REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of Brooklight Place Securities, Inc.

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Brooklight Place Securities, Inc. (the “Company”) as of December 31, 2020, and the related statements of operations, changes in stockholders’ equity, and cash flows for the year ended December 31, 2020, and the related notes (collectively referred to as the “financial statements”). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2020, and the results of its operations and its cash flows for the year ended December 31, 2020, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company’s management. Our responsibility is to express an opinion on the Company’s financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (“PCAOB”) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplementary Information

The supplementary information contained in Schedules I, II, and III required by Rule 17a-5 under the Securities Exchange Act of 1934 has been subjected to audit procedures performed in conjunction with the audit of Company’s financial statements. This supplementary information is the responsibility of Company’s management. Our audit procedures included determining whether the supplementary information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the supplementary information presented in the supplementary information. In forming our opinion, we evaluated whether the supplementary information in Schedules I, II, and III, including its form and content, are presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplementary information in Schedules I, II, and III is fairly stated, in all material respects, in relation to the financial statements as a whole.

Note 1 - Industry Operations

Brooklight Place Securities, Inc. (the "Company") was incorporated in 1984 as MTL Equity Products, Inc. All of the issued and outstanding stock in the Company was acquired by Crabtree Holdings, LLC after the close of business on February 28, 2013. The Company was renamed Brooklight Place Securities, Inc. as of March 1, 2013.

The Company acts as an insurance agent, broker, producer, and intermediary in the solicitation of purchases of insurance and the solicitation of purchases and sales of securities.

As of December 31, 2020, all 1,000 issued shares are outstanding. Crabtree Holdings, LLC ("Crabtree") which is owned by Charles R. Brettell owns 999 shares while TRAC Enterprises, LLC ("TRAC") which is owned 50% by Charles Truhlar and 50% by David Racich owns 1 share. TRAC has been granted an option to acquire up to a 50% ownership stake in the Company.

Certain insurance companies require that certain fixed annuity products be sold by registered representatives and offered through broker/dealer firms and, as such, the Company also offers fixed annuity products for these insurance companies.

The Company requires that equity indexed annuities ("EIAs") be sold by registered representatives. The Company works with several field marketing organizations to determine suitable products to provide access and service in selling EIAs.

The Company clears its securities transactions on a fully disclosed basis through The Royal Bank of Canada (the clearing broker/dealer). The Company operates under the provisions of Paragraph (k)(2)(ii) of Rule 15c3-3 of the Securities and Exchange Commission ("SEC") and, accordingly, is exempt from the remaining provisions of that Rule. Essentially, the requirements of Paragraph (k)(2)(ii) provide that the Company clear all transactions on behalf of customers on a fully disclosed basis with a clearing broker/dealer, and promptly transmit all customer funds and securities to the clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting: The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of the assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgement.

Leases - The Company recognizes and measures its leases in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 842, Leases. The Company is a lessee in a non-cancelable operating lease for office space. The Company determines if an arrangement is a lease, or contains a lease, at inception of a contract and when the terms of an existing contract are changed. The Company recognizes a lease liability and a right of use ("ROU") asset at the commencement date of the lease. The lease liability is initially and subsequently recognized based on the present value of its future lease payments. Variable payments are included in the future lease payments when those variable payments depend on an index or a rate. The discount rate is the implicit rate if it is readily determinable or otherwise the Company uses its incremental borrowing rate. The implicit rates of our leases are not readily determinable and accordingly, we use our incremental borrowing rate based on the information available at the commencement date for all leases. The Company's incremental borrowing rate for a lease is the rate of interest it would have to pay on a collateralized basis to borrow an amount equal to the lease payments under similar terms and in a similar economic environment. The ROU asset is subsequently measured throughout the lease term at the amount of the remeasured lease liabilities (i.e., present value of the remaining lease payments), plus unamortized initial direct costs, plus (minus) any prepaid (accrued) lease payments, less the unamortized balance of lease incentives received, and any impairment recognized. Lease cost for lease payments is recognized on a straight-line basis over the lease term.

Revenue Recognition – Revenue from contracts with customers is recognized when, or as, the Company satisfies its performance obligations by transferring the promised goods or services to its customers. A good or service is transferred to a customer when, or as, the customer obtains control of that good or service. The amount of revenue recognized reflects the consideration to which the Company expects to be entitled in exchange for these promised goods or services.

