Notes to Financial Statements
(Unaudited)
June 30, 2002

1. In the opinion of the General Partners, the accompanying unaudited financial statements contain all adjustments (consisting of normal recurring accruals, and liquidation basis adjustments) which are necessary for a fair presentation. These statements, which do not include all of the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements, should be read in conjunction with the National Real Estate Limited Partnership Income Properties annual report for the year ended December 31, 2001 (please refer to the footnotes of those statements for additional details of the Partnership's financial condition). The operating results for the period ended June 30, 2002 may not be indicative of the operating results for the entire year.
2. National Real Estate Limited Partnership Income Properties (the "Partnership") was organized under the Wisconsin Uniform Limited Partnership Act pursuant to a Certificate of Limited Partnership dated December 18, 1984, for the purpose of investing in residential, commercial, and industrial real properties. John Vishnevsky and National Development and Investment, Inc., contributed the sum of \$6,000 to the Partnership as General Partners. The Limited Partnership Agreement authorized the issuance of 10,000 Limited Partnership Interests (the "Interests") at \$1,000 per Interest with the offering period commencing January 31, 1985. Upon conclusion of the offering in December 1986, the Partnership had raised \$9,024,556 in capital representing 9,034.01 Interests.
3. **National Realty Management, Inc. (NRMI)**: The Partnership incurred property management fees of \$20,830 under an agreement with NRMI for the two quarters ended June 30, 2002. The Partnership also incurred \$132,336 in the first two quarters of 2002 for the reimbursement of accounting, administrative, and property selling expenses incurred by NRMI on behalf of the Partnership.

The Partnership subleases a portion of common area office space from NRMI under terms of a lease, which expires on August 31, 2002. During the first two quarters of 2002, the Partnership incurred lease fees totaling \$7,600 which represents the Partnership's prorated portion, based upon space occupied, of NRMI's monthly rental obligation.
4. **National Development and Investment, Inc. (NDII)**: Effective October 1, 2001, all expenses previously incurred by NDII on behalf of the Partnership will be incurred by NRMI, due to the dissolution of NDII as of that date.
5. As outlined in the prospectus, the General Partners agreed to make loans to the Partnership up to an aggregate of 3% of the gross proceeds of the offering to the extent necessary to provide distributions to the limited partners at annualized rates equal to 8% in 1985, 8.25% in 1986, and 8.5% in 1987. The loan will be repaid solely from sales proceeds, with

compounding interest equal to the cost of funds or 12%, whichever is lower. As of June 30, 2002, interest totaling \$121,633 had accrued.

NATIONAL REAL ESTATE LIMITED PARTNERSHIP INCOME PROPERTIES
(A Wisconsin Limited Partnership)
Management's Discussion and Analysis of
Financial Condition and Results of Operations
June 30, 2002

The Partnership owned and operated three investment properties during the first quarter of 2002: Tucson Lock-It Lockers, a 49,865 net rentable square foot mini warehouse complex in Tucson, Arizona; Phoenix Lock-It Lockers, a 62,016 net rentable square foot mini warehouse complex in Phoenix, Arizona; and a portion of Cave Creek Lock-It Lockers containing 7,604 of 46,283 net rentable square feet in Phoenix, Arizona. On April 26, 2002, the Partnership sold Cave Creek Lock-It Lockers Phase I for a gross sale price of \$319,904, its portion of the total gross sale price of \$2,080,000 for Phases I, II and III. On June 18, 2002, the Partnership sold Tucson Lock-It Lockers for a gross sale price of \$1,850,000. There is an outstanding sale contract for the Phoenix Lock-It Lockers dated May 23, 2002.

National Real Estate Limited Partnership Income Properties II ("NRELPIP-II") owned the remaining portion of Cave Creek Lock-It Lockers. NRELPIP II is a Wisconsin limited partnership, affiliated with the General Partners.

Occupancy based upon net rentable square feet for the first six months of 2002 averaged 85.44% for Phoenix Lock-It Lockers. This compares to an average of 91.10% during the same period in 2001.

