REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member and the Board of Directors of TCW Funds Distributors LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of TCW Funds Distributors LLC (the "Company") as of December 31, 2023, and the related statements of operations, changes in member's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud.

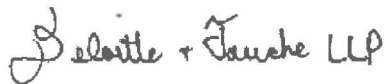

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Emphasis of Matter

As discussed in Note 1, the Company derives most of its revenues from several affiliates. Additionally, as described in Note 5, the Company entered into an expense-sharing agreement with an affiliate whereby certain expenses are incurred by the Parent on behalf of the Company. Therefore, if the Company were a stand-alone entity, the financial statements presented could be materially different.

Report on Supplemental Schedules

The accompanying supplemental schedules h, j, and m (collectively “the supplemental schedules”) have been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental schedules are the responsibility of the Company's management. Our audit procedures included determining whether the supplemental schedules reconcile to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental schedules. In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in compliance with Rule 17a-5 under the Securities Exchange Act of 1934. In our opinion, such schedules are fairly stated, in all material respects, in relation to the financial statements as a whole.

The image shows a handwritten signature in dark ink. The signature is written in a cursive, flowing style. It begins with a large, stylized 'D' that loops around the word 'Deloitte'. This is followed by a plus sign and the word 'Touche' in a similar cursive script. The signature concludes with the letters 'LLP' in a slightly more upright, but still cursive, font.

TCW FUNDS DISTRIBUTORS LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1 – ORGANIZATION

TCW Funds Distributors LLC (the “Company” or “TFD”) is a registered broker/dealer and a member of the Financial Industry Regulatory Authority (“FINRA”). The Company serves as national distributor of capital shares of a family of funds for which an affiliate serves as the investment adviser. In addition, the Company acts as a placement agent for private placement limited partnerships that are managed by an affiliate of the Company.

The Company is a single-member limited liability company (“single-member LLC”), a wholly owned subsidiary of TCW Group, Inc. (the “Parent”) and is a second-tier subsidiary of Clipper Holding L.P. (“Holding”).

The Company derives most of its revenues from several affiliates. The Company has an expense-sharing agreement (as described further in Note 5) with TCW LLC, (“TCW”) an affiliate of the Company, under which certain expenses are incurred by the Parent on behalf of the Company. Additionally, the Company has a letter of support from the Parent that the Parent will be willing and able to provide capital contributions when needed to ensure the Company’s ability to continue as a going concern. Therefore, if the Company were a stand-alone entity, the financial statements presented could be materially different.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation – The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”).

Reportable Segment – Management has determined that the Company operates in one segment, based on the similarities in economic characteristics between its operations, the common nature of its services and the regulatory environment under which it operates.

Cash and Cash Equivalents – The Company considers all investments that have original maturities of three months or less to be cash equivalents. At December 31, 2023, cash and cash equivalents consist of approximately \$15,477 in demand deposits with a bank and \$2,379,303 in a money market mutual fund (FGEXX).

Distribution Fees – The Company serves as the nonexclusive distributor of each class of the TCW Funds, Inc., (the “TCW Funds”) and the Metropolitan West Funds (the “MetWest Funds” and together with the TCW Funds, the “Funds”) family of funds’ shares. The Funds have a distribution plan (the “Plans”) pursuant to Rule 12b-1 under the 1940 Act with respect to the N and M Class shares of each TCW Fund and MetWest Fund, respectively. Under the terms of the Plans, the Company receives distribution fees from the TCW Funds of 0.25% of TCW Funds’ net assets for N Class and 0.16% to 0.21% of the MetWest Funds’ net assets for M Class. In general, these fees are received from the Funds within 10 business days after month-end. The Company expects to use all of these fees to compensate and reimburse the investment advisors - TCW Investment Management Company LLC (“TIMCO”) for the TCW Funds and TCW Asset Management Company LLC (“TAMCO” and together with TIMCO, the “Advisor”) for the MetWest Funds. The Advisor in turn pays the brokers, financial advisers, retirement plan service providers, and other financial intermediaries for providing administrative services to their customers. At December 31, 2023 the Company had \$639,746 of distribution fees payable to the Advisor and \$639,746 of distribution fees receivable from the Funds on the Statement of Financial Condition. For the year ended December 31, 2023, the Company earned distribution fees of \$22,702,482 from the Funds and expensed and recorded distribution fees of \$22,702,482 to the Advisor.

