Item 8A. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

1. We note that the company performed an evaluation of the effectiveness of the design and operations of your disclosure controls and procedures within 90 days prior to your filing the Form 10-KSB. Pursuant to Item 307 of Regulation S-B as amended by Release No. 33-8238: Management's Reports on Internal Control over Financial Reporting and Certification of Disclosure in Exchange Act Periodic Reports, effective August 14, 2003, such evaluation should be performed as of the end of the period covered by the report. Tell us how you complied with such requirements or revise your future filings as appropriate.

Certifications

2. We note that the identification of the certifying individual at the beginning of the certification required by Exchange Act Rule 13a-14(a) also includes the title of the certifying individual. Considering that the certifications must be signed in a personal capacity, please confirm to us that your officers signed such certifications in a personal capacity and that you will revise your certifications in future filings to exclude the title of the certifying individual from the opening sentence.

As appropriate, please respond to these comments within 10 business days or tell us when you will provide us with a response. Please submit a response letter on EDGAR that keys your responses to our comments and provides any requested information. Detailed response letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosures in the filings reviewed by the staff to be certain that they have provided all information investors require for an informed decision. Since the company and its management are in possession of all facts relating to a company's disclosures, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a