Significant Judgments - Revenue from contracts with customers includes commission income and fees. The recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to

allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

Sales-based commission revenue is recognized at the point in time at which the sale of an insurance product or investment security occurs on a trade date basis. The commission is based on a percentage of the value of the product sold as of the transaction date.

Trailing commission revenue is recognized over a period of time as earned. Trailing commission revenue is generally based on a percentage of the current market value of a client's investment holding in trail-eligible investments, and is recognized over the period during which services, such as on-going support, are performed. Trailing commissions are based on a percentage of the monthly or quarterly market value of such a client's investment holdings, therefore such revenue is not recognized until such market value can be determined.

The Company earns commission revenue from the sale of securities in an agency capacity. Commission expenses are recorded at the same time as related commission revenue.

Disaggregation of Revenue – In the following table, revenue from contracts with customers is disaggregated by insurance produce or investment security:

For the Year Ended December 31, 2020	Sales-Based	Trailing Commissions	Total
Security transactions	\$ 4,730	\$ -	\$ 4,730
Mutual fund	142,290	753,522	895,812
Variable annuity	287,535	664,110	951,645
	<u>\$ 434,555</u>	<u>\$ 1,417,632</u>	<u>\$ 1,852,187</u>

Cash and Cash Equivalents - Cash and cash equivalents consist of short-term highly liquid investments with original maturities of less than three months at the time of the purchase, including the Company's investment in money market funds. The carrying value of cash equivalents approximates fair value. The Company regularly maintains cash balances that exceed Federal Deposit Insurance Corporation limits.

Furniture, Computer Hardware and Software - Fixed assets are recognized and subsequently measured at cost less accumulated depreciation and amortization and any accumulated impairment losses. Cost includes expenditures that are directly attributable to the acquisition of the asset to prepare the asset for its intended use.

Depreciation and amortization commence when the assets are available for use and is expensed on a straight-line basis to depreciate and amortize the cost of these assets to their estimated residual value over their estimated useful lives. Depreciation and amortization methods, useful lives, and residual values are reviewed at each financial year end and are adjusted if appropriate. Estimated useful lives are five years for furniture, computer hardware and software. The Company disposed of all furniture, computer hardware and software during the year resulting in a loss of \$1,073.

Miscellaneous Income – Miscellaneous income includes approximately \$43,000 of fees received from a registered investment advisor. Under the terms of the agreement, fees are credited to the Company on a monthly basis for investment holdings introduced to the registered investment advisor by the Company.

Paycheck Protection Program – The Company has applied for and received funding of \$54,962 from a Paycheck Protection Program (“PPP”) loan through the Small Business Administration (“SBA”) that was made available under the CARES Act passed by Congress in response to the COVID-19 pandemic. As the Company has met all of the SBA conditions for forgiveness of the PPP loan proceeds, the PPP loan proceeds have been recorded as other income for the year ended December 31, 2020. Final approval of the PPP loan forgiveness has not been received as of the date the accompanying financial statements were available to be issued.

Note 3 - Income Taxes

Deferred income tax assets and liabilities are computed annually for differences between the financial statement and tax bases of assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and rates applicable to the period in which the differences are expected to affect taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense is the tax payable or refundable for the period, plus or minus the change during the period in deferred tax assets and liabilities. The Company had taxes payable of \$55,518 as of December 31, 2020.

Management believes the Company has no material unrecognized income tax benefits or significant tax positions.

Note 4 - Commitments and Contingencies

In the ordinary course of business, the Company may be subject to various claims, litigation, regulatory and arbitration matters. Although the effects of these matters cannot be determined, the Company's management believes that their ultimate

outcome will not have a material effect on the Company's financial position, results of operations, or net cash flows.

In the normal course of business, the Company enters into contracts that contain a variety of representations and warranties that provide indemnification under certain circumstances. The Company's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Company that have not yet occurred. The Company expects the risk of future obligations under these indemnification to be remote.

Note 5 – Leases

The Company has a lease asset for office space with initial non-cancelable terms in excess of one year. The Company classified its lease as an operating lease. The Company's lease contains a conditional right to terminate any time after August 31, 2019 with six (6) months' notice, which must be accompanied by a \$10,000 termination payment. The Company exercised the right to terminate the lease in November 2020, effective January 31, 2021. The lease termination payment was waived. Payments due under the lease contract include fixed payments plus variable payments. The Company's office space lease requires it to make variable payments for the Company's proportionate share of the building's property tax, insurance, and operating expenses. These variable lease payments are not included in lease payments used to determine lease liability and are recognized as variable costs when incurred.

