. In 2021, 44% of our medical school graduates practice in medically underserved or health professional shortage areas and 88% of our medical school graduates practice in low-income communities. This rate is higher than other U.S. medical school graduates.

The initiatives described above along with a detailed discussion of our Sustainability Commitment and its core pillars – Operating with Purpose and Responsibility; Safeguarding Global Health and the Environment; and Empowering Individuals, Impacting Global Communities can be found in Adtalem’s 2022 Sustainability Report <https://www.adtalem.com/media/5396/sustainability-report.pdf>.

## Information Security and Cybersecurity

Adtalem takes seriously the custody of student, employee, and stakeholder information, and therefore employs strong governance practices regarding information security. For example, Adtalem’s Enterprise Information Security Framework policy and Information Governance and Security procedures are modeled on the National Institute of Standards and Technology (NIST) 800-53 policy framework. We continually evaluate the effectiveness of our security measures.

Some key safeguards include regularly scheduled penetration tests and vulnerability assessments and mandatory security awareness training for all users of our systems. Representative training topics include: protection of sensitive information, phishing, and mobile device security.

We utilize advanced security tools and software to protect our systems and information, to detect unauthorized activity, and to take expeditious corrective action, as required.

The Adtalem Audit and Finance Committee, comprised entirely of independent directors, assists the Board in its responsibilities of overseeing that the Company has established, documented, maintained, and periodically reevaluates its cybersecurity processes. Management reports on the state of the cybersecurity program to the Audit and Finance Committee on a quarterly basis. Additionally, Adtalem’s IT general controls are audited annually by both the Company’s internal function and the Company’s independent registered public accounting firm, PricewaterhouseCoopers LLP.

Adtalem maintains a cybersecurity insurance policy, which would potentially defray certain costs associated with a breach. In the last three years, to its knowledge, Adtalem has not experienced a significant information security breach.

## Outreach and Engagement

---

We value the opinions of our shareholders and believe regular, proactive communications with our shareholders to be in the long-term best interests of Adtalem. Our investor communications and outreach include investor day meetings, investor conferences, and quarterly conference calls. These calls are open to the public and are available live and as archived webcasts on our website. Additionally, we reach out at least annually to our largest shareholders to invite feedback. We hold individual calls with shareholders who accept our invitation to allow for open, meaningful discussions. As part of our shareholder outreach, we have met with shareholders holding approximately 59% of our shares. These included discussions of compensation matters, as well as ESG issues. We share any feedback received from our shareholders with our Board.

## COMMUNICATIONS WITH DIRECTORS

Shareholders and other interested parties wishing to communicate with the Board, our Lead Independent Director, or any member or committee of the Board are encouraged to send any communication to our General Counsel and Corporate Secretary, Adtalem Global Education Inc., 500 West Monroe Street, Suite 1300, Chicago, IL 60661 and should prominently indicate on the outside of the envelope that it is intended for the Board, our Lead Independent Director, the independent directors as a group, or a committee or an individual member of the Board. Any such communication must be in writing, must set forth the name and address of the shareholder (and the name and address of the beneficial owner, if different), and must state the form of stock ownership and the number of shares beneficially owned by the shareholder making the communication. Adtalem's General Counsel and Corporate Secretary will compile and promptly forward all communications to the Board except for spam, junk mail, mass mailings, resumes, or other forms of job inquiries, surveys, business solicitations, or advertisements.

### Communicating Accounting Complaints

Shareholders, Adtalem employees and other interested persons are encouraged to communicate or report any complaint or concern regarding financial statement disclosures, accounting, internal accounting controls, auditing matters, or violations of Adtalem's Code of Conduct and Ethics (collectively, "Accounting Complaints") to the General Counsel and Corporate Secretary of Adtalem at the following address:

General Counsel and Corporate Secretary  
Adtalem Global Education  
500 West Monroe Street, Suite 1300  
Chicago, IL 60661

Accounting Complaints also may be submitted in a sealed envelope addressed to the Chair of the Audit and Finance Committee, in care of the General Counsel, at the address indicated above, and labeled with a legend such as: "To Be Opened Only by the Audit and Finance Committee." Any person making such a submission who would like to discuss an Accounting Complaint with the Audit and Finance Committee should indicate this in the submission and should include a telephone number at which he or she may be contacted if the Audit and Finance Committee deems it appropriate.

Adtalem employees and students may also report Accounting Complaints using any of the reporting procedures specified in Adtalem's Code of Conduct and Ethics. All reports by employees shall be treated confidentially and may be made anonymously. Adtalem will not discharge, demote, suspend, threaten, harass, or in any manner discriminate against any employee in the terms and conditions of his or her employment based upon any lawful actions taken by such employee with respect to the good faith submission of Accounting Complaints.

## BOARD PRACTICES AND POLICIES

### Certain Relationships and Related Person Transactions

It is Adtalem's policy that the Audit and Finance Committee review, approve, or ratify all related party transactions in which Adtalem participates and in which any related person has a direct or indirect material interest and the transaction involves or is expected to involve payments of \$120,000 or more in the aggregate per fiscal year. Our legal staff is primarily responsible for gathering information from the directors and executive officers, including annual questionnaires completed by all our directors, director nominees, and executive officers. The Audit and Finance Committee will review the relevant facts and circumstances of all related party transactions, including whether the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and the extent of the related party's interest in the transaction. No member of the Audit and Finance Committee may participate in any approval of a related party transaction to which he or she is a related party.

Various Adtalem policies and procedures, including the Code of Conduct and Ethics, which applies to Adtalem's directors, officers, and all other employees, and annual questionnaires completed by all Adtalem directors, director nominees, and executive officers, require disclosure of related person transactions or relationships that may constitute conflicts of interest or otherwise require disclosure under applicable Securities and Exchange Commission ("SEC") rules.

## Proposal No. 1 Election of Directors

The Board reviewed the relationship between Adtalem and The Northern Trust Company, a wholly-owned subsidiary of Northern Trust Corporation. Adtalem maintains depository accounts with The Northern Trust Company and conducts a significant portion of its disbursement activity through these accounts. Mr. Logan, one of our current directors, is Executive Vice President and Managing Director, Global Financial Institutions Group, with Northern Trust Global Investments, a business unit of The Northern Trust Company. In fiscal year 2022, Adtalem incurred approximately \$212,000 in fees to The Northern Trust Company, which were partially offset against compensating balance credits earned on an average monthly outstanding balance of approximately \$43 million. The Board concluded, after considering (i) that the relationship with The Northern Trust Company predates Mr. Logan joining the Board, (ii) that Mr. Logan has had no involvement in the Adtalem banking transactions, (iii) the lack of materiality of the transactions to Adtalem and to The Northern Trust Company, and (iv) the fact that the terms of the transactions are not preferential either to Adtalem or to The Northern Trust Company, that the relationship is not a material one for purposes of the NYSE listing standards and would not influence Mr. Logan's actions or decisions as a director of Adtalem.

There were no other related party transactions in fiscal year 2022 that required approval under our policies and procedures or the rules and regulations of the SEC.

## Governance Principles/Code of Conduct and Ethics

---

Our Board has adopted Governance Principles that set forth expectations for directors, director qualifications, director retirement, director independence standards, board committee structure, and functions and other policies for Adtalem's governance. We have adopted a Code of Conduct and Ethics applicable to all employees including directors, officers, and full- and part-time employees and faculty of Adtalem Global Education Inc. and its subsidiaries. These documents are available on Adtalem's website at <https://www.adtalem.com/media/166/governance-principles> and [https://www.adtalem.com/media/156/code\\_of\\_conduct.pdf](https://www.adtalem.com/media/156/code_of_conduct.pdf). Any amendments or waivers of the Code of Conduct and Ethics will be disclosed at these website addresses.

We encourage individuals to speak up with questions, concerns or potential violations of our Code of Conduct, and we have a 24-hour reporting hotline administered through a third-party to offer anonymity to anyone reporting such issues. Information about our whistleblower policy and practices are included in the Code of Conduct. All reports, which are reviewed by the Audit and Finance Committee each quarter, are investigated promptly, thoroughly and fairly, and appropriate action is taken whenever necessary.

## Compensation Committee Independence and Insider Participation

---

During fiscal year 2022, Michael W. Malafronte, William W. Burke, Lyle Logan, and Kenneth J. Phelan served on the Compensation Committee. No member of the Compensation Committee was, during 2022, an officer or employee of Adtalem, was formerly an officer of Adtalem, and other than the related person transaction between Adtalem and The Northern Trust Company, where Mr. Logan serves as an Executive Vice President and Managing Director, discussed above in Certain Relationships and Related Person Transactions, had any relationship requiring disclosure by Adtalem as a related person transaction under Item 404 of Regulation S-K. During 2022, none of the Company's executive officers served on the board of directors or a compensation committee of any other entity, any officers of which served on Adtalem's Board or our Compensation Committee.

## DIRECTOR COMPENSATION

The competitiveness of the director compensation program is reviewed annually by the Compensation Committee with the assistance and input of Meridian Compensation Partners ("Meridian"), the Compensation Committee's independent compensation consultant. In fiscal year 2022, the director compensation program was benchmarked by Meridian and reviewed against Adtalem's peer group. As a result of that review, in the second half of fiscal year 2022, the Board increased by \$2,500 the additional retainer paid to the Committee Chairs, other than the Compensation Committee Chair. No other changes were made for the year. In fiscal year 2022, non-employee directors continued to receive an annual retainer of \$85,000, paid quarterly. After the increase in May 2022, the Chair of the Audit and Finance Committee received an additional annual retainer of \$25,000, the Chair of the Compensation Committee continued to receive an additional retainer of \$17,500, and the chairs of each of the other committees received an additional annual retainer of \$12,500 for their roles as committee chairs. During fiscal year 2022, Ms. Wardell, our Executive Chairman of the Board, and former CEO and President, did not receive any additional compensation for her service as Chairman of the Board and Mr. Burke received an additional annual retainer of \$35,000 for his service as Lead Independent Director. For fiscal year 2023, Ms. Wardell will receive the same compensation as our independent directors. Directors were reimbursed for any reasonable and appropriate expenditures attendant to Board membership.

Under the Adtalem Nonqualified Deferred Compensation Plan, a director could elect to defer all or a portion of the cash retainer. Any amount so deferred is, at the director's election, valued as if invested in various investment choices made available by the Compensation Committee for this purpose, and is payable in cash installments, or as a lump-sum on or after termination of service as a director, or at a later date specified by the director. No non-employee directors deferred any portion of their compensation in fiscal year 2022.

As long-term incentive compensation for directors, each non-employee director received RSUs with an approximate value of \$125,000 directly following the 2022 Annual Meeting of Shareholders. Each RSU represents the right to receive one share of Common Stock following the satisfaction of the vesting period. All RSUs granted in November 2021 vest upon the one-year anniversary of the grant date.

This table discloses all non-employee director compensation provided in fiscal year 2022 to the directors of Adtalem for their service as directors.

---

Subject to shareholder ratification, the Audit and Finance Committee of the Board has reappointed PricewaterhouseCoopers LLP (“PwC”), as independent registered public accounting firm for Adtalem and its subsidiaries for fiscal year 2023. The Board recommends to the shareholders that the selection of PwC as independent registered public accounting firm for Adtalem and its subsidiaries be ratified. If the shareholders do not ratify the selection of PwC, the selection of independent registered public accounting firm will be reconsidered by the Audit and Finance Committee. Representatives of PwC are expected to be present at the Annual Meeting with the opportunity to make a statement, if they desire to do so, and to be available to respond to appropriate questions from shareholders.

## APPROVAL BY SHAREHOLDERS

Proposal No. 2 to ratify the selection of PwC as independent registered public accounting firm for Adtalem for fiscal year 2023 will require the affirmative vote of a majority of the shares of Common Stock of Adtalem represented at the Annual Meeting. Unless otherwise indicated on the proxy, the shares will be voted **FOR** ratification of the selection of PwC as independent registered public accounting firm for Adtalem for fiscal year 2023.

---

 The Board of Directors recommends a vote **FOR** the ratification of the appointment of PwC as Adtalem’s independent registered public accounting firm for fiscal year 2023.