NOTES TO FINANCIAL STATEMENTS (continued)
FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (continued)

Commission Fees – The Company earns commissions revenue from TCW for serving as a broker-dealer of its affiliates' mutual funds and other affiliated investment funds. The Company remits commissions back to TCW, which acts as the disbursing agent for the commission payments, to pay its registered representatives. Commission fees and related expenses are recognized on a trade date basis. During the year ended December 31, 2023, the Company earned commissions of \$4,814,384 from TCW and expensed commissions \$4,814,384 to TCW. The Company accounts for commission receivables and liabilities to TCW in accordance with the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 210-20, *Offsetting*, where presentation on a net basis is permitted when a setoff right exists. As of December 31, 2023 the amount of commissions due to/from TCW was \$280,426 presented on the Statement of Financial Condition on a net basis.

Non-12b-1 fees – The Company has contracted with various third party intermediaries for certain non-distribution related services ("Non-12b-1 fees") for recordkeeping, administrative and other miscellaneous services. The Company engages these third party intermediaries to assist the Advisor to the Funds and recorded Non-12b-1 fee revenue of \$51,652,650 during the year ended December 31, 2023 for these services. The Company also utilizes the Advisor as the paying agent for all non-distribution related services and recognized an expense of \$51,652,650 during the year ended December 31, 2023 representing the Company's obligation to third party intermediaries for such non-distribution related services. The corresponding receivable for the Non-12b-1 fees and payable for the Non-12b-1 fees are due from and due to Advisor, respectively, and presented on a net basis on the Statement of Financial Condition. As of December 31, 2023, the amount of Non-12b-1 fees due to/from Advisor was \$8,573,053.

Income Taxes – The results of the Company's operations are included in the consolidated tax return of Clipper Intermediate Corp. (a wholly-owned subsidiary of Holding). As a single-member LLC, the Company is a disregarded entity under U.S. Federal tax laws and accordingly, no tax recognition is reflected in the Company's financial statements.

Use of Estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and such difference could be material. Significant estimates made by management relate primarily to accrued income and accrued expenses.

Fair Value of Financial Instruments – The Company's financial instruments, primarily including cash and cash equivalents, distribution fee receivables, and distribution fees payable, are recorded at their cost or contract amount, which is considered by management to approximate their fair value, as they are short-term in nature or are subject to frequent repricing.

Revenue Recognition – The Company recognizes revenue in accordance with ASC 606, *Revenue from Contracts with Customers* ("ASC 606"), which requires the amount of revenue recognized by an entity to correlate with the satisfaction of performance obligations to the customer as well as the amount of consideration that the entity expects to be entitled to in exchange for goods and services provided. An entity is required to (a) identify the contract(s) with the customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract and (e) recognize revenue when, or as the entity satisfies a performance obligation. In determining the transaction price, an entity is also required to ascertain whether constraints

on variable consideration should be applied due to uncertain future events. In accordance with ASC 606, the Company's revenue streams, performance obligations and associated timing of revenue recognition are as follows:

Revenue Stream	Performance Obligation⁽¹⁾	Revenue Recognition
Distribution fees	To serve as the nonexclusive distributor of the Funds' shares	Recognized over time; however, because such fees are based on month- or quarter-end average market values, such fees are constrained until the end of the month when the actual average market values of the Funds are known and the related revenues are no longer subject to significant reversal.
Commission fees	To serve as broker-dealer of the Funds by marketing and selling the Funds' shares	Point in time based on the Fund's recognition of management fees or AUM.
Non-12b-1 fees	To provide certain non-distribution related services for recordkeeping, administrative and other miscellaneous services.	Recognized over time; however, because such fees are based on month- or quarter-end market values, such fees are constrained until the end of the month when the actual market values of the Funds are known and the related revenues are no longer subject to significant reversal.

⁽¹⁾Each represent a single performance obligation associated with the relevant revenue stream. The Company applies a time-elapsed output method for performance obligations satisfied over time since the services are provided evenly throughout the period.

In assessing its revenue arrangements, the Company also applies the control principal and considers indicators of control as prescribed in ASC 606 to determine whether it is the principal or agent in each revenue arrangement. Revenues and expenses from arrangements whereby the Company is the principal are reported at gross in the Company's Statement of Operations.

Recent Accounting Pronouncements – In November 2023, FASB issued Accounting Standards Update No. 2023-07, *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures*. The amendments in this update improve reportable segment disclosure requirements, including single reportable segments. The amendments are effective for fiscal years beginning after December 15, 2023, with early adoption permitted. Management is currently evaluating the impact of this guidance on the Company's financial statements.

