Form 10-K
Filed October 13, 2011
File No. 000-01937

Dear Mr. Harvey:

We have reviewed your response letter dated March 20, 2012 and have the following additional comment. In our comment, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your filing and the information you provide in response to these comments, we may have additional comments.

Form 10-K for the year ended June 30, 2011

Financial Statements

10. Income Taxes

1. We have considered your response to our prior comment 1. Explain to us, in detail, whether claiming previously unclaimed research and development credits resulted in a permanent or temporary difference between book and tax income. To the extent a permanent difference exists, tell us how you determined claiming these credits would result in the creation of a deferred tax asset. Additionally, confirm for us that the tax position taken in your amended filings is more likely than not to be sustained upon examination. Reference is made to ASC Topic 740-10-25-6. Finally, as requested in our previous comments, tell us the balance of the deferred tax asset for each quarterly period subsequent to June 30, 2011 or explain to us why that information is not available.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

You may contact Robert Telewicz Staff Accountant at (202)551-3438 or the undersigned at (202)551-3629 if you have questions.

Sincerely,

/s/ Kevin Woody