Three and Six Months Ended June 30, 2002 and 2001

As described in Part II, Item 1, Legal Proceedings, the Partnership reached a settlement agreement on February 11, 2002 that will result in liquidation of the Partnership's net assets. Accordingly, on December 31, 2001 the Partnership revalued its assets and liabilities to the amounts expected to be collected and paid during the liquidation (please refer to the financial statement footnotes to the Partnership's annual report for the year ended December 31, 2001 for additional details). As a result, operations for the three and six months ended June 30, 2002, are reported on the Statement of Changes in Net Assets in Liquidation, while operations for the three and six months ended June 30, 2001, are reported on a going concern basis on the Statement of Operations. The Statement of Changes in Net Assets in Liquidation differs from the Statement of Operations in that the Partnership no longer depreciates investment properties, and has recognized certain Liquidation Basis Adjustments. As a result of these differences, the results of the three and six months ended June 30, 2002 are not comparable to the results of the three and six months ended June 30, 2001.

Net assets in liquidation decreased \$243,764 from \$3,635,950 on December 31, 2001, to \$3,392,186 on June 30, 2002. This decrease was due to the net effect of a \$(3,183) net loss for the period, and \$(240,581) in adjustments to the liquidation basis estimate during the period.

The \$240,581 in adjustments to the liquidation basis estimate consisted of a \$260,000 price reduction to the Phoenix Lock-It Lockers sales contract, additions to estimated selling costs for the Phoenix, Tucson, and Cave Creek Phase I Lock-It Lockers properties at June 30, 2002, as well as adjustments to the estimated reserve for future liquidation expenses.

PART II. OTHER INFORMATION AND SIGNATURES

Item 1. Legal Proceedings

On May 25, 1999, the general partners, the property management company (NRMI), and other entities and individuals were named as defendants in a lawsuit (the "Vishnevsky Defendants"). The plaintiffs sought to have this action certified as a class action lawsuit. In the complaint, the plaintiffs alleged wrongdoing against the Vishnevsky Defendants in connection with two basic areas. First, various vote solicitations allegations were made by the plaintiffs to be an effort to perpetuate the Partnership and avoid liquidation. Second, allegations were made regarding the taking and use of Partnership funds and property, including excessive fees and unauthorized expenses.

On March 14, 2000, the parties to the litigation, with the exception of the defendant Wolf & Company, entered into a Stipulation of Settlement ("2000 Settlement"). The 2000 Settlement provided for the appointment of an independent marketing agent (the "Partnerships' Representative") to market and sell the Partnership investment property. However, no offer to purchase the property was to be accepted without first obtaining approval from a majority interest of the limited partners. Final distribution of the net proceeds received from a sale of the Partnership's investment property was to be made in accordance with the terms of the Partnership's limited partnership agreement and prospectus, and upon providing 20-day notice to the plaintiffs' attorney. Net proceeds were first to be applied to pay plaintiffs' counsel's legal fees, expenses and costs, with interest thereon. The actual terms for distribution were finalized in the February 11, 2002 Arbitration Stipulation, described hereinafter.

Pursuant to the 2000 Settlement, the Partnership and its property continued to be managed by NRMI and the general partners under the existing contracts until such time as the Partnership and its property were liquidated. The Arbitration Stipulation states that the existing employees of NRMI will continue to be compensated based on their current employment arrangements, notwithstanding provisions set forth in the 2000 Settlement.

The 2000 Settlement further provided that any legal expenses incurred in connection with the arbitration process could not be advanced or paid by the Partnership. The following legal expenses could be paid by the Partnership: 1) legal expenses incurred in drafting the 2000 Settlement, or obtaining preliminary or final approval of the 2000 Settlement, 2) legal expenses incurred in the sales process for marketing or selling the investment property, and 3) other legal expenses properly incurred in the business of the Partnership unrelated to this lawsuit or the arbitration process. Certain legal expenses were charged to the Partnership in 2001. This matter was resolved in the Arbitration Stipulation signed February 11, 2002.

The 2000 Settlement also provided that the plaintiffs' claims made against NRMI, the general partners, and other related parties for excessive charging of expenses to the partnerships named as nominal defendants in the class action lawsuit, including the Partnership, were to be resolved through binding arbitration. Any such expenses disallowed through arbitration would be reimbursed to the partnerships. This matter was also settled in the Arbitration Stipulation.

