<b><u>Exhibits</u></b>	<b><u>Description</u></b>
99.1	Press Release, dated as of July 21, 2004.

## **Item 9. Regulation FD Disclosure**

### **Item 12. Disclosure of Results of Operations and Financial Condition**

On July 21, 2004, Sierra Health Services, Inc. issued a press release announcing operating results for the quarter ended June 30, 2004. A copy of the press release is attached as Exhibit 99.1 to this Current Report and is incorporated herein by reference.

All of the information furnished in this report and the accompanying exhibit shall not be deemed to be “filed” for purposes of Section 18 of the Securities and Exchange Act of 1934, as amended, and shall not be incorporated by reference in any filing under the Securities Act of 1933, as amended.

Statements in the press release referred to above that are not historical facts are forward-looking and based on management’s projections, assumptions and estimates; actual results may vary materially. Forward-looking statements are subject to certain risks and uncertainties, which include but are not limited to: 1) potential adverse changes in government regulations, contracts and programs, including TRICARE, Medicare, Medicaid and legislative proposals to eliminate or reduce ERISA pre-emption of state laws that would increase potential managed care litigation exposure; 2) competitive forces that may affect pricing, enrollment, renewals and benefit levels; 3) unpredictable medical costs, malpractice exposure, reinsurance costs and inflation; 4) impact of economic conditions; 5) changes in healthcare reserves; 6) our failure to obtain an extension of the Medicare Social HMO contract; and 7) the amount of actual proceeds to be realized from the note receivable related to the sale of the workers’ compensation insurance operation. Further factors concerning financial risks and results are contained in our Annual Report on Form 10-K for the year ended December 31, 2003. Such statements are made pursuant to the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995 and identify important risk factors that could cause our actual results to differ materially from those expressed in any projected, estimated or forward-looking statements relating to Sierra.

Consequently, all of the forward-looking statements made in the press release referred to above are qualified by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by Sierra will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, Sierra or its business or operations. Sierra assumes no obligation to update publicly any such forward-looking statements, whether as a result of new information, future events or otherwise.
