File No. 000-12895**

Dear Mr. Meuse:

We have reviewed your filing and have the following comments. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with more information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Item 4.01 Form 8-K

1. It appears Moore and Associates, Chartered disclosed an uncertainty of the Registrant to continue as a going concern in your Form 10-K as amended on October 27, 2008. Please revise your disclosure to provide a description of nature of their conclusion. Refer to Item 304(a)(1)(ii) of Regulation S-K.

2. Your disclosure in the first paragraph references “the Registrant's audited financial statements contained in its Form 10-K for the fiscal year ended August 6, 2009.” Please advise or revise.
3. Your reference to the “subsequent interim periods” in the first paragraph is too vague; please amend your filing to state, if true, that in connection with the audits of the Company’s financial statements for the fiscal years ended June 30, 2008 and 2007, and in the subsequent interim period through August 6, 2009, the date of the dismissal of the former accountant, there were no disagreements with Moore and Associates, Chartered on any matter of accounting principles or practices, financial statement disclosure or auditing scope and procedure which, if not resolved to the satisfaction of the former accountant, would have caused it to make reference to the subject matter of the disagreement in connection with its report.
4. Please amend your filing to specify whether, during your past two fiscal years through the date of engagement (August 6, 2009), you consulted Seale and Beers regarding any of the matters outlined in *Item 304(a)(2)* of Regulation S-K. The current disclosure references *Item 304(a)(1)* of Regulation S-K.
5. Upon amending your filing, please include, as Exhibit 16, an updated letter from your former accountants, Moore and Associates, Chartered, as required by *Item 304(a)(3)* of Regulation S-K. Please ensure that your former accountants date their letter.

As appropriate, please amend your filing and respond to these comments within five business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company’s disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.