---

## SELECTION AND ENGAGEMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit and Finance Committee, at each of its regularly scheduled meetings, and on an interim basis as required, reviews all engagements of PwC for audit and all other services. Prior to the Audit and Finance Committee’s consideration for approval, management provides the Audit and Finance Committee with a description of the reason for and nature of the services to be provided along with an estimate of the time required and approximate cost. Following such review, each proposed service is approved, modified, or denied as appropriate. A record of all such approvals is maintained in the files of the Audit and Finance Committee for future reference. All services provided by PwC during the past two years were approved by the Audit and Finance Committee prior to their undertaking.

## PRE-APPROVAL POLICIES

The Audit and Finance Committee has adopted a policy for approving all permitted audit, audit-related, tax, and non-audit services to be provided by PwC in advance of the commencement of such services, except for those considered to be de minimis by law for non-audit services. Information regarding services performed by the independent registered public accounting firm under this de minimis exception is presented to the Audit and Finance Committee for information purposes at each of its meetings. There is no blanket pre-approval provision within this policy. For fiscal years 2021 and 2022, none of the services provided by PwC were provided pursuant to the de minimis exception to the pre-approval requirements contained in the applicable rules of the SEC. Audit and Finance Committee consideration and approval generally occurs at a regularly scheduled Audit and Finance Committee meeting. For projects that require an expedited decision because the independent registered public accounting firm should begin prior to the next regularly scheduled meeting, requests for approval may be circulated to the Audit and Finance Committee by mail, telephonically or by other means for its consideration and approval. When deemed necessary, the Audit and Finance Committee has delegated pre-approval authority to its Chair. Any engagement of the independent registered public accounting firm under this delegation will be presented for informational purposes to the full Audit and Finance Committee at their next meeting.

## AUDIT FEES AND OTHER FEES

The Audit and Finance Committee appointed PwC as Adtalem's independent registered public accounting firm for the fiscal year ended June 30, 2022. Adtalem's shareholders ratified the engagement at the Annual Meeting of Shareholders on November 10, 2021. In addition to engaging PwC to audit the consolidated financial statements for Adtalem and its subsidiaries for the year and review the interim financial statements included in Adtalem's Quarterly Reports on Form 10-Q filed with the SEC, the Audit and Finance Committee also engaged PwC to provide various other audit and audit-related services — e.g., auditing of Adtalem's compliance with student financial aid program regulations.

The Sarbanes-Oxley Act of 2002 prohibits an independent public accountant from providing certain non-audit services for an audit client. Adtalem engages various other professional service providers for these non-audit services as required. Other professional advisory and consulting service providers are engaged where the required technical expertise is specialized and cannot be economically provided by employee staffing. Such services include, from time to time, business and asset valuation studies, and services in the fields of law, human resources, information technology, employee benefits and tax structure, and compliance.

The aggregate amounts included in Adtalem's financial statements for fiscal year 2022 and 2021 for fees billed or to be billed by PwC for audit and other professional services, respectively, were as follows:

	Fiscal Year 2022	Fiscal Year 2021
Audit Fees	\$4,584,000	\$2,628,000
Audit-Related Fees	\$2,500,000	\$ 850,000
Tax Fees	\$ 965,324	\$ 405,881
All Other Fees	\$ 4,150	\$ 18,000
Total	\$8,053,474	\$3,901,881

**AUDIT FEES** — Includes all services performed to comply with generally accepted accounting principles in conjunction with the annual audit of Adtalem's financial statements and the audit of internal controls over financial reporting. In addition, this category includes fees for services in connection with Adtalem's statutory and regulatory filings, consents, and review of filings with the SEC such as the annual report on Form 10-K, quarterly reports on Form 10-Q, and current reports on Form 8-K. Also included are services rendered in connection with the required annual audits of Adtalem's compliance with the rules and procedures promulgated for the administration of federal and state student financial aid programs. The increase in audit fees for fiscal year 2022 is primarily due to work related to the acquisition of Walden University and the disposition of our Financial Services segment.

**AUDIT-RELATED FEES** — Audit-related fees of \$2,500,000 were billed to us by PwC for fiscal year 2022, which included services performed related to carve-out financial statement audits prepared related to the sale of our Financial Services segment. Audit-related fees of \$850,000 were billed to us by PwC for fiscal year 2021, which included services performed related to Adtalem's debt offerings and comfort letters.

**TAX FEES** — Includes all services related to tax compliance, tax planning, tax advice, assistance with tax audits, and responding to requests from Adtalem's tax department regarding technical interpretations, applicable laws and regulations, and tax accounting. Adtalem's Audit and Finance Committee has considered the nature of these services and concluded that these services may be provided by the independent registered public accounting firm without impairing its independence. The increase in tax fees for fiscal year 2022 is primarily due to work related to the acquisition of Walden University and the disposition of our Financial Services segment.

**ALL OTHER FEES** — Includes subscriptions for online accounting research services, fees for access to disclosure checklist, and fees to prepare a human resource benchmarking study.

## AUDIT AND FINANCE COMMITTEE REPORT

### To Our Shareholders:

The Audit and Finance Committee of Adtalem consists of three independent directors. The members of the Audit and Finance Committee meet the independence and financial literacy requirements of the NYSE and additional heightened independence criteria applicable to members of the Audit and Finance Committee under SEC and NYSE rules. In fiscal year 2022, the Audit and Finance Committee held nine meetings. The Audit and Finance Committee has adopted, and annually reviews, a charter outlining the practices it follows. The charter conforms to the SEC's implementing regulations and to the NYSE listing standards.

Management is responsible for Adtalem's internal controls and the financial reporting process by which it prepares the financial statements. Adtalem's independent registered public accounting firm is responsible for performing an independent audit of the annual financial statements of Adtalem and expressing an opinion on those statements. The principal duties of the Audit and Finance Committee include:

- Monitoring Adtalem's financial reporting processes, including its internal control systems;
- Selecting Adtalem's independent registered public accounting firm, subject to ratification by the shareholders;
- Evaluating the independent registered public accounting firm's independence;
- Monitoring the scope, approach, and results of the annual audits and quarterly reviews of financial statements, and discussing the results of those audits and reviews with management and the independent registered public accounting firm;
- Overseeing the effectiveness of Adtalem's internal audit function and overall risk management processes;
- Discussing with management and the independent registered public accounting firm the nature and effectiveness of Adtalem's internal control systems; and
- Reviewing and recommending to the Board Adtalem's financing policies and actions related to investment, capital structure, and financing strategies.

During fiscal year 2022, at each of its regularly scheduled meetings, the Audit and Finance Committee met with the senior members of the Adtalem's financial management team. Additionally, the Audit and Finance Committee had separate private sessions, on a quarterly basis, with Adtalem's independent registered public accounting firm, Adtalem's General Counsel and Corporate Secretary, Adtalem's Chief Financial Officer, and Adtalem's Vice President, Internal Audit.

The Audit and Finance Committee is updated periodically on the process management uses to assess the adequacy of Adtalem's internal control systems over financial reporting, the framework used to make the assessment and management's conclusions on the effectiveness of Adtalem's internal controls over financial reporting. The Audit and Finance Committee also discusses with Adtalem's independent registered public accounting firm Adtalem's internal control assessment process, management's assessment with respect thereto and the evaluation by Adtalem's independent registered public accounting firm of its system of internal controls over financial reporting.

The Audit and Finance Committee annually evaluates the performance of Adtalem's independent registered public accounting firm, including the senior audit engagement team, and determines whether to reengage the current independent registered public accounting firm. As a threshold matter, the Audit and Finance Committee satisfies itself that the most recent Public Company Accounting Oversight Board ("PCAOB") inspection report pertaining to the current firm does not contain any information that would render inappropriate its continued service as Adtalem's independent public accountants, including consideration of the public portion of the report and discussion in general terms of the types of matters covered in the non-public portion of the report. The Audit and Finance Committee also considers the quality and efficiency of the previous services rendered by the current auditors and the auditors' technical expertise and knowledge of Adtalem's global operations and industry. Based on this evaluation, the Audit and Finance Committee decided to reengage, and recommend ratification of, PwC as Adtalem's independent registered public accounting firm for fiscal year 2023. The Audit and Finance Committee reviewed with members of Adtalem's senior management team and PwC the overall audit scope and plans, the results of internal and external audit examinations, evaluations by management and PwC of Adtalem's internal controls over financial reporting, and the quality of Adtalem's financial reporting. Although the Audit and Finance

## **Proposal No. 2 Ratify Selection of PricewaterhouseCoopers LLP as Independent Registered Public Accounting Firm**

Committee has the sole authority to appoint Adtalem's independent registered public accounting firm, the Audit and Finance Committee recommends that the Board ask the shareholders, at their annual meeting, to ratify the appointment of Adtalem's independent registered public accounting firm. With respect to Adtalem's audited financial statements for fiscal year 2022, the Audit and Finance Committee has:

- Reviewed and discussed the audited financial statements with management;
- Met with PwC, Adtalem's independent registered public accounting firm, and discussed the matters required to be discussed by the PCAOB and the SEC; and
- Received the written disclosures and the letter from PwC required by the applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit and Finance Committee concerning independence and has discussed its independence with PwC.

In reliance upon the Audit and Finance Committee's reviews and discussions with both management and PwC, management's representations and the report of PwC on Adtalem's audited financial statements, the Audit and Finance Committee recommended to the Board that the audited financial statements for the fiscal year ended June 30, 2022 be included in Adtalem's Annual Report on Form 10-K filed with the SEC.

In addition, the Audit and Finance Committee has re-appointed, subject to shareholder ratification, PwC as Adtalem's independent registered public accounting firm for fiscal year 2023.

This Audit and Finance Committee Report is not to be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or under the Exchange Act, except to the extent that Adtalem specifically incorporates this Audit and Finance Committee Report by reference, and is not otherwise to be deemed filed under such acts.

## Executive Summary

Adtalem’s executive compensation program is designed to reward leaders for delivering strong financial results and building shareholder value. We firmly believe that academic quality and a strong student-centric focus lead to growth and, therefore, we have incorporated measures into our executive compensation program to recognize leadership for their roles in improving student academic performance and outcomes.

This executive compensation program structure enables us to provide a competitive total compensation package while aligning our leaders’ interests with those of our shareholders and other stakeholders. The following chart highlights key objectives behind the development, review and approval of our NEOs’ compensation.

Effective September 8, 2021, Mr. Beard was appointed President and CEO and Ms. Wardell was appointed Executive Chairman. Adtalem entered into Executive Employment Agreements with Ms. Wardell and Mr. Beard for their new roles as Executive Chairman and President and CEO, respectively. Ms. Wardell’s appointment as Executive Chairman terminated effective September 7, 2022.

## COMPENSATION OBJECTIVES

Our executive compensation program is designed to:

### ALIGN INCENTIVES

Our purpose is to empower students to achieve their goals, find success and make inspiring contributions to our global community. Success in realizing our purpose drives growth, which leads to the creation of sustainable, long-term value for our shareholders. Our compensation program is distinguished by its alignment not only with our shareholders, but also with our students, whose success is critical to our organization’s success.

### COMPETE FOR TALENT

Our compensation program is designed to attract, retain and motivate high-performing employees, particularly our key executives who are critical to our operations. Our compensation decisions take into account the competitive landscape for talent.

### REWARD PERFORMANCE

We reward outstanding performance through:

- A short-term incentive program focusing our executives on achieving strong financial results and superior academic and student outcomes, through individual performance objectives, and
- A long-term incentive program providing a mix of equity vehicles designed to reward long-term financial performance and shareholder value creation.

Our executive compensation program is founded on aligning the attainment of our business transformation and growth objectives with commensurate rewards based on results achieved over both short- and long-term performance periods. The Compensation Committee believes this approach appropriately focuses executives on achieving our strategic priorities and provides appropriate upside and downside potential based on actual performance and results achieved over time.

Our program, particularly how we measure performance through both annual incentives and our long-term performance share plan, employs measures that support our fundamental shift in strategic focus for management and our organization at large.

