Form 8-K Filed June 2, 2006
File No. 001-10156**

Dear Mr. Miller:

We have reviewed your Item 4.01 Form 8-K and have the following comments. Where indicated, we think you should revise your documents in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with supplemental information so we may better understand your disclosure. After reviewing this information, we may or may not raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or on any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Form 8-K filed June 2, 2006

1. We note that you disclose that your former accountants disengaged from the company as of May 24, 2006. Please revise your disclosure to state that they resigned.
2. We note that you disclose that there were no disagreements with your former accountant in any subsequent interim period preceding their resignation. Please

clarify your disclosure to disclose whether there were any disagreements, whether or not resolved, in connection with their audit of the year ended December 31, 2001, and the subsequent period from December 31, 2001, through their date of resignation. In the event of disagreement(s), provide the specific disclosures required by Item 304(a)(1)(iv) of Regulation S-B.

3. Please revise to provide the information required by Item 304(a)(1)(iv) of Regulation S-B, regarding any reportable event (i.e., internal controls necessary to develop reliable financial statements did not exist) that the former accountant advised you of during the year ended December 31, 2001, and subsequent period through the date of resignation.
4. Please obtain and file an Exhibit 16 letter from your former accountants stating whether the accountant agrees with the statements made in your revised Form 8-K.

Closing Comments

As appropriate, please amend your filing and respond to these comments within 10 business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated
