VOTING SECURITIES AND RECORD DATE

The Common Stock (\$.25 par value) is the only outstanding class of voting securities. Holders of record at the close of business of February 1, 2008 are entitled to notice of the meeting and to vote at the meeting and any adjournment thereof. At the close of business on February 1, 2008, 775,585 shares of Common Stock were issued, outstanding, and entitled to vote. The holders of Common Stock will vote as one class at the meeting of the Shareholders. Each share of Common Stock entitles the holder at the record date to one vote at the meeting.

PRINCIPAL SHAREHOLDER AND QUORUM

A Trust for the benefit of the children of Arthur J. Kania owns 510,853 shares (66% of the outstanding shares). A majority of the outstanding shares of the Common Stock of the Company, represented in person or by proxy, shall constitute a quorum at the meeting, and since there is no provision for cumulative voting, only the affirmative vote of the majority of the shares represented at the Meeting is required to elect Directors and approve such other matters to be considered by the shareholders. Dissenters' rights are not applicable to the matters being proposed. No party other than the Trust is known by Management to own of record or beneficially more than 5% of the outstanding shares of the Company.

MATTERS TO BE ACTED UPON

Election of Directors

Three (3) directors are to be elected at the Annual Meeting and those persons elected will hold office until the next Annual Meeting of shareholders and until their successors have been elected and qualified. The by-laws provide that the Board of Directors shall consist of no more than five members, with the actual number to be established by resolution of the Board of Directors. The current Board of Directors has by resolution established the number of directors at three. The Arthur J. Kania Trust has advised that it intends to give a proxy to Arthur J. Kania and Anderson L. McCabe to vote in favor of the Management slate of directors and in their discretion to vote in favor of such other matters that may properly come before the meeting. If any of the nominees cannot serve for any reason (which is not anticipated), the Board of Directors may designate a substitute nominee or nominees. If a substitute is nominated, Mr. Kania and Mr. McCabe are expected to vote all valid proxies for the election of the substitute nominee or nominees. Alternatively, the Board of Directors may also decide to leave the board

seat or seats open until a suitable candidate or candidates are located, or it may decide to reduce the size of the Board.

Any vacancy that occurs during the year may be filled by a majority vote of the Board of Directors without any further shareholder action. The vacancy may be filled for the remainder of the term, which is until the next annual meeting of shareholders. There is no reason to believe that any nominee will be unable to serve if elected, and to the knowledge of Management all nominees intend to serve the entire term for which election is sought.

The following persons have been nominated for election to the Board of Directors to succeed themselves in office:

Nominees(Age)	Positions with Company, Principal Occupation and Business Experience During Past Five Years (1)	Year First Became Director of Company
Anderson L. McCabe (52)	Director of the Company; President, Chief Executive Officer and Chief Financial Officer of the Company	1987
Arthur J. Kania (76)	Director of the Company; Secretary of Company; Principal of Trikan Associates (real estate ownership and management-investment firm); Partner of Kania, Lindner, Lasak and Feeney (law firm)	1977
Arthur J. Kania, Jr. (52)	Director of the Company; Principal of Trikan Associates (real estate ownership and management-investment firm); Vice-President of Newtown Street Road Associates (real estate ownership and management)	1987

1. This column lists directorships held in any company with a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934 or subject to the requirements of Sections 15(d) of that Act or any company registered as an investment company under the Investment Company Act of 1940. This column does not include directorships held with any of the Company's subsidiaries.

Directors will serve in such capacity until the next annual meeting of shareholders or until their successors have been duly elected and qualified. Executive officers are elected by the Board of Directors.

Each director will be elected to serve for a one-year term, unless he resigns or is removed before his term expires, or until his replacement is elected and qualified. Each of the nominees listed above is currently a member of the Board of Directors.

INFORMATION REGARDING EXECUTIVE OFFICERS

Anderson L. McCabe, 52 years old, is President, Chief Executive Officer and Chief Financial Officer of the Company and its manufacturing subsidiary. He graduated from the University of South Carolina in 1977 and received a B.S. in Chemical Engineering. From 1977 to 1985, he was employed by United Engineers and Constructors, Inc., a subsidiary of Raytheon Corporation as Process Engineer with managerial responsibilities. In 1986 he became President of the Company. He is a registered professional engineer.

Arthur J. Kania, 76 years old, is the Secretary of the Company. He is not active in the day-to-day operations of the Company or its manufacturing subsidiary. Mr. Kania's principal occupations during the past five years have been as Principal of Trikan Associates (real estate ownership and management - investment firm); as a partner of the law firm of Kania, Lindner, Lasak and Feeney.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's officers (as defined in the SEC regulations) and directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Officers, directors, and greater than ten percent shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such reports of ownership furnished to us, or representations that no forms were necessary, Management believes that, during the past fiscal year, the officers, directors, and greater than ten percent beneficial owners complied with all applicable filing requirements during Fiscal Year 2007.

THE BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

Audit Committee and Audit Committee Financial Expert

Our Board of Directors functions as an audit committee and performs some of the same functions as an audit committee including: (1) selection and oversight of our independent accountant; (2) establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal controls and auditing matters; and (3) engaging outside advisors. We are not a "listed company" under SEC rules and are therefore not required to have an audit committee comprised of independent directors. Our Board of Directors does not have an independent director. Our Board of Directors has determined that each of its members is able to read and understand fundamental financial statements and has substantial business experience that results in that member's financial sophistication. Accordingly, the Board of Directors believes that each of its members has the sufficient knowledge and experience necessary to fulfill the duties and obligations that an audit committee member should have for a business such as the Company.

Board Meetings; Nominating and Compensation Committees

Given the size of the Company and its Board of Directors, much of its decision making is made through telephone calls and intermittent informal meetings; when formalization is necessary, the Board conducts formal meetings or acts by written consent. In Fiscal 2007, there were two Board Meetings attended by all Directors.

Our directors and officers do not receive remuneration from us unless approved by the Board of Directors. No such payment shall preclude any director from serving us in any other capacity and receiving compensation therefor. A total of \$7,500 has been paid to each director for services as director during the last fiscal year.

We are not a “listed company” under SEC rules and are therefore not required to have a compensation committee or a nominating committee. We do not currently have a compensation committee. Our Board of Directors is currently comprised of only three members, one of whom acts as Chief Executive Officer and Chief Financial Officer.