## CONTINUED SHAREHOLDER OUTREACH

Adtalem employs a proactive investor relations approach, involving management and the Board, with ongoing outreach and interactive dialogue with investors to seek input on topics including corporate governance, executive compensation, diversity, equity and inclusion, and strategy. Our goal is to provide transparency to ensure there is a clear understanding of our business and our operating and financial performance – as set forth in our public filings, through one-on-one discussions, non-deal road shows, and investor conferences.

While we are very pleased by the positive response to the executive compensation program substantiated by our 92% ‘say on pay’ approval rating at the 2021 annual meeting, our ongoing commitment included proactive outreach to our top shareholders in 2022. Those shareholders that did provide feedback (which collectively hold approximately 59% of our shares) responded favorably to our executive compensation program, did not express any particular areas of concern and reiterated their support for the positive changes implemented last year.

Adtalem and the Compensation Committee will continue to engage our shareholder base in the future to understand shareholder concerns, particularly in connection with potential changes to its compensation or governance practices.

## PAY-FOR-PERFORMANCE FOCUS

We use both short- and long-term incentives to reward NEOs for delivering strong business results, increasing shareholder value and improving student outcomes. With our pay-for-performance philosophy, an executive can earn in excess of target levels when performance exceeds established objectives. And, if performance falls below established objectives, our incentive plans pay below target levels, which in some cases could be nothing at all.

### MR. BEARD’S 2022 TARGET COMPENSATION MIX

### OTHER NEO 2022 TARGET COMPENSATION MIX<sup>(1)(2)</sup>

<sup>(1)</sup> Excludes perquisites.

<sup>(2)</sup> Illustration represents fiscal year 2022 target compensation mix for Mr. Beard and the other NEOs with the exception of Ms. Wardell who was not eligible for an annual incentive award in fiscal year 2022. Mr. Beard’s actual long-term incentive award for fiscal year 2022 was greater than his target long-term incentive award resulting from the negotiation with Adtalem of his compensation package in connection with his appointment as President and Chief Executive Officer.

### Program Design:

- The actual value realized from the annual MIP award can range from zero, if threshold performance targets are not met, to up to 200% of targeted amounts for exceptional organizational performance.
- Our regular long-term incentive program consists of equity-based awards whose value ultimately depends on our stock price performance. A significant portion of the annual long-term incentive program (half of the executive officers’ annual awards) is granted in the form of PSUs, the number of which are earned based on our three-year performance versus return on invested capital (“ROIC”) and free cash flow (“FCF”) per share goals. If the minimum levels of performance are not met, no PSUs are earned; if the minimum levels of performance are met, payout can range from 50% to 200% of the target number of PSUs. In the case of Mr. Beard, his fiscal year 2022 long-term incentive award consisted of stock options which represented 14% of his grant, RSUs which represented 55% of his grant, and PSUs which represented 31% of his grant. The fiscal year 2022 equity mix for Mr. Beard resulted from negotiations with Adtalem of his compensation package in connection with his appointment as President and Chief Executive Officer. Beginning in fiscal year 2023, we are eliminating stock options and shifting our equity mix for executive officers to 60% PSUs and 40% RSUs to strengthen pay-for-performance alignment.

**Performance Assessment:** Our Compensation Committee uses a comprehensive, well-defined and rigorous process to assess organizational and individual performance. We believe the performance measures for our incentive plans focus management on the appropriate objectives for the creation of short- and long-term shareholder value as well as academic quality and organizational growth.

## 2022 COMPENSATION DECISIONS AND ACTIONS

### Key Fiscal Year 2022 Compensation Decisions

#### BASE SALARY Page 49

Adtalem is committed to offering market competitive compensation to our key executives, including competitive base salaries. In fiscal year 2022, the Board and/or the Compensation Committee approved base salaries for Mr. Beard and each of our other NEOs in connection with certain organizational changes that occurred in early fiscal year 2022. The base salary of Mr. Beard was increased from \$600,020 to \$900,000, effective September 8, 2021, in connection with his appointment as President and Chief Executive Officer. The base salary of Mr. Phelan was increased from \$350,000 to \$480,000 in connection with his appointment as Chief Financial Officer. The base salary of Mr. Beck was increased from \$500,000 to \$515,000 through a merit increase of 3% as part of our normal compensation review process. The base salaries of Dr. Danaher and Mr. Herrera were set at \$585,000 and \$435,000 respectively, at the time each was hired by Adtalem in fiscal 2022. The base salary of Ms. Wardell remained unchanged at \$1,100,000 in connection with her appointment as Executive Chairman, effective September 8, 2021. This reflected Ms. Wardell's focus on Board operations, governance matters, assisting with the transition to our new CEO, the divestiture of the Financial Services business and Adtalem's Global Legislative agenda.

#### ANNUAL INCENTIVES Page 50

For Mr. Beard, while serving as Chief Operating Officer, 70% of his fiscal year 2022 MIP award was based on Adtalem's financial performance, specifically adjusted earnings per share and adjusted revenue, and following his appointment as President and Chief Executive Officer, the financial performance component increased to 85% reflecting Mr. Beard's key responsibility in leading Adtalem's financial growth. The remaining 30%, which subsequently decreased to 15% in connection with his appointment as President and Chief Executive Officer, was based on individual performance. For the other NEOs (other than Ms. Wardell), 70% of the fiscal year 2022 MIP award was based on financial performance at Adtalem (adjusted earnings per share and adjusted revenue) or at the institutions for which the NEO is responsible (adjusted operating income and revenue), and the remaining 30% was based on individual performance. As provided in her Employment Agreement, Ms. Wardell was not eligible for a MIP award for fiscal year 2022 in her capacity as Executive Chairman.

Awards under the fiscal year 2022 MIP were earned at 29% of target for Mr. Beard and between 30% and 36% of target for the other NEOs. The MIP awards for Mr. Beard and the other NEOs reflect a payout for the individual performance component of MIP but no payout for the financial performance component of MIP, reflecting performance that was below threshold for fiscal year 2022.

#### LONG-TERM INCENTIVES Page 55

In fiscal year 2022, Mr. Beard and the other NEOs received long-term incentive awards consisting of performance-vesting PSUs, service-vesting stock options, and service-vesting RSUs.

PSU awards granted in August 2019 to NEOs<sup>1</sup>, consisting of financial-based PSUs, vested in August 2022 including ROIC and FCF per share targets that were assessed over a three-year period. Based on our financial performance, the ROIC and FCF per share PSUs vested with an overall payout of 50.6% and 90.9% of target, respectively.

<sup>1</sup> Excluding Mr. Phelan, Mr. Beck, Dr. Danaher, and Mr. Herrera who were not employed by Adtalem at the time of grant.

## Factors Guiding our Decisions

- Executive compensation program objectives, philosophy and principles;
- Shareholder input, including say-on-pay vote;
- Adtalem’s mission, vision, purpose and “TEACH” values;
- The competitive landscape, trends and best pay practices;
- Financial performance of Adtalem and its individual institutions; and
- Advice of our independent outside compensation consultant.

The following provides a more in-depth discussion of our performance in these areas that helped drive the Compensation Committee’s evaluation of performance, and ultimately, compensation decisions for fiscal year 2022.

## 2022 Financial and Operational Highlights

Adtalem’s fiscal year 2022 financial results reflect continued improvement of our operational performance and strengthening of our balance sheet, in the face of lingering macro challenges for the industry. Total enrollments at the end of fiscal year 2022 were over 77,000 students, resulting in revenue of \$1.4 billion. During the year, we expanded operating margins through the rollout of our new operating model and the realization of synergies from the Walden University acquisition. For the full year, we grew operating margins by 230 basis points year over year and reported adjusted earnings per share of \$3.05, which was 32% higher than the prior year. See Appendix A for a reconciliation to reported results.

Significant progress was made on our key strategic priorities in fiscal year 2022 with the acquisition and ongoing integration of Walden University, a strategy designed to drive superior student outcomes, meet the critical workforce needs of our employer partners and drive value for our shareholders. We successfully completed the acquisition of Walden University in August 2021.

Despite improved operational performance, fiscal year 2022 adjusted revenue and adjusted earnings per share were below our operating plan, which served as the basis for our fiscal year 2022 MIP financial performance targets. As a result, there was no payout for the Adtalem adjusted revenue and adjusted earnings per share portion of the executive officers’ MIP award.

## ANALYSIS OF 2022 EXECUTIVE COMPENSATION

### Annual Base Salary Review

Annual base salaries for NEOs are intended to reflect the scope of their responsibilities, the experience they bring to their roles, and current market compensation for similar roles of other executives of companies that are peers of Adtalem. Once established, and under normal business conditions, base salaries are reviewed annually for adjustment to reflect the executive’s prior performance and respond to changes in market conditions. The table below lists the seven criteria the Compensation Committee uses to determine changes to salary from one year to the next.

<b>Base salary adjustments are made based on seven criteria:</b>
1. Adtalem’s overall financial performance compared to operating plan
2. Executive’s performance against established individual goals and objectives
3. Executive’s effectiveness in instilling a culture of academic quality, teamwork, student service and integrity
4. Executive’s expected future contributions
5. Comparison to peer group and other available market data
6. Merit increase parameters set for all colleagues in the organization
7. Discretion based on interaction and observation through the year

### Fiscal Year 2022 Base Salary Decisions

In August 2021, the Board, based on the Compensation Committee’s recommendation in consultation with Meridian, increased Mr. Beard’s base salary from \$600,020 to \$900,000, effective September 8, 2021, in connection with his appointment as President and Chief Executive Officer and further determined to make no change to Ms. Wardell’s base salary in connection with her appointment as Executive Chairman. Mr. Phelan’s base salary was increased from \$350,000 to \$480,000 in connection with his appointment as Chief Financial Officer. Mr. Beck’s base salary was increased from \$500,000 to \$515,000 through a merit increase of 3% as part of our normal compensation review process. The base salaries of Dr. Danaher and Mr. Herrera were set at the time they each were hired in fiscal year 2022.

### ANNUAL BASE SALARY

	<b>FY2021</b>	<b>FY2022</b>	<b>Percent Change</b>
<b>Stephen W. Beard</b>	\$ 600,020	\$ 900,000	50.0%
<b>Robert J. Phelan</b>	\$ 350,000	\$ 480,000	37.1%
<b>Douglas G. Beck</b>	\$ 500,000	\$ 515,000	3.0%
<b>John W. Danaher<sup>(1)</sup></b>	\$ —	\$ 585,000	—
<b>Maurice Herrera<sup>(2)</sup></b>	\$ —	\$ 435,000	—
<b>Lisa W. Wardell</b>	\$1,100,000	\$1,100,000	0.0%

<sup>(1)</sup> Dr. Danaher was hired on August 23, 2021 and therefore did not have a salary for fiscal year 2021.

<sup>(2)</sup> Mr. Herrera was hired on October 18, 2021 and therefore did not have a salary for fiscal year 2021.

## Annual Cash Incentive Compensation

The annual cash incentive, delivered through the MIP, provides NEOs with the opportunity to earn rewards based on the achievement of organizational and institutional performance, as well as individual performance.

### How the MIP Works

MIP target award opportunities for each NEO are set by the Compensation Committee based on factors including external surveys of peer company practices for positions with similar levels of responsibility. These targets, which are expressed as a percentage of base salary, are then reviewed at the beginning of each fiscal year based on updated market compensation data.

For fiscal year 2022, the MIP provided Adtalem’s NEOs (other than Mr. Beard and Ms. Wardell) with a target award opportunity ranging from 60% to 80% of base salary. The target award opportunity for Mr. Beard was set at 110% of base salary, an increase from 80% in his role as COO. In her role as Executive Chairman, Ms. Wardell was not eligible for a fiscal year 2022 MIP award. No other changes were made to the MIP target award opportunity as a percentage of base salary for the other NEOs.

Actual awards can be higher or lower than the target opportunity based on the results for each performance measure. Performance below the threshold for the goal will result in no payment for that performance goal. Performance at or above threshold can earn an award ranging from 50% to 200% of the target amount. The maximum amount of 200% of target rewards exceptional performance compared to expectations, over-delivery of strategic initiatives, and/or achievement of initiatives not contemplated at the time goals were set.

