1. We note your disclosure that you performed your annual impairment test and that goodwill was not impaired. Please provide us with a detailed goodwill impairment analysis. If you performed a Step 2 quantitative analysis, please tell us the percentage by which the fair value of each reporting unit exceeded its carrying value. Question 102.10 of the updated Compliance and Disclosure Interpretations issued on May 17, 2016 (“the updated C&DI’s”). Please review this guidance when preparing your next earnings release.

3. Please tell us how you considered providing a more detailed discussion of how your non-GAAP measures are useful to investors. In this regard, we note that your current disclosure is limited and fairly generic. We refer you to Item 10(e)(1)(i)(B) and (C) of Regulation S-K.
4. In your reconciliation of non-GAAP net income (loss) you present your non-GAAP adjustments “net of tax” which is inconsistent with Question 102.11 of the updated C&DI’s. Please review this guidance when preparing your next earnings release.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company’s disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

You may contact Megan Akst, Senior Staff Accountant at (202) 551-3407 or Christine Dietz, Assistant Chief Accountant at (202) 551-3408 if you have questions regarding comments on the financial statements and related matters. Please contact me at (202) 551-3499 with any other questions.
