Statements contained herein that are not historical facts are forward-looking and based on management’s projections, assumptions and estimates; actual results may vary materially. Forward-looking statements are subject to certain risks and uncertainties, which include but are not limited to: 1) potential adverse changes in government regulations, contracts and programs, including the Medicare Advantage program, the Medicare Prescription Drug Plan and any potential reconciliation issues, Medicaid and legislative proposals to eliminate or reduce ERISA pre-emption of state laws that would increase potential managed care litigation exposure; 2) competitive forces that may affect pricing, enrollment, renewals and benefit levels; 3) unpredictable medical costs, malpractice exposure, reinsurance costs, changes in provider contracts and inflation; 4) impact of economic conditions; 5) changes in healthcare reserves; 6) the effects of the termination of the HCA contract; 7) the amount of actual proceeds to be realized from the note receivable related to the sale of the workers’ compensation insurance operation; and 8) receipt of certain regulatory approvals and the satisfaction or waiver of other conditions pertaining to the proposed merger with UnitedHealth Group. Further factors concerning financial risks and results may be found in documents filed with the Securities and Exchange Commission and which are incorporated herein by reference.

Consequently, all of the forward-looking statements made herein are qualified by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by Sierra will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, Sierra or its business or operations.