The components of lease cost for the year ended December 31, 2020 are as follows:

Operating lease cost	\$24,270
Variable cost	<u>\$14,694</u>
Total lease cost	\$38,964

Amounts reported in the balance sheet as of December 31, 2020 were as follows:

Operating lease ROU asset	\$4,378
Operating lease liability	\$4,773

Other information related to leases as of December 31, 2020 were as follows:

Note 6 - Related Party Transactions

The Company retains certain consulting and management services from Prosody Consulting, LLC (owned by Charles R. Brettell, owner of Crabtree). Prosody Consulting, LLC was paid \$33,600 during the year ended December 31, 2020 for consulting and management services which is included in other general and administrative expenses in the accompanying statement of operations.

TRAC owner David Racich was paid \$53,500 and Charles Truhlar was paid \$71,658 during the year ended December 31, 2020 for consulting and management services which is included in other general and administrative expenses in the accompanying statement of operations.

Related party payables on the statement of financial condition include \$12,737 payable to Charles R. Brettell for reimbursement of business expenses and \$6,500 payable to Charles Truhlar and \$2,500 payable to David Racich for services rendered during 2020. These balances are unsecured, non-interest bearing and due on demand.

Note 7 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 under the Securities Exchange Act of 1934, the Company is required to maintain a minimum amount of net capital as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. The Company is required to maintain minimum net capital equal to the greater of 6-2/3 percent of aggregate indebtedness, as defined, or \$50,000. At December 31, 2020, the Company had net capital of \$421,944, exceeding the required net capital of \$50,000 by \$371,944. At December 31, 2020, the ratio of aggregate indebtedness to net capital was .61 to 1. The net capital rules may effectively restrict the payment of advances, dividends, or other equity withdrawals.

Note 8 - Subsequent Events

The Company has evaluated subsequent events through March 1, 2021, the date the financial statements were issued.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of Brooklight Place Securities, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Brooklight Place Securities, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which Brooklight Place Securities, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(ii) (the "exemption provisions") and (2) Brooklight Place Securities, Inc. stated that Brooklight Place Securities, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Brooklight Place Securities, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Brooklight Place Securities, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON
APPLYING AGREED-UPON PROCEDURES**

To the Board of Directors and Shareholders
of Brooklight Place Securities, Inc.

We have performed the procedures included in Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and in the Securities Investor Protection Corporation (SIPC) Series 600 Rules, which are enumerated below and were agreed to by Brooklight Place Securities, Inc. (the "Company") and the SIPC, solely to assist you and SIPC in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7) for the year ended December 31, 2020. The Company's management is responsible for its Form SIPC-7 and for its compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with standards established by the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the Total Revenue amounts reported on the Annual Audited Report Form X-17A-5 Part III for the year ended December 31, 2020 with the Total Revenue amount reported in Form SIPC-7 for the year ended December 31, 2020, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respective, on the Company's compliance with the applicable instructions of the Form SIPC-7 for the year ended December 31, 2020. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Company and the SIPC and is not intended to be and should not be used by anyone other than these specified parties.

SIPC-7 Instructions

This form is to be filed by all members of the Securities Investor Protection Corporation whose fiscal years end in 2011 and annually thereafter. The form together with the payment is due no later than 60 days after the end of the fiscal year, or after membership termination. Amounts reported herein must be readily reconcilable with the member's records and the Securities and Exchange Commission Rule 17a-5 report filed. Questions pertaining to this form should be directed to SIPC via e-mail at form@sipc.org or by telephoning 202-371-8300.

A. For the purposes of this form, the term "SIPC Net Operating Revenues" shall mean gross revenues from the securities business as defined in or pursuant to the applicable sections of the Securities Investor Protection Act of 1970 ("Act") and Article 6 of SIPC's bylaws (see page 4), less item 2c(9) on page 2.

B. Gross revenues of subsidiaries, except foreign subsidiaries, are required to be included in SIPC Net Operating Revenues on a consolidated basis except for a subsidiary filing separately as explained hereinafter.