Actual earned awards are determined after the fiscal year has ended and audited financial results have been completed (i.e., in the first quarter of the next fiscal year). Thus, MIP awards for fiscal year 2022 were determined and paid in the early part of fiscal year 2023, after the results for the fiscal year ended June 30, 2022 were confirmed. The payout is based on Adtalem adjusted earnings per share and Adtalem adjusted revenue, and as applicable, institution adjusted operating income and institution revenue measures. MIP measures and goals are typically set by the Compensation Committee in the first quarter of the year in which the performance is measured, in addition to individual performance.

In measuring performance, the Compensation Committee may adjust results for certain unusual, non-recurring or other items to ensure the MIP rewards true operational performance as it is perceived by investors and as consistently measured. Appendix A details the adjustments made in the last three fiscal years.

In instances where an institution has not demonstrated performance commensurate with the potential award, the Compensation Committee may exercise negative discretion and reduce MIP payouts for individuals with oversight over the applicable institution. In the case of acquisitions and dispositions, the Compensation Committee generally does not include revenue, and corresponding earnings per share or operating income, in its evaluation of achievement against targets unless such expected revenue, and corresponding earnings per share or operating income, had been factored into the performance target. Similarly, revenue, and corresponding earnings per-share or operating income performance is adjusted for dispositions during the year.

In addition to the actual results achieved, the Compensation Committee also considers individual performance over the course of that fiscal year for each NEO. Individual performance goals reflect functional results and/or institution performance appropriate for the executive, as well as academic outcomes, organizational strength and the advancement of Adtalem’s core values. Individual performance goals are designed to drive initiatives that support Adtalem’s strategy and further align leadership with Adtalem’s student-focused purpose.

### Creating a Strong Link to Pay-for-Performance

We believe the MIP payouts made to our NEOs for fiscal year 2022 support our executive compensation objective of pay-for-performance by rewarding our NEOs to the extent they met or exceeded pre-established individual performance goals and financial performance goals related to the institutions they oversee.

### MIP Performance Measures

The Compensation Committee determined that Adtalem adjusted earnings per share and adjusted revenue, along with institution adjusted operating income and revenue, effectively balance top line revenue growth and bottom-line profitability and results and are the most appropriate short-term metrics to support our business objectives.

## Proposal No. 3 Say-on-pay: Advisory Vote to Approve the Compensation of Our Named Executive Officers (“NEOs”)

The relative percentages assigned to the measures for each NEO<sup>(1)</sup> for fiscal year 2022 are as follows:

	Organizational, Institution and Individual Performance Measure Allocation				
	Adtalem Adj. Earnings Per Share	Adtalem Adj. Revenue	Institution Adj. Operating Income	Institution Revenue	Individual Performance
<b>Stephen W. Beard - CEO</b>	45%	40%			15%
<b>Stephen W. Beard - COO</b>	40%	30%			30%
<b>Robert J. Phelan</b>	40%	30%			30%
<b>Douglas G. Beck</b>	40%	30%			30%
<b>John W. Danaher</b>	20%	10%	25%	15%	30%
<b>Maurice Herrera</b>	40%	30%			30%

<sup>(1)</sup> Ms. Wardell did not receive an incentive payment for fiscal year 2022 and is therefore excluded from the table above.

### 2022 Performance Goals

Financial goals set for our MIP participants are derived from Adtalem’s fiscal year operating plans, which are recommended by Adtalem’s executive management team and approved by the Board at the beginning of each fiscal year. For fiscal year 2022, these plans translated to financial performance goals of \$1,532.7 million of adjusted revenue and \$3.63 of adjusted earnings per share.

The table below shows the threshold, target, and maximum goals for adjusted revenue and adjusted earnings per share under the fiscal year 2022 MIP, the performance achieved, and the resulting payout.

Metric	Plan			Actual Results (excluding special items) <sup>(1)</sup>	Performance Relative to Plan	Payout %
	Threshold	Target	Maximum			
<b>Adtalem Adj. Revenue</b>	\$ 1,456.1	\$ 1,532.7	\$ 1,609.3	\$ 1,395.7	91.1%	0.0%
<b>Adtalem Adj. Earnings Per Share</b>	\$ 3.27	\$ 3.63	\$ 3.99	\$ 3.05	83.7%	0.0%

<sup>(1)</sup> See Appendix A for a reconciliation to reported results.

The fiscal year 2022 adjusted revenue target under the MIP was 69.0% higher than fiscal year 2021 actual results of \$906.9 million, which reflected expected growth from the Walden University acquisition, as well as expected growth in the Chamberlain and Medical and Veterinary segments. The fiscal year 2022 adjusted earnings per share target goal under MIP was 57.1% higher than fiscal year 2021 actual results of \$2.31, which, again reflected expected growth from the Walden University acquisition, as well as expected growth in the Chamberlain and Medical and Veterinary segments and cost control measures across all segments and home office.

Adtalem does not disclose the institution or segment performance goals utilized in its MIP due to the confidential nature of such information and the competitive harm that could result from its disclosure. The Compensation Committee considers the organization’s performance goals to represent the best estimate of what the organization could deliver if management, individually and collectively, were to materially satisfy its goals and objectives for the year. All goals are designed to be aggressive yet achievable, with the expectation that it would take extraordinary performance on the part of management to exceed them to the extent necessary to yield maximum incentive payouts under the MIP.

The Compensation Committee approves individual performance goals and objectives for the CEO at the beginning of each fiscal year. The CEO also works collaboratively with the other NEOs in developing their respective individual performance goals and in assigning weightings to such goals to place additional emphasis on tactical priorities. Individual performance goals are factors in determining base salary adjustments, annual cash incentive compensation and future awards of long-term incentive compensation. Individual performance goals intentionally include elements that can be rated objectively as well as, to a lesser extent, elements that are of a subjective nature. Individual performance goals are used to drive stretch performance across a broad range of areas considered critical to our strategy and purpose. This mix of objective and subjective criteria allows the evaluator — the independent members of the Board in the case of the CEO, and the CEO with input and approval from the Compensation Committee in the case of the other NEOs — to assess the individual’s performance against objective

### Fiscal Year 2022 MIP Decisions

Based on an evaluation of organizational performance relative to MIP measures set at the beginning of fiscal year 2022, the final MIP awards were partially based on the following financial results, as adjusted for special items described in Appendix A:

- Adtalem achieved 0% payout for the fiscal year 2022 adjusted revenue component; and
- Adtalem achieved 0% payout for the fiscal year 2022 adjusted earnings per share component.

In addition, a portion of the MIP award for Dr. Danaher was based on results from the performance of the institutions he oversees. Final MIP award calculations also took into consideration evaluations of individual performance for each NEO during the fiscal year. Based on all of these applicable factors, the Compensation Committee approved the following MIP awards to the NEOs<sup>(1)</sup>:

	Annual Target as a Percentage of Base Salary	FY2022 Target Award Opportunity	FY2022 Actual Award	Percent of Target Paid Based on FY2022 Performance
<b>Stephen W. Beard<sup>(2)</sup></b>	80% and 110%	\$893,592	\$258,388	29%
<b>Robert J. Phelan</b>	80%	\$355,451	\$106,635	30%
<b>Douglas G. Beck</b>	70%	\$360,500	\$129,780	36%
<b>John W. Danaher<sup>(3)</sup></b>	70%	\$350,038	\$115,513	33%
<b>Maurice Herrera<sup>(4)</sup></b>	60%	\$183,058	\$ 60,409	33%

<sup>(1)</sup> Ms. Wardell did not receive an incentive payment for fiscal year 2022 and is therefore excluded from the table above.

<sup>(2)</sup> Mr. Beard’s target was increased from 80% to 110% in September 2021 when he was appointed President and Chief Executive Officer and his fiscal year 2022 MIP award was pro-rated accordingly.

<sup>(3)</sup> Dr. Danaher’s fiscal year 2022 incentive payment was pro-rated based on his hire date of August 23, 2021.

<sup>(4)</sup> Mr. Herrera’s fiscal year 2022 incentive payment was pro-rated based on his hire date of October 18, 2021.

## Proposal No. 3 Say-on-pay: Advisory Vote to Approve the Compensation of Our Named Executive Officers (“NEOs”)

Set forth below, as an example of the MIP calculation for NEOs, is a summary of the calculation of the fiscal year 2022 award for Mr. Beard:

	Target Award Opportunity (Weighting)	Target	Performance Achieved (Excluding Special Items)	Performance Relative to Target	Payout as a % of Target Award Opportunity based on Performance Relative to Target	Target Award Opportunity (\$ Amount)	Actual Award
<b>Adtalem Adj. Earnings Per Share</b>	45%	\$ 3.63	\$ 3.05	83.7%	0.0%	\$361,282	\$ —
<b>Adtalem Adj. Revenue</b>	40%	\$ 1,532.7	\$ 1,395.7	91.1%	0.0%	\$321,140	\$ —
<b>Individual Performance</b>	15%				175.0%	\$120,427	\$210,748
<b>Total CEO</b>					26.3%	\$802,849	\$210,748
<b>Adtalem Adj. Earnings Per Share</b>	40%	\$ 3.63	\$ 3.05	83.7%	0.0%	\$ 36,297	\$ —
<b>Adtalem Adj. Revenue</b>	30%	\$ 1,532.7	\$ 1,395.7	91.1%	0.0%	\$ 27,223	\$ —
<b>Individual Performance</b>	30%				175.0%	\$ 27,223	\$ 47,640
<b>Total COO</b>					52.5%	\$ 90,743	\$ 47,640
<b>Total</b>					28.9%	\$893,592	\$258,388

In reviewing Mr. Beard’s performance, the Compensation Committee evaluated his performance against each of his individual goals and determined a 175% payout for the individual performance component of his MIP award (which represents 30% of the total MIP opportunity for the period during which he served as COO and 15% of the total MIP opportunity for the period during which he served as CEO) was warranted and appropriate.

In determining MIP awards for the other NEOs, the Compensation Committee evaluated the NEOs against their individual goals taking into consideration the following performance highlights:

<b>Robert J. Phelan</b>	Mr. Phelan was instrumental in achieving the revised operating plan for the fiscal year through carefully planned cost saving measures. Mr. Phelan also put in place a new credit facility to support the acquisition of Walden and future operations, executed an accelerated share repurchase program and gained board approval for additional funds for open market share repurchase.
<b>Douglas G. Beck</b>	Mr. Beck was recognized for successfully resolving key legal cases and completing the integration of talent and processes in support of the new Adtalem operating model.
<b>John W. Danaher</b>	Dr. Danaher was recognized by the Committee for stabilizing the medical and veterinary institutions which were adversely affected by COVID-19 and achieving first-time residency attainment rates of 96% at AUC and 95% at RUSM.* The Committee also noted that he successfully built a team of thought leaders elevating expertise in medical and veterinary education.
<b>Maurice Herrera</b>	Mr. Herrera was hired by Adtalem in October 2021. He was recognized for reconstituting marketing as a center of excellence by assembling top talent and elevating the focus to be consumer-centric, outcomes-focused and data-driven.
<b>Lisa W. Wardell</b>	Ms. Wardell was not eligible for a fiscal year 2022 MIP payout.

### Special Value Capture Incentive Opportunity

In November 2021, the Compensation Committee approved the Value Capture Incentive Opportunity which is a special bonus program that is designed to reward participants for identifying and executing on synergies related to the Walden University acquisition. Each of the NEOs, other than Mr. Beard and Ms. Wardell, are participants in the Value Capture Incentive Opportunity. For executive officers, payouts are tied to achieving pre-established realized levels of total Value Capture Incentive Opportunity funding equal to 3-5% of synergy cost targets, or \$4 to \$6 million. The Value Capture Incentive Opportunity payout for each executive officer, upon achievement of the target level of cost synergies is \$200,000, with one-half of the payout to be paid upon successful achievement in fiscal year 2022 and one-half of the payout to be paid upon the successful achievement in fiscal year 2023.

