	Three Month	
	SS Growth %	% of SS

101 CAMBRIDGEPARK DRIVE DEVELOPMENT

During the first quarter, Healthpeak placed-in-service the remaining 19,000 square feet, representing \$28 million of investment, at 101 CambridgePark Drive in Cambridge, Massachusetts.

101 CambridgePark Drive totals approximately 161,000 square feet, with the purpose-built lab space 100% leased. When combined with the adjacent life science holdings at 35 and 87 CambridgePark Drive, the flagship 450,000 square foot campus along CambridgePark Drive brings Healthpeak's operating life science ownership in the Boston market to 2.6 million square feet. This portfolio was 99% occupied as of the end of the first quarter.

DISPOSITIONS AND LOAN REPAYMENTS

During the first quarter, Healthpeak received \$158 million of seller financing and other loan repayments. Subsequent to the first quarter, Healthpeak received an additional \$14 million of seller financing repayments.

As previously announced, in January 2023, Healthpeak closed on the sale of two held-for-sale life science buildings in Durham, North Carolina for \$113 million.

In March 2023, Healthpeak and its joint venture partner sold a non-core MOB in the Tampa MSA for \$32 million. Healthpeak's share of the sales price was \$16 million.

SORRENTO THERAPEUTICS UPDATE

As previously disclosed, on February 13, 2023, Sorrento Therapeutics, Inc. ("Sorrento") commenced voluntary reorganization proceedings under Chapter 11 of the U.S. Bankruptcy Code (the "Code") in the U.S. Bankruptcy Court for the Southern District of Texas (the "Court").

OPERATING LEASES UPDATE

Sorrento has four separate leases in Healthpeak operating assets totaling approximately 211,000 square feet. Sorrento is entitled to certain rights under the Code regarding the assumption or rejection of its lease obligations with Healthpeak but has not yet filed any motion with the Court indicating whether it will assume or reject the leases. As of April 27, 2023, Healthpeak has received all contractually-owed rent from Sorrento. During the first quarter, Healthpeak incurred an \$8.7 million non-cash write-off of previously recognized straight-line rent receivable related to Sorrento and began recognizing rents on a cash basis. Healthpeak holds either a security deposit or a letter of credit pursuant to each of the four leases, totaling \$2.6 million.

DEVELOPMENT LEASE UPDATE

On April 14, 2023, the Court approved Sorrento's rejection of the lease on The Gateway at Directors Place, a 163,000 square foot development property located in Sorrento Mesa submarket of San Diego. On April 20, 2023, Healthpeak drew on the \$2.3 million letter of credit held pursuant to this lease. Healthpeak is currently marketing the Class A property to new tenants and has revised the initial occupancy date to mid-2024. Healthpeak will continue capitalizing interest on the development for the balance of 2023.

CAPITAL MARKETS ACTIVITY

SENIOR UNSECURED NOTES

As previously announced, in January 2023, Healthpeak completed a public offering of \$400 million 5.25% fixed rate senior unsecured notes due 2032. Net proceeds from the offering were used to repay a portion of the Company's outstanding commercial paper and for general corporate purposes.

UPREIT CONVERSION

During the first quarter, Healthpeak implemented a holding company reorganization to restructure Healthpeak Properties, Inc. as an Umbrella Partnership Real Estate Investment Trust, or UPREIT. The UPREIT conversion aligns Healthpeak's corporate structure with other publicly traded U.S. real estate investment trusts and supports external growth by offering real estate owners a tax-deferred alternative for disposing of properties.