If a subsidiary was required to file a Rule 17a-5 annual audited statement of income separately and is also a SIPC member, then such subsidiary must itself file SIPC-7, pay the assessment, and should not be consolidated in your SIPC-7.

SIPC Net Operating Revenues of a predecessor member which are not included in item 2a, were not reported separately and the SIPC assessments were not paid thereon by such predecessor, shall be included in item 2b(1).

C. Your General Assessment should be computed as follows:

(1) Line 2a For the applicable period enter total revenue based upon amounts reported in your Rule 17a-5 Annual Audited Statement of Income prepared in conformity with generally accepted accounting principles applicable to securities brokers and dealers, or if exempted from that rule, use X-17A-5 (FOCUS Report) Line 12, Code 4030.

(2) Adjustments The purpose of the adjustments on page 2 is to determine SIPC Net Operating Revenues.

(a) Additions Lines 2b(1) through 2b(7) assure that assessable income and gain items of SIPC Net Operating Revenues are totaled, unreduced by any losses (e.g., if a net loss was incurred for the period from all transactions in trading account securities, that net loss does not reduce other assessable revenues). Thus, line 2b(4) would include all short dividend and interest payments including those incurred in reverse conversion accounts, rebates on stock loan positions and repo interest which have been netted in determining line 2(a).

(b) Deductions Line 2c(1) through line 2c(9) are either provided for in the statute, as in deduction 2c(1), or are allowed to arrive at an assessment base consisting of net operating revenues from the securities business. For example, line 2c(9) allows for a deduction of either the total of interest and dividend expense (not to exceed interest and dividend income), as reported on FOCUS line 22/PART IIA line 13 (Code 4075), plus line 2b(4) or 40% of interest earned on customers' securities accounts (40% of FOCUS Line 5 Code 3960). Be certain to complete both line (i) and (ii), entering the greater of the two in the far right column. Dividends paid to shareholders are not considered "Expense" and thus are not to be included in the deduction. Likewise, interest and dividends paid to partners pursuant to the partnership agreements would also not be deducted.

If the amount reported on line 2c (8) aggregates to \$100,000 or greater, supporting documentation must accompany the form that identifies these deductions. Examples of support information include; contractual agreements, prospectuses, and limited partnership documentation.

- (i) Determine your SIPC Net Operating Revenues, item 2d, by adding to item 2a, the total of item 2b, and deducting the total of item 2c.
- (ii) Multiply SIPC Net Operating Revenues by the applicable rate. Enter the resulting amount in item 2e and on line 2A of page 1.
- (iii) Enter on line 2B the assessment due as reflected on the SIPC-6 previously filed.
- (iv) Subtract line 2B and 2C from line 2A and enter the difference on line 2D. This is the balance due for the period.
- (v) Enter interest computed on late payment (if applicable) on line 2E.
- (vi) Enter the total due on line 2F and the payment of the amount due on line 2G.
- (vii) Enter overpayment carried forward (if any) on line 2H.

D. Any SIPC member which is also a bank (as defined in the Securities Exchange Act of 1934) may exclude from SIPC Net Operating Revenues dividends and interest received on securities in its investment accounts to the extent that it can demonstrate to SIPC's satisfaction that such securities are held, and such dividends and interest are received, solely in connection with its operations as a bank and not in connection with its operations as a broker, dealer or member of a national securities exchange. Any member who excludes from SIPC Net Operating Revenues any dividends or interest pursuant to the preceding sentence shall file with this form a supplementary statement setting forth the amount so excluded and proof of its entitlement to such exclusion.

E. Interest on Assessments. If all or any part of assessment payable under Section 4 of the Act has not been postmarked within 15 days after the due date thereof, the member shall pay, in addition to the amount of the assessment, interest at the rate of 20% per annum on the unpaid portion of the assessment for each day it has been overdue.

F. Securities and Exchange Commission Rule 17a-5(e) (4) requires those who are not exempted from the audit requirement of the rule and whose gross revenues are in excess of \$500,000 to file a supplemental independent public accountants report covering this SIPC-7 no later than 60 days after their fiscal year ends.

Mail this completed form to SIPC together with a check for the amount due, made payable to SIPC, using the enclosed return PO BOX envelope, pay via ACH Debit Authorization through SIPC's ACH system at www.sipc.org/for-members/assessments or wire the payment to:

On the wire identify the name of the firm and its SEC Registration 8-# and label it as "for assessment." Please fax a copy of the assessment form to (202)-223-1679 or e-mail a copy to form@sipc.org on the same day as the wire.