*\*First time residency attainment rate is the percent of students attaining a 2022-23 residency position out of all graduates or expected graduates in 2021-22 who were active applicants in the 2022 National Resident Matching Program (“NRMP”) match or who attained a residency position outside the NRMP match.*

## Long-Term Incentive Compensation

Long-term incentive compensation at Adtalem consists of stock options, RSUs and PSUs. The Compensation Committee targets the value of long-term incentive compensation for NEOs to represent a substantial percentage of their total compensation opportunity. These incentives are intended to serve three complementary objectives of our compensation program:

- Align executives’ long-term interests with those of our shareholders;
- Drive achievement of and reward executives for the delivery of long-term business results; and
- Promote long-term retention of key executives who are critical to our operations.

### How the Long-Term Incentive Plan Works

The Compensation Committee granted equity awards to each of the NEOs (except Mr. Beard and Mr. Herrera) in August 2021 (stock options and RSUs) and November 2021 (PSUs) based on both retrospective and prospective considerations and organizational and individual considerations. The Compensation Committee granted equity awards to Mr. Beard in September 2021 (stock options and RSUs) upon his appointment as President and Chief Executive Officer and in November 2021 (PSUs). PSU grants were delayed until November 2021 in order to give the leadership team and the Compensation Committee time to evaluate the impact of the Walden University acquisition on the business and set goals that properly aligned management and shareholder interests. The Compensation Committee took into account the same seven criteria described in the “Annual Base Salary Review” section above in determining the amount of these awards. Annual equity awards were delivered through a mix of stock-based vehicles to provide a reasonable balance to the equity portfolio. All of the NEOs (other than Mr. Beard and Mr. Herrera) received a mix consisting of stock options (20%); RSUs (30%); and PSUs (25% ROIC/25% FCF per share).

**Stock Options:** Stock options reward long-term value creation through increases in stock price. To promote retention, stock option grants vest in equal annual installments over a four-year period beginning on the first anniversary of the grant date, subject to the NEO’s continuous service at Adtalem. The Compensation Committee granted incentive stock options (“ISOs”) with a value of up to the \$100,000 Internal Revenue Service (“IRS”) limitation applicable to each one-year vesting period. To the extent this limitation was met for any NEO, the remaining portion of the stock option award was issued in the form of non-qualified stock options. The Compensation Committee recognizes that Adtalem may not receive a tax deduction for ISOs, but weighed this consideration against the tax benefit ISOs provide to employees and the additional enhancement to Adtalem’s ability to attract and retain executives. The Compensation Committee determined it was in Adtalem’s best interest to continue utilizing ISOs in the manner described. Beginning with fiscal year 2023, the Compensation Committee determined that it would no longer grant stock options. The elimination of stock options is intended to simplify the long-term incentive program and to shift more of the equity mix to performance-based equity awards. With the elimination of stock options, the equity mix for executive officers beginning with fiscal year 2023 will be 40% RSUs and 60% PSUs.

#### Focusing on Long-Term Results

The Compensation Committee believes that long-term equity compensation is an important retention tool and, therefore, chose to use a four-year ratable vesting schedule for grants of stock options and RSUs and a three-year cliff vesting schedule for PSUs, to encourage longer-term focus and retention.

**Restricted Stock Units (RSUs):** RSUs align the interests of management with those of shareholders and reward long-term value creation. To promote retention, RSUs vest in equal annual installments over a four-year period beginning on the first anniversary of the grant date, subject to the NEO’s continuous service at Adtalem.

## Proposal No. 3 Say-on-pay: Advisory Vote to Approve the Compensation of Our Named Executive Officers (“NEOs”)

**Performance Share Units (PSUs):** PSUs are designed to reward strong performance based on two financial indicators, ROIC and FCF per share, to focus executives on profitability and effective capital allocation. In fiscal year 2022, PSUs granted to the NEOs were split equally among these two components. These PSUs vest after three years based on ROIC and FCF per share performance, respectively, as compared to the goals outlined in the following tables:

Performance Period	ROIC Performance Goals (FY22-24)		
	Threshold (50% Payout)	Target (100% Payout)	Maximum (200% Payout)
3-Year Goal for Fiscal Year 2022	9.6%	10.6%	11.6%

Performance Period	FCF Per Share Performance Goals (FY22-24)		
	Threshold (50% Payout)	Target (100% Payout)	Maximum (200% Payout)
3-Year Goal for Fiscal Year 2022	\$5.29	\$5.88	\$6.47

Similar to goals for the MIP, these goals are based on the multi-year strategic plan. In some cases, stretch goals are built in to help bridge to anticipated future year targets to ensure we are appropriately working towards our long-term strategic plan.

Vesting for performance between threshold and target and between target and maximum is determined by straight-line interpolation. Vesting for the fiscal year 2022 PSU grant will be based on performance averaged over the three-year period.

### Chief Executive Officer’s Fiscal Year 2022 Long-Term Incentive Award

In connection with his appointment as President and Chief Executive Officer in September 2021, and following negotiations with Mr. Beard of his compensation package, the Compensation Committee recommended, and the Board granted, two separate equity awards as detailed in the table below. In September 2021, Mr. Beard received a grant of stock options, with a grant date value of \$1,103,560, and RSUs, with a grant date value of \$4,416,139, each subject to ratable vesting over four years. These awards were granted to enhance Mr. Beard’s alignment with shareholders, provide an incentive for stock price growth and to foster retention. In addition to the grant of stock options and RSUs, in November 2021, Mr. Beard also received the opportunity to earn up to \$2,500,000 in Adtalem Common Stock based on achievement of critical strategic milestones. 25% of Mr. Beard’s award (\$625,000) is based on the successful divestiture of the financial services business and will fully vest provided the transaction closes by December 31, 2022. To that end, Adtalem successfully divested the financial services business on March 10, 2022 which resulted in the vesting of the award’s first tranche described above. Adtalem’s closing stock price on March 10, 2022 was \$24.01, which resulted in an award of 26,031 shares to Mr. Beard.

75% of Mr. Beard’s award (\$1,875,000) will be earned upon the achievement of cost synergy goals related to the Walden University acquisition. The portion of the award based on the achievement of the cost synergy goals is split equally (\$937,500 each) between (1) run rate synergies measured one year from the date of close of the Walden University acquisition, and (2) total cost synergies for the two-year period following the close of the Walden University acquisition. If earned, the award is settled in shares of Adtalem common stock, with the number of shares awarded based on Adtalem’s closing stock price on the date of vesting. With respect to both portions of the award related to the achievement of cost synergy goals, there is no upside or downside opportunity. The award will only vest if the goals are achieved.

### Additional NEO Fiscal Year 2022 Long-Term Incentive Awards

In addition to the annual equity awards made to Mr. Phelan, Mr. Beck, Dr. Danaher, and Ms. Wardell, an RSU award was granted to Mr. Phelan in November 2021 in recognition of his appointment as Chief Financial Officer, effective October 18, 2021, to foster retention and alignment with shareholders. A sign-on RSU award was granted to Dr. Danaher in August 2021 in connection with his hire as President, Medical and Veterinary on August 23, 2021. A sign-on RSU award was granted to Mr. Herrera in November 2021 in connection with his hire as Chief Marketing Officer on October 18, 2021. In the case of the awards granted to Dr. Danaher and Mr. Herrera, the awards were intended to replace, in part, the value of equity awards forfeited in connection with their termination of employment with their prior employers. The LTI value for Ms. Wardell was decreased by the Board in consideration of her transition to Executive Chairman.

### Payouts from Fiscal Year 2020 PSU Awards

PSU awards granted to Mr. Beard and Ms. Wardell in August 2019 vested in August 2022. The PSU awards were split evenly between ROIC and FCF per share targets over the three-year performance period. The other NEOs did not receive PSUs for the August 2019 cycle.

For the August 2019 PSUs, the funded result for ROIC was 50.6% and for FCF per share was 90.9%. The tables below show the performance measures and targets established for the August 2019 PSUs, the performance achieved, and the resulting payout.

Goal		Performance Goals			Payout (as a % of Target)
		Threshold (50% Payout)	Target (100% Payout)	Maximum (150% Payout)	
ROIC	FY20-22 (3-year average)	8.7%	11.2%	13.7%	50.6%

## **COMPENSATION SETTING PROCESS**

### **Role of the Compensation Committee**

The Compensation Committee determines the appropriate level of compensation for the CEO and other NEOs. The Compensation Committee reviews and approves all components of annual compensation (base salary, annual cash incentive and long-term incentive) to ensure they align with the principles of Adtalem’s compensation program. In addition, the Compensation Committee meets periodically to review the design of the overall compensation program, approve performance targets and review management performance, and it assists in establishing CEO goals and objectives.

Each year, the Compensation Committee recommends CEO compensation to the independent members of the Board, taking into consideration the CEO’s performance evaluation and advice from the independent executive compensation consulting firm engaged by the Compensation Committee. In determining the CEO’s long-term incentive compensation, the Compensation Committee considers Adtalem’s absolute and relative performance, incentive awards to CEOs at comparable companies, past awards and the CEO’s expected future contributions, as well as other factors it deems appropriate.

The Compensation Committee approves base salary, annual cash incentive and long-term incentive compensation for Adtalem’s NEOs, except for the CEO whose compensation package is recommended by the Compensation Committee and approved by the independent members of the Board during executive session.

### **Role of the Executive Officers and Management**

The CEO, in consultation with the Senior Vice President, Chief Human Resources Officer, provides the Compensation Committee with compensation recommendations for the other NEOs, including recommendations for annual base salary increases, annual cash incentive awards, and long-term incentive awards. These recommendations are based on market-competitive compensation data and the CEO’s assessment of each NEO’s performance in the prior year. While these recommendations are given significant weight, the Compensation Committee retains full discretion when determining compensation.

The Compensation Committee reviews and approves, with any modifications it deems appropriate, base salary, annual cash incentive awards and long-term incentive awards for Adtalem’s NEOs.

### **Role of the Compensation Consultant**

The Compensation Committee retains ultimate responsibility for compensation-related decisions. To add objectivity to the review process and inform the Compensation Committee of market trends and practices, the Compensation Committee engages the services of an independent executive compensation advisory firm. For fiscal year 2022, the Compensation Committee engaged Meridian as its independent executive compensation consultant.

Meridian reviewed Adtalem’s executive compensation structure and incentive plan designs and assessed whether the executive compensation program is competitive and supports the Compensation Committee’s goal to align the interests of executive officers with those of shareholders, students and other stakeholders.

For fiscal year 2022, Meridian’s primary areas of assistance were:

- Gathering information related to current trends and practices in executive compensation, including peer group and broader market survey data;
- Reviewing, analyzing and providing recommendations for Adtalem’s list of peer group companies;
- Benchmarking competitive pay levels for NEOs and other executives;
- Reviewing information developed by management for the Compensation Committee and providing input on such information to the Compensation Committee;
- Attending and participating in all Compensation Committee meetings and most non-employee director executive sessions, as well as briefings with the Compensation Committee chair and management prior to meetings;
- Reviewing with management and the Compensation Committee the materials to be used in Adtalem’s Proxy Statement; and
- Benchmarking the non-employee director compensation program.

## Proposal No. 3 Say-on-pay: Advisory Vote to Approve the Compensation of Our Named Executive Officers (“NEOs”)

The Compensation Committee has the sole authority to approve the independent compensation consultant’s fees and terms of engagement. Thus, the Compensation Committee annually reviews its relationship with, and assesses the independence of, its independent consultant to ensure executive compensation consulting independence. The process includes a review of the services the independent consultant provides, the quality of those services, and fees associated with the services during the fiscal year. The Compensation Committee has assessed the independence of its independent consultants pursuant to applicable SEC rules and NYSE listing standards and has concluded that the independent consultants’ work for the Compensation Committee does not raise any conflict of interest.

### Executive Compensation Peer Group

To ensure Adtalem continues to provide total executive compensation that is fair and competitively positioned in the marketplace, the Compensation Committee reviews the pay level, mix and practices of peer group companies. The Compensation Committee does not target any specific percentile levels in establishing compensation levels and opportunities.