NOTE 3 – FINANCIAL INSTRUMENTS

The Company's financial assets measured and reported at fair value are classified and disclosed in one of the following categories:

- Level 1 – Quoted prices are available in active markets for identical investments as of the reporting date. Investments included in this category are money market funds, listed equities, and equity index funds. The Company does not adjust the quoted price of these investments, even in situations where it holds a large position and a sale could reasonably be expected to affect the quoted price.
- Level 2 – Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies. Investments generally included in this category are convertible bonds.
- Level 3 – Pricing inputs are unobservable for the investment and include situations where there is little, if any, market activity for the investment. The inputs used in the determination of fair value require significant management judgment or estimation.

The following table summarizes the carrying values, fair values and fair value hierarchy level classification of financial instruments as of December 31, 2023:

ASSETS	Carrying Value	Level 1	Level 2	Level 3	Fair Value

FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 4 – REGULATORY REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's ("SEC") Uniform Net Capital Rule ("Rule 15c3-1"), which requires that the Company maintain minimum net capital, as defined, and may not permit its aggregate indebtedness, as defined, to exceed 15 times its net capital (and the rules of various regulatory agencies also provide that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2023, the Company had net capital of \$1,264,638, which was \$1,192,468 in excess of its required net capital of \$72,170. The Company's ratio of aggregate indebtedness to net capital was 0.86 to 1.

In accordance with the July 1, 2020 update to the SEC's guidance concerning the amendments to the broker-dealer reporting rule, Rule 17a-5 under the Securities and Exchange Act of 1934 ("Rule 17a-5"), that were adopted on July 30, 2013, the Company is filing an Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to (1) mutual fund underwriter/sponsor (distributor); (2) private placements of securities (on a best efforts basis only); and (3) mutual fund retailer (application basis only) and the Company (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, (other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company); (2) did not carry accounts of or for customers; and (3) did not carry proprietary accounts of brokers (commonly referred to as "PAB accounts") throughout the most recent fiscal year.

NOTE 5 – RELATED PARTIES

The Company has an expense-sharing agreement with TCW, under which TCW agrees to accept responsibility for the general and administrative expenses of the Company and to serve as common paymaster for the purpose of eliminating duplication in accounting and payments for shared expenses. In accordance with FINRA's (formerly the National Association of Securities Dealers) Notice to Members dated October 2003 ("NTM 03-63"), the Company maintains a schedule of operating expenses paid for by TCW on behalf of the Company. Operating expenses paid for by TCW on behalf of the Company include expenses for the office premises and office equipment, salaries and general and administrative expenses for registered representatives' as well as personnel in legal, compliance, and finance that are allocable to the Company based on average annual time spent on TFD-related activities. During the year ended December 31, 2023, the amount of operating expenses was \$6,805,736. Refer to Note 2 for discussion of related party agreements and transactions pertaining to distribution, commission and non-12b-1 fees. Additionally, the Company has a payable due to Parent of \$426,421 which primarily relates to business and entertainment and gift and gratuities expenses incurred by the Company during the year ended December 31, 2023 that were paid by the Parent but subject to reimbursement by the Company. REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member and the Board of Directors of TCW Funds Distributors LLC:

We have reviewed management's statements, included in the accompanying TCW Funds Distributors LLC's Exemption Report (the "Exemption Report"), in which TCW Funds Distributors LLC (the "Company") stated that the Company did not claim an exemption under paragraph (k) of 17 C.F.R. § 240.15c3-3 and filed the Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 ("Footnote 74") throughout the year ended December 31, 2023, without exception. The Company's management is responsible for its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about management's statements within the Exemption Report. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions of Footnote 74.

Management of TCW Funds Distributors LLC (the “Company”) is responsible for its Form SIPC-7 and for its compliance with the applicable instructions on Form SIPC-7.

Management of the Company has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of assisting the Company and SIPC (the “specified parties”) in evaluating the Company’s compliance with the applicable instructions on Form SIPC-7 for the year ended December 31, 2023. In addition, SIPC has agreed to and acknowledged that the procedures performed are appropriate for their intended purpose. This report may not be suitable for any other purpose. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. The procedures we performed and our findings are as follows:

2. Compared the Total Revenue amounts reported on the audited Form X-17A-5 Part III for the year ended December 31, 2023, with the Total Revenue amounts reported in Form SIPC-7 for the year ended December 31, 2023;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting a \$2 variance.

We were engaged by the Company to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the American Institute of Certified Public Accountants and the standards of the Public Company Accounting Oversight Board (United States).

We were not engaged to and did not conduct an examination or a review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Company's Form SIPC-7 and for its compliance with the applicable instructions on Form SIPC-7 for the year ended December 31, 2023. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.
