Subject: Approval of Medicare Prescription Drug Plan Contract

The Centers for Medicare & Medicaid Services (CMS) is pleased to inform you that your organization meets the eligibility requirements for a Medicare Part D Prescription Drug Plan contract. CMS has based this finding on a review of your application submitted in response to the Solicitation for Applications from Prescription Drug Plans (PDPs), January 21, 2005 (as Revised on March 9, 2005), as well as your bid proposal and other materials submitted to document your qualification to operate a PDP.

CMS has approved your organization for a contract effective from the date of the signature of the CMS official's signature through December 31, 2006, and renewable for successive one-year periods. The contract, along with the Medicare Part D regulations and CMS policy guidance, articulates the responsibilities of your organization and CMS under this program. Please note that your contract with CMS consists only of the terms stated in the contract CMS provided to you and the bid certification as you downloaded it from HPMS. CMS does not consider any statements made in a cover letter that you may have submitted with your Medicare contract to be part of the agreement between CMS and your organization.

We have enclosed an executed copy of the PDP contract. Please review all of the information carefully and notify Scott Nelson at 410-786-1038 or Scott.Nelson2@cms.hhs.gov if you find any discrepancies or have any questions.

CMS will continue to provide Part D program information (including information about your CMS Central Office and Regional Office contacts) to PDP sponsors through the Health Plan Management System (HPMS) and the CMS web site. As a result, we remind you to make certain that your organization's contact information in HPMS remains accurate.

Congratulations on your Medicare Part D contract, and we look forward to working with you on making affordable prescription drugs available to Medicare beneficiaries.