While including all large publicly-held, private sector higher education organizations, Adtalem’s peer group also includes a broader group of organizations in order to provide more comprehensive compensation data. Adtalem’s expanded peer group includes publicly-held organizations that provide services over an extended period of time. In consideration of Adtalem’s significant focus on healthcare education, which requires attracting and retaining seasoned healthcare professionals and executives, the peer group also includes healthcare services companies. Revenue of most of the peer group organizations is generally between one-half and two times Adtalem’s revenue.

The following peer group was used for fiscal year 2022:

2U Inc.	Chemed	K12
Amedisys	Cross Country Healthcare	Laureate Education
American Public Education	Ensign Group	MEDNAX, Inc.
AMN Healthcare	Graham Holdings Company	Perdoceo Education
Bright Horizons Family Solutions LLC	Grand Canyon Education, Inc.	Strategic Education
Brookdale Senior Living Inc.	Houghton Mifflin Harcourt	WW International
Chegg	John Wiley & Sons	

## ADDITIONAL EXECUTIVE COMPENSATION PRACTICES

### Deferred Compensation

Adtalem maintains the Nonqualified Deferred Compensation Plan that allows certain employees, including the NEOs, to defer up to 50% of salary and 100% of the MIP compensation until termination of service or certain other specified dates. Adtalem credits matching contributions to participants’ accounts to the extent they have elected to defer the maximum contributions under Adtalem’s Retirement Plan, which is a 401(k) plan, and their matching contributions are limited by the Internal Revenue Code of 1986, as amended (the “Code”) provisions.

The Nonqualified Deferred Compensation Plan enables the NEOs and other eligible employees with a certain level of annual compensation to save a portion of their income for retirement on a scale consistent with other employees not subject to IRS limits.

Adtalem has elected to fund its Nonqualified Deferred Compensation Plan obligations through a rabbi trust. The rabbi trust is subject to creditor claims in the event of an insolvency, but the assets held in the rabbi trust are not available for general corporate purpose. Participants have an unsecured contractual commitment by Adtalem to pay the amounts due under the Nonqualified Deferred Compensation Plan.

The value of deferred compensation amounts is quantified each year and this program is periodically reviewed for its competitiveness.

## **Other Benefits**

NEOs are eligible to participate in a number of broad-based benefit programs, which are the same ones offered to most employees at Adtalem, including health, disability and life insurance programs.

We do not offer a defined benefit pension plan, and, therefore, our Retirement Plan and the Nonqualified Deferred Compensation Plan are the only retirement savings vehicles for executives.

In general, we do not provide benefits or perquisites to our NEOs that are not available to other employees, with the exception of personal financial planning services.

Benefits and perquisites make up the smallest portion of each NEO’s total compensation package. The nature and quantity of perquisites provided by Adtalem did not change materially in fiscal year 2022 versus 2021, consistent with our philosophy that benefits and perquisites should not represent a meaningful component of our compensation program. The Compensation Committee periodically reviews the benefit and perquisite program to determine if adjustments are appropriate.

The “All Other Compensation” column of the 2022 Summary Compensation Table shows the amounts of benefit and perquisite compensation we provided for fiscal years 2020, 2021 and 2022 to each of the NEOs.

## **Employment Agreements**

Adtalem has entered into employment agreements with each NEO that provide for:

- Initial annual base salary, subject to annual increases (no decreases except in the case of an across-the-board reduction affecting all executives equally);
- Annual cash incentive opportunity under the MIP, targeted at a percentage of base salary;
- Eligibility to receive annual equity awards under Adtalem’s equity award plan(s)
- Reimbursement of expenses consistent with Adtalem’s policy in effect at the time; and
- Severance benefits that will be provided upon certain terminations of employment, as further described on page 71 under the caption “2022 Potential Payments Upon Termination or Change-in-Control.”

### **Employment Agreements**

Employment agreements provide NEOs with a guaranteed level of financial protection upon loss of employment. Adtalem believes that providing for such income continuity facilitates the hiring of qualified executives and results in greater management stability and lower unwanted management turnover.

The Compensation Committee believes that the employment agreements provide:

- Security and incentives that help retain and attract top executives;
- Greater ability for Adtalem to retain key executives following an extraordinary corporate transaction; and
- Benefits to Adtalem including non-competition and non-solicitation covenants by NEOs.

## Separation Agreements

### Change-in-Control

Adtalem provides benefits to its NEOs upon termination of employment from Adtalem in specific circumstances. These benefits are in addition to the benefits to which these NEOs would be generally entitled upon a termination of employment (e.g., vested retirement benefits accrued as of the date of termination, stock-based awards that are vested as of the date of termination and the right to elect continued health coverage pursuant to COBRA). In addition, as of November 8, 2017, when our shareholders approved the Fourth Amended and Restated Incentive Plan of 2013 (the “2013 Incentive Plan”), Adtalem’s equity compensation plans, and the award agreements used to implement them, provide for accelerated vesting of outstanding equity awards in the event of a change-in-control of Adtalem, only in the event (a) Adtalem (or its successor) ceases to be publicly traded, (b) the successor to Adtalem fails to assume outstanding awards or to issue new awards in replacement of outstanding awards, or (c) if the participant is terminated without cause or resigns for good reason within two years following the change-in-control.

See “2022 Potential Payments Upon Termination or Change-in-Control” beginning on page 71 for a detailed description of potential payments and benefits to the NEOs under Adtalem’s compensation plans and arrangements upon termination of employment or a change of control of Adtalem.

## OTHER EXECUTIVE COMPENSATION CONSIDERATIONS AND POLICIES

### Stock Ownership Guidelines

Stock ownership guidelines have been in place for our directors and executive officers since 2010 and are intended to align their interests with our shareholders by requiring them to maintain a significant ownership interest in the company. Each of our non-employee Board members are expected to maintain ownership of Adtalem Common Stock valued at or equal to five times their annual retainer.

For fiscal year 2022, required ownership levels for executive officers remained consistent with those put in place in fiscal year 2020 as described in the table below:

#### Linking Compensation to Stock Performance

Stock ownership guidelines tie the compensation of the NEOs to our stock performance, since the increase or decrease in our stock price impacts their personal holdings. Currently, all NEOs and directors who are no longer subject to a phase-in period have met the minimum ownership requirements.

Position	NEOs	Number of Shares Equivalent to:
Chief Executive Officer	Stephen W. Beard	5 times base salary
Executive Chairman	Lisa W. Wardell	5 times base salary
Chief Financial Officer	Robert J. Phelan	3 times base salary
All other executive officers	Douglas G. Beck, John W. Danaher and Maurice Herrera	1 ½ times base salary

Our directors and executive officers have five years following their election, date of appointment or promotion to an executive officer position, as the case may be to achieve their stock ownership level. Additionally, our executive officers and directors have until the later of five years from their appointment or adoption of the increased guidelines to achieve the new stock ownership levels.

Shares that count toward satisfaction of the guidelines include Adtalem’s Common Stock directly and/or beneficially owned, Adtalem’s Common Stock held in Adtalem’s Retirement Plan, Adtalem’s Common Stock held in Adtalem’s Nonqualified Deferred Compensation Plan, and the after-tax value of unvested RSUs and PSUs and/or vested in-the-money options, provided that these make up no more than 50% of the ownership expectation.

Our stock ownership guidelines are deemed to continue to be met by an individual who has achieved the required ownership level but then falls below solely due to a decline in Adtalem’s Common Stock price. Absent extenuating circumstances, executives who have not yet met the guidelines at the end of their five-year phase-in period are required to retain, until the guidelines are satisfied, 100% of the after-tax shares received from option exercises or the vesting of RSUs or PSUs.

## **Incentive Compensation Recoupment Policy**

Adtalem has adopted an incentive compensation recoupment policy that applies to all executive officers. The policy provides that, in addition to any other remedies available to Adtalem (but subject to applicable law), if the Board or any committee of the Board determines that it is appropriate, Adtalem may recover (in whole or in part) any incentive payment, commission, equity award or other incentive compensation received by an executive officer of Adtalem to the extent that such incentive payment, commission, equity award or other incentive compensation is or was paid on the basis of any financial results that are subsequently restated due to that executive officer’s conduct that is determined by the independent directors to have been knowingly or intentionally, fraudulent or illegal.

## **Deductibility of Compensation**

Adtalem analyzes the overall expense arising from aggregate executive compensation, as well as the accounting and tax treatment of such programs. Section 162(m) of the Code generally disallows a tax deduction to publicly traded companies for certain compensation in excess of \$1 million per year paid to “covered employees.” “Covered employees” include the Chief Executive Officer, the Chief Financial Officer and the three other most highly compensated officers. Once an executive officer qualifies as a covered employee, he or she will continue to be treated as a covered employee indefinitely, even after ceasing to serve as an executive officer or separating from Adtalem. Historically, the company’s compensation plans were structured so that compensation would be performance-based and deductible under Section 162(m) of the Code. However, The Tax Cuts and Jobs Act enacted on December 22, 2017 eliminated the performance-based compensation exemption from the Section 162(m) \$1 million per year dollar deduction limit, with an exception for certain “grandfathered agreements” in effect on November 2, 2017. The company intends to administer outstanding “grandfathered agreements” and plans to the extent compatible with business needs to preserve potential deductions.

The Compensation Committee views the tax deductibility of executive compensation as one factor to be considered in the context of its overall compensation philosophy. The Compensation Committee reviews each material element of compensation on a continuing basis and believes that shareholder interests are best served by not restricting the Compensation Committee’s discretion and flexibility in crafting compensation programs, even though such programs may result in certain non-deductible compensation expenses. Accordingly, the Compensation Committee has approved and may in the future approve compensation arrangements for executive officers that are not fully deductible.

## **Compensation Risk Analysis**

The Compensation Committee, with the assistance of Meridian as its consultant, conducted an annual assessment of our compensation program to ensure it does not encourage unnecessary or excessive risk taking that could have an adverse effect on Adtalem.

The risk assessment covered all compensation programs, including those in which our top executives and NEOs participate.

Through this process, Meridian and the Compensation Committee have concluded that Adtalem’s compensation programs do not encourage behaviors that could create material risk to the organization. More specifically, the Compensation Committee concluded that:

- Adtalem’s compensation programs are well-designed to encourage behaviors aligned with the long-term interests of shareholders.
- There is appropriate balance in the executive compensation program structure to mitigate compensation-related risk with fixed and variable pay, cash and equity, corporate and business unit goals, financial and non-financial goals, and formulas and discretion.
- The Compensation Committee has approved policies to mitigate compensation risk, including stock ownership guidelines, insider-trading prohibitions, hedging and pledging prohibitions, and clawbacks.
- Additionally, the Compensation Committee exercises an appropriate level of independent oversight into compensation decisions and related risk.

### **Prohibition on Hedging and Pledging**

Our insider trading policy prohibits employees and directors from engaging in any transaction that is designed to hedge or offset any decrease in the market value of equity securities issued by Adtalem. In addition, except as expressly approved by our general counsel, employees and directors may not hold Adtalem securities in a margin account or pledge Adtalem securities as collateral for a loan. None of our executive officers or directors have requested approval to hold Adtalem securities in a margin account or to pledge Adtalem securities.

<sup>(1)</sup> Payouts under the MIP were based on performance in fiscal year 2022. Therefore, the information in the “Threshold,” “Target” and “Maximum” columns reflect the range of potential payouts when the performance goals were set on November 10, 2021. The amounts actually paid under the MIP for fiscal year 2022 appear in the “Non-Equity Incentive Plan Compensation” column of the 2022 Summary Compensation Table.

<sup>(2)</sup> Pursuant to the MIP, performance below a performance goal threshold will result in no payment with respect to that performance goal. If a performance goal threshold is met, then the amount shown in this column represents the minimum incentive payment, 50% of the target.

<sup>(3)</sup> The amount shown in this column represents the target incentive payment under the MIP, which is calculated as a set percentage of base salary.

<sup>(4)</sup> Pursuant to the MIP, the amount shown in this column represents the maximum incentive payment, 200% of the target.