As part of the litigation, the plaintiffs' attorneys were also seeking payment of their fees from the assets of the Partnership and the other nominal defendant entities. The plaintiffs' attorneys requested that they be paid 33% of the net proceeds derived from the sale of the property, which exceeded an aggregate secondary market value of all Partnership shares. Net proceeds include an offset of partnership liabilities and selling costs. Independent appraisals of the Partnership's secondary market value were obtained by both the plaintiffs' attorneys and by Partnership management. The court gave preliminary approval to the 33% reimbursement, and the secondary market value amount was agreed upon in the Arbitration Stipulation.

On April 27, 2000 the Circuit Court of Waukesha County held a hearing and certified the lawsuit as a non-opt out class action, in which all limited partners of the Partnership were required to be included in the settlement of this litigation. Furthermore, the Court ruled that plaintiffs' attorney fees would be

equal to one-third of the difference between the secondary market value of the Partnership interest and the total funds available for distribution to the limited partners after payment of all Partnership obligations, as described above.

On June 20, 2000, the Court entered a judgment based upon its April 27th decision. Thereafter, on July 21, 2000, the Court held a hearing on the plaintiffs' Motion for Enforcement of the Court Approved Settlement and in Support of Sanctions. The outcome of the hearing was that the Court granted sanctions totaling \$437,000 against the Vishnevsky Defendants and their counsel for delaying the appointment of the Partnerships' Representative and the arbitrators. The Court took under advisement the remaining open issue regarding the determination of the secondary market value for computing the plaintiffs' attorney fees until the arbitration proceedings were completed and the Partnerships' properties were sold.

On August 2, 2000, the Vishnevsky Defendants filed an appeal on the portion of the judgement, which determined the method for computing the plaintiffs' attorney fees. On October 10, 2000 the Vishnevsky Defendants and their counsel filed a second appeal from the order granting the sanctions. A motion to consolidate the two appeals was granted. On October 24, 2001, the Court of Appeals rendered its decision with respect to both appeals. The Court affirmed the lower court ruling respecting the determination of the attorneys fees, but reversed the Order imposing the sanctions for delay in implementing the 2000 Settlement agreement based upon the lower court's erroneous view of the effective date of that agreement.

The arbitration panel was selected in 2001. The arbitration was tentatively set for hearing the weeks of February 11, and 18, 2002. On February 11, 2002 the parties settled the arbitration issue (the "Arbitration Stipulation"). The Arbitration Stipulation provides in part that Mr. Vishnevsky will pay into a Settlement Fund an amount equal to the cash distribution he receives from each Partnership for his general and unencumbered limited partnership interests, together with an amount equal to the amount he receives from the repayment of all loans, deferred management fees, and interest due him from the Partnerships minus the sum of \$1,300,000 to cover Mr. Vishnevsky's tax liability generated by the sale of the Properties and other expenses. Mr. Vishnevsky will also receive the commissions due to NRMII and the return of the sanctions money. The Arbitration Stipulation also established the secondary market value to be used in the calculation of the plaintiffs' attorney fees to be paid, as described above.

The remaining cash in the settlement fund, as described above, will be allocated and distributed to the limited partners in this partnership and the other partnerships participating in this litigation, based upon a court approved allocation formula. The portion of the Settlement Fund allocable to the limited partners of this partnership is estimated to be \$243,073. Upon completion of all litigation matters, these funds will be disbursed to the limited partners directly from the Settlement Fund. These funds are not the property of the Partnership entity and, accordingly, are not reflected as an asset in the accompanying financial statements and will not flow through the partnership's books.

The timing of distributions to limited partners will be largely dependent on the amount of time necessary to resolve all issues. Once the partnership's property is sold and the sales proceeds distributed, the partnership will be terminated. The monetary impact of these matters has been estimated, and is presented in the statement of net assets in liquidation as estimated obligation for plaintiffs' attorney fees, and estimated obligation for future liquidation expense. The final outcome of these estimates is not presently determinable, and the resulting changes could be material to the financial statements. Upon termination, the amount of the reserves shown for such attorney fees and liquidation expenses will be transferred to a non-interest bearing liquidating trust fund. If any amount remains in the trust fund after payment of all liquidation expenses and attorney fees, it will be added to the Settlement Fund.
