Response dated October 11, 2022
File No. 001-32886

Dear William B. Berry:

We have reviewed your October 11, 2022 response to our comment letter and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing your response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our September 13, 2022 letter.

1. We note your response to prior comment 3 states that if new lower-emissions products are developed that are competitive with crude oil or natural gas, those products may reduce overall demand for crude oil and natural gas. Please tell us how you considered providing disclosure that more directly addresses this risk.