From Section 16(9) of the Act:

The term “gross revenues from the securities business” means the sum of (but without duplication)—

- (A) commissions earned in connection with transactions in securities effected for customers as agent (net of commissions paid to other brokers and dealers in connection with such transactions) and markups with respect to purchases or sales of securities as principal;
- (B) charges for executing or clearing transactions in securities for other brokers and dealers;
- (C) the net realized gain, if any, from principal transactions in securities in trading accounts;
- (D) the net profit, if any, from the management of or participation in the underwriting or distribution of securities;
- (E) interest earned on customers’ securities accounts;
- (F) fees for investment advisory services (except when rendered to one or more registered investment companies or insurance company separate accounts) or account supervision with respect to securities;
- (G) fees for the solicitation of proxies with respect to, or tenders or exchanges of, securities;
- (H) income from service charges or other surcharges with respect to securities;
- (I) except as otherwise provided by rule of the Commission, dividends and interest received on securities in investment accounts of the broker or dealer;
- (J) fees in connection with put, call, and other options transactions in securities;
- (K) commissions earned for transactions in (i) certificates of deposit, and (ii) Treasury bills, bankers acceptances, or commercial paper which have a maturity at the time of issuance of not exceeding nine months, exclusive of days of grace, or any renewal thereof, the maturity of which is likewise limited, except that SIPC shall by bylaw include in the aggregate of gross revenues only an appropriate percentage of such commissions based on SIPC’s loss experience with respect to such instruments over at least the preceding five years; and
- (L) fees and other income from such other categories of the securities business as SIPC shall provide by bylaw.

Such term includes revenues earned by a broker or dealer in connection with a transaction in the portfolio margining account of a customer carried as securities accounts pursuant to a portfolio margining program approved by the Commission. Such term does not include revenues received by a broker or dealer in connection with the distribution of shares of a registered open end investment company or unit investment trust or revenues derived by a broker or dealer from the sales of variable annuities, the business of insurance, or transactions in security futures products.

From Section 16(14) of the Act:

The term “Security” means any note, stock, treasury stock, bond, debenture, evidence of indebtedness, any collateral trust certificate, preorganization certificate or subscription, transferable share, voting trust certificate, certificate of deposit, certificate of deposit for a security, or any security future as that term is defined in section 78c(a)(55)(A) of this title, any investment contract or certificate of interest or participation in any profit-sharing agreement or in any oil, gas or mineral royalty or lease (if such investment contract or interest is the subject of a registration statement with the Commission pursuant to the provisions of the Securities Act of 1933 [15 U.S.C. 77a et seq.]), any put, call, straddle, option, or privilege on any security, or group or index of securities (including any interest therein or based on the value thereof), or any put, call, straddle, option, or privilege entered into on a national securities exchange relating to foreign currency, any certificate of interest or participation in, temporary or interim certificate for, receipt for, guarantee of, or warrant or right to subscribe to or purchase or sell any of the foregoing, and any other instrument commonly known as a security. Except as specifically provided above, the term “security” does not include any currency, or any commodity or related contract or futures contract, or any warrant or right to subscribe to or purchase or sell any of the foregoing.

From SIPC Bylaw Article 6 (Assessments): Section 1(f):

The term “gross revenues from the securities business” includes the revenues in the definition of gross revenues from the securities business set forth in the applicable sections of the Act.

Section 3:

For purpose of this article:

- (a) The term “securities in trading accounts” shall mean securities held for sale in the ordinary course of business and not identified as having been held for investment.
- (b) The term “securities in investment accounts” shall mean securities that are clearly identified as having been acquired for investment in accordance with provisions of the Internal Revenue Code applicable to dealers in securities.
- (c) The term “fees and other income from such other categories of the securities business” shall mean all revenue related either directly or indirectly to the securities business except revenue included in Section 16(9)(A)-(L) and revenue specifically excepted in Section 4(c)(3)(C)[Item 2c(1), page 2].

Note: If the amount of assessment entered on line 2e of SIPC-7 is greater than 1/2 of 1% of “gross revenues from the securities business” as defined above, you may submit that calculation along with the SIPC-7 form to SIPC and pay the smaller amount, subject to review by your Examining Authority and by SIPC.
