Please respond to this letter within ten business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your filing and the information you provide in response to these comments, we may have additional comments.

Item 2. Properties

1. Please revise your disclosure in future Exchange Act periodic reports to discuss whether you provide rent concessions or abatements and the impact of any concessions or abatements on the rental ranges disclosed beginning on page 11.
2. In future Exchange Act periodic reports, to the extent you have material acquisitions in the period, please provide capitalization rate disclosure. Please also include a clear description of how you calculate NOI and purchase price for this purpose.
3. In future Exchange Act periodic reports, to the extent practicable, please quantify the percentage of leases that have escalators and provide a range of escalation.

4. We note your statement on page F-20 that during the year ended December 31, 2010, approximately 90% of rental income was related to residential apartments and condominium units with leases of one year or less. In future Exchange Act periodic reports, please provide a schedule of lease expirations for each of the ten years starting with the year in which the report is filed. Please state (i) the number of tenants whose leases will expire, (ii) the total area in square feet covered by such leases, (iii) the annual rental represented by such leases, and (iv) the percentage of gross annual rental represented by such leases. With respect to your apartment complexes and condominium units, please briefly disclose the terms of your leases with residential tenants.

Item 7. Management's Discussion and Analysis ..., page 20

5. In future Exchange Act periodic reports, please expand your disclosure of your leasing activities for the reported period to include a discussion of the volume of new or renewed leases, tenant improvement costs, leasing commissions, tenant concessions, and a comparison of new rents on renewed leases to prior rent. To the extent you have material lease expirations in the next year, please include disclosure regarding the relationship of rents on expiring leases to market rents.