- (5) PSUs were granted under the 2013 Incentive Plan. The awards consist of 50% with a target based on ROIC over a period of three fiscal years and 50% with a target based on FCF per share over a period of three fiscal years. PSUs will pay out 0% for below threshold performance, and between 50% of target payout for threshold performance and 200% of target for achieving maximum performance or above. Straight-line interpolation will be used to determine achievement between threshold and target.
- (6) Stock option awards on August 25, 2021 and September 8, 2021 were issued as part of the annual incentive award under the 2013 Incentive Plan, which become exercisable at 25% per year for four years beginning on the first anniversary of the date of grant and have a maximum term of ten years.
- (7) All options granted on August 25, 2021 and September 8, 2021 have an exercise price equal to the closing sales price of the Common Stock on the date of grant.
- (8) This column shows the grant date fair value of stock options and RSUs granted on August 25, 2021 and PSUs (assuming payout at target value) granted on November 10, 2021 in fiscal year 2022, computed in accordance with FASB ASC Topic 718, which was \$14.51 for stock options, \$36.46 for RSUs, and \$33.84 for PSUs. The grant date fair value of Mr. Beard's stock options and RSUs granted on September 8, 2021 was \$15.04 for stock options and \$37.79 for RSUs. Also see Note 17: Stock-Based Compensation to our audited financial statements in Adtalem's Annual Report on Form 10-K for the year ended June 30, 2022 for an explanation of the assumptions made by Adtalem in the valuation of stock option awards.
- (9) These RSUs were granted in connection with Mr. Phelan's appointment as Chief Financial Officer.
- (10) These RSUs were granted in connection with Dr. Danaher's onboarding package when joining Adtalem to replace awards he forfeited when he resigned from his former employer.
- (11) These RSUs were granted in connection with Mr. Herrera's onboarding package when joining Adtalem to replace awards he forfeited when he resigned from his former employer.
- (12) These PSUs were granted in connection with Mr. Beard's appointment as President and Chief Executive Officer. They were issued at a set grant value of \$2,500,000 to be settled in shares based on the stock price on the future vesting date. See "Chief Executive Officer's Fiscal 2022 Long-Term Incentive Award" on Page 56 for additional information on this award.

## **NONQUALIFIED DEFERRED COMPENSATION PLAN**

The Nonqualified Deferred Compensation Plan covers directors and selected key employees approved for participation by the Compensation Committee. All of the NEOs are eligible to participate in the Nonqualified Deferred Compensation Plan. Under the Nonqualified Deferred Compensation Plan as it applies to employees, participants may make an advance election to defer up to 50% of salary and up to 100% of MIP compensation until termination of service with Adtalem or certain other specified dates. Adtalem credits matching contributions to participants' accounts under the Nonqualified Deferred Compensation Plan to the extent they have elected to defer the maximum amount under Adtalem's Retirement Plan, and their matching contributions to the Retirement Plan are limited by applicable Code provisions. Adtalem may also credit participants' accounts with discretionary contributions. Participants are fully vested in their own deferral and matching contributions, plus earnings, and will vest in discretionary contributions, if any, as determined by the Compensation Committee. Participants may elect to have their Nonqualified Deferred Compensation Plan accounts credited with earnings based on various investment choices made available by the Compensation Committee for this purpose. Participants may elect to have account balances paid in a lump sum or in installments. Distributions are generally made or commence in January of the year following termination of employment (but not earlier than six months after termination) or January of the year in which the specified payment date occurs. In the event of death before benefits commence, participants' accounts will be paid to their beneficiaries in a lump sum.

## **2022 POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL**

Adtalem provides benefits to the NEOs upon termination of employment from Adtalem in specific circumstances. These benefits are in addition to the benefits to which these NEOs would be generally entitled upon a termination of employment (i.e., vested retirement benefits accrued as of the date of termination, stock-based awards that are vested as of the date of termination and the right to elect continued health coverage pursuant to COBRA). In addition, Adtalem's equity compensation plans and the stock award agreements used to implement them provide for accelerated vesting of outstanding stock awards in the event of a change-in-control of Adtalem, only in the event (a) Adtalem (or its successor) ceases to be publicly traded, (b) the successor to Adtalem fails to assume outstanding awards or to issue new awards in replacement of outstanding awards, or (c) if the participant is terminated without cause or resigns for good reason within two years following the change-in-control.

## Employment Agreements

---

### MR. BEARD

Adtalem entered into an employment agreement with Mr. Beard effective as of his September 8, 2021 appointment as President and Chief Executive Officer. The employment agreement provides, among other things, that if his employment is terminated by Adtalem without “cause” or by Mr. Beard with “good reason,” and if he executes a release of claims, he will be entitled to a lump sum payment equal to 12 months of base salary and a prorated MIP award based on actual performance for the fiscal year and paid in a lump sum at the same time MIP awards are paid to other employees.

If such termination of employment occurs within 12 months of a “change-in-control,” and he executes a release of claims, he will be entitled to (i) a lump sum payment equal to two times base salary and the average of the MIP award paid to him for the prior two fiscal years; and (ii) accelerated vesting of all outstanding stock options.

### OTHER NEOs

During 2022, Adtalem was party to similar employment arrangements with each of the other NEOs: Mr. Phelan, Mr. Beck, Dr. Danaher, Mr. Herrera, and Ms. Wardell. Ms. Wardell’s employment agreement expired pursuant to its terms on September 7, 2022. These employment agreements provide, among other things, that if the NEO’s employment with Adtalem is terminated by Adtalem without “cause” or by the NEO with “good reason”, and the NEO executes a release of claims, then the NEO will be entitled to the following benefits:

- One times the sum of their base salary plus target MIP award, payable in 12 equal monthly payments for Mr. Phelan and Dr. Danaher; one and one-half times the sum of their base salary plus target MIP award, payable in 18 equal monthly payments for Mr. Beck and Mr. Herrera; and the sum of her base salary for the remainder of the employment period payable in one lump sum for Ms. Wardell;
- A pro-rated MIP award (if employed for at least six months in the fiscal year during which termination occurs) based on actual performance for the relevant fiscal year, paid in a lump sum at the time MIP awards are paid to other employees;
- 12 months of continued health benefit plan coverage for Mr. Phelan, Dr. Danaher, and Mr. Herrera; 18 months for Mr. Beck; and through the remainder of the employment period for Ms. Wardell, at active employee rates following the termination date; and
- Access to a senior executive level outplacement program for 6 months for Mr. Phelan, Dr. Danaher, and Mr. Herrera and 9 months for Mr. Beck.

In addition, the employment arrangements provide that if such termination occurs within 12 months of a “change-in-control”, and the NEO executes a release of claims, then the NEO will be entitled to the following benefits:

- One and one-half times the sum of their base salary plus target MIP award, payable in 18 equal monthly payments for Mr. Phelan, Dr. Danaher, and Mr. Herrera; two times the sum of his base salary plus target MIP award, payable in 24 equal monthly payments for Mr. Beck; and two times the sum of her base salary for the remainder of the employment period payable in one lump sum for Ms. Wardell;
- A pro-rated MIP award (if employed for at least six months in the fiscal year during which termination occurs) based on actual performance for the relevant fiscal year, paid in a lump sum at the time MIP awards are paid to other employees; and for Ms. Wardell the average of her MIP awards for the previous two fiscal years;
- 18 months of continued health benefit plan coverage for Mr. Phelan, Dr. Danaher, and Mr. Herrera and 24 months for Mr. Beck at active employee rates following the termination date; and
- Access to a senior executive level outplacement program for 9 months for Mr. Phelan, Dr. Danaher, and Mr. Herrera and 12 months for Mr. Beck.

For purposes of all employment agreements:

- “cause” means (i) the commission of a felony or other crime involving moral turpitude or the commission of any other act or omission involving misappropriation, dishonesty, fraud, illegal drug use or breach of fiduciary duty, (ii) willful failure to perform duties as reasonably directed by the CEO, (iii) the NEO’s gross negligence or willful misconduct with respect to the performance of the NEO’s duties under the employment agreement, (iv) obtaining any personal profit not fully disclosed to and approved by Adtalem’s Board in connection with

any transaction entered into by, or on behalf of, Adtalem, or (v) any other material breach of the employment agreement or any other agreement between the NEO and Adtalem;

- “change-in-control” shall have the meaning set forth in the 2013 Incentive Plan; and
- “good reason” means, without the NEO’s consent, (i) material diminution in title, duties, responsibilities or authority, (ii) reduction of base salary, MIP target or employee benefits except for across-the-board changes for executives at the NEO’s level, (iii) exclusion from executive benefit/compensation plans, (iv) material breach of the employment agreement that Adtalem has not cured within 30 days after the NEO has provided Adtalem notice of the material breach which shall be given within 60 days of the NEO’s knowledge of the occurrence of the material breach, or (v) resignation in compliance with securities, corporate governance or other applicable law (such as the US Sarbanes-Oxley Act) as specifically applicable to the NEO. For Mr. Beard, the definition of “good reason” also includes, without the NEO’s consent, requiring the NEO to relocate to an employment location more than 50 miles from the NEO’s current employment location.

## EQUITY AWARD PLANS

The equity award agreements under which options, RSUs and PSUs are held by employees, including the NEOs, provide for the immediate vesting of unvested options and RSUs and of PSUs at the target levels in the event of a change-in-control of Adtalem, only in the event (a) Adtalem (or its successor) ceases to be publicly traded, (b) the successor to Adtalem fails to assume outstanding awards or to issue new awards in replacement of outstanding awards, or (c) if the participant is terminated without cause or resigns for good reason within two years following the change-in-control.

The provisions of the equity award agreements under which options, RSUs, and PSUs were granted to employees, including the NEOs, provide the following:

- If the participant’s employment is terminated due to death or disability (as defined in the agreement), options will become fully vested and exercisable for the remaining term of the option, RSUs will fully vest, and PSUs will continue to vest in accordance with their terms.
- If the participant’s employment terminates due to mutual agreement, the participant will be credited with one additional year of service for the purpose of determining vesting of options, RSUs, and PSUs. The participant’s options will remain exercisable until the earlier of one year from termination or the expiration of the term of the option. PSUs that vest following a termination will be paid out when paid out to other PSU recipients.
- If the participant’s employment terminates due to retirement, options will continue to vest and be exercisable, and RSUs and PSUs will continue to vest in accordance with their respective terms. Retirement means the participant’s termination without cause after age 55 when the sum of his or her age and full years of service equals or exceeds 65.

In August 2017, the Board adopted double-trigger vesting of equity awards as part of the 2013 Incentive Plan. In November 2017, Adtalem’s shareholders approved the Fourth Amended 2013 Incentive Plan. As a result, vesting of equity awards granted since November 2017 (the “Awards”) will accelerate upon a change-in-control only in the event Adtalem (or its successor) ceases to be publicly traded, or the successor to Adtalem fails to assume outstanding Awards or to issue new awards in replacement of outstanding Awards. Under the new double-trigger vesting rules, newly issued Awards will vest if a participant is terminated without cause or resigns for good reason within two years following a change-in-control. All Awards issued prior to shareholder approval in November 2017 will continue to have a single-trigger vesting rules as described above.

## 2022 Potential Severance Payments

The tables set forth below quantify the additional benefits as described above that would be paid to each NEO under the following termination of employment or change-in-control events, had such an event occurred on June 30, 2022.

## CEO PAY RATIO

Pursuant to Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(u) of Regulation S-K, we are required to disclose the median of the annual total compensation of all our employees (except our CEO) and the ratio of the annual total compensation of our President and CEO as disclosed in the 2022 Summary Compensation Table, to the annual total compensation of our median employee.

Both Ms. Wardell and Mr. Beard served as our CEO during the fiscal year ended June 30, 2022. In accordance with Instruction 10 to Item 402(u) of Regulation S-K, we have elected to annualize Mr. Beard's total compensation for 2022 for purposes of this pay ratio disclosure as Mr. Beard was serving as our CEO on June 26, 2022, the date we used to identify our median employee. For the CEO pay ratio calculation, we calculated Mr. Beard's total compensation according to the same methodology used to calculate total compensation for our CEO in the Summary Compensation Table and annualized certain elements of his compensation, as appropriate.

