The Securities and Exchange Commission (Commission) issued its Order Instituting Proceedings (OIP) on March 18, 2010, pursuant to Section 12(j) of the Securities Exchange Act of 1934 (Exchange Act). The Office of the Secretary and the Division of Enforcement have provided evidence that the Commission delivered or attempted to deliver the OIP to Respondents by March 20, 2010, in a manner that complies with Rule 141 of the Commission's Rules of Practice. No Answers have been received and the time for filing Answers has expired.

On April 5, 2010, I required Respondents to show cause why they should not be held in default and why the registrations of their registered securities should not be revoked. The time for replying to that Order has expired, and no replies have been received. Accordingly, Respondents are in default. See Rules 155(a) and 220(f) of the Commission's Rules of Practice.
