Notes to the Financial Statements

Note 1. Basis of Presentation and Significant Accounting Policies

Principles of Consolidation, page 57

3. You state that you are not a beneficiary in a variable interest entity at December 2, 2007. Please further clarify whether you have a significant variable interest in any variable interest entities for which you determined you are not the primary beneficiary. If so, please provide the disclosures required by paragraph 24 of FIN 46(R). Please also tell us what consideration you gave to FIN 46(R) in your arrangements with third parties engaged to construct production facilities to be leased by you, including whether these entities represent variable interest entities.

Self-Insurance, page 65

4. Please disclose the levels of excess loss coverage by type of risk self-insured.

Note 9. Commitments

Leases, page 79

5. Please disclose how you account for (a) step rent provisions and escalation clauses and (b) capital improvement funding and other lease concessions, which may be present in your leases. In addition, paragraph 5.n. of SFAS 13, as amended by SFAS 29, discusses how lease revenues that depend on an existing index or rate, such as the consumer price index or the prime interest rate, should be initially included in your minimum lease revenues. If, as we assume, each of these items is included in computing your minimum lease revenues and the minimum lease revenues are recognized on a straight-line basis over the minimum lease term, the note should so state. If our assumption is incorrect, please tell us how you considered the provisions

in SFAS 13 and FTB 88-1 in reaching the conclusions you did regarding your accounting treatment.

Note 23. Guarantor/Non-Guarantor Financial Information, page 95

6. Please disclose, if true, that each of the subsidiaries of Sealy Mattress Company that guarantee the 2014 Notes are also 100% owned by Sealy Corporation. Refer to Rule 3-10(d) of Regulation S-X.

7. Please address the above comments in your interim filings as well.

Compensation Discussion and Analysis

Elements of the Executive Compensation Program

9. In future filings please briefly elaborate on the company's compensation policy regarding promotional increase percentages that you cite at the end of the second paragraph of this subsection. It appears that increases may be given as necessary to provide base compensation equal to the market median level, and/or to keep them consistent with an overall salary percentage increase budget applicable to all domestic employees; however the operation of the overall policy is unclear from this disclosure.

Change in Control Benefits, page 27

10. In accordance with Item 402(b)(1)(xi) of Regulation S-K, please provide the rationale for providing a single trigger for payments in the event of a change in control.