For fiscal year 2022, we identified the median employee by comparing the annual salary rate of pay for all individuals, excluding our CEO, who were employed by Adtalem on June 26, 2022 using information from our company payroll system. We included all full-time and part-time employees, including adjunct faculty and federal work-study student workers, but did not include independent contractors, leased workers, and employees acquired through the acquisition of Walden University which closed in fiscal year 2022. Compensation was annualized for all employees who were hired by us in fiscal year 2022 but did not work for us for the entire year. No annualization was applied to any adjunct faculty as permitted under the rules. Fiscal year 2022 annual total compensation for the median employee was calculated in the same manner as reflected in the 2022 Summary Compensation Table for our CEO.

Based on the methodology described above, we have determined that fiscal year 2022 annual total compensation of our median employee was \$42,016. The annual total compensation of our CEO for fiscal year 2022 was \$7,402,353. The ratio of our CEO's fiscal year 2022 annual total compensation to the fiscal year 2022 annual total compensation of our median employee is 176:1.

This CEO pay ratio is a reasonable estimate calculated in a manner consistent with SEC rules. The CEO pay ratio reported by other companies may not be comparable to our CEO pay ratio reported above, because SEC rules for identifying the median employee and calculating the pay ratio allow companies to use different methodologies, apply certain exclusions and make reasonable estimates and assumptions that reflect their compensation practices.

---

We believe our executive compensation program achieves our compensation principles, properly aligns the interests of our NEOS and our shareholders and is deserving of shareholder support. For these reasons, the Board recommends that the shareholders vote in favor of the following resolution:

"RESOLVED, that the compensation paid to the Adtalem Global Education Inc. named executive officers, as disclosed in the Company's Proxy Statement for the 2022 Annual Meeting of Shareholders pursuant to the rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, compensation tables and any other related disclosures is hereby APPROVED."

The vote is advisory and not binding on the Company, the Board, or the Compensation Committee of the Board. However, the Compensation Committee of the Board expects to take into account the outcome of the vote as it considers our executive compensation program.

The Board of Directors recommends a vote **FOR** the compensation of our named executive officers.

### Ownership of Shares

---

You may own shares of Common Stock in one or more of the following ways:

- Directly in your name as the shareholder of record, including shares purchased through our Colleague Stock Purchase Plan or RSU awards issued to employees under our long-term incentive plans.
- Indirectly through a broker, bank or other intermediary in “street name.”
- Indirectly through the Adtalem Stock Fund of our Retirement Plan.

Your shares are registered directly in your name, you are the holder of record of these shares and we are sending proxy materials directly to you. As the holder of record, you have the right to give your proxy directly to our tabulating agent. If you hold your shares in street name, your broker, bank, or other intermediary is sending proxy materials to you and you may direct them how to vote on your behalf by completing the voting instruction form that accompanies your proxy materials.

### Revocation of Proxies

---

You can revoke your proxy at any time before your shares are voted at the Annual Meeting if you:

- Submit a written revocation to our General Counsel and Corporate Secretary,
- Submit a later-dated proxy or voting instruction form,
- Provide subsequent telephone or Internet voting instructions, or

If you sign and return your proxy card or voting instruction form without any voting instructions with respect to a matter, your shares will be voted by the proxy committee appointed by the Board (and each of them, with full powers of substitution) in accordance with the Board’s recommendation. With respect to any other matters properly presented at the Annual Meeting, the proxy committee appointed by the Board (and each of them, with full powers of substitution) will vote in accordance with the Board’s recommendation, or if no recommendation is given, in their own discretion.

## VOTING INFORMATION

### Effect of Not Casting Your Vote

---

If you hold your shares in street name, you will receive a voting instruction form that lets you instruct your bank, broker, or other nominee how to vote your shares. Under NYSE rules, brokers are permitted to exercise discretionary voting authority on “routine” matters when voting instructions are not received from a beneficial owner ten days prior to the shareholder meeting. The only “routine” matter on this year’s Annual Meeting agenda is Proposal No. 2 (Ratify selection of PwC as independent registered public accounting firm).

If you hold your shares in street name, and you wish to have your shares voted on all matters in this Proxy Statement, please complete and return your voting instruction form. If you do not return your voting instruction form, your shares will not be voted on any matters with the exception that your broker may vote in its discretion on Proposal No. 2. If you are a shareholder of record and you do not cast your vote, your shares will not be voted on any of the proposals at the Annual Meeting, which will have no effect on the outcome.

If you are the holder of record of your shares, if you return your proxy to us by any of these means outlined above under the heading “Voting Instructions” without choices for each proposal, the proxy committee appointed by the Board will vote your shares on the unmarked proposals in the same proportion as shares for which instructions have been received. Abstentions, directions to withhold authority and broker non-votes (where a named entity holds shares for a beneficial owner who has not provided voting instructions) will be considered present at the Annual Meeting for purposes of a quorum.

## Quorum and Required Vote

We will have a quorum and will be able to conduct the business of the Annual Meeting if the holders of a majority of the votes that shareholders are entitled to cast are present at the Annual Meeting, either virtually or by proxy. For the 2022 Annual Meeting, to elect directors and adopt the other proposals, the following votes are required under our governing documents and Delaware corporate law:

PROPOSAL	VOTE REQUIRED	EFFECT OF ABSTENTION	EFFECT OF BROKER NON-VOTE*
<b>1 Election of directors</b>	Approval of the majority of shares represented at the Annual Meeting	Treated as vote against	No effect on the outcome
<b>2 Ratify selection of PwC as independent registered public accounting firm*</b>	Approval of the majority of shares represented at the Annual Meeting	Treated as vote against	No effect on the outcome
<b>3 Advisory vote to approve the compensation of our named executive officers**</b>	Approval of the majority of shares represented at the Annual Meeting	Treated as vote against	No effect on the outcome

\* A broker non-vote occurs when a broker submits a proxy but does not vote for an item because it is not a “routine” item and the broker has not received voting instructions from the beneficial owner. As described under “Effect of Not Casting Your Vote” above, your broker may vote in its discretion only on Proposal No. 2, ratify selection of PwC as independent registered public accounting firm. Because brokers are entitled to vote on Proposal No. 2 without voting instructions from the beneficial owner, there will be no broker non-votes on this proposal.

\*\* Advisory/Non-binding. In accordance with Adtalem’s Restated Certificate of Incorporation, a majority of the shares represented at the Annual Meeting must be voted “FOR.” Notwithstanding the foregoing, Adtalem will take into account the weight of investor support for the compensation for its NEOs based on the percentage of shares that are present at the meeting or represented by proxy at the meeting and entitled to vote on the proposal that have voted “FOR” the proposal. In evaluating the weight of investor support for the compensation of Adtalem’s NEOs, abstentions will be counted as shares present at the meeting and will have the effect of a vote against the proposal. Broker non-votes will not be counted as shares entitled to vote on the matter and will have no impact on the vote’s outcome.

## PROXY SOLICITATION

Officers and other employees of Adtalem may solicit proxies by mail, personal interview, telephone, facsimile, electronic means, or via the Internet without additional compensation. None of these individuals will receive special compensation for soliciting votes, which will be performed in addition to their regular duties, and some of them may not necessarily solicit proxies. Adtalem also has made arrangements with brokerage firms, banks, record holders, and other fiduciaries to forward proxy solicitation materials to the beneficial owners of shares they hold on your behalf. Adtalem will reimburse these intermediaries for reasonable out-of-pocket expenses. We have hired Innisfree M&A Incorporated to help us distribute and solicit proxies. Adtalem will pay Innisfree \$20,000 plus expenses for these services. Adtalem will pay the cost of all proxy solicitation.

## SHAREHOLDER PROPOSALS FOR 2023 ANNUAL MEETING

Shareholder proposals intended to be presented at the 2023 Annual Meeting of Shareholders in reliance on Rule 14a-8 under the Exchange Act must be received by Adtalem no later than June 16, 2023, to be eligible for inclusion in the proxy statement and form of proxy for the meeting. Any such proposal also must meet the other requirements of the rules of the SEC relating to shareholder proposals. Also, under Adtalem’s By-Laws, other proposals and director nominations by shareholders that are not included in the proxy statement will be considered

## Additional Information

timely and may be eligible for presentation at that meeting only if they are received by Adtalem in the form of a written notice, directed to the attention of Adtalem's General Counsel and Corporate Secretary, not later than August 11, 2023. The notice must contain the information required by the By-Laws.

## AVAILABILITY OF FORM 10-K

A copy of Adtalem's 2022 Annual Report on Form 10-K (including the financial statements and financial statement schedules), as filed with the SEC, may be obtained without charge upon written request to the attention of Adtalem's General Counsel and Corporate Secretary at Adtalem Global Education Inc., 500 West Monroe Street, Suite 1300, Chicago, IL 60661. A copy of Adtalem's Form 10-K and other periodic filings also may be obtained on Adtalem's investor relations website at [investors.adtalem.com/financials/sec-filing](https://investors.adtalem.com/financials/sec-filing) and from the SEC's EDGAR database at [www.sec.gov](https://www.sec.gov).

## HOUSEHOLDING

Adtalem delivers only one Notice of Annual Meeting and Proxy Statement and the 2022 Annual Report to multiple shareholders sharing the same address unless it has received different instructions from one or more of them. This method of delivery is known as "householding." Householding reduces the number of mailings you receive, saves on printing and postage costs and helps the environment. Adtalem will, upon written or oral request, promptly deliver a separate copy of the Notice of Annual Meeting and Proxy Statement and 2022 Annual Report to a shareholder at a shared address. If you would like to change your householding election, request that a single copy of this or future proxy materials be sent to your address, or request a separate copy of this or future proxy materials, you should submit this request by writing Broadridge Householding Department, 51 Mercedes Way, Edgewood, New York 11717 or calling 1-866-540-7095.

## DELINQUENT SECTION 16(a) REPORTS

Under U.S. securities laws, directors, certain officers and persons holding more than 10% of our common stock must report their initial ownership of our common stock and any changes in their ownership to the SEC. The SEC has designated specific due dates for these reports and we must identify in this Proxy Statement those persons who did not file these reports when due. Based solely on our review of copies of the reports filed with the SEC and the written representations of our directors and executive officers, we believe that all reporting requirements for fiscal year 2022 were complied with by each person who at any time during the 2022 fiscal year was a director or an executive officer or held more than 10% of our common stock except for the following: Due to the late receipt of a report, Mr. Logan inadvertently filed a Form 4 five days late on July 12, 2021 to report the withdrawal of the cash value of phantom shares held under the Company's deferred compensation plan.

## OTHER BUSINESS

The Board is aware of no other matter that will be presented for action at this Annual Meeting. If any other matter requiring a vote of the shareholders properly comes before the Annual Meeting, the proxy committee will vote and act according to their best judgment.

By Order of the Board of Directors

**Douglas G. Beck**

Senior Vice President, General Counsel and Corporate Secretary

# Appendix A – Summary of Special Items Excluded for Performance Assessment

The Compensation Committee has the discretion to adjust the financial inputs used in calculating the target award percentages for the MIP and long-term incentive plans. The Compensation Committee evaluates potential adjustments using the following framework:

1. Align treatment with shareholders' view of results;
2. Encourage management to make the best long-term decisions for Adtalem's stakeholders; and
3. Remain generally consistent with past practice.

ROIC, which is used as a performance threshold for PSUs granted in fiscal years 2020, 2021 and 2022 and is expressed as a percentage, is calculated as Adjusted Net Income divided by the average of the beginning and ending balances of the summation of Long-term Debt and Shareholders' Equity.

## RECONCILIATION OF FISCAL YEAR 2022 ADJUSTED NET INCOME AND ADJUSTED EARNINGS PER SHARE FOR PERFORMANCE ASSESSMENTS TO REPORTED NET INCOME AND EARNINGS PER SHARE

For fiscal year 2022, Adtalem's calculation of Adjusted Net Income, which is a performance metric factoring in ROIC and Adjusted Earnings per Share, which is a performance metric factoring in the determination of MIP payouts, were adjusted from reported Net Income and Earnings per Share for the following special items:
